## Go-DBE Monthly “In the Know” Diversity Business Meetings

Go-DBE certified suppliers are automatically qualified to attend the monthly “In The Know” business meetings. The meeting is Go-DBE’s business development program which was started in September of 2021. Meetings are held the first Wednesday of each month.

Participants will learn about the Edison Supplier System, State of TN Procurements, Marketing, and Finance. There will be guest experts providing solutions, best practices, and tips on the monthly topic. Topics are of high importance to businesses and attendees will get the opportunity to ask questions and make comments during the meetings.
