

General Education Core Steering Committee
Meeting Agenda
November 19, 2021

Meeting Objective:

Discuss members' entries on the working [document](#) toward establishing a set of Core Competencies with basic descriptors for review by campus Teams of Ten.

Competencies and corresponding descriptors under consideration are:

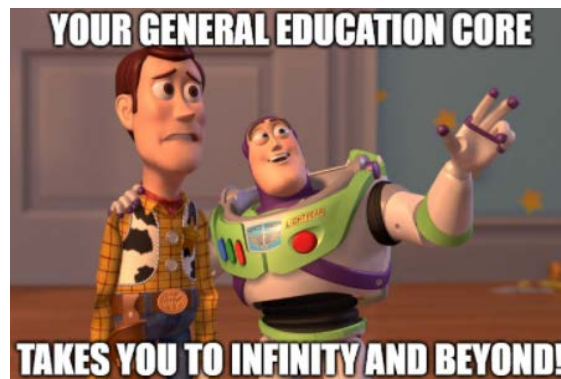

- Communication
- Scientific Inquiry and Mathematical Reasoning
- Global and Cultural Awareness
- Creative and Artistic Expression
- Information Literacy
- Critical Thinking
- Ethical Reasoning

New Committee Member Introduction

Jackson State Community College Amy Wake Associate Professor of Nursing

The Core Campaign

TBR seeks to effectively communicate the value of a holistic and integral general education core to students and community. We must demonstrate its relevance, purpose, and benefit to the student's personal and professional goals.

Next Meeting Objective (date TBD)

Official vote to approve the Core Competencies with descriptors.
