About Donor Confirmation

Your TBRECC pledge card attached to the bottom contains a special donor confirmation area. If you would like to receive a letter confirming receipt from each agency you designated to, then you must complete this portion of the pledge card. This information is used solely for donor confirmation and not for further solicitation. Your name will not be sold to any mailing list or used for any other purpose.

We couldn't imagine a world without the Civil Rights Acts, the Women's Right to Vote, or Americans with Disabilities Act. These incredible social change movements are proof that, collectively, we can create social justice and equity in our society.

"How do you want to change the world?"

We celebrate these achievements, but there is still work to be done. The challenges we face today are no less complex and numerous, for instance, did you know that:

> 6,500 children are in Tennessee state foster care
> 18% of Tennesseans live below the poverty level

> 40% of Tennessee streams are unfit for recreation
> 28,000 Tennesseans do not have health insurance

Groups finding forever homes for animals, providing no/low cost spay and neuter clinics, and working to make TN a no-kill state by 2025.

Groups helping those with disabilities live autonomous lives, keep a job, and who are helping parents navigate the education system.

Groups working to end homelessness, fund education, and provide assistance to those who need it.

Groups focused on protecting our environment by cleaning/preserving our waterways and planting trees.

Groups working to create and sustain overall peace and justice in our communities by supporting immigrant rights, fair pay, and more.

Groups ensuring local arts and media are not lost to history but are vibrant and viable expressions of art that deserve preserving.

All groups help shape our communities one legislative bill, company/school policy, disenfranchised group at a time to create stronger, safer communities; healthier environment; and empowered individuals.

How does it work?

Community Shares believes in choice. You decide how much to give and where to give it, and we disperse those funds to the specified group(s) of your choosing. Here are your two choices:

1. Choose the Community Shares general fund and the money will be distributed evenly among our full member groups.
2. Choose the nonprofit(s) of your choice and be assured that your donation will have a lasting impact on their work and community.

Thank you, Metro employees, for your generosity. Know that we are guided by the principle that "Injustice anywhere is a threat to justice everywhere." It's a quote by Martin Luther King, Junior, and words that remind us that we are connected.

COMMUNITY HEALTH CHARITIES

Community Health Charities is a nonprofit that raises awareness and resources for health and wellness by connecting more than 2,000 of the most trusted health charities across the United States with more than 17 million caring donors through workplace giving campaigns, causes, wellness programs, employee engagement, and strategic partnerships.

Health has never been such a priority: 77% of U.S. workers suffer from at least one long-term health condition, ranging from cancer to asthma – chances are someone you know is affected. Therefore, we deliver more of every donor dollar to the health charities on the forefront of providing innovative research, programs, and services that help us live healthier lives.

Your donation provides resources and services to support healthier communities, workplaces, and families.

\$25 could provide an individual with a specialized cookbook to help them learn more about diabetes, what and how to eat to manage everyday living.

\$50 allows one patient to be registered for Medic Alert+, the Alzheimer’s Association’s Safe Return program.

\$100 could train an instructor to teach suicide prevention classes through Mental Health America of Middle Tennessee.
