

The General Conditions for OFD's
General Work
projects are those contained in

Jun 09 OFD 00 72 13

**GENERAL CONDITIONS
OF THE CONTRACT FOR CONSTRUCTION**

which has been developed from

**AIA Document A201
2007 Edition**

as modified by TBR OFD under license from AIA
(50 pages)

Due to the license restrictions and protected nature of the resulting AIA-licensed PDF document, it cannot be embedded with the separately produced PDF documents for OFD's standards. It is posted separately on the OFD website, with a link in the Designers' Manual group.

Replace this page in project manuals with the modified A201.
