WORKFORCE SERVICES

CONSULT.
The process begins with our team listening to your specific workforce needs. TNTrained will learn your company’s culture, skill requirements, and staffing needs to build the foundation that will support all aspects of future training.

DESIGN.
We design a custom curriculum for your business training based on the industry-identified skills. It is the goal of TNTrained to underscore the company’s culture, skills, and expectations.

IMPLEMENT.
TNTrained institutions will create a delivery plan of action customized to the needs of the industry. Location, timeline and content will all be developed around specific industry need.

EVALUATE.
TNTrained is committed to ensuring the best-in-class training programs are supported by consistent and transparent evaluation of skills attainment. Industry feedback and data-driven metrics will drive the continuous improvement process.
