§ 10-7-501. Reproduction of state records on film.

The head of any department, commission, board, or agency of the state government may cause any or all records kept by such head or it to be photographed, microphotographed or reproduced on film; provided, that the microfilm project has been evaluated and approved by the division of records management of the department of state. Such photographic film shall comply with the minimum standards of quality approved for permanent photographic records by the national
10-7-503. Records open to public inspection — Schedule of reasonable charges — Costs.

(a) (1) As used in this part and title 8, chapter 4, part 6:

(A) "Public record or records" or "state record or records":

(i) Means all documents, papers, letters, maps, books, photographs, microfilms, electronic data processing files and output, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by any governmental entity; and

(ii) Does not include the device or equipment, including, but not limited to, a cell phone, computer, or other electronic or mechanical device or equipment, that may have been used to create or store a public record or state record;

(B) "Public records request coordinator" means any individual within a governmental entity whose role it is to ensure that public records requests are routed to the appropriate records custodian and that requests are fulfilled in accordance with § 10-7-503(a)(2)(B); and

(C) "Records custodian" means any office, official, or employee of any governmental entity lawfully responsible for the direct custody and care of a public record.

(2) (A) All state, county and municipal records shall, at all times during business hours, which for public hospitals shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law.

(B) The custodian of a public record or the custodian's designee shall promptly make available for inspection any public record not specifically exempt from disclosure. In the event it is not practicable for the record to be promptly available for inspection, the custodian shall, within seven (7) business days:

(i) Make the information available to the requestor;

(ii) Deny the request in writing or by completing a records request response form developed by the office of open records counsel. The response shall include the basis for the denial; or
