

### Transfer from TCAT Nursing Aide to the A.A.S. in Health Science

TCAT Program:	Nursing Aide	
Community College Program:	A.A.S in Health Science	
Degree Length:	60-63 credit hours	
Articulation Process:	Community college faculty have assured that academic transfer credit is at the collegiate level and comparable to credit earned in the college's own programs ( <a href="#">TBR policy 2.00.01.06</a> ).	
Number of Transfer Credits:	This statewide agreement allows a student the possibility to earn 9 course credits. Please see the below crosswalk/equivalency table.	
<b>Community College Course Title</b>	<b>Credit Hours</b>	<b>TCAT Course Title or Certification Exam Title</b>
ALHS 1010- Introduction to Health Sciences	3	Certified Nursing Assistant (CNA)-State Licensure
AHSC 1200-Certified Nursing Assistant	3	
AHSC 1210-Certified Nursing Assistant Lab	3	
Total credit hours available to earn	9	

\*Students may earn credit hours for other courses based upon faculty approval. This pathway to the A.A.S. in Health Science is available at Jackson State Community College.
