

**Transfer from TCAT Emergency Medical Technology  
to the A.A.S. in Emergency Medical Services**

TCAT Program:	Emergency Medical Technology	
Community College Program:	A.A.S in Emergency Medical Services	
Program Length:	60 credit hours	
Articulation:	Community college faculty have assured that academic transfer credit is at the collegiate level and comparable to credit earned in the college's own programs ( <a href="#">TBR policy 2.00.01.06</a> ).	
College Credit:	This statewide agreement allows a student the possibility to earn 32 course credits. Please see the below crosswalk/equivalency table.	
<b>Community College Course Title</b>	<b>Credit Hours</b>	<b>TCAT Course Title or Certification Exam Title</b>
EMSB 1601 EMT Medical Emergencies and EMS Operations <sup>§</sup>	6	National Registry of Emergency Medical Technicians--EMT
EMSB 1601 EMT Trauma and Medical Emergencies <sup>§</sup>	6

EMSA 1501 Advanced EMT Medical Emergencies <sup>§</sup>	5	National Registry of Emergency Medical Technicians--AEMT
EMSA 1502 Advanced EMT Trauma and Medical Emergencies <sup>§</sup>	5	
EMSA 1201 Advanced EMT Medical Skills Lab <sup>§</sup>	2	
EMSA 1202 Advanced EMT Trauma and Medical Skills Lab <sup>§</sup>	2	
EMSA 1111 Advanced EMT Clinical <sup>§</sup>	1	

EMSA 1112 Advanced EMT Field Internship <sup>§</sup>	1	
---	---	--

\*The campuses which offer a related AAS degree will award the above credit. Campuses which require EMT and/or AEMT passing exams as prerequisite courses to the paramedic program will advance students to the next appropriate level of courses without duplication (depending on the student's level of licensure and after verification of competency as required by accreditation standards and the National EMS Education Standards).
