

### TENNESSEE BOARD OF REGENTS

## Committee on Audit

## August 30, 2016 AGENDA

- I. CONSENT AGENDA (Tammy Birchett)
  - a. Review of Risk Assessments for Universities and Community Colleges Enterprise-wide
  - Review of Risk Assessments for Universities and Community
     Colleges Indicated Major Processes
- II. IMPACT OF THE FOCUS ACT ON INTERNAL AUDIT FUNCTIONS (Chancellor David Gregory, Tammy Birchett)
- III. INFORMATIONAL REPORTING (Tammy Birchett)
  - a. Review of Comptroller's Office Audit Reports
  - b. Update of Corrective Actions on Performance Audit Findings
  - c. Review of Internal Audit Reports
- IV. REVIEW OF INTERNAL AUDIT YEAR-END STATUS REPORTS FOR FISCAL YEAR 2016 (Tammy Birchett)
- V. REVIEW OF INTERNAL AUDIT PLANS FOR FISCAL YEAR 2017 (Tammy Birchett)
- VI. REVIEW OF INTERNAL QUALITY ASSURANCE REVIEWS (Tammy Birchett)
- **VII. NON-PUBLIC EXECUTIVE SESSION (Tammy Birchett)**

# **Tennessee Board of Regents Committee on Audit**

**DATE:** August 30, 2016

AGENDA ITEM: Review of Risk Assessments for

**Universities and Community Colleges –** 

**Enterprise-wide** 

**PRESENTER:** Tammy Gourley

**ACTION REQUIRED:** Voice Vote

STAFF'S RECOMMENDATION: Accept Report

#### **BACKGROUND INFORMATION:**

The Committee will review and consider for approval the updated enterprise-wide risk assessments for the universities, community colleges and TBR system office. The TBR risk assessment process started in 2006 and calls for management to update the enterprise risk assessments annually. The Tennessee Board of Regents and its universities and community colleges will assess the risks of all identified major processes over a three-year period, with at least one-third of the major processes assessed annually. This submission represents the third year in the current three-year cycle. A legend is included as the first page to assist with the review of the enterprise-wide risk footprints.

As part of this annual analysis, each institution's president provided a letter to the Audit Committee acknowledging responsibility for the operations and giving their opinion that the risk assessment was sufficiently comprehensive for the areas reviewed and supports the conclusions reached during the assessment. Each institution's internal auditor performed a limited review of the documents concluding on the adequacy of the extent of coverage, conclusions reached and level of documentation supporting the assessment.

The following descriptions explain the two levels of risk analysis currently used by TBR institutions. For each perspective, management considers the risks identified for their potential impact on the institution and likelihood of occurrence, using factors of high, moderate or low, resulting in a risk factor that helps to rank the risks by significance.

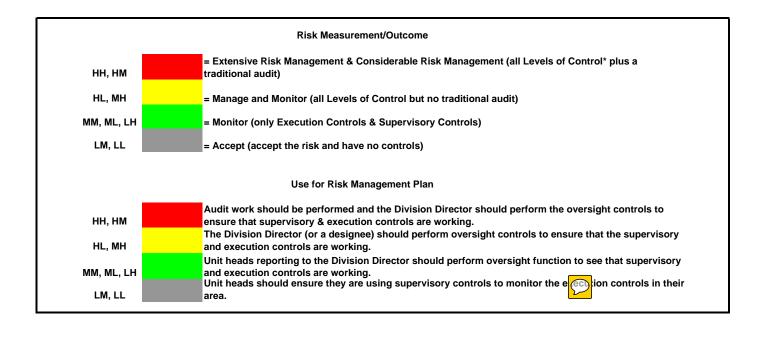

**Enterprise-wide perspective**—a high level view of enterprise risk, organized by major activity areas, to give management an overview of risks and a road map for performing more in-depth activity-wide assessments. The enterprise-wide assessment is updated annually.

Activity-wide perspective—a more detailed analysis of risk within a major process (activity). Major processes usually consist of several sub-processes, where risks are assessed. This step is followed by an assessment of controls in place at the sub-process level to mitigate the risks. If indicated, corrective action steps are developed by management to improve controls. After this phase, management monitors the controls periodically to ensure controls are in place. All major processes must be reviewed within a three year cycle.

The May 2016 enterprise-wide risk assessments for the universities, community colleges and the system office are presented in this section.

## Tennessee Board of Regents Risk Assessment Footprint Legend

#### **Risk Ranking Characteristics** Impact - Effect on the achievement of goals and objectives = Showstopper/Cease operations for a period of time Н High М Medium = Inefficient or extra work = No effect Low Probability - Likelihood of a risk occurring Н High = Will happen frequently Medium = Will happen infrequently Low = Will seldom happen

#### Tennessee Board of Regents Committee on Audit

**DATE:** August 30, 2016

AGENDA ITEM: Review of Risk Assessments for

Universities and Community Colleges -

**Indicated Major Processes** 

**PRESENTER:** Tammy Birchett

**ACTION REQUIRED:** Voice Vote

STAFF'S RECOMMENDATION: Accept Report

#### **BACKGROUND INFORMATION:**

The Committee will review and consider for approval activity-level risk assessments of major processes for the universities, community colleges and TBR system office.

The following descriptions explain the two levels of risk analysis currently used by TBR institutions. For each perspective, management considers identified risks for their potential impact on the institution and likelihood of occurrence, using factors of high, moderate or low, resulting in a risk factor that helps to rank the risks by significance.

**Enterprise-wide perspective**—an annual high level view of enterprise risk, organized by major activity areas, to give management a road map for performing activity-wide assessments.

Activity-wide perspective—a more detailed analysis of risk within a major process (activity). Major processes usually consist of several sub-processes, where risks are assessed. This step is followed by an assessment of controls in place at the sub-process level to mitigate the risks. If indicated, corrective action steps are developed by management to improve controls. After this phase, management monitors the controls periodically to ensure controls are in place. All major processes must be reviewed within a three year cycle.

Upon completion of the major process assessments, management completes and submits the following documents for review by the campus internal auditor and subsequently to System-wide Internal Audit.

Letter to the Audit Committee Chair Risk Footprint, for each major process Control Footprint, for each sub-process within the major process Corrective Action Plan, if indicated The president's letter to the Audit Committee Chair acknowledges responsibility for the operations of the entity and provides an opinion that the risk assessment process was sufficiently comprehensive for the areas reviewed and supports the conclusions reached during the assessment. Each entity's internal auditor performs a limited review of the documentation provided, concluding on the adequacy of the coverage, conclusions reached and level of documentation supporting the assessment.

Summaries of significant risks assessed at the activity-wide perspective and reported by the universities, community colleges and system office are included on the following pages. These summaries provide a system-wide overview of the major processes assessed during 2016. Risk assessment documents submitted by each institution are available to members upon request.

# Tennessee Board of Regents 2016 System Wide Risk Assessment Highlights Assessments by Major Process

| Major Process                        | # Assessed | % Assessed |
|--------------------------------------|------------|------------|
| Financial Management (1)             | 9          | 14%        |
| Auxiliary (1)                        | 9          | 14%        |
| Physical Plant (1)                   | 9          | 14%        |
| Information Technology (1)           | 6          | 9%         |
| Student Services (1)                 | 6          | 9%         |
| Instruction and Academic Support (1) | 4          | 6%         |
| Institutional Support (1)            | 3          | 5%         |
| Other                                | 19         | 29%        |
| Totals (2)                           | 65         | 100%       |

#### Notes:

- (1) The significant risks and mitigating controls for this major process are summarized on the following pages.
- (2) Each institution performed a detailed risk assessment on at least one major process.

#### **System Office**

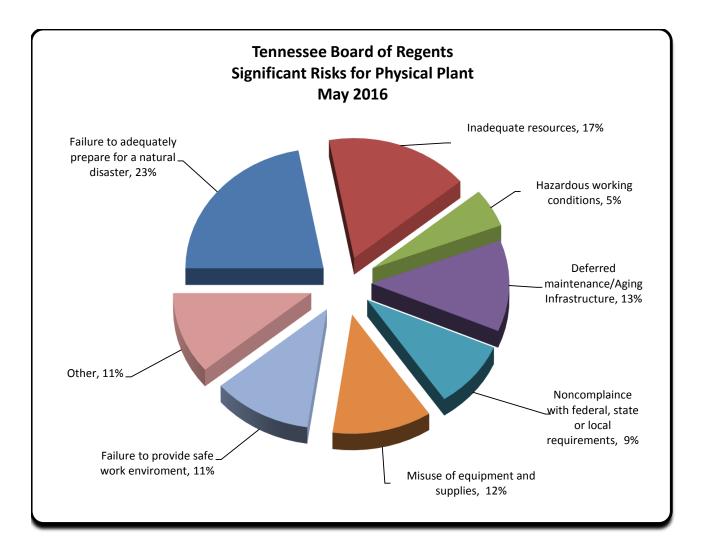

- 1. System Wide Purchasing
- 2. RODP / TN eCampus
- 3. Academic Affairs
- 4. TCAT Administration
- 5. Administration & Facilities

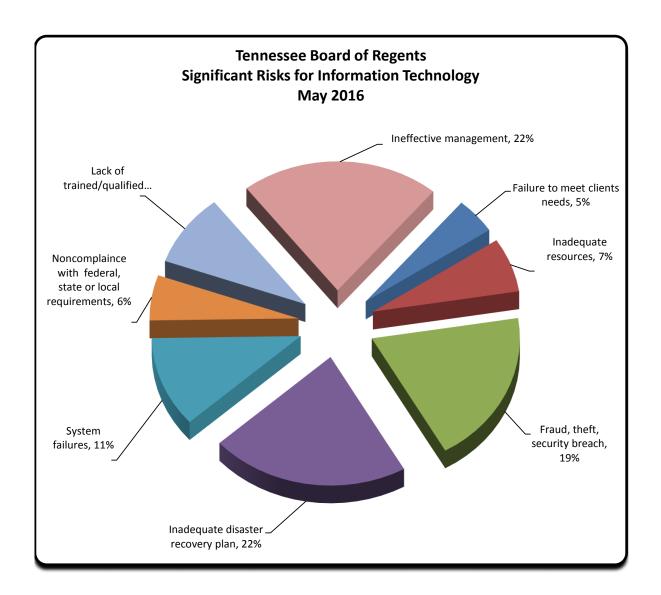

- Nine institutions (APSU, TSU, UOM, ChSCC, CoSCC, DSCC, NaSCC, NeSCC, & RSCC) assessed the risks
  related to the major process of Financial Management These institutions noted some common
  significant risks. Significant risks are generally defined as those risks which management has
  assessed the highest.
- No corrective action plans were submitted, indicating management deemed adequate controls were in place to mitigate the risks noted.
- Examples of controls management stated were in place to mitigate significant risks:
  - 1 Policies and procedures
  - 2 Staff training
  - 3 Testing Emergency Preparedness plan
  - 4 Supervisory review
  - 5 Reconciliations
  - 6 Cash monitoring
  - 7 Proper segregation of duties

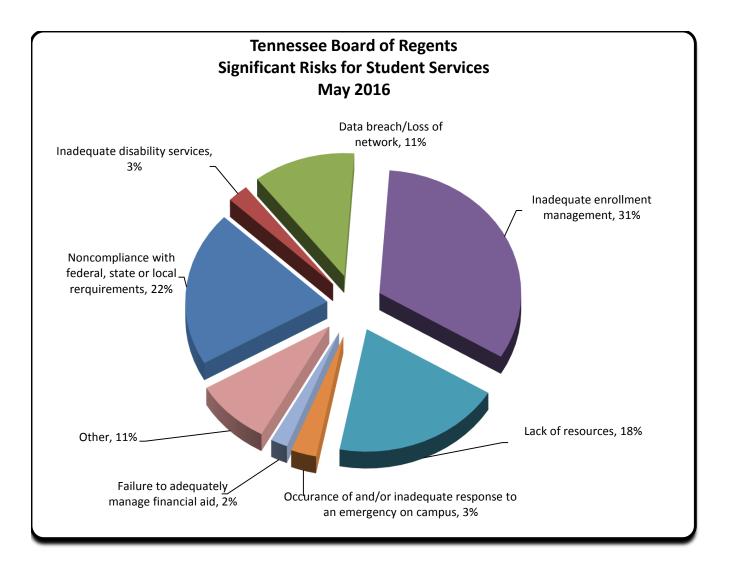

- Nine institutions (TSU, TTU, UOM, ChSCC, CoSCC, JSCC, NaSCC, NeSCC and WSCC) assessed the risks related to the major process of Institutional Support. These institutions noted some common significant risks. Significant risks are generally defined as those risks which management has assessed the highest.
- No corrective action plans were submitted, indicating management deemed adequate controls were in place to mitigate the risks noted.
- Examples of controls management stated were in place to mitigate significant risks:
  - 1 Policies and procedures
  - 2 Emergency planning committee
  - 3 Tornado and fire drills
  - 4 Safety and security procedures posted in hallways and classrooms
  - 5 Food preparation training
  - 6 Contractor review
  - 7 Budget review

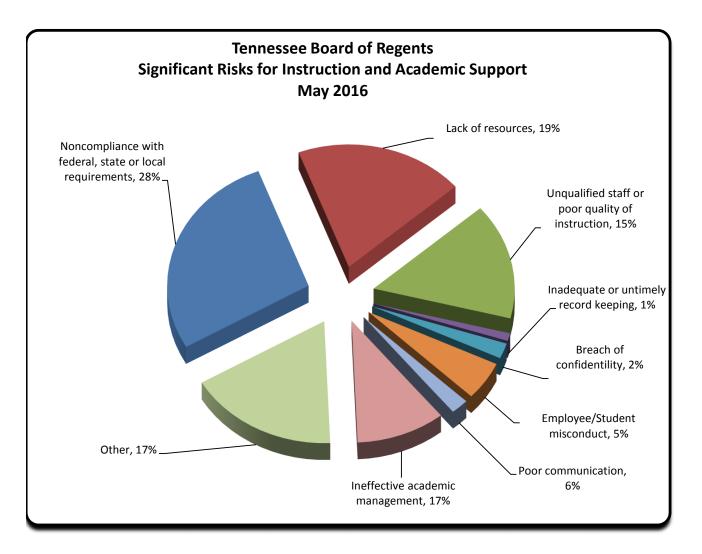

- Nine institutions (UoM, CoSCC, NaCC, NeSCC, RSCC, STCC, VSCC, WSCC & TBR) assessed the risks related to the major process of Physical Plant. These institutions noted some common significant risks. Significant risks are generally defined as those risks which management has assessed the highest.
- No corrective action plans were submitted, indicating management deemed adequate controls were in place to mitigate the risks noted.
- Examples of controls management stated were in place to mitigate significant risks:
  - 1 Policies and procedures
  - 2 Annual building condition assessment
  - 3 Emergency planning committee
  - 4 Tornado and fire drills
  - Safety and security procedures posted in hallways and classrooms
  - 6 Safety training
  - 7 Scheduled maintenance plan

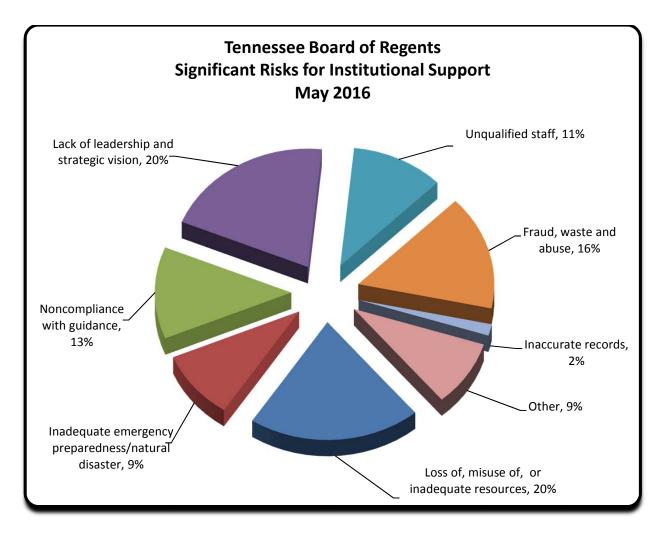

- Six institutions (TTU, MSCC, PSCC, RSCC STCC & TBR) assessed the risks related to the major process of Information Technology. These institutions noted some common significant risks. Significant risks are generally defined as those risks which management has assessed the highest.
- Two institutions submitted corrective action plans, indicating management was taking steps to ensure adequate controls were in place to mitigate the risks noted.
- Examples of controls management stated were in place to mitigate significant risks:
  - 1 Training and cross training of employees
  - 2 Policies and procedures
  - 3 Supervisory review/monitoring/approval
  - 4 Performance evaluations
  - 5 Technology Planning Oversight Committee
  - 6 Periodic test of disaster recovery plan
  - 7 Various security/control access measures

- Six institutions (APSU, MTSU, ETSU, DSCC, JSCC & NeSCC) assessed the risks related to the major process of Student Services. These institutions noted some common significant risks. Significant risks are generally defined as those risks which management has assessed the highest.
- No corrective action plans were submitted, indicating management deemed adequate controls were in place to mitigate the risks noted.
- Examples of controls management stated were in place to mitigate significant risks:
  - 1 Policies and procedures
  - 2 Accreditation review
  - 3 Employee training
  - 4 Loan counseling with students
  - 5 Providing reminders to employees of confidentiality of data
  - 6 On-going monitoring of various activities
  - 7 Periodic meetings at Executive level

- Four institutions (TTU, CISCC, MSCC, NeSCC, ) assessed the risks related to the major process of Instruction and Academic Support. These institutions noted some common significant risks. Significant risks are generally defined as those risks which management has assessed the highest.
- No corrective action plans were submitted, indicating management deemed adequate controls were in place to mitigate the risks noted.
- Examples of controls management stated were in place to mitigate significant risks:
  - 1 Policies and procedures
  - 2 Faculty handbook
  - 3 Program reviews
  - 4 Performance evaluations
  - 5 Space utilization process
  - 6 Faculty orientation
  - 7 Professional development

- Three institutions (ChSCC, PSCC and STCC) assessed the risks related to the major process of Institutional Support. These institutions noted some common significant risks. Significant risks are generally defined as those risks which management has assessed the highest.
- One institution submitted a corrective action plan, indicating management was taking steps to ensure adequate controls were in place to mitigate the risks noted.
- Examples of controls management stated were in place to mitigate significant risks:
  - 1 Policies and procedures
  - 2 Periodic review of vision and mission statement
  - 3 Approval/monitoring process
  - 4 Performance evaluations
  - 5 Salary plan reviews
  - 6 Training
  - 7 Budget process

#### TENNESSEE BOARD OF REGENTS

**MEETING:** Committee on Audit

SUBJECT: Impact of the FOCUS Act on Internal Audit

**Functions** 

**DATE:** August 30, 2016

**PRESENTER:** Chancellor David Gregory, Tammy Birchett

**ACTION REQUIRED:** Informational Report

**STAFF'S RECOMMENDATION:** Not Applicable

#### **BACKGROUND INFORMATION:**

The Committee will discuss the impact of the FOCUS Act on internal audit activities for the Tennessee Board of Regents system and its institutions as well as steps to transition audit activities within the system's renewed focus on Tennessee's community colleges and colleges of applied technology.

The FOCUS Act directs the creation of a separate state university board, a governing board, for each of the six universities in the Tennessee Board of Regents system. The Act did not amend statutes originally enacted in 2004 regarding the establishment of an audit committee, and other internal audit matters, for the Tennessee Board of Regents system. The State of Tennessee Audit Committee Act of 2005, requires the establishment of audit committees for state governing boards and will presumably require audit committees for the new state university boards once established. Certain questions remain regarding the 2004 requirements of the TBR system's Audit Committee and internal audit function because the FOCUS Act also identifies the six universities within the TBR system.

The following are system-level actions or involvement directed by statutes:

#### **Higher Education Accountability Act of 2004**

• The hiring of campus internal auditors shall be done upon the recommendation of the institutional presidents with the approval of the chancellor.

- Termination of employment of campus internal auditors shall require prior approval by the chancellor and the board audit committee.
- Annual or other periodic audits of chief executives shall be performed by an internal auditor who is not an employee of the institution of the chief executive being audited.
- The board of regents shall establish a policy requiring that reports by their system chancellor and presidents detailing expenditures made by, at the direction of, or for the benefit of, the chancellor or president be filed with the board no less than annually.

#### <u>Higher Education Financial Accountability – 2004</u>

• The board of regents of the state university and community college system shall require risk-based internal financial audits of the offices of the chancellor and the presidents of the institutions comprising the system; provided, that at least thirty percent (30%) of such offices shall be audited in any given year. The audits shall be reviewed by the board of regents and the comptroller of the treasury (TCA 49-7-3001(a).

### **Tennessee Board of Regents Committee on Audit**

**DATE:** August 30, 2016

AGENDA ITEM: Review of Comptroller's Office Audit

Reports

**PRESENTER:** Tammy Birchett

**ACTION REQUIRED:** Informational Report

**STAFF'S RECOMMENDATION:** Accept Report

#### **BACKGROUND INFORMATION:**

The Comptroller of the Treasury, Division of State Audit, under the authority of TCA 4-3-304, performs financial and compliance audits of each Tennessee Board of Regents university, community college and the system office. Universities are audited annually and community colleges and the system office are audited every other year. A description of the standards followed by the Comptroller's Office and the types of findings that may be reported follow this transmittal. The Comptroller's Office also conducts performance audits of the Tennessee Board of Regents as needed.

The Committee will review audit reports received during the quarter; a summary of these reports is included.

#### FINANCIAL AND COMPLIANCE AUDITS - NO FINDINGS

Tennessee State University Foundation – Endowment for Educational Excellence – FYE June 30, 2015

Nashville State Community College – FYE June 30, 2015 and June 30, 2014

#### FINANCIAL AND COMPLIANCE AUDITS – FINDINGS

Tennessee Board of Regents System Office - FYE June 30, 2015 and June 30, 2014

#### STATUS SUMMARY FOR PREVIOUSLY REPORTED FINDINGS

Following the summary of reports is a summary on the status of previously reported Comptroller's Office findings for informational purposes. Internal Audit generally performs a follow-up review of Comptroller's Office findings within six months of issuance. A follow-up report is prepared and submitted to the Comptroller's Office and the Legislature's Office of Fiscal Review. An executive summary of each follow-up audit is included in the Audit Committee's quarterly materials.

## Standards followed by the Comptroller of the Treasury In Relation to Audits of Tennessee Board of Regents Institutions

Audit reports issued for TBR institutions indicate that the Division of State Audit conducts audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in generally accepted government auditing standards. Standards generally accepted in the U.S. are generally the accounting standards issued by the Governmental Accounting Standards Board or Financial Accounting Standards Board of the American Institute of Certified Public Accountants. Generally accepted government auditing standards are those included in Government Auditing Standards, issued by the Comptroller General of the United States. The types of findings described below are based on the guidance provided in these standards.

#### **Types of Findings**

#### **Deficiencies in Internal Control**<sup>1</sup>

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.

#### Significant Deficiency<sup>1</sup>

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

#### Material Weakness<sup>1</sup>

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

A finding normally results when auditors consider a deficiency in internal control to be a significant deficiency or a material weakness.

#### Instance of Non-Compliance Required to be Reported<sup>2</sup>

When performing GAGAS financial audits, auditors should communicate in the report on internal control over financial reporting and compliance, based upon the work performed, (1) significant deficiencies and material weaknesses in internal control; (2) instances of fraud and noncompliance with provisions of laws or regulations that have a material effect on the audit and any other instances that warrant the attention of those charged with governance; (3) noncompliance with provisions of contracts or grant agreements that has a material effect on the audit; and (4) abuse that has a material effect on the audit.

<sup>&</sup>lt;sup>1</sup> Statement on Auditing Standard 115, *Communicating Internal Control Related Matters Identified in an Audit,* was effective for periods ending on or after December 15, 2009.

<sup>&</sup>lt;sup>2</sup> The December 2011 Revision of <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States, Government Accountability Office.

|               |                       |   | weakness                      |                         |          |

#### Finding – TBR did not provide adequate internal controls in one specific area

The system office did not design and monitor internal controls in one specific area. The auditor's observed a condition in violation of the TBR policies and / or industry accepted best practices. Inconsistent implementation of internal controls increases the risk of fraud or error. The details of this finding is confidential pursuant to Section 10-7-504(i) *Tennessee Code Annotated*.

**Management's Comment** – Management concurred with the finding and recommendation, indicating they have taken corrective action to ensure internal controls are strengthened in the specific area. These controls are presently in place.

Internal Audit Follow-Up: An internal audit follow-up report on these findings will be presented to the Audit Committee at a subsequent meeting.

**ACTION REQUIRED:** Informational Report

STAFF'S RECOMMENDATION: Accept Report

#### **BACKGROUND INFORMATION:**

The following information summarizes the statuses of two findings from the January 2014 Performance Audit report of the TBR system, issued by the Comptroller of the Treasury. At this time, the system considers seven of the original nine findings resolved and is continuing to implement corrective actions for the following two findings. The evaluation of the sufficiency of TBR's actions to correct the findings will ultimately be made by the Comptroller's Office.

Finding 2 – TBR universities need to develop monitoring systems to ensure that transfer students obtain all allowable college credit for all transferable courses.

Status: TBR has taken several steps to ensure students receive credit for transferable courses, including completing a reverse transfer agreement with UT and TICUA; executing an MOU with UT Knoxville to guarantee transfer admission from community colleges for those who otherwise meet admission criteria and with certain exclusions; implementing Tennessee Transfer Pathways (TTPs) in 52 academic programs, providing for transfer and acceptance of community college credits at universities; collaborating with UT to develop a five-year schedule for reviewing and updating TTPs to ensure continued transferability; and revising TBR policy to award credit for partial completion of TTPs.

#### Recent developments include:

• The universities submitted curricular maps for years 3 and 4 for entering TTP students with a small number of maps outstanding. Websites are expected to be updated with the 3<sup>rd</sup> and 4<sup>th</sup> year curricular maps by October 2016.

- THEC contracted for electronic transcripts for high schools the TBR system and the UT system. The transcripts will be implemented for the systems and 277 high schools during the 2016-2017 academic year with plans to incorporate the remaining high schools in the 2017-2018 academice year.
- The Academic Affairs Sub-council deferred action in July on the proposal for common course indicators for 180 general education and TTP core courses to its October 19-20 meeting, pending further review and discussion by faculty and staff at all 19 institutions.

Additional improvements are underway and other procedures will be determined to ensure transfer credits are allowable and credited after implementation of a Common Data Repository.

Finding 6 – TBR universities and community colleges have not included General Counsel recommended provisions in foundation agreements.

Status: TBR implemented a new Foundations policy on September 17, 2015 and subsequently provided a template to the campuses to prepare new agreements incorporating the requirements of the revised policy. Institutions with a foundation have one year from the date of the new policy to implement a new agreement. Completion of the new agreements is estimated by September 2016.

## **Tennessee Board of Regents Committee on Audit**

**DATE:** August 30, 2016

AGENDA ITEM: Review of Internal Audit Reports

**PRESENTER:** Tammy Birchett

**ACTION REQUIRED:** Informational Report

**STAFF'S RECOMMENDATION:** Accept Report

#### **BACKGROUND INFORMATION:**

The following internal audit reports were completed during the quarter; an executive summary of each report is attached. The first group listed will be reviewed with the committee. The other reports will not be reviewed unless the members have questions or comments about the reports.

#### **Internal Audit Reports for Review with the Audit Committee**

#### **Status Summary for Previously Issued Internal Audit Reports**

Following the executive summaries of internal audit reports is a summary on the status of previously reported Internal Audit findings and observations. Campus auditors conduct follow up procedures to determine if management has taken adequate corrective action and include their conclusions on the summary log. A follow-up report may be issued by the campus auditor if adequate corrective action has not been taken by management.

Internal Audit Reports
For Review with the Audit Committee

## Middle Tennessee State University Special Review of "MTSU Signature Documentary Program Abroad" To Athens, Greece in May 2015 Executive Summary

#### **Background**

A complaint was received stating the housing budget for the "MTSU Signature Documentary Program Abroad" to Athens, Greece in May 2015 was inflated and generated excess funds that were not accounted for properly. The complaint stated that unaccounted funds were \$17,654 because the budget for housing was \$20,410 and estimated housing expense was \$2,756. The complaint estimated the housing expense based on housing rates obtained from an Athens housing website. This education abroad course with 13 students was led by an assistant professor in the Department of Electronic Media Communication.

#### **Objectives**

To determine if the complaint is substantiated or unsubstantiated, if travel documentation and expenses comply with university policies and procedures and to make recommendations for correcting deficiencies or improving operations.

Total Questioned Costs: \$1,994.21 Total Recoveries: \$1,994.21

#### **Observations**

The complaint focused on the students' housing expenses but the following three observations address policy concerns noted during the review:

- 1. Travel Documentation Contained Duplicate Receipts and Errors Totaling \$1,994.21
- 2. Two Students Were Not Enrolled in Course and One Student Did Not Pay Full Travel Amount
- 3. Professor had Minimal Faculty Contact Hours with Students in Athens

#### Conclusions

The complaint was unsubstantiated. The amount of rent paid was confirmed. Professor may have overpaid for housing because the available housing budget was provided to the property manager. With a faculty-led program, faculty leaders are involved in every aspect of the program. Professor did not fulfill the responsibilities of admission and enrollment manager, accountant and instructor. The duties of admission and enrollment manager were not fulfilled because two students were not enrolled in the course for the study abroad trip. All duties of accountant were not fulfilled because one student did not pay the required amount and all travel claim documentation was not in compliance with university policies and procedures. The role of instructor was not fulfilled in Athens due to the minimal number of faculty contact hours provided to the students.

#### Recommendations

- Professor should repay \$1,994.21 and management should consider disciplinary action
- Student enrollment requirement should be met
- Faculty should be adequately trained
- Management should consider designing a group travel claim form
- Office of International Affairs and Office of Business and Finance should work together to ensure travel documentation is adequately translated
- Office of International Affairs and Office of Business and Finance should work together to ensure the same information is communicated

#### **Management's Comments**

Management concurred with the recommendations and is taking corrective action.

### Chattanooga State Community College Complete College Tennessee Act - Outcome Measures

### Academic Year 2014 – 2015 and Academic Year 2013 – 2014 Workforce Training Contact Hours Executive Summary

| Key Staff Person: Eva Lewis, Associate Vice President Institutional    | Auditor: Kimberly Clingan |
|--|---------------------------|
| Effectiveness and Research; LuLu Copeland, Interim Executive Director, | Director Internal Audit   |
| Economic & Workforce Development                                       |                           |

**Introduction:** The CCTA of 2010 (the Act) charged the Tennessee Higher Education Commission (THEC) with developing a statewide master plan for the state's public higher education institutions and for directing those institutions to be accountable for increasing the educational attainment levels of Tennesseans. In implementing the plan, the Act requires that THEC use an outcomes-based model for making funding recommendations. The outcome measures identified for use in the funding formula are different for universities and community colleges and are further distinguished by weighting the measures by institutional mission. The outcomes may be grouped into student progression, student completion (degrees and certificates awarded), efficiency measures and other important institutional factors.

**Objective:** The objectives of the audit were to determine whether Chattanooga State Community College's internal controls provide reasonable assurance that the data reported to the Tennessee Board of Regents (TBR) was accurate and in compliance with the reporting instructions provided by the TBR.

**Scope:** This audit reviewed data and data file controls in place during the academic year 2014-2015 and fall term 2015 and academic year 2013 – 2014 Workforce Training Contact Hours. Specifically, the audit reviewed End of Term/Report of Graduate file data, and workforce training data submitted during the academic year.

**Audit Conclusion:** The review of the college's internal controls over outcome measures data indicated that the college has established controls to provide reasonable assurance that the data is accurately reported. Based on audit tests performed on a sample of data elements reported to the TBR for the 2014 – 2015 academic year and academic year 2013 – 2014 workforce training contact hours, the data was accurately reported except for Workforce Training Contact Hours. The audit revealed matters warranting a finding.

**Finding/Recommendation:** Spreadsheet errors of sorting, inclusion of Mechatronics courses and of withdrawn/no-show students resulted in total Workforce Training Contact Hours being overstated by 39,552 for 2014 -2015 and 17,425 for 2013 – 2014. These errors identified a failure in management review controls. An internal control step should be developed to include review of the training data by the Dean of Engineering and Information Technologies and/or the Volkswagen/Mechatronics Department Manager.

The college's efficiency and other outcomes reported by THEC for the 2014 - 2015 academic year and the 2013 - 2014 academic year workforce training contact hours include the following:

| Type of Completion                                  | Outcome |
|---|---------|
| Students accumulating 12credit hours (Progression)  | 2,159   |
| Students accumulating 24 credit hours (Progression) | 1,611   |
| Students accumulating 36 credit hours (Progression) | 1,364   |
| Dual Enrollment                                     | 1,434   |
| Associates  | 935     |
| 1 – 2 Certificates                                  | 162     |
| < 1 Year Certificates                               | 167     |
| Job Placements                                      | 630     |
| Transfers Out with 12 Credit Hours                  | 534     |
| Workforce Training Contact Hours 2013 - 2014        | 116,198 |
| Workforce Training Contact Hours 2014 - 2015        | 66,340  |
| Awards per 100 FTE                                  | 20.7    |

**Management Response:** Management concurs and will implement the additional control during the submission for academic year 2015 – 2016 for all Divisions providing workforce training hours. The corrected workforce training contact hour reports will be submitted to TBR by July 15, 2016.

#### **Nashville State Community College**

#### **Special Review of a Conflict of Interest**

| Key Staff: Technical Clerk, Campus Director | Auditor: Investigative Auditor, System-wide |
|---|---|
|   | Internal Audit                              |

**Background:** A conflict was reported regarding an onsite supervisor who was alleged to have had a student employee complete homework assignments, during the 2015 - 2016 academic year, for courses in which the supervisor was enrolled.

**Objectives:** The primary objectives of this review were to determine if the allegations were substantiated, and evaluate and recommend improvements to internal controls as needed.

**Allegations:** It was alleged that the onsite supervisor of a student employee had the student complete assignments for online courses in which the supervisor was enrolled at another TBR system school. During the review, other information was provided alleging that the onsite supervisor a) completed time records to compensate the student employee for time spent working at home on these homework assignments rather than working on campus on the duties of the position and b) may have had other students or employees complete homework assignments in the past.

**Summary:** The allegations were partially substantiated.

- The onsite supervisor admitted the student employee and at least one other former employee completed homework assignments that she submitted to another TBR system school as her own work, indicating inappropriate use of students and support staff under TBR Policy 1:02:03:10, Conflict of Interest and academic misconduct, in her coursework at another TBR institution, under TBR Policy 3:02:00:01, General Policy on Student Conduct & Disciplinary Sanctions.
- There was no documentation showing that the wages the student employee received were payment for time spent working at home on the supervisor's homework assignments rather than working on campus performing the duties of the position.

#### **Recommendations:**

- 1. College management should ensure that faculty and staff are aware and periodically reminded of TBR Policy 1:02:03:10, *Conflict of Interest*, responsibility to avoid activities and situations which, either actually or potentially, put personal interests before the professional obligations which they owe to the State and its citizens, and when needed, to disclose potential conflicts for review. While the policy gives management the ability to approve appropriate activities involving students, the issues in this case would never warrant approval.
- 2. College management should design and implement procedures for student employees to fill out and sign their own time sheets to document and affirm actual time worked. A supervisor with knowledge of the student employees' activities should authorize the time sheets for payroll processing.

#### **Management's Comments:**

- 1. Concur with the recommendation. NSCC will have a Fall 2016 in-service session for faculty and staff on TBR policies emphasizing TBR Policy 1:02:03:10 Conflict of Interest.
- 2. Concur with the recommendation. The procedure for completing a temporary employee timesheet (blue timesheets) has been placed on the NSCC website under Payroll.

### Tennessee Board of Regents Audit Committee August 30, 2016

Internal Audit Reports
For Information Purposes

## Austin Peay State University Off-Campus International Education Programs August 1, 2014 – July 31, 2015 Executive Summary

**Key Staff:** Director of International Education Auditor: Blayne M. Clements CIA, CFE, CRMA

**Introduction:** The Tennessee Board of Regents System (TBR) supports off-campus international educational programs or courses as a valid and valuable part of undergraduate and graduate education. The TBR encourages all TBR institutions to engage in international opportunities that meet the legitimate academic needs of their students and in cooperation with consortia both internal to the TBR system in which TBR institutions hold membership and those external to the system. The TBR recognizes that such programs or courses take a variety of forms in length and focus.

At Austin Peay State University (APSU), off-campus international education programs support the institution's strategic goal of globalization by providing an international perspective which contributes to student success, degree program quality, high impact practices, and the overall culture of the university.

**Objectives:** The audit objectives were to conduct a comprehensive review of the Off-campus International Education Programs across the TBR system and assess compliance with TBR and APSU policies pertaining to off-campus international education programs, assess the adequacy of financial management, ensure costs were monitored and controlled, assess the adequacy of internal controls, and summarize relevant data.

**Scope:** Off-Campus International Education Programs undertaken by the university from August 1, 2014, through July 31, 2015.

### Observation 1 Management should ensure travel claims are accurate, properly supported and adequately reviewed to ensure expenses are not paid twice.

Due to an error in a travel claim, the university paid a portion of an instructor's lodging twice. The first was a direct payment to the lodging provider and the second was to the instructor via a travel claim. The instructor is working with the Business Office to repay the lodging expense for which he was erroneously reimbursed.

### Observation 2 The Procedures and Information Manual for the Office of International Education needs to be updated.

Although the Director could verbally explain study abroad operational processes, the Office of International Education's Procedures and Information Manual lacked written procedures of certain key study abroad operations.

**Audit Conclusion:** Based on audit tests performed for the period August 1, 2014, through July 31, 2015, adequate controls are in place to ensure that APSU's Off-Campus International Education Programs are managed appropriately and used as planned to meet the university's off-campus international education goals, except as noted in the observations above.

|                                       | Academic Credit |

## East Tennessee State University Timekeeping and Back Wages Procedures For the Period from January – September 2015 Executive Summary

**Key Staff Person:** Payroll, Human Resources, Auditor: Martha Stirling

and Timekeepers

Introduction: An audit of East Tennessee State University's timekeeping was conducted by Internal Audit personnel in accordance with the Annual Audit Plan. A total of 15 departments were selected for testwork from the College of Medicine. These included Pathology, Quillen Chair of Geriatrics, Internal Medicine, Obstetrics & Gynecology, Pediatrics, Psychiatry, Surgery, Family Medicine Residency (Kingsport), Family Medicine Residency (Bristol), Family Medicine Residency (Johnson City), Teaching Hospitals, Academic Affairs Standardized Patients, Continuing Medical Education, Rural Health, and the Vivarium. In addition to timekeeping, the audit reviewed all individuals who received back pay during the period January through September 2015 to ensure proper documentation was obtained and approved by the employer by the first day of work.

#### **Objectives:**

- 1. To evaluate the adequacy of the internal controls over timekeeping.
- 2. To determine compliance with university and TBR policies and procedures.
- 3. To make recommendations for correcting deficiencies or improving operations.

Total Questioned Costs/Losses: None | Total Recoveries: N/A

#### **Findings:**

<u>Finding 1:</u> Hiring paperwork for new employees needs to be completed in a more timely fashion. I-9s and employment contracts were not always completed prior to the employee's first day of work. Management should take appropriate corrective actions to ensure all hiring paperwork for new employees is completed by to their first day of work. Management will continue to provide training and documentation to assist the University through the process of hiring and the required paperwork. An electronic contract system has been designed for the adjuncts and is being implemented Fall 2016. Broadening this systems scope would facilitate the hiring process and documents in a timely manner.

<u>Finding 2:</u> Several timesheets reviewed did not comply with ETSU policies. A total of 3,849 timesheets among the 15 departments selected were reviewed. The audit revealed several timesheets which violate ETSU financial and/or personnel policies and procedures. Even though the number of occurrences was low compared to the number tested, improvements could be made. Issues discovered included the following: (1) Timesheets not signed by employee and/or supervisor, (2) Leave taken on timesheet not matching leave in taken in the Time Reporting System (TRS), and (3)Hours worked on timesheet not matching the TRS. Management should take appropriate steps to ensure that all hours work and leave used are recorded in TRS in the correct amount and category for each employee. Management concurred and will continue to educate employees by offering training courses such as Payroll and Human Resources Basics, Time Reporting System, and Supervisory Training titled The Supervisor's Role in Employee Compensation. Once the discrepancies discovered in the audit are verified by the department, all necessary corrections will be made. Management will examine the possibility of electronic timesheets.

The audit objectives were met.

# East Tennessee State University Department of Public Safety Tennessee Law Enforcement Accreditation May to June 2016 Executive Summary

**Key Staff Person:** Police Officer 2 **Auditor:** Martha Stirling

**Introduction:** An audit of the East Tennessee State University Department of Public Safety's Tennessee Law Enforcement Accreditation was conducted by Internal Audit personnel at the request of Public Safety. The Tennessee Law Enforcement Accreditation requires a documented audit of high-risk items be conducted once every three years by personnel who are not directly involved with the evidence function.

#### **Objectives:**

- 1. To evaluate the adequacy of the internal controls over inventory of confiscated items.
- 2. To determine compliance with Tennessee Law Enforcement policies and procedures.
- 3. To make recommendations for correcting deficiencies or improving operations.

Total Ouestioned Costs/Losses: None Total Recoveries: N/A

#### **Audit Conclusions:**

All high-risk items are maintained in a safe behind a locked door within the Department of Public Safety. Based on the sampling method above, Internal Audit counted 41 of 43 high-risk items. Based upon the testwork performed the Department of Public Safety is in compliance with the Tennessee Law Enforcement's regulations relating to high-risks confiscated inventory items. The audit objectives were met.

# East Tennessee State University NCAA Athletics Compliance: Financial Aid Eligibility of Student-Athletes and Camps and Clinics August 2013 – June 2014 Executive Summary

**Key Staff Person:** Associate Athletic **Auditor:** Martha Stirling

**Director of Compliance** 

#### Introduction:

An audit of East Tennessee State University's (ETSU) NCAA Compliance was conducted by Internal Audit personnel in accordance with the Annual Audit Plan.

#### **Objectives:**

The main objectives of the audit were (1) To determine the adequacy and effectiveness of internal controls over the financial aid eligibility of student-athletes and camps & clinics, (2) To determine whether individual grants-in-aid received by student-athletes complied with specific limitations imposed by the NCAA and conference, (3) To determine whether the institution has controls to monitor and account for revenue and expenditures related to camps and clinics and whether controls are effective in terms of NCAA rules, and (4) To make recommendations for correcting deficiencies or improving operations.

Total Questioned Costs or Losses: None Total Recoveries: Not Applicable

#### **Audit Conclusion:**

Finding 1: Intercollegiate athletics should adhere to the regulations related to Financial Aid Eligibility of student-athletes. During the course of the audit, it was determined that the amounts listed on the Financial Aid Detailed Reports were estimates rather than actual. It was also noted that the non-credit scholarship amounts (i.e. off campus room and board) listed in Banner are also estimates. Using the estimated amounts made it appear that ten students' athletic aid was greater than the full grant-in-aid limit. These students were not overawarded when actual amounts were used. The actual aid amounts were not monitored by the Athletic Department or the Department of Financial Aid. There was one student-athlete in baseball who did not receive the minimum financial aid equivalency value required by the NCAA for baseball. NCAA Division 1 Manual states each counter for baseball must receive a minimum of a 25% equivalency value of countable financial aid unless they meet the following exemption. The exemption states that an institution may provide less than 25% of an equivalency value of countable financial aid to a baseball student-athlete, provided that the student-athlete is in their final year of eligibility, and has not previously received athletically related aid at any collegiate institution. The student-athlete was in his final year of eligibility and had not received athletically related financial aid at ETSU. However, the student-athlete was a transfer student who had received athletically related financial aid in baseball at their previous institution. In addition, there were a few issues discovered when examining award letters. Some letters could not be located, award amounts in the letters did not always match the actual award amount, there were a few letters not signed by the student-athlete and/or completed by the required date.

Furthermore, out of the ten student athletes receiving summer aid, one received a greater equivalency percentage of aid during the summer than they did during the academic year. Athletics personnel needs to ensure the Financial Aid Detailed Report is updated throughout the year with any changes that occur after the initial report is compiled and comply with all NCAA Bylaws related to financial aid eligibility. Management concurred and will continue to closely monitor the financial aid awarded to student athletes.

<u>Finding 2:</u> Intercollegiate Athletics should adhere to the policies related to sports and clinics. ETSU's Department of Intercollegiate Athletics offers a variety of sports camps and clinics throughout the year for elementary through high school students. Based on the above definition, camps and clinic at ETSU are coach-owned institutional camps which must comply with applicable NCAA regulations. Numerous issues were discovered that pertained to the (1) use of agency funds accounts, (2) application of discounts/fee waivers, (3) camp documentation, (4) camp attendance restrictions, (5) revenue and expense procedures and documentation, and (6) classification, timekeeping, and required documentation of camp personnel. Some of the issues found included:

- Camp discounts offered to participants did not always comply with applicable policies.
- Adequate documentation related to revenue, expenditures, and camp participants was not always maintained.
- Camp workers were not always classified properly (employee vs independent contractor)
- Annual leave was not always taken by full-time university employees working the coach owned camps.

Management concurred with the finding and recommendations. Intercollegiate Athletics should adhere to the policies related to sports camps and clinics. The Compliance Office as well as Athletic administrators will continue to monitor camps and clinics for compliance with the NCAA Division 1 Manual. Management will provide guidance and direction to the coaches in order to adhere to all NCAA regulations as well as any applicable university policies and procedures.

The audit objectives were met.

## INTERNAL AUDIT REPORT TENNESSEE STATE UNIVERSITY STUDENT ASSISTANCE FUND FOR THE FISCAL YEAR ENDED JUNE 30, 2016

#### **EXECUTIVE SUMMARY**

**Key Staff Person:** Tess Hickerson **Auditor:** Mike Batson

Assistant Compliance Director

#### **Objectives:**

1. To determine if the NCAA Student Assistance Fund program expenditures for fiscal year 2016 were in compliance with NCAA guidelines.

2. To determine if account balances and expenditures were accurately reported to the Ohio Valley Conference.

Total Questioned Costs/Losses: N/A

Total Recoveries: N/A

#### **Findings:**

No findings were noted for the year ended June 30, 2016.

#### **Summary:**

Our review did not note any material weaknesses with regard to the NCAA Student Assistance Fund for the fiscal year ended June 30, 2016.

#### **Audit Conclusions:**

The results of our review indicate that the Athletic Department has controls in place to ensure that students who receive the funds are eligible for the funds, that expenditures of the funds were in compliance with NCAA guidelines, and that the expenditures were accurately reported for the fiscal year ended June 30, 2016.

This report is intended solely for the internal use of Tennessee State University, The Ohio Valley Conference, and the Tennessee Board of Regents. It is not intended to be and should not be used for any other purpose. External distribution of this report must be approved by the Department of Internal Audit and handled in accordance with university and TBR policies; however, this report is a matter of public record.

## TENNESSEE TECH UNIVERSITY Minors on Campus Audit June 15, 2016 Executive Summary

**Key Staff Person:** No one person was key; the review was campus wide.

Auditors: Tennessee Tech University (TTU) Director and Assistant Director of Internal Audit

<u>Background:</u> This audit was performed to increase the level of awareness campus wide regarding the TTU Minors on Campus Policy and determine if campus units were abiding by that policy. The entire campus was queried about hosting events that were possibly subject to the Minors on Campus Policy. Internal Audit then performed interviews and documentation reviews to the extent possible for those events identified as potentially subject to the Minors on Campus Policy and made recommendations to bring those events into compliance with the policy.

#### **Objectives:**

- 1. To improve awareness of the Minors on Campus Policy and determine the general level of compliance with the policy campus wide.
- 2. To recommend improvements that encourage compliance with the Minors on Campus Policy.

**Total Questioned Losses:** None **Total Recoveries:** None

<u>Finding - Policy Revision:</u> The campus units that hosted minors on campus were in varying states of compliance with the Minors on Campus Policy. Most units had questions about whether or not or which parts of the policy applied to their event. Revising the Minors on Campus Policy to make it easier for a reader to understand when the Minors on Campus Policy applies and which parts of the policy apply in varying circumstances should improve compliance with the policy campus wide.

<u>Conclusion:</u> The following audit processes increased awareness of and highlighted the importance of complying with the Minors on Campus Policy:

- Contacting units campus wide and requiring every unit contacted to determine and state
  whether or not they hosted any events that would have been subject to the Minors on
  Campus Policy.
- 2. Providing specific recommendations directly to the campus units who were interviewed or reviewed in detail.
- 3. Referring units to Human Resources or University Counsel for items requiring interpretations or exceptions.

Management's revision of the Minors on Campus Policy should improve campus-wide compliance with the Minors on Campus Policy going forward.

## TENNESSEE TECH UNIVERSITY Inventory Observations 6-30-16 July 12, 2016 Executive Summary

**<u>Key Staff Persons:</u>** Vice President for Planning and Finance

Associate Vice President for Facilities and Business Services Associate Vice President for Communications & Marketing

**Director of Athletics** 

Director of Auxiliary Services Director of Craft Center Director of Fitness Center

Interim Director of the School of Agriculture

Auditors: TTU Director of Internal Audit, TTU Assistant Director of Internal Audit

#### **Objectives:**

1. To determine that the manner in which each area took inventory was proper.

- 2. To verify that accountability of the inventory count sheets was maintained throughout the inventory process.
- 3. To establish the physical existence of the inventory and to determine that all items were counted and included in the inventory value.
- 4. To determine that inventory values were accurate.
- 5. To determine that the inventory was fairly stated on a basis consistent with the preceding year and to determine that the inventory value per auditor agreed with the reported value on the general ledger.

Total Questioned Losses: None Total Recoveries: N/A

**<u>Findings and Observations:</u>** No findings were made.

<u>Conclusion:</u> All objectives were satisfied in a positive manner. All inventories were taken in a systematic manner, and all inventory count sheets were accounted for. Test counts, test extensions, and footings verified the accuracy of the final inventory. Reasonable explanations were on hand for differences in current and prior year inventory totals. The inventory value per the general ledger agreed with the inventory value per auditor and was stated in a manner consistent with the prior year.

## TENNESSEE TECH UNIVERSITY NCAA Student Assistance Fund August 15, 2016 Executive Summary

**<u>Key Staff Person:</u>** Associate Athletic Director for Business and Personnel

Auditor: TTU Director of Internal Audit

#### **Objectives**

The objectives of this audit were to verify the accuracy and timeliness of the annual reports of Student Assistance Fund expenditures and determine if those funds were spent according to the NCAA Student Assistance Fund Guidelines. The Student Assistance Fund consists of the Special Assistance Fund (SAF) and Student Athlete Opportunity Fund (SAOF).

<u>Total Questioned Losses:</u> None <u>Total Recoveries:</u> None

#### Observations

TTU Athletics spent \$115,247.11 in Student Assistance Funds to benefit 113 student athletes (SAs) during 2015-16. All funds were spent for summer scholarships, medical/dental expenses, insurance, international student fees and taxes, and personal or family expenses for eligible individual athletes.

#### **Finding**

The number of SAs receiving a Pell Grant but no Athletic grant-in-aid (GIA) in men's sports was understated by four on the SAOF/SAF Pell Grant Information Report filed with the NCAA for 2015-16. Management has proposed actions that should lead to accurate reporting for 2016-17.

#### Conclusion

All students who received Student Assistance Fund benefits were eligible to do so, and expenditures from the Student Assistance Fund were only for the type of items allowable in the NCAA Student Assistance Fund Guidelines. Adequate documentation was on hand for all expenditures.

Totals by sport, GIA status, and type of expenditure as reported to the NCAA were accurate. The information on the NCAA SAOF/SAF Pell Grant Information Report was accurate except for the understatement described in the finding. The information on the Report of Student Assistance Fund Activity submitted to the OVC on July 5, 2016, was accurate. Reports to the NCAA and OVC were submitted by their respective deadlines.

## University of Memphis Athletics - Travel Expenses Executive Summary

June 23, 2016

| Title of Key Staff Person: Associate | Auditor: Senior Internal Auditor |
|--------------------------------------|----------------------------------|
| Athletic Director - Finance          |                                  |

#### **Background:**

Internal Audit personnel have completed an audit of Athletics Department travel expenses, which included both individual and team travel. The University of Memphis athletics program is a NCAA Division I program and has teams in several sports within the American Athletics Conference. FY2015 Athletic Department travel expenditures totaled approximately \$6.2 million, with about \$4.2 million being related to team travel. The total FY2015 Athletic Department travel expenditures account for about 60% of total University travel expenditures of \$10.2 million for that fiscal year.

#### **Objectives:**

- Perform analytical review and tend analysis of travel expenses for the last 5 fiscal years, including band and spirit squad travel expenses to identity significant variances or trends.
- Determine that adequate internal controls are in place over all travel activity (staff, team, coaches, recruiting and guests) and are in compliance with applicable travel and disbursement polices.
- Evaluate the adequacy of the Athletics Department travel policies and procedures to ensure that
  methods and process are efficient and cost effective in meeting the overall goals and objectives of the
  University and the Athletics Department and that reimbursement claims are carried out accurately and
  efficiently.

#### **Results:**

- Travel purchase orders were not always completed prior to travel departure date as required by the University travel policy.
- Travel claims were not consistently submitted within the University travel policy specified time frame.
- Issues identified during this audit indicate that current Athletic Department team travel processes
  do not always follow the department's intended documented procedures or current Athletic
  Department policies and procedures.

#### **Audit Conclusion:**

The audit objectives were achieved. Based on the results of all audit work performed, internal controls were generally adequate. However, we identified conditions where controls and processes could be improved. Management has indicated agreement and changes are in process to address the recommendations.

#### University of Memphis Fixed Assets Audit – FY 2016 Continuous Monitoring Year End Results - Executive Summary

August 11, 2016

Accounting Management and Equipment Representatives

Auditor: Senior Internal Auditor

#### Introduction

The University of Memphis maintains assets such as land, buildings, software, art collections, library holdings, and equipment with a net book value of about \$500 million. In accordance with the Tennessee Financial Integrity Act, University management is responsible for establishing and maintaining internal controls to provide reasonable assurance that assets are safeguarded against waste, loss, unauthorized use or misappropriation. (TCA-9-18-101-103).

The Fixed Asset audits were part of a continuous monitoring project that was performed throughout the year across the entire University as part of the FY2016 audit plan. A department was selected each month and a sample of the assets was selected for physical verification and also an evaluation of compliance with the policies noted below.

#### **Objective**

The objective of this audit was to ensure compliance with TBR and UOM policies for assets categorized as equipment, specifically that these:

- Fixed assets are present,
- Fixed asset records are accurate,
- Assets are capitalized and tagged if they meet policy criteria,
- Assets are reported as lost or stolen assets as required, and
- Assets are properly verified on the annual inventory confirmation as required.

#### Scope

Assets categorized as equipment were selected for audit testing in FY 2016. Equipment assets have a total value of more than \$41 million before depreciation. A sample of 149 assets within FY2016 records with a value of almost \$3 million before depreciation (7% of total equipment) were selected for monthly testing.

#### Results

Audit issues in the following categories were reported throughout the year:

- Assets that could not be physically verified
- Assets with inaccurate fixed asset system records
- Possible uncapitalized assets
- Annual inventory confirmation completion issues

Throughout the year, recommendations were made to the responsible custodian departments and the Accounting Office. Corrective actions were taken throughout the year for all the issues noted in the audits.

#### Conclusion

The audit objectives were achieved. Based on the results of all audit work performed, internal controls were generally adequate and provided sufficient assurance of compliance with TBR and UOM policies.

#### Cleveland State Community College Complete College Tennessee Act - Outcome Measures Academic Year 2014 – 2015 Executive Summary

**Key Staff Person:** V.P. of Student Services **Auditor:** Alvin Bishop

**Introduction:** The CCTA of 2010 (the Act) charged the Tennessee Higher Education Commission (THEC) with developing a statewide master plan for the state's public higher education institutions and for directing those institutions to be accountable for increasing the educational attainment levels of Tennesseans. In implementing the plan, the Act requires that THEC use an outcomes-based model for making funding recommendations. The outcome measures identified for use in the funding formula are different for universities and community colleges and are further distinguished by weighting the measures by institutional mission. The outcomes may be grouped into student progression, student completion (degrees and certificates awarded), efficiency measures and other important institutional factors.

**Objective:** The objectives of the audit were to determine whether Cleveland States Community College's internal controls provide reasonable assurance that the data reported to the Tennessee Board of Regents (TBR) was accurate and in compliance with the reporting instructions provided by the TBR.

**Scope:** This audit reviewed data and data file controls in place during the academic year 2014-2015 and fall term 2015. Specifically, the audit reviewed End of Term and Report of Graduate file data, and [workforce training community college] [research expense university] data submitted during the academic year.

**Audit Conclusion:** The review of the college's internal controls over outcome measures data indicated that the college has established controls to provide reasonable assurance that the data is accurately reported. Based on audit tests performed on a sample of data elements reported to the TBR for the 2014 – 2015 academic year, the data was accurately reported. The audit did not reveal matters warranting audit findings or observations [amend as needed.]

The college's efficiency and other outcomes reported by THEC for the 2014 – 2015 academic year include the following:

| Type of Completion                         | Outcome |
|--|---------|
| Students accumulating 12, 24 and 36 credit | 2144    |
| hours (Progression)                        |         |
| Dual Enrollment Students                   | 1072    |
| Associate Degrees and Certificates         | 2774    |
| Workforce Training                         | 3882    |
| Awards per 100 FTE                         | 18.2    |
| Transfers Out with 12 Credit Hours         | 206     |
| Job Placements                             | 231     |

#### Tennessee College of Applied Technology at Crump Focused Operational Review

| College Director: Stephen Milligan | Internal Auditor: Helen Vose, CIA, CFE   |
|------------------------------------|--|
| Report Date: August 17, 2016       | <b>Audit Period:</b> Fiscal Year Ending June 30, 2013 & Fiscal Year Ending June 30, 2014 |

## Purpose and Scope:

To assess the adequacy of management's system of internal controls for specific areas identified as higher risk during the past operational reviews of all Colleges of Applied Technology and requests by management. Schools that are recipients of Federal Student Aid are required to notify students of various consumer information. The regulations may specify how the information is disclosed or allow the school to decide. Consumer information was reviewed in four of the eleven key areas identified in federal regulations. The College's notices were reviewed for ease of access for students by several delivery methods. Transactions were tested on a sample basis and other audit procedures were performed on controls in the following areas:

#### Fiscal Year End June 30, 2013

- Cash Receipts
- Cash Deposits
- Livework Projects
- Accounts Receivable
- Federal Financial Aid
  - Title IV Eligibility
    - Title IV Refunds
    - Student Award Process
- Pell reconciliation to FISAP
- Lottery reconciliation to TSAC

#### Fiscal Year End June 30, 2014

- Accounts Receivable
- Director's Expenses
- Federal Financial Aid Consumer Information Activities:
  - 1. Institutional and Financial Assistance Information Federal financial assistance available and related eligibility procedures, cost of attendance, accrediting agencies and other areas.
  - 2. Students Right to Know Act Completion, retention and placement rates.
  - 3. Jeanne Clery Act Campus security, emergency notification/response and crime statistics.
  - 4. Misrepresentation Educational programs, financial costs and employability of graduates.

#### Prior Audit Results:

The operational audit released January 29, 2013, included two observations. The first observation noted that letters informing students a debt was owed to the school were not sent within 30 days of incurring the debt. The second observation noted that private funds were comingled with the Student Government Association funds. The audit follow up found that the letters notifying students of debt were still not sent as required. The SGA funds were determined and the account was closed on December 10, 2012. The private funds were returned to the church.

#### **Summary of Tests**

#### 1. Awarding of Certificates and Diplomas

Students were awarded the appropriate certificates and/or Diploma based on criteria established and required by the Council of Occupational Education (COE), including the hours earned or skill level attained. If more or less hours were required than those established by the program committee, adequate documentation was included in the students file. If the student pursued more than one program during enrollment, comparable classes were utilized for the most efficient attainment of the certificate or diploma. Students owing monies to the college did not receive the certificate or diploma until the debt was paid.

Students owing monies to the college did not receive the certificate or diploma until the debt was paid.

### Tennessee College of Applied Technology - Newbern Focused Operational Review

| College Director: Ms. Donna Hastings | Internal Auditor: Helen Vose, CIA, CFE         |
|--------------------------------------|--|
| Report Date: August 16, 2016         | Audit Period: Fiscal Year Ending June 30, 2014 |

#### **Purpose and Scope:**

To assess the adequacy of management's system of internal controls for specific areas identified as higher risk during the past operational reviews of all Colleges of Applied Technology and requests by management. Schools that are recipients of Federal Student Aid are required to notify students of various consumer information. The regulations may specify how the information is disclosed or allow the school to decide. Consumer information was reviewed in four of the eleven key areas identified in federal regulations. The College's notices were reviewed for ease of access for students by several delivery methods. Transactions were tested on a sample basis and other audit procedures were performed on controls in the following areas:

- Accounts Receivable
- Director's Expenses
- Federal Financial Aid Consumer Information Activities:
  - 1. Institutional and Financial Assistance Information Federal financial assistance available and related eligibility procedures, cost of attendance, accrediting agencies and other areas.
  - 2. Students Right to Know Act Completion, retention and placement rates.
  - 3. Jeanne Clery Act Campus security, emergency notification/response and crime statistics.
  - 4. Misrepresentation Educational programs, financial costs and employability of graduates.

#### **Current Audit Results:**

Based on observations, discussions with management, and the testwork performed in the areas listed above for the period covered, management's systems of internal controls appear adequate. Management monitors key controls on a regular basis. The audit did not reveal significant issues of noncompliance with regulations or TBR or institutional policies or significant deficiencies in operations. One opportunity for improvement was noted as described in the observation below.

#### Observation

#### 1. Director's Expense – State Funds Used for Appreciation Event.

TCAT-Newbern hosts an annual fish fry, which they primarily consider an industry appreciation event. Management indicates it allows students to showcase their programs and speak to potential employers from 8 Tennessee counties and the states of Missouri, Arkansas, Mississippi and Kentucky. The cost of the event for Fiscal year 2014 was \$6,564.26, paid from institutional funds. The cost included \$6,300 for catering for 600 planned attendees and \$264.26 for supplies. According to management, TCAT-Newbern has sponsored this event since 1979. The costs of catering the event are paid from institutional funds and are listed below for fiscal years 2013, 2014 and 2015.

|             |         | Planned    | Amount     |
|-------------|---------|------------|------------|
| Fiscal Year | Amount  | Attendance | Per Person |
| 2013        | \$4,950 | 450        | \$11.00    |
| 2014        | \$6,300 | 600        | \$10.50    |
| 2015        | \$7,470 | 650        | \$11.49    |

TBR Policy 4:07:00:00, Business Meals, addresses expenditures of institutional funds for recognition and appreciation events. The policy states, "Institutional funds may be used to purchase food and non-alcoholic beverages for recognition, appreciation and/or retirement events if the event is in accordance with institutional policies and is reasonable in number and events per fiscal year and amount spent."

**Corrective Action:** The Director has consulted with the Vice Chancellor and Director of Finance for TCAT Administration to determine if other funding sources are available to offset the costs if they are excessive or if the use of institutional funds is appropriate for the event.

#### Tennessee College of Applied Technology - Pulaski Focused Operational Review

| College Director: Mr. Tony Creecy | Internal Auditor: Helen Vose, CIA, CFE                |
|-----------------------------------|---|
| Report Date: August 15, 2016      | <b>Audit Period:</b> Fiscal Year Ending June 30, 2015 |

#### **Purpose and Scope:**

To assess the adequacy of management's system of internal controls for specific areas identified as higher risk during the past operational reviews of all Colleges of Applied Technology and requests by management. Schools that are recipients of Federal Student Aid are required to notify students of various consumer information. The regulations may specify how the information is disclosed or allow the school to decide. Consumer information was reviewed for ease of access by several delivery methods. Transactions were tested on a sample basis and other audit procedures were performed on controls in the following areas:

- Awarding of Certificates and Diplomas
- Carl D. Perkins Grant Program
- P-Card controls and implementation
- Federal Financial Aid Consumer Information Activities:
  - 1. Drug and Alcohol Abuse and Prevention Information Local assistance available and related programs.
  - 2. Federal Educational Rights and Privacy Act (FERPA) Informing students of their rights and the completion of the required forms.
  - 3. Safeguarding Consumer Information Campus security is operational physically and electronically.
  - 4. Gainful Employment Reporting requirements and employability of graduates.

#### **Current Audit Results:**

Based on observations, discussions with management, and the testwork performed in the areas listed above for the period covered, management's systems of internal controls appear adequate. Management monitors key controls on a regular basis. The audit did not reveal significant issues of noncompliance with regulations or TBR or institutional policies or significant deficiencies in operations.

#### Tennessee College of Applied Technology - Whiteville Focused Operational Review

| College Director: Ms. Carolyn Beverly | Internal Auditor: Helen Vose, CIA, CFE         |

Internal Audit Follow-up Reports
For Informational Purposes

#### **Middle Tennessee State University**

### Follow-up Review of the State Audit Report Issued For Fiscal Year Ended June 30, 2015

#### **Executive Summary Report**

#### **Introduction:**

The Comptroller of the Treasury, Division of State Audit issued a financial and compliance audit of Middle Tennessee State University for the fiscal year ended June 30, 2015 on January 21, 2016. The report included one audit finding. The current status of the finding is presented in the Follow-up Comments section below.

#### **Objective:**

The objective of the review was to determine if management has implemented the corrective action proposed in their response to the state audit finding.

#### **State Audit Finding:**

#### The university did not provide adequate internal controls in three specific areas

The university did not design and monitor internal controls in three areas. Conditions were observed that were in violation of university policies and/or industry-accepted best practices. Inconsistent implementation of internal controls increases the risk of fraud or error.

The details of this finding are confidential pursuant to Section 10-7-504(i), *Tennessee Code Annotated*. The university was provided detailed information regarding the specific conditions identified, as well as recommendations for improvement.

#### **Recommendation:**

Management should ensure that these conditions are remedied by the prompt development and consistent implementation of internal controls. Management should implement effective controls to ensure compliance with applicable requirements; assign staff to be responsible for ongoing monitoring of the risks and mitigating controls; and take action if deficiencies occur.

#### **Management's Comment:**

We concur that existing controls should be strengthened. We will review our policies and implement additional controls in the areas identified.

#### **Follow-Up Comments:**

The procedures implemented by management were reviewed to ensure the conditions identified were remedied. Control procedures were revised to improve compliance. Personnel from appropriate departments are assigned responsibility for monitoring the procedures and mitigating deficiencies.

#### **Conclusion:**

Based on the follow-up review performed, management has taken corrective action to address the finding and recommendation.

## TENNESSEE TECH UNIVERSITY Follow-Up to State Audit for Fiscal Year 2014-15 June 24, 2016 Executive Summary

<u>Key Staff Persons</u>: Tennessee Tech University (TTU) Interim Chief Information Officer, Vice President for Planning and Finance, Associate Vice President of Enrollment Management and Student Success, Associate Vice President for Human Resources, Chief Information Security Officer, Director of Financial Aid

Auditor: TTU Assistant Director of Internal Audit

<u>Objective</u>: The objective of this follow-up to the Comptroller's State Audit of TTU for fiscal year 2014-15 issued January 14, 2016, was to determine if management had taken actions to alleviate the conditions identified in the findings.

Questioned Costs: \$4,775.00 Total Recoveries: \$4,775.00

#### Findings:

- 1. The university did not provide adequate internal controls in one specific area.
- 2. The university's financial aid office understated to the Department of Education returns of Title IV Student financial aid of students who withdrew from classes.

#### Management's Comments:

- Corrective actions were identified and implemented to remedy the deficiencies identified by State Audit.
- 2. An additional review was added to the procedures that Financial Aid follows to return Title IV student financial aid to the Department of Education. The understated aid was returned to the Department of Education.

<u>Conclusion</u>: TTU Management followed through with actions indicated in their responses to alleviate the conditions identified in the findings.

### Tennessee Board of Regents Audit Committee August 30, 2016

Information Technology Audit Reports For Informational Purposes

# East Tennessee State University Information Technology Services Policies and Procedures Review March – December 2015 Executive Summary

Key Staff Person: CIO and Sr. Vice Provost of

Information Technology Services

Auditor: Richard Scheuch, CISSP

#### Introduction:

In March of 2015, it was announced that the Offices of Academic Technology Support/eLearning and Information Technology were merged into a single department called Information Technology Services (ITS). At this time, ITS also began operations under a new Chief Information Officer (CIO). With these changes occurring, a review of ITS' policies and procedures was performed by Internal Audit. There are 20 policies posted on the old Office of Information Technology (OIT) website covering such areas as acceptable use, firewalls, intellectual property rights, and wireless networking. The purpose of this set of policies is to safeguard the university from threats that could jeopardize the computer systems relative to retention and privacy of student and college information.

#### **Objectives:**

- 1. To review OIT/ITS policies to ensure whether they have been examined against current industry standards and best practices.
- 2. To ensure these policies coincide technically with the procedures.
- 3. To make recommendations regarding the current policies and addition policies needed.

#### Scope:

This audit included all policies, procedures, and related forms for ITS/OIT for the month of March to December 2015.

#### **Audit Conclusion:**

Observation 1: TBR policies related to Password Management (G-051) and Access Control (G-052) can be found on TBR's website. At the time of the review, ETSU did not have comparable polices. Since the initial discussion, a password management policy has been written and posted to ITS' webpage. A User Access policy is being written but has not yet been posted. Management should complete the User Access Policy and post the policy to the ITS webpage once approved.

Observation 2: Best practices suggest all IT policies be reviewed and revised every three to five years unless specifically stated within the individual policy. A set period for review of ETSU's policies and procedures hasn't been established. It was noted that some policies indicated an annual review is required. However, there was no indication that any of these reviews were performed since the original policies were adopted. Management should develop and adhere to an approved review procedure for all ITS policies. ITS should consider dividing the policies into groups and perform a review of each group every 3 to 5 years. Annual reviews should be performed if required for the particular policy.

Management concurred with the observations. The audit objectives have been met.

# East Tennessee State University PCI DSS 3.0 Compliance Readiness Audit For the Period October 4 to December 10, 2014

**Executive Summary** 

| Title of Key Staff Person: CIO and Senior | Auditor: Richard Scheuch, CISSP |
|---|---------------------------------|
| Vice Provost for ITS                      |                                 |

#### **Background:**

East Tennessee State University's PCI DSS 3.0 Compliance Readiness Audit issued March 27, 2015 contained four findings. Internal Audit performed a follow-up review of actions taken in response to the findings.

#### **Objectives:**

The objective of the follow-up was to determine whether adequate corrective actions have been implemented to comply with the audit recommendations.

Total Questioned Costs/Losses: None Total Recoveries: N/A

#### **Original Findings:**

- 1. The current SNMP protocol being used is considered insecure.
- 2. Aramark Food Services' systems do not adhere to PCI requirements in several areas.
- 3. Penetration testing methodology needs to be developed and implemented.
- 4. New PCI DSS 3.0 Self-Assessment Questionnaire needs to be completed.

#### **Current Status and Recommendations:**

- 1. SNMPv3 has not been implemented due to network modifications required, such as segmentation, for the cardholder data environment servers. However, based on the information provide by ITS management, it appears compensating controls are in place. No additional recommendations were issued.
- 2. Shift4 card readers and software have been installed and are operational in all of the ARAMark food service locations. Vulnerability scans were ran on the ARAMark Food Services and ID Services servers. When comparing the original scans with the current scans, different concerns were detected. It appears stricter PCI testing scripts have resulted in additional vulnerabilities which need to be corrected. Effective July 1, 2016, ETSU's food service vendor will change from ARAMark to Sodexo. It is recommended that ARAMark/Sodexo and ID Services operating systems be upgraded, if possible. Management concurs. System update for the Micros 9700 will be scheduled for the summer of 2017. Current operating system patch deficiencies will be corrected. Although the campus ID servers (ETSUIDTP1 and ETSUIDDB1) fall out of scope for the PCI compliance they have been updated to Windows 2012R2.
- 3. Sword & Shield Enterprise Security was contracted to perform an external PCI Readiness Review of ETSU's environment. However, penetration testing was not included in that review. It is recommended that penetration testing of ETSU's Frontfacing Internet Systems be undertaken to fulfill the PCI requirements. Information Technology Services is in the process of requesting quotes for vulnerability and penetration testing.
- 4. No action has been taken toward completion of the required self-assessment questionnaire. ITS is currently in process of completing the SAQ-D questionnaire.

#### Chattanooga State Community College NACHA Security Audit April 2016

# Cleveland State Community NACHA WEB Audit June 2015

**Executive Summary** 

Title of Key Staff Person Director Of Information Technology

Auditor: Alvin Bishop

#### Background:

Cleveland State has online registration and also permits students to pay fees online. Cleveland

State was informed by First Tennessee Bank that since we receive ACH web payments, NACHA required that CLSCC conduct an audit of the IT department data security yearly. This audit is to help ensure that individual financial information is secure

#### Objectives:

To determine that Cleveland State Community College is in compliance with NACHA Operating Rules relative to Web entries.

#### **Audit Conclusions:**

Based on the review Cleveland State Community College is in compliance with NACHA Operating Rules relative web entries.

# Nashville State Community College Computer Services Division Information Technology General Controls Review Executive Summary – Page 1 of 2

Contact: Vice President for Information Technology and Auditor: IT Auditor, System-wide Internal Audit
Administrative Services

#### **INTRODUCTION**

A comprehensive Information Technology General Controls Review was performed at Nashville State Community College (NaSCC). The information technology staff members in the Computer Services Division serve the college by providing technical services and computing solutions through its two sections; User Support Services and Information Services and Systems.

The information technology group of the Computer Services Division consists of 27 full-time employees. The Director for the Computer Services Division manages the daily information technology functions and processes, and reports to the Vice President for Finance and Administrative Services and the President. In overseeing the information technology functions and processes, the Director meets weekly, or more with the Vice President to discuss information technology activities. The Vice President also meets weekly with the President's Executive Committee, made up of members of the college's faculty and senior management, to discuss information technology strategic projects and initiatives, Banner system updates, policy changes, information technology disaster recovery and risk mitigation occur. The Vice President meets directly with the President when executive direction or approval is needed. This structure serves as the governance structure to provide oversight for information technology.

#### **OBJECTIVES**

To determine the effectiveness and efficiency of information technology functions and processes on operations; test the reliability and integrity of data and technical controls; and ensure compliance with applicable policies, procedures, laws, and regulations and to ensure adequate controls are in place to mitigate risks to acceptable levels.

#### SCOPE

The audit focused on the following twenty functional areas within the Nashville State Community College, Computer Services Division, categorized under administration, operations and security. Each of the two organizational sections listed above were in the scope of this review.

| Information Technology | y |
|------------------------|---|
|------------------------|---|

| Administration                      | Operations                             | Security                       |
|-------------------------------------|--|--------------------------------|
| Policies, Procedures, and Standards | Data Integrity/User Insight            | Network Administration         |
| Governance                          | Hardware Management                    | Logical Access Security        |
| Organizational Structure            | Software Management Security Awarenes. |                                |
| Strategic Planning                  | Change Management                      | Physical Security of IT Assets |
| Risk Assessment                     | Data and System Back-ups               | Logging and Monitoring         |
| Vendor Management                   | Business Continuity                    | Incident Response              |
| Regulatory Compliance               |  |                                |
| Addressing Prior Audit Issues       |  |                                |

#### **RESULTS OF THE REVIEW**

The review resulted in the following recommendations to strengthen controls and improve compliance with industry best practices and regulations and to reduce risks to acceptable levels.

#### Recommendations

#### **Information Technology Administration**

- Complete the implementation of the policies and procedures for the Information Security Program in
  coordination with a comprehensive information security program being developed by the TBR System Office
  that defines both business and computing information security processes and implementation of a security
  awareness and training program. Also, ensure all employees and others with computer access privileges sign
  a statement affirming agreement with the acceptable usage of computing assets and the new information
  security program policies, when these policies are created or updated.
- 2. Develop and implement comprehensive information technology policies and procedures for vendor management, logging and monitoring, and incident response.
- 3. Implement a process to document the annual review and approval of policies.

#### Nashville State Community College Computer Services Division Information Technology General Controls Review Executive Summary – Page 2 of 2

4. Identify the responsibilities for the assigned roles of the Information Security Officer and the Business Continuity Coordinator.

#### **Information Technology Operations**

- 5. Complete the implementation of the product that will identify the attachment of an unauthorized device to the college's network.
- 6. Encrypt hard drives on college-owned mobile devices to reduce risks of unauthorized access to information if the device is lost or stolen.
- 7. Establish a process where Help Desk tickets over 90 days old, or another established measure, are evaluated for their continuing need to remain open.
- 8. Document data restorations from backed-up media, including business recoveries, to prove the ability to recover data in a timely manner.
- 9. Develop a Business Continuity Plan that will ensure planning for and documentation of business recovery requirements and objectives, assigned responsibilities of the Plan Coordinator, an amended Disaster Recovery Plan and test plans and periodic testing.

#### **Information Technology Security**

- 10. Enhance the existing network topology diagram to depict each ingress/egress point and the layered security in place protecting those points.
- 11. Block access to websites that are considered illegal or detrimental on computers linked to the NaSCC network.
- 12. Improve information security access procedures and practices by implementing the new Security Awareness Training Program to train staff on the information security program for the college.
- 13. Establish a process to gather, store and protect information on computer hard drives when circumstances require management to retrieve and retain such information

#### **Management's Comments**

Management provided positive responses to the recommendations and indicated appropriate actions would be taken to implement and improve policies and procedures, better manage the technical assets, improve documentation and testing for business continuity and improve the security procedures.

### Tennessee Board of Regents Audit Committee August 30, 2016

Investigation Reports
For Information Purposes

#### Austin Peay State University Investigation of Inappropriate Conduct Executive Summary July 5, 2016

**Key Staff Person:** Director, Center of Excellence for Field Biology

Auditor: Blayne M. Clements CIA, CFE, CRMA

**Background:** The Comptroller of the Treasury received a hotline call alleging on Friday, June 17, 2016, four men in an APSU vehicle arrived late to a campground in east Tennessee and were drinking beer and disturbing other campers until 2 am. The allegation focuses on the "inappropriate behavior" of the campers, as well as the perception this appeared to be a "personal activity."

**Objectives:** The primary objectives of this review were to determine if the allegations were substantiated, and evaluate and recommend improvements to internal controls as needed.

Total Questioned Costs/Losses: Not Applicable Total Recoveries: None

**Results:** The allegation included the vehicle's license plate number and APSU vehicle number which was used to determine the vehicle was assigned to the Center for Field Biology. The Director of the Center of Excellence for Field Biology confirmed the vehicle was used during the weekend of June 17, 2016 for a research trip to east Tennessee to collect reptile and amphibian specimens for the APSU Natural History Collection. The APSU Natural History Collection includes more than 100,000 research specimens representing the state's largest collection of amphibians and reptiles, the second largest collection of plants and a rapidly growing collection of fishes.

Although, the allegation stated four men were in the vehicle, the professor leading the trip stated five men were on the trip (an associate professor, three adjunct faculty members and a graduate assistant). The professor confirmed they stayed in the campground noted in the allegation, arrived later in the evening, and had alcohol at the campground. All five men are over the age of 21 years old.

The professor stated that campgrounds in this area of Tennessee are full in the summer and the camping sites are very close together. The professor did not believe they stayed up until 2am as alleged, since the group woke early to resume specimen collecting. The professor stated they camped next to a group that was loud and unruly, and feels the allegation is describing the behavior of these campers and not the APSU group.

The only trip expenses APSU incurred was for fuel for the vehicle. The professor stated field research trips routinely use campgrounds, splitting up the nominal campsite fee and groceries amongst themselves.

**Conclusion:** The allegation was substantiated in part. Based on discussion with management and review of various documents, the Center for Field Biology did utilize the campground on the night in question. However, the trip was not a "personal activity" but was a trip to collect specimens for the APSU Natural History Collection. The professor leading the trip denied his group displayed any "inappropriate behavior" and believes the allegation is describing the behavior of the campers at the site next to the APSU group.

## East Tennessee State University Student Organization Resource Center (FWA 16-06)

| Responsible Department: Student | Auditor: Martha Stirling and Becky Lewis |
|---------------------------------|--|
| Organization Resource Center    |  |

#### Introduction:

In January 2016, the Tennessee Board of Regents (TBR) received allegations through the Fraud, Waste, and Abuse email system regarding an event called ETSUcon at East Tennessee State University (ETSU). ETSUcon is an annual multi-genre convention which welcomes artist, vendors, voice actors, ETSU faculty and alumni, and current/prospective students. The event is for anyone interested in such things as digital media computer science, anime, sci-fi, comics, fantasy, and video games. The allegations included wasteful spending, lack of promotion of the university, ethical and liability issues, and safety concerns.

#### **Objectives:**

The primary objectives were to investigate the validity of the allegations received and to determine the extent of any violations of University or TBR policies.

#### Results of the Review:

<u>Allegations:</u> It was alleged that the ETSUcon event is a waste of funds. According to the email, the event does not promote the university and has ethical and liability issues. In addition, the participants attending the event dress up in costumes and carry fake guns on campus which pose safety risks. To the untrained eye, these fake guns could appear real.

Conclusions: ETSUcon is funded partially by the Student Government Association (SGA) from an allocation from the BucFund. The event also generates funds through the sale of comic books, vendor space rental fees, and ticket sales for non-students. The majority of the funding from the BucFund has been reimbursed from the proceeds collected at the event. Approximately two thousand people attend this event annually with the majority of attendees coming from ETSU's student body. Non-students come from the local community as well as attendees outside the local area. There is media coverage to help promote the event and the university. The event is sponsored by a couple of student groups and the liability is covered by ETSU's insurance. Each year there have been discussions with Public Safety regarding this event and, as a result, guns and gun replicas have been prohibited since April 2013. Anyone attempting to enter with gun replicas are instructed to take them back to their vehicles. This policy became effective after the event was held in 2013. In addition, Axis Security has been contracted to provide additional security patrols for the event which is scheduled for February 27-28, 2016.

Total Questioned Costs: None Recoveries: N/A

#### **Conclusion:**

Prior to 2014, safety concerns regarding fake weapons could have been a concern. Policies regarding both actual and fake weapons were addressed in April 2013. In addition, security measures have increased for the upcoming show. The audit objectives were met.

**Restriction on Use of Report:** This report is intended solely for the internal use of East Tennessee State University and the Tennessee Board of Regents. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by the Office of Internal Audit and handled in accordance with institutional policies.

## East Tennessee State University University School Loss (FWA 16-09) Executive Summary

CASE RESOLUTION REPORT\* August 2, 2016

\*A property loss report was not required to be filed with TBR based on the small dollar amount of the loss

Date of the Incident: June 28, 2016

**Reported by:** Financial Services and Public Safety

**Investigation conducted by:**Becky Lewis, Director of Internal Audit and

Officer Waymond Babb and Lieutenant Mike Orr,

Department of Public Safety

**Description of the Incident:** When arriving at work, the Financial Coordinator for University School discovered a total of \$280 was missing from his office.

Total amount of the loss: \$280

Total amount of recovery: \$0

Was employee dishonesty discovered: No

Employees Involved: Financial Coordinator, Secretary 2, and Assistant Director at University School

Action taken: When the Financial Coordinator arrived for work on Tuesday, June 28, 2016, he discovered that all the cash (\$100) contained in a cashbox was missing. The cashbox was left unlocked and sitting on his desk the night before. The cash had been used as a change fund on Monday during registration by the Secretary 2. All registration fees received on Monday were beside the cashbox and were accounted for. The Financial Coordinator stated that most of these fees were paid with a check. Upon further examination of his office, the Financial Coordinator discovered \$130 in petty cash was missing from an additional cashbox located in a desk drawer. Both the cashbox and desk drawer were never locked according to the Financial Coordinator. In that same drawer, \$50 in cash which was contained in an envelope was missing. In total, \$280 was missing from the Financial Coordinator's Office. The Financial Coordinator contacted Public Safety to report the theft.

Keys to the Financial Coordinator's office were maintained by the Financial Coordinator and the Assistant Director. Upon further investigation, it was discovered that the Assistant Director's key to the Financial Coordinator's office was missing from her office. The master key to the building does not open the Financial Coordinator's office. The Financial Coordinator stated that the door to his office was locked when he left work on Monday, June 27<sup>th</sup> around 4:30pm.

Even though the procurement cards (procards) were not taken, they were kept in an unlocked desk drawer in the Financial Coordinator's office. The Financial Coordinator was going to contact Procurement to let them know the situation.

**Methodology used to determine loss:** According to the records maintained by Financial Services, University School was assigned \$100.00 which served as a petty cash fund. According to the Financial Coordinator, this fund had built up during the year from money found at the school and totaled \$130. In addition, the \$100 used during registration and the \$50 contained in the envelope was originally gate receipts from sporting events which were withheld from the deposit and used as a change fund. When money is withheld from a deposit of gate receipts, a note is made in the Financial Coordinator's records. Therefore, it appears a total of \$280 was missing.

Internal control weaknesses found: Internal control weaknesses were discovered during the course of the review. The money was kept in unlocked cashboxes which were either sitting on the Financial Coordinator's desk or inside an unlocked desk drawer. The key to the Financial Coordinator's office maintained in the Assistant Director's office was missing and not maintained in a secure location. It is unclear how long this key had been missing. Even though the procurement cards (procards) were not taken, they were kept in an unlocked desk drawer in the Financial Coordinator's office. Cash receipts from sporting events are not deposited intact.

Action taken to resolve weaknesses: Management has rekeyed the doors to the Financial Coordinator's office as well as other office staff. Two new keys to the Financial Coordinator's office were given to the Financial Coordinator and the Assistant Director. These keys will be maintained in a secure location at all times. The cash is now maintained in a locked closet inside the Financial Coordinator's office. To their knowledge, the Financial Coordinator is the only one with a key to this closet. According to the Financial Coordinator, this closet will be rekeyed also. University School has also ordered a small safe which will now be used to keep all funds and procards. The procard purchases were closely monitored and no unauthorized purchases have been made. Management should consider increasing their petty cash fund through Financial Services in order to deposit all gate receipts at sporting events intact.

**Restrictions on Report Use:** This report is intended solely for the internal use of East Tennessee State University and the Tennessee Board of Regents. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by the Office of Internal Audit and handled in accordance with institutional policies.

#### **Audit and Consulting Services**

Middle Tennessee State University 1301 East Main Street Murfreesboro, TN 37132

Office: 615-898-2914 • Fax: 615-904-8046

#### **MEMORANDUM REPORT**

TO:

Ms. Tammy Birchett

Chief Audit Executive, TBR System-wide Internal Audit

FROM:

Brenda H. Burkhart Brenda H. Benkhart

Director, Audit and Consulting Services

SUBJECT:

Comptroller Hotline Call Reference: FWAH 13-148

(MTSU Case # 13-04)

Date:

March 31, 2016

#### Concern:

On November 1, 2012 documentation was received concerning a call made to the Comptroller's Hotline. The caller gave the name of an employee at Middle Tennessee State University (MTSU) and stated that the employee "was using shop equipment and/or tools at MTSU for personal projects, for which he was receiving compensation." The caller stated the employee was doing side work at MTSU and using the university's tools, power, etc. The named employee works in the Carpentry Shop within Facilities Services.

#### **Review Process:**

The complaint was investigated by interviewing the supervisor and employees of the Carpentry Shop including the named employee. The interviews addressed the processes of the shop such as assignment to projects, responsibility for tools/equipment, process for safeguarding the tools/equipment and policies concerning the personal use of tools/equipment. Each employee interviewed was asked about the personal use of tools and equipment and no one identified an employee performing side work at MTSU. The named employee admitted when first employed he used a MTSU tool for a personal project. Management quickly informed him that personal use of MTSU tools/equipment was not allowed. The employee stated that he has not used MTSU tools/equipment for personal projects since then.

#### **Conclusion:**

The concern is unsubstantiated as to MTSU shop equipment and tools used for personal projects in which the employee received compensation. A one-time occurrence was confirmed but was quickly stopped when management informed the employee that personal use of MTSU tools/equipment was not allowed. The current group of Carpentry Shop employees are knowledgeable of the policy that MTSU tools/equipment are for MTSU business and not personal use.

Since there were no control weaknesses identified, no corrective action is recommended.

#### **Audit and Consulting Services**

Middle Tennessee State University 1301 East Main Street Murfreesboro, TN 37132

## MIDDLE TENNESSEE STATE UNIVERSITY CASE RESOLUTION REPORT March 7, 2016

**Department:** Athletics – Football Stadium

Date of the loss: October 16, 2015

Reported by: Associate Athletic Director

Investigation units: University Police and Audit & Consulting Services

#### **Description of the loss:**

Eight 42" televisions equipped with wall mounts and direct TV receivers were stolen from a football stadium storage closet.

Total amount of loss: Each TV including equipment cost about \$525. The total estimated loss is \$4,200.

Total amount of recovery: None

#### Was employee dishonesty discovered?

The individual or individuals responsible for the loss have not been identified.

#### Action taken:

University Police classified the loss as Theft from Buildings over \$500 and are investigating. The details of the theft for this report were obtained from the Football Operations Assistant.

#### Methodology used to determine loss:

The cost of the televisions and equipment was provided in the police report by the Associate Athletic Director.

#### Internal control weakness found:

Access to the storage area where the televisions were kept was not adequately restricted.

#### Actions taken by Management:

The TV storage location was moved to a more secure location with stricter access.

#### **Recommendations:**

Management should establish a current inventory listing to account for the TVs on hand. The TVs should also be marked as MTSU property.

Case Resolution Report Submitted by:

Brenda H. Burkhart, Director

MTSU Audit and Consulting Services

### CASE RESOLUTION REPORT TENNESSEE STATE UNIVERSITY

June 23, 2016

Department: College of Liberal Arts Unit: Communications

Case: 15-1003

1. Date of the loss: Fiscal Years 2014 and 2015

2. Reported by: Anonymous

- 3. <u>Investigation/unit conducted by:</u> Tennessee State University Department of Internal Audit.
- 4. <u>Description of the issue:</u> The complainant stated that the subject falsified travel receipts by pre-paying for fuel, then keeping any change from the transactions.
- 5. <u>Total amount of loss:</u> \$0 substantiated <u>Restitution:</u> \$0
- 6. Was employee dishonesty discovered? Yes No X
- 7. Name(s) of employee(s) involved: Director of Forensics
- 8. Action taken: The employee resigned during the investigation.
- 9. <u>Methodology used to determine loss:</u> Internal Audit reviewed travel claims, travel schedules, car rental receipts, and gas receipts. We also interviewed the complainant, the subject, and other witnesses. We found no evidence to substantiate the claim of fraud.
- 10. <u>Internal control weaknesses found:</u> . We noted that the Travel Office was accepting receipts for prepaid fuel transactions in support of travel claims when a travel advance had been issued. We recommended that the university disallow prepaid fuel receipts without documentation of the actual amount pumped. This recommendation was implemented immediately.
- 10. <u>Actions taken to resolve weaknesses:</u> The Travel Office stopped accepting prepaid fuel receipts immediately upon our recommendation.

### CHATTANOOGA STATE COMMUNITY COLLEGE INTERNAL AUDIT

CASE RESOLUTION REPORT June 29, 2016

2016-06: Scrap Removal

**Date of Incident:** April 2016 **Reported by:** ChSCC Police Department

**Investigation conducted by:** Kimberly Clingan, Director Internal Audit

**Description of Incident:** The Chattanooga State Community College (ChSCC) auditor was informed by the ChSCC Police Department that an employee was observed removing scrap items from the warehouse in April 2016.

Total Amount of Loss: \$0 Was employee dishonesty discovered? No

**Action Taken:** The Internal Auditor interviewed the reporting Police Officer, the Maintenance Supervisor, the Assistant Vice-President of the Physical Plant/Plant Operations, and the employee in question. The auditor also examined Tennessee Board of Regents (TBR) Disposal of Surplus Property policy 4:02:20:00 and determined ChSCC did not have any additional policies concerning campus scrap.

**Conclusion:** Based on information gathered from the interviews, the items being removed as observed by the Police Officer were Fuse Blocks that had copper ends. The Maintenance Supervisor had examined the items, determined that they had no disposal value, and disposed of them in the Center for Engineering, Arts and Sciences (CETAS) trash dumpster in accordance with the TBR Disposal of Surplus Property policy 4:02:20:00. The employee removed the fuses from the trash dumpster as it was his understanding that this was an acceptable practice.

The Maintenance Supervisor confirmed that the long standing divisional practice was that it was allowable to retrieve items that were placed in a trash dumpster as they were considered to have no value. This practice had been communicated to employees verbally during staff and other divisional meetings over the years.

Per the Assistant Vice President of the Physical Plant/Plant Operations, there is no formal written ChSCC policy concerning the removal of scrap items placed in a trash dumpster as the college follows the TBR policies All communications with employees concerning scrap removal have been administered verbally including the restriction that items are not to be removed from the scrap metal bins and that any removal of items must be done outside of the employees normal work hours. This information has probably not been discussed in a staff meeting in recent months.

**Internal Control Weaknesses Found:** Some Physical Plant employees lack an understanding of the college's practices concerning the removal of scrap from campus. Management should educate the Physical Plant employees on the college's policies/practices concerning the removal of scrap from campus.

**Management Action:** Physical Plant/Plant Operations Management will hold a divisional employee meeting to review the Disposal of Surplus Property policy and to ensure employee understanding by September 30, 2016.

This report is intended solely for the internal use of Chattanooga State Community College and the Tennessee Board of Regents. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by the Office of Internal Audit and handled in accordance with institutional policies.

| APSU        | 2015  | APSU Access & Diversity Report Observation 1 Austin Peay State University personnel should ensure that the process as outlined in 2007 is followed until a revised process is submitted to TBR OESI. Information regarding the scholarship criteria and selection process should be submitted in writing to TBR OESI on an annual basis or when changes are made to the criteria or process. Any exception to the criteria and process should be requested in writing from TBR OESI.   | Aid  | Friday, July 1, 2016                        |  | In Progress |  |  |
|             | Friday, October 30,<br>2015   | APSU Access & Diversity Report Observation 2 The Diversity Officer should insure that funds used to support student initiatives comes from funding specifically allocated for that purpose. If funds are not available, the diversity officer should request approval from TBR OESI when using funds allocated to other access and diversity initiatives.  | Diversity Officer  | Friday, July 1, 2016                        |  | In Progress |  |  |
| APSU        | 2015  | APSU Access and Diversity Report Finding 1 Institution management should review all current and former financial activity related to access and diversity grant funds to ensure that all funds are properly accounted for. Any remaining balances should be investigated to determine whether they can be used for current access and diversity initiatives or returned to TBR OESI. Personnel responsible for accounting and reporting should ensure that funds are properly accounted for. A revised report should be submitted to TBR following the recommended review.   | Grants Accountant  | Friday, July 1, 2016                        |  | In Progress |  |  |
| APSU        | Monday, February<br>15, 2016  | Investigation of Loss and Excessive Bookstore Purchases The Department of Teaching and Learning and Department of Educational Specialties should review their expenses on a monthly basis, avoid wasteful spending of funds at the end of the fiscal year, and keep a record of promotional items purchased and given to potential students or new faculty.  | Dean of the College of Education   | Monday, February 15,<br>2016                |  | No Progress |  |  |
| APSU        | 15, 2016  | Investigation of Loss and Excessive Bookstore Purchases Management should review the insructions and training provided to all employees regarding budgeting and monitoring expenses to determine if additional instructions, training, or reminders of key control procedures are needed.  | Controller   | Monday, February 15,<br>2016                |  | No Progress |  |  |
| APSU        | Friday, May 13,<br>2016   | APSU - CCTA 2016 - Research and Services Expenditures amount incorrectly reported This submission for the 2014-15 academic year included six items that did not meet the THEC definition. Four of the six items were state funded and not from an externally generated funding source. The remaining two items were not eligible for indirect cost allocation. The inclusion of these six items caused the amount reported to THEC to be overstated by \$165,792.24. However, the audit did identify five items that met THEC definition but were not reported to THEC. Four were federally funded and one was a privately funded. The total expenses for these five items totaled \$77,004. The net effect of these two errors is that the amount reported to THEC was overstated by \$88,788 (5%). Management should ensure that the figures reported on the next Research and Service Expenditures Summary are correct. | Thomas Stuckey (Grants<br>Accountant), Beth Hoilman<br>(Administrative Assistant 3,<br>Research and Sponsored<br>Programs), Director for<br>Grants and Sponsored<br>Programs (once filled) | Friday, September 30, 2016                  |  | In Progress |  |  |

| CoSCC       | Thursday, October 29, 2015  | CoSCC-IAR-Access and Diversity - Although the audit results reflect the majority of Opportunity Scholarship recipients met the criteria on file with TBR OESI, the published criteria and the selection process utilized differed from the criteria and selection process on file. TBR OESI requires annual written notification of the scholarship criteria and selection process used to disperse allocated access and diversity scholarship and fellowship funds. An annual institutional review of the Opportunity Scholarship criteria and selection process followed by a written notification to TBR OESI would benefit the institution by ensuring alignment with the institution's and the Tennessee Board of Regents' access and diversity goals and objectives. |   | Friday, January 29, 2016                    |   | In Progress |  |  |  |
| CoSCC       | Friday, February 19,<br>2016  | CoSCC_IAR_Off-Campus International Education The International Education Committee held informal meetings for which minutes were not compiled.  The International Education Committee members should annually review relevant Columbia State Community College policies, and the Columbia State Committee Council Guidelines to ensure a complete understanding of committee administrative responsibilities, and to ensure minutes are maintained, quorums are met, and committee actions are clearly documented within the minutes.  | Director of International<br>Education - Chair of<br>International Education<br>Committee | Friday, July 1, 2016                        |   | No Progress |  |  |  |
| CoSCC       | Friday, February 19,<br>2016  | CoSCC_IAR_Off-Campus International Education The International Education Committee International Education does not have a written scholarship award process. In order to ensure consistent and fair application of scholarship criteria, the committee should establish a formal written process that includes the process and timeline for establishing scholarship criteria, reviewing scholarship applications, evaluating and selecting award candidates, handling employee or employee family member applicants, and requesting post award adjustments.  | Director of International<br>Education  | Friday, April 1, 2016                       |   | No Progress |  |  |  |
| CoSCC       | Friday, February 19,<br>2016  | CoSCC_IAR_Off-Campus International Education - The college applied the Banner "tuition and fee waiver" without an approved or documented exception to TBR and Columbia State policies. All instances of the Banner "Tuition and Fees Waiver" should be reviewed to ensure that assessments of fees and charges occur unless an exception is approved and documented.   | Business Manager  | Friday, April 1, 2016                       |   | No Progress |  |  |  |

| CoSCC       | Friday, May 20, 2016           | Workforce Development contact hours reported through the annual Economic and Workforce Development Contact Hours report have a direct impact on the college's state funding. The test work revealed that the total contact hours reflected on the 2014-2015 Economic and Workforce Development Contact Hours report were understated by 1,124 hours equating to a loss of approximately \$6,100 in state formula funding. Workforce development could improve reporting accuracy by strengthening segregation of duties, and ensuring data is independently reviewed and reconciled. Management's Action Plan: Management concurs with the recommendation, and will take actions to strengthen controls, including refresher training on database features and course data entry standards, pairing segregated data entry with independent reviews, and ensuring management conducts database reconciliations at least quarterly. |  | Friday, July 1, 2016                        |   | No Progress |
| DSCC        | Wednesday, October 28, 2015    | DSCC-Access and Diversity Funds-Observation 2 of 2<br>It is recommended that scholarship awards for relatives of<br>institutional personnel be approved by a higher level of authorization<br>than the Director of Student Life, who participates in the scholarship<br>award process.  | Dean of Student Services                   | Friday, December 18, 2015                   |   | In Progress |

| DSCC  | Friday, February 19,<br>2016 | DSCC-Off-campus International Education Programs-Observation 1 of 3 No dual service contracts were found for the DSCC instructors who participated in the Off-campus International Education Programs for FY2015. The DSCC instructors were paid directly by TNCIS. DSCC management would not have known that this payment arrangement was in place; however, dual service contracts should be used with TNCIS for institutional faculty teaching abroad according to the TNCIS Operational Handbook section 3.2.9. The TNCIS office should complete the dual service contract upon receipt of an approved adjunct faculty contract from the institution. DSCC management should develop procedures to ensure that these dual service contracts are in place when approving DSCC faculty international teaching assignments. | Teri Maddox, Vice President of the College                                 |   |   | No Progress |  |  |
| DSCC  | Friday, February 19,<br>2016 | DSCC-Off-campus International Education Programs-Observation 2 of 3 Off-campus international education program activity was not reconciled which resulted in an erroneous posting of \$38,675 to the scholarship expense line item in the International Education Program budget. The posting error also affected an agency account used solely for Off-campus International Education program activity. No duplicate payments were made as a result of this posting error, but the agency account had a balance which was not cleared due to the incorrect posting. Management should develop procedures for reconciling International Education program accounts to ensure that all postings are made according to the detailed requirements for this program's activity.  | Bud Hoffmann, Vice<br>President for Finance and<br>Administrative Services | Thursday, June 30, 2016                     |   | No Progress |  |  |

| STCC        | Tuesday, May 5, 2015        | STCC-Tuition Statements Finding 1 of 1: Incorrect IRS Form 1098-T's, tuition statements, were issued for the calendar year ended December 31, 2012, because early registration was not included in the reporting period.  | Department of Finance                            | Friday, October 30, 2015                    |   | No Progress |
| STCC        | Friday, July 31, 2015       | STCC - Review of Motor Vehicle Procedures 4. Plant Management's monthly review of Fuelman credit card bills should be documented. The bills should be reviewed by plant management and compared to credit card receipts.  | Alice Webster, Technical clerk of Physical Plant | Saturday, August 1, 2015                    |   | In Progress |
| STCC        | Wednesday, October 28, 2015 | Access and Diversity The Special Academic department should improve internal controls and procedures over Access and Diversity reports. A. The quarterly report should be signed by the Diversity Officer, Business Officer and Financial Aid Director to validate the data reported. B. The department should have segregation of duties by requiring supervisor approval of all expenditures. Currently, the Executive Director of Special Academic Programs initiates and approves all expense for Access and Diversity funds. C. Scholarships awarded to relatives of Institutional personnel, where an actual conflict of interest or perception of a conflict of interest exists, should be subject to a higher level of authorization. D. The Special Academic Program should submit accounts payable invoices to the Finance department, for processing, in a timely manner. Three invoices were not paid within 45 days.   | Executive Director, Special<br>Academic Programs | Friday, April 29, 2016                      |   | No Progress |
| STCC        | Wednesday, October 28, 2015 | Access and Diversity The Special Academic department should improve program controls over Access and Diversity funds.  A. The scholarship criteria and selection process should be provided to TBR OESI on an annual basis or anytime the college changes the criteria or process.  B. Scholarships should be awarded in accordance with stated criteria submitted to TBR OESI. The 93 scholarships issued were reviewed, with 15 recipients noted as not meeting the scholarship criteria. Seven students receiving scholarships did not complete a FAFSA. Five students were not enrolled in at least six credit hours. Three student did not meet one of the additional criteria.  C. Service hour requirements are not allowed for Access and Diversity scholarship recipients according to TBR Policy 3:04:01.00, Student Scholarship, Grants, Loans and Financial Aid. The college should eliminate the requirement.  D. Access and Diversity scholarships are issued at the end of the semester. The scholarships should be paid using the same process the college follows for all other student financial aid.  E. Prior written approval from TBR OESI should be obtained for personnel expenses paid each fiscal year. |  | Friday, April 29, 2016                      |   | No Progress |

|             |                                | (Reports sorted by Instit  | ution, Date of Report                            | <del>:</del> )                              |   |             |
|-------------|--------------------------------|--|--|---|---|-------------|
| Institution | Report Release<br>Date         | Recommendation   | Responsible Staff                                | Date Management's Actions to be Implemented | Date Internal Audit<br>Follow-Up<br>Completed | Status      |
| STCC        | Wednesday, October<br>28, 2015 | Access and Diversity Diversity Funds and ensure funds are budgeted and used in accordance with the college's Access and diversity goals.  A. Written Processes and procedures and oversight controls should be put in place to ensure that funds are properly manged, executed and used for the purposes intended.  B. A committee should be created to review the Access and diversity process. They should establish goals for the department's expenditures; scholarship criteria, student recruitment and retention and faculty recruitment and retention. Quarterly or semester reports should be issued to the committee showing a summary of how the funds are used, the number of scholarships issued by demographics and recruitment and retention projects.  | Executive Director, Special<br>Academic Programs | Friday, April 29, 2016                      |   | No Progress |
| STCC        | Wednesday, October 28, 2015    | Access and Diversity The Finance department should improve internal controls and procedures over the Access and Diversity reports.  A. Access and Diversity funds should be recorded in three cost centers in the amount allocated to those categories by TBR OESI; Scholarships and Fellowships, Student Recruitment and Retention and Faculty/Staff Recruitment and Retention. The college has continued to use cost centers for categories of funds which are not a part of Access and Diversity.  B. The quarterly Report should agree with Banner. The amounts reported to TBR OESI as match and carryover funds for the Fiscal Year ended June 30, 2014 and June 30, 2015 did not agree with Banner and should be corrected and resubmitted. Exhibits 1 and 2 in this report agree with the amounts recorded in Banner.  C. Carryover funds should be recalculated and Fund Balances should be adjusted to recognize the correct amounts in Access and Diversity funds. Since the inception of Access and Diversity programs, the revenue was posted to incorrect cost centers.  D. The Ambassador process for paying students should be reviewed with the Human Resources and Finance department to determine if payments should be processed through payroll rather than accounts payable. | Executive Director, Special<br>Academic Programs | Friday, April 29, 2016                      |   | No Progress |

| TSU         | Monday, May 11,<br>2015            | TSU - IT General Controls Review: Recommendation 16 of 19: For computers linked to the college's network, block access to selected websites that do not render themselves to educational purposes to reduce the risks of unauthorized use and risks of viruses and malicious programs.   | CIO - Tim Warren             | Friday, July 1, 2016                              | Thursday, July 21, 2016                    | Action completed |
| TSU         | Monday, May 11,<br>2015            | TSU - IT General Controls Review:  Recommendation 17 of 19: Implement a process to identify unauthorized disseminations of information or malicious links within inbound and outbound emails.  | CIO - Tim Warren             | Friday, July 1, 2016                              | Thursday, July 21, 2016                    | Action completed |
| TSU         | Monday, May 11,<br>2015            | TSU - IT General Controls Review: Recommendation 18 of 19: Distribute procedural instructions to college staff regarding establishing, modifying and deleting access privileges for users, including full-time, temporary, transferred or promoted employees and contractors.  | CIO - Tim Warren             | Friday, July 1, 2016                              | Thursday, July 21, 2016                    | Action completed |
| TSU         | Monday, May 11,<br>2015            | TSU - IT General Controls Review:  Recommendation 19 of 19: Review the lists of accounts with system administrative or non-expiring privileges assigned, and revoke those that do not require such access privileges.  | CIO - Tim Warren             | Friday, July 1, 2016                              |  | In Progress      |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 1 of 14: Enhance the existing Information Security Program with its associated policies and procedures to better address data ownership, data classification, information dissemination and improved security awareness training. These policies and procedures should be in coordination with a comprehensive information security program being developed by the TBR System Office that defines both business and computing information security processes and implementation of a security awareness and training program.   | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              | Friday, July 22, 2016                      | Action completed |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 2 of 14: Develop and implement comprehensive information technology procedures for: a. Change Management that details how hardware, network configuration, anti-virus definitions and patch updates will be completed, in addition to implementation of Banner software updates. b. Vendor Management that describes how information Technology Services will monitor and manage the delivery of goods and services from key vendors. c. Logging and Monitoring of computer utilization activities that identifies what will be logged, how it will be reviewed, and how the results will be handled. d. Remote Devices that includes an agreement that itemizes expectations of non-student users who connect their personal laptop or cell phone device to the network. | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              |  | In Progress      |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 3 of 14: Ensure all employees and other personnel with computer access privileges sign a statement affirming agreement with the acceptable usage of computing assets and the new information security program policies, when these policies are created or updated.   | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              |  | In Progress      |

| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 4 of 14: Ensure the current job descriptions are available for use in performance management of ITS personnel.  | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              | Friday, July 22, 2016                      | Action completed |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 5 of 14: Implement a process to identify and monitor the hardware devices in use to better document asset management.   | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              |  | In Progress      |
| ΤΤυ         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 6 of 14: Encrypt hard drives on university-owned mobile devices to reduce risks of unauthorized access to information if the device is lost or stolen.  | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              | Friday, July 22, 2016                      | Action completed |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 7 of 14: Implement a procedure that requires users to store files on the network share server rather than on hard drives to ensure the data is properly backed up for recovery purposes.  | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              | Friday, July 22, 2016                      | Action completed |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 8 of 14: Develop a Business Continuity Plan that will ensure planning for and documentation of: a. The business side of the plan, including business recovery requirements and objectives as well as the assigned roles and responsibilities of the Plan Coordinator who will maintain the plan and prepare personnel in advance of a disaster or other event requiring use of the plan. b. Amendments to the existing Disaster Recovery Plan to reflect needed changes to information technology recovery requirements for compliance with business requirements stated in the Business Continuity Plan. c. A test plan and documentation of periodic testing conducted to ensure the plan's effectiveness for recovery. This should begin with testing recoverability of data backed up using the recently implemented process. | Terry Saltsman - Interim CIO | Friday, April 14, 2017                            |  | In Progress      |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 9 of 14: Conduct periodic network penetration and vulnerability testing to identify any risks to network configuration and security.  | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              | Friday, July 22, 2016                      | Action completed |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 10 of 14: Distribute procedural instructions to university staff regarding establishing, modifying and deleting access privileges for all users, including full-time, temporary, transferred or promoted employees or contractors.  | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              | Friday, July 22, 2016                      | Action completed |
| TTU         | Thursday,<br>September 10,<br>2015 | TTU - IT GCR - Observation 11 of 14: Implement a process to periodically review each user's computer access privileges to re-justify assigned access privileges. Include in this assessment a requirement to document the need for retaining user access privileges where the user has not logged in within the last year.   | Terry Saltsman - Interim CIO | Friday, July 1, 2016                              |  | In Progress      |

| ChSCC       | Tuesday, Apri             | Recommendation 13 of 20 - Enhance the Business Continuity Plan to ensure planning for and documentation of:  a. A business impact analysis that identifies the potential impact of disasters or other events on the college's ability to continue normal business operations, business recovery requirements and objectives, and responsibilities of a Plan Coordinator who will maintain the plan and prepare personnel in advance of a disaster.  b. Revisions to the existing Disaster Recovery Plan to ensure information technology recovery requirements comply with business requirements stated in the plan.  c. A test plan and periodic testing conducted to ensure the plan's effectiveness for recovery.   | AVP/CIO, Greg Jackson | Monday, October 3, 2016                           |  | No progress |
| ChSCC       | Tuesday, Apri<br>12, 2016 | ChSCC - IT GCR - Recommendation 14 of 20 - Enhance the current network topology diagram to depict each ingress/egress point and the layered security in place protecting those points.   | AVP/CIO, Greg Jackson | Monday, October 3, 2016                           |  | No progress |
| ChSCC       | Tuesday, Apri<br>12, 2016 | ChSCC - IT GCR - Recommendation 15 of 20 - Maintain current firewall configurations to ensure the removal of firewall rules that are no longer applicable.   | AVP/CIO, Greg Jackson | Monday, October 3, 2016                           |  | No progress |
| ChSCC       | Tuesday, Apri<br>12, 2016 | ChSCC - IT GCR - Recommendation 16 of 20 - Block access to websites considered illegal or detrimental on computers linked to the college's network to reduce the risks of unauthorized use, as well as the risks of viruses and malicious programs associated with such sites.   | AVP/CIO, Greg Jackson | Monday, October 3, 2016                           |  | No progress |
| ChSCC       | Tuesday, Apri             | Recommendation 17 of 20 - Improve information security access procedures and practices by:  a. Distributing procedural instructions to college staff regarding establishing, modifying and deleting access privileges for all users, including full-time, temporary, transferred or promoted employees or contractors.  b. Implementing a process where data owners periodically review each user's computer access privileges to re-justify assigned privileges.  c. Limiting the use of setting a future account expiration date on the active accounts of departing employees or other users to only those with an established and documented business need.  d. Updating password requirements in the Default Domain Policy of Active Directory to ensure the use of stronger password controls as defined in the TBR password policy and industry best practices.  e. Periodically reviewing accounts with administrator or non-expiring password privileges and revoking those privileges on accounts that do not require them for specific business purposes. |                       | Monday, October 3, 2016                           |  | No progress |

#### Tennessee Board of Regents Committee on Audit

**DATE:** August 30, 2016

AGENDA ITEM: Review of Internal Audit Year-End

**Status Reports for FY 2016** 

**PRESENTER:** Tammy Birchett

**ACTION REQUIRED:** Informational Item

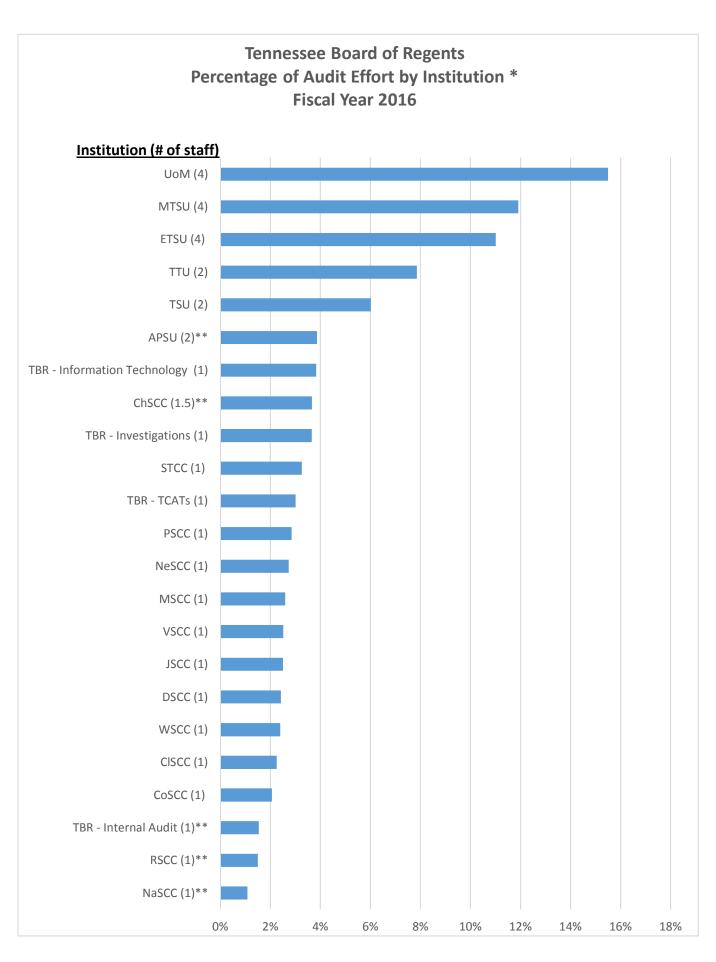

STAFF'S RECOMMENDATION: Accept Report

#### **BACKGROUND INFORMATION:**

The committee will review the year-end status of the internal audit plans for the system institutions for Fiscal Year 2016. This item includes the following summary information on system audit activities for the year.

Audit Effort by Institution
Planned to Actual Audit Hours
Audit Plan Completion Rates
Audit Activity Three-year Trend Analysis
Internal Audits Completed
Investigation Activity

The summary schedules are followed by a Year-end Status Report for each institution and for each audit activity with the system office.

| TBR - Investigations (2)      | 1,609       | 1,504       | 93%            |  |  |
| Totals                        | 44,097      | 41,167      | 93%            |  |  |

#### Notes:

Variances between actual audit hours and planned hours occur because of many factors. The most common factors are unplanned absences, staff changes or vacancies.

- (1) This office had a position that was vacant for a portion of the year.
- (2) Because the SWIA CAE and Assistant Director allocate time across various audit functions as needed, the hours may reflect time for more than the single auditor responsible for the type of audit.

### Tennessee Board of Regents Three-year Trend Analysis of Hours for Completed Audits By Type of Audit and Functional Area

| By Type of Audit             | FY2016 | FY2015 | FY 2014 | Average |
|------------------------------|--------|--------|---------|---------|
| Required                     | 13%    | 23%    | 25%     | 20%     |
| Risk-Based                   | 20%    | 24%    | 16%     | 20%     |
| Investigation                | 16%    | 12%    | 13%     | 14%     |
| Consultation                 | 12%    | 14%    | 13%     | 13%     |
| Project                      | 8%     | 9%     | 9%      | 9%      |
| Follow-up Audit              | 5%     | 7%     | 8%      | 7%      |
| Management's Risk Assessment | 3%     | 4%     | 6%      | 4%      |
| Special Request              | 24%    | 7%     | 11%     | 14%     |
| Total                        | 100%   | 100%   | 100%    | 100%    |

**Summary** - The focus on Risk-Based audits is determined by the campus auditor's risk analysis of the audit universe on each campus. Typically, as resources dedicated to Investigations or Required Audits decline, more resources are available for Risk-Based audits. The increase in previous years in Required audits is mainly due to the system-wide audits of Complete College Tennessee Act data, beginning in FY2014. In FY2016, an increase in Special Requests is primarily related to the Access and Diversity audits requested by the Vice Chancellor for Effectiveness and Strategic Initiatives and Study Abroad audits requested as a result of noted issues in some programs.

| By Functional Area               | FY2016 | FY2015 | FY 2014 | Average |
|----------------------------------|--------|--------|---------|---------|
| Financial Management             | 34%    | 36%    | 29%     | 33%     |
| Institutional Support            | 22%    | 20%    | 25%     | 22%     |
| Student Services                 | 11%    | 17%    | 13%     | 14%     |
| Instruction and Academic Support | 12%    | 9%     | 9%      | 10%     |
| Information Technology           | 11%    | 9%     | 10%     | 10%     |
| Physical Plant                   | 1%     | 2%     | 0%      | 1%      |
| Research                         | 3%     | 2% 2%  |         | 2%      |
| Auxiliary                        | 1%     | 1%     | 1%      | 1%      |
| Athletics                        | 5%     | 3% 10% |         | 6%      |
| Advancement                      | 1%     | 1%     | 1%      | 1%      |
| Total                            | 100%   | 100%   | 100%    | 100%    |

**Summary** - Financial Management and Institutional Support have remained the two most often audited areas over time. By the nature of the processes within Financial Management and Institutional Support, both areas cross over into many other functional areas. The increase in audit resources dedicated to Student Services is directly related to the audits of the Complete College Act data. The spike in FY 2014 in Athletics is a result of Gifts-In-Kind audits requested by the Audit Committee.

## Tennessee Board of Regents Summary of Investigation Activity Fiscal Year 2016

#### **Allegations**

Allegations of fraud, waste, or abuse are generally reported to TBR System-wide Internal Audit through the unit's Report Fraud web site, email, or phone number, the Tennessee Comptroller's Fraud Hotline, a campus auditor, or management. In the initial evaluation of allegations, those that do not indicate fraud, waste, or abuse may be referred to other TBR or campus offices for review, e.g., legal, human resources, academic affairs, or may not be viable if insufficient information was provided to determine if an investigation is warranted.

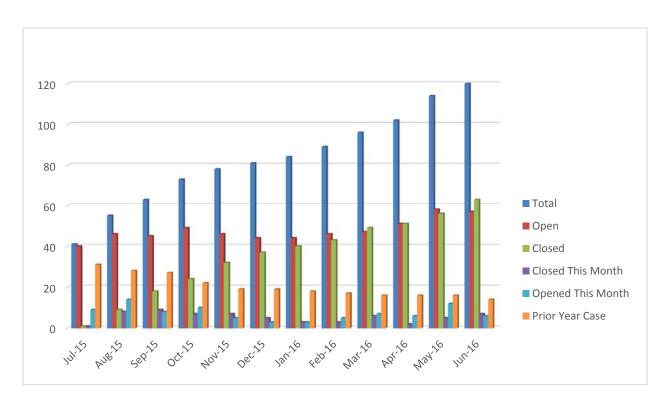

#### **Investigations**

Viable allegations are investigated by SWIA or a campus internal auditor. Cases may be administratively closed when allegations are found to be unsubstantiated during investigations.

- FN 1 The Director's position was vacant between 11/1/15 and 3/31/16. Therefore, some audits were removed from the plan or had budgets reduced due to a lack of available resources associated with the vacancy.
- FN 2- The State Audit report did not contain any findings, therefore, no follow up was needed.
- FN 3 This audit took longer to complete than orginally planned because the area was more complex than anticipated.
- FN 4 This investigation was added when the allegation was received.
- FN 5 This review was requested by management.

Estimated Hours Available For Audits = 4,480 (4 staff)

- FN 1 Hours for Unscheduled Investigations were reassigned to INV 16-03.
- FN 2 Multiple issues discovered and and difficulty obtaining information from auditee.
- FN 3 Budget hours was increased due to an increase in areas tested. Also, moved the start date from June 2016 to October 2015 which shifted the budgeted hours for the
- FN 4 IT Auditor underestimated the hours needed to complete this audit.
- FN 5 Audit was removed since there were no State Audit findings.
- FN 6 Multiple issues discovered. Two auditors were assigned to the audit to complete by the scheduled due date.
- FN 7 PCI Compliance Scans were not performed by Internal Audit because this task was outsourced.
- FN 8 Audit was removed from plan due to several audits requiring more time than anticipated.
- FN 9 Changed start date which resulted in the budgeted hours spreading across both FY 2016 and FY 2017 differently than originally estimated.
- FN 10 Added at the request of Public Safety. Accreditation requires an audit of inventory (confiscated/found items)
- FN 11 Investigation received prior to year-end but not started at of 6/30/16.
- FN 12 Increased budget hours. Underestimated the hours needed to complete the audit due to the number of accounts associated with the review.

Estimated Hours Available For Audits - 4815 (4 staff)

Fn 1 - Unplanned investigations was reduced to allocate time to new investigations and additional time to INV1506, which includes more detailed work than originally

Fn 2 - The budget was originally for one review, however, work was expanded to include a second review.
Fn 3 - The budget was adjusted to allocate audit time to unplanned investigations/projects and audit projects requiring more audit time.

Estimate Hours Available For Audits = 3,225 (3 staff)

<sup>1 -</sup> Only one Inventory Observation audit (6-30-15) was originally scheduled, and it included hours to be spent in spring 2015-16 on the next Inventory Observation audit (6-30-16), which won't be completed until 2016-17.

<sup>2 -</sup> Travel, Receipts, and Advancement were removed because the Access and Diversity audit, Minors on Campus audit, and Investigations significantly exceeded their anticipated budgeted days.

<sup>3 -</sup> This audit required more fieldwork than anticipated.

<sup>4 -</sup> Unscheduled investigations are typically reduced at each revision by the actual number of hours spent on specific investigations. However, actual and anticipated hours for investigations already completed and in progress (53.8 days) significantly exceeded the original budget (26.7 days), and 2 months remain for additional unscheduled investigations.

<sup>5 -</sup> The number of hours for any particular investigation is never known. This investigation was very extensive.

<sup>6 -</sup> This audit is very extensive. In addition to a very detailed review of the policy itself, it has consisted of contacting representatives from 130 campus units, reviewing over 160 events, and conducting between 40 and 50 interviews and documentation reviews campus-wide for compliance with the Minors on Campus policy.

Estimated Hours Available For Audits - 5,985 (4 staff)

| FN1 | Had a small amount of carryforward hours into FY16. Was mostly performed in FY15 so adjusted to actual hours in FY16 to free up hours in the plan for other audits and projects. |
|-----|--|
| FN2 | Hours reduced as investigations occur and input into MKI to account for actual investigations in FY16 as they occur.   |
| FN3 | Audit took much longer than expected and also additional hours for TIP Program at Law School.  |
| FN4 | Consulting project (cost analysis of clinic) added per special request by Management.  |

Scope expanded to also include PCI compliance in this area per Management request. FN5

Request from President & Legal Counsel pursuant to pending legislation regarding FOCUS Act. IA is advisory member. FN6

Expanded scope of peard continuous monitoring due to bank implementing a new peard system plus a new employee in Procurement with oversight over peards. FN7

FN8 Planned hours added to Comp Ticket follow-up per additional work requested by new President and Development Office.

Follow-up occurred in FY15 per required date for follow-up. Hours were budgeted in case additional follow-up was needed in FY16. No additional hours were necessary in FY16. FN9

FN10 Scope expanded due to request from ITS. IT Security Controls.

 $Additional\ hours\ due\ to\ extra\ work\ related\ to\ pending\ discussions\ by\ Management\ with\ outside\ entity,\ Speech\ \&\ Hearing\ Clinic.$ FN11

FN12 Additional hours added due to expanded scope visiting off-campus locations. Fixed Asset Verifications.

FN13 Project canceled and will be moved to FY17 per discussion with ITS Management. Hours allocated to other IT projects on the audit plan.

FN14 FN15 FN16

Hours added to expand scope to perform additional work regarding scholarship clause in the Bookstore contract.

Adjusted to add more hours and coverage for cash and less coverage for inventory per management request.

General consulting hours reduced to allocate hours to investigations and special request projects from Management.

Estimate Hours Available For Audits = 1,815 (1 1/2 staff)

FN 1- First audit with new auditor and issues discovered required additional hours to complete.

**Total Audit Days:** 

- FN2 Removed audits from plan to compensate for additional hours needed for new staff, other audit topics and investigations
- FN3 Additional hours added for gathering of additional research and major report changes.
- FN4 Investigations hours increased based on number and type of projects received. Total investigations hours divided amongst projects based on difficulty of topic.

1804.5

1508.3

296.3

- FN5 Expanded locations tested using both available auditors.
- FN6 Audit hours expanded for changes in scope of project and knowledge of campus activities.
- FN7 Change in auditor assigned to project added increased supervison time and involvement during the audit.

Total Planned Audit Days: Estimated Available Hours For Audits = 997.5 (1 staff)

Audit Types:

R - Required A - Risk-Based (Assessed)

S - Special Request

I - Investigation

P - Project (Ongoing or Recurring) M - Management's Risk Assessment C - Consultation

F - Follow-up Review

O - Other

Functional Areas:

AD - Advancement AT - Athletics AX - Auxiliary

1011.0

FM - Financial Management

IA - Instruction & Academic Support

841.2

169.8

IS - Institutional Support IT - Information Technology

PP - Physical Plant RS - Research

SS - Student Services

FN 1 Consumer Information Compliance Review was divided into three main focus areas.

FN 2 Removed in order to accommodate completion of ongoing audit and service engagements. Audits will re-evaluate for 2016-2017 audit plan.

FN 3 Adjusted to accommodate completion of ongoing audit and service engagements.

FN 4 Adjusted to accommodate requests for value added services.

Status: Scheduled In Progress Completed

Estimated Available Audit Hours = 1,222 (1 staff)

FN 1: Due to the Access and Diversity audit and internal audit follow up to the findings from the State of Tennessee Audit for fiscal years 13 and 14 needing more resources than originally anticpiated, time resources for other audits/engagements were reduced or audits were removed.

FN 2: Due to a number of unplanned investigations/reviews, time resources had to be allocated from unscheduled investigations and other planned audits/engagements as allegations were received.

- FN1 When this audit was initially planned the budget time was 8 days based upon an estimate of how long the central office thought it would take to complete the
- audit. The revised budget was determined based upon time spent on the audit already as well as the fact that several issues were noted during the course of the audit.
- FN2 Because of other project and the time spend on the access and diversity audit this audit was removed from the audit plan.
- FN3 Orginal budget was based upon me just assisting with TnCIS audit and revised budget included me actually auditing international travel by Pellissippi State students.
- FN4 -These items relate to projects that were not originally requested prior to the beginning of fiscal year 15-16 but were requested during the year.
- FN5 The scope of the audit was expanded because of a request by management related to a particular issue.
- FN6 The scope of the audit was narrowed once the audit program was developed and distributed by the Board.

Fn 1 - This audit needed more time resources than originally anticipated.

Fn 2 - This budget was reduced because time resources were allocated to the Study Abroad audit.

Fn 3 - Removed at request of President.

FN 1: Access and Diversity Funds audit testwork took longer than anticipated. The Faculty and Staff Recruitment and Retention fund contains travel expenditures for several employees, and all travel payments were tested rather than sampled. Additionally, the criteria testwork for the Access and Diversity scholarship recipients was more detailed than expected.

- Fn 1 This audit was added because the Interim Audit Director at RSCC previously worked in the grants area, and cannot perform the follow up due to perceived independence
- Fn 2 CoSCC internal auditor will be helping on this project, therefore hours for the SWIA were reduced.
- Fn 3 Budget reduced because there is less work anticipated with the audit than originally thought.
- Fn 4 Based on trend of time charged to this project, it appears more than the time resources will be needed.
- Fn 5 Budget increased because more time was needed to complete the audit objectives.
- Fn 6 Review removed due to vacancy in this position as of April 1, 2016.

FN 1 - The budgeted time for unscheduled investigations is reduced as actual cases are opened. FN 2 - Incorporated into President's Expense Audit.

FN 3 - Referred to campus IA.

### Tennessee Board of Regents Committee on Audit

**DATE:** August 30, 2016

AGENDA ITEM: Review of Internal Audit Plans for

Fiscal Year 2017

**PRESENTER:** Tammy Birchett

**ACTION REQUIRED:** Voice Vote

STAFF'S RECOMMENDATION: Approval

### **BACKGROUND INFORMATION:**

The committee will review and consider for approval internal audits planned for the system institutions for Fiscal Year 2017 as required by the Audit Committee Charter, TBR Policy 4:01:05:00, *Internal Audit*, and the Institute of Internal Auditors *International Professional Practices Framework*.

Audit plans prepared by the auditors may include audits or projects of the following types:

- Required (by law, policy or other authority)
- Management's Risk Assessment (review of process and conclusions)
- Follow-up Review (of State Audit or Internal Audit findings)
- Special Request (audit requested by Board or management)
- Project (such as periodic review of purchasing card activity)
- Consultation (research, analysis, review and/or recommendations)
- Investigation
- Risk-Based

Risk-based audits are determined through a risk analysis process. Risk analysis is a planning tool to help determine which areas within the institution should be audited. Each auditable area's key risk factors are quantified and weighted to come up with the risk ranking. Areas with the highest totals are

considered the riskiest and are given priority within the hours available for audits. This methodology complies with industry standards.

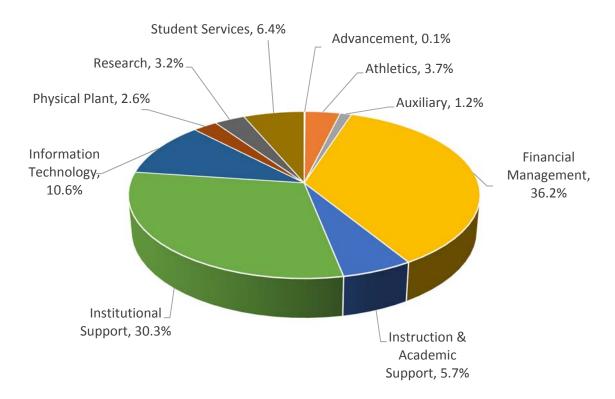

The following risk factors were considered during the risk analysis:

- <u>Audit History</u> Time since last audit, results of last audit, and external audit or monitoring coverage and results.
- <u>Internal Controls</u> Quality of internal control system, level of decentralization for operations, management's tone and interest in controls, extent of reliance on technology and complexity of operations.
- <u>Change</u> Key personnel or unusual turnover, organizational changes, accounting and other critical operating systems changes, rapid growth and change in mission or in programs.
- <u>Size</u> Revenues/Expenses/Net Assets and volume of transactions.
- <u>Sensitivity</u> Extent of government or external influence, political exposure, adverse publicity, potential liability, and inherent risk of loss of resources.
- <u>Management's Assessment of Risk</u> Whether the audit area has been included in management's risk assessment process, results of that assessment, results of management's control assessment, and time since last assessment of the audit area.

This section contains the following system summaries. The summaries are followed by a detailed audit plan for each institution.

Planned Audits by Type of Review Planned Audits by Major Functional Area

## Tennessee Board of Regents Planned Audit Hours by Functional Area Fiscal Year Ending June 30, 2017

### Highlights:

Financial Management includes audits of various financial operating activities within an institution, such as follow-ups to State Audit findings; cash handling or collection; inventories; payroll; procurement card activity and other purchasing; chief executive expenses; and departmental, agency accounts, and other expense areas.

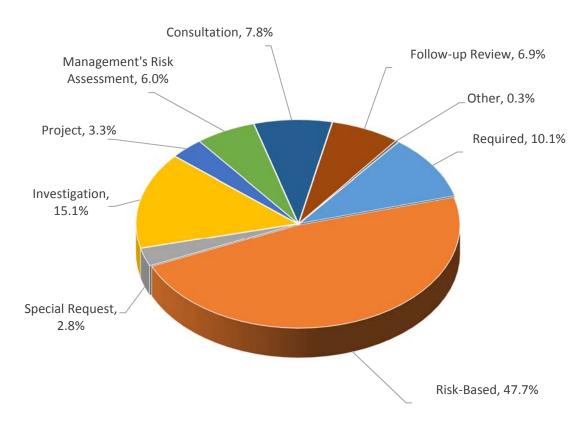

*Institutional Support* includes audits of various activities in support of other institutional operations, such as human resources; leave reporting; certain compliance audits (Clery, Title IX); and emergency preparedness. It also includes projects of the audit offices, such as the periodic quality assurance reviews; participating in FOCUS taskforces; and the continued implementation of audit software.

Student Services includes audits of various activities supporting students such as financial aid; enrollment and retention services; CCTA data; and student organizations.

*Instructional and Academic Support* includes audits of various educational programs or activities, such study abroad and workforce development.

|                    | Planned Audits |        | Planned Audit Days |        |
|--------------------|----------------|--------|--------------------|--------|
| Universities       | 133            | 30.8%  | 2,736.3            | 52.9%  |
| Community Colleges | 211            | 48.8%  | 1,740.4            | 33.6%  |
| SWIA               | 49             | 11.3%  | 523                | 10.1%  |
| TCATs              | 39             | 9.0%   | 177.2              | 3.4%   |
|                    | 432            | 100.0% | 5176.9             | 100.0% |

### Planned Audit Hours by Audit Type Fiscal Year Ending June 30, 2017

### **Highlights:**

*Risk-Based* audits are those determined by each Internal Audit Director through a risk analysis of auditable areas, which considers several risk factors. There is an increase in planned risk-based audits of 18% over the prior year plans, which reflects the additional availability of audit time because of a decrease in required and special request audits for the year.

Required audits are those determined by statutes, the system office or others. These audits frequently have a system-wide focus. There is a 6% decrease in planned required audits for the year because CCTA was rotated out for the year because of the prior years' overall positive results. Required audits do include the statutorily mandated audits of chief executives' expenses and year-end cash counts and inventories in support of financial statement audits.

*Investigations* are planned as a higher percentage than the prior year because of the current volume of activity and reviews still in progress and carried forward from the prior year.

Special Requests are audits requested by the Audit Committee, management or others to address specific concerns or activities. This category is planned as 14% lower than the prior year because most study abroad and access and diversity audits were completed.

*Projects* such as the periodic quality assurance self-assessments and the continuing implementation of audit software were delayed at several institutions due to time constraints and have been carried forward to the current plan.

Other categories are consistent with previous years.

# Tennessee Board of Regents Committee on Audit

**DATE:** August 30, 2016

**AGENDA ITEM:** Review of Quality Assurance Internal

**Reviews** 

**PRESENTER:** Tammy Birchett

**ACTION REQUIRED:** Voice Vote

**STAFF'S RECOMMENDATION:** Approval

#### **BACKGROUND INFORMATION:**

The Committee will review the results of the recent internal quality assurance reviews (QAR) performed as a self-assessment by each of the internal audit offices in the system. The self-assessments were performed as part of the system-wide audit function's quality assurance and improvement program (QAIP). Independent, external assessments are required every five years; the Tennessee Board of Regents system's last external assessment was completed in August 2013; the next external assessment is due in 2018. A summary of the key results from the internal assessments is included, followed by the report from each office.

# **Quality Assurance and Improvement Program (QAIP)**

A Quality Assurance and Improvement Program (QAIP) is designed to enable an evaluation of the internal audit activity's conformance to the Institute of Internal Auditors (IIA) *International Standards of the Professional Practice of Internal Auditing* (the *Standards*), the IIA *Definition of Internal Auditing* and the IIA *Code of Ethics* (mandatory guidance). The objectives of a QAIP are to evaluate the internal audit function for:

- Conformance with the IIA Standards, Definition of Internal Auditing and Code of Ethics;
- Adequacy of the audit charter, goals, objectives, policies and procedures;
- Contribution to the organization's governance, risk management, and control processes; and
- Effectiveness of continuous improvement activities and adoption of best practices.

#### Internal Assessments

Internal quality assurance reviews or self-assessments are performed periodically by internal audit staff and may include:

- Ongoing monitoring of the internal audit activity's day to day activities, such as engagement supervision and review of working papers and reports;
- Quality or compliance checklists;
- Performance evaluations and client surveys; and
- Periodic internal self-assessment of conformance with the IIA *Standards*, *Definition of Internal Auditing* and *Code of Ethics*.

#### External Assessments

External quality assurance reviews are performed by a qualified, independent reviewer or team and must include either:

- An external review of the audit function to determine conformance with the IIA *Standards, Definition of Internal Auditing* and *Code of Ethics*, or
- An external validation of a self-assessment, which would include sufficient reviews by the external reviewer to validate the self-assessment or propose an alternative report.

# Tennessee Board of Regents System-wide Internal Audit Summary of Internal Quality Assurance Reviews June – August 2016

The internal audit offices within the Tennessee Board of Regents system conducted an Internal Quality Assurance Review (QAR), a self-assessment, of the internal audit activity in June, July and August 2016. As part of System-wide Internal Audit's Quality Assurance and Improvement Program, the principal objective of the self-assessments was to determine the internal audit activity's overall conformity to The Institute of Internal Auditors' (The IIA) International Standards for the Professional Practice of Internal Auditing (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Tennessee Board of Regents internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing*, and *Code of Ethics*. The internal audit activity is well-structured and progressive, and audit management is endeavoring to provide useful audit tools and implement appropriate practices. The report for each institution is included following this summary report, except for Nashville State Community College where the internal audit position is currently vacant.

#### **Observations**

The concept of general conformance to the IIA *Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This summary contains a number of observations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as the most significant in relation to the IIA *Standards* or have the highest potential to improve the program.

### Increase information technology skills and resources, including the use of data analysis tools.

Standard 1220, A2 – Due Professional Care – Partially Conforms In exercising due professional care, internal auditors must consider the use of technology-based audit and other data analysis techniques.

This Standard requires that auditors exercise due professional care during an audit engagement, which includes the auditors' consideration of technology based audits and other data analysis. Eleven of the 19 QAR reports included an observation that continuing or increasing knowledge and application of data analysis tools would improve the effectiveness of the internal audit activity.

Corrective Actions: Seek additional training for tools available in-house, such as Excel or Argos Reports, or obtain other data analysis tools and training for the tools. Develop and apply audit procedures using the data analysis tools.

#### 2. Improve the process for and documentation of engagement planning procedures.

Standard 1220 – Due Professional Care – Generally Conforms
Internal auditors must apply the care and skill expected of a reasonably prudent and competent internal auditor. Due professional care does not imply infallibility.

Standard 2200 – Engagement Planning – Generally Conforms
Internal auditors must develop and document a plan for each engagement, including the engagement's objectives, scope, timing, and resource allocations.

These standards require internal auditors to consider various factors particular to the entity or unit to be audited and to plan and document the planning for the engagement. Five of the nineteen QAR reports included an observation that improvement was needed in the documentation of planning efforts for each engagement; one of the reports also included the need to develop methodologies to use in planning audits.

Corrective Action: Develop and implement checklists, questionnaires, standard memorandums or audit programs to assist with planning and document the relevant planning considerations and results of those considerations for each engagement.

#### 3. Improve the timeliness of reports.

Standard 2420 – Quality of Communications – Generally Conforms

Communications must be accurate, objective, clear, concise, constructive, complete, and timely.

This standard indicates timely communications are opportune and expedient, depending on the significance of the issue, allowing management to take appropriate corrective action. Four of nineteen QAR reports included an observation that improvement in the timeliness of communications was needed to improve the effectiveness of audit results. In some instances, results are verbally communicated but reports are delayed because of competing priorities.

Corrective Action: Improve the timeliness of audit and investigation reports. Develop performance metrics to assess and ensure timeliness of reporting through the year.

 Implement effective quality assurance practices and provide annual reports on the overall quality assurance and improvement program to management and the audit committee. Standard 1300 – Quality Assurance and Improvement Program – Generally Conforms
The chief audit executive must develop and maintain a quality assurance and improvement program that covers all aspects of the internal audit activity.

This standard indicates that ongoing monitoring of the internal audit activity is an integral part of operations and includes supervision, review and measurement of the activity. Four of the nineteen QAR reports included an observation regarding quality assurance activities, as follows:

- Communicate internal assessment results for ongoing and periodic assessment
  efforts to senior management and the chief auditor at the TBR system office
  annually. The results should then be communicated to the audit committee. [IIA
  Practice Advisory 1320-1, May 2015, indicates results of internal assessments
  should be communicated to management and the audit committee annually].
- Seek and obtain feedback from audit customers and other stakeholders through surveys.
- For a one-person office, audit work is not reviewed by a second person. Checklists
  and software engagement review options are used to compensate for a reviewer
  and should be used consistently.

Corrective Action: In collaboration with the campuses, System-wide Internal Audit will develop a process to summarize and report ongoing quality assurance activities and will continue to report on periodic quality assurance assessments. Surveys or other processes should be used to gather feedback about the audit activity to assist with continuous improvement. Checklists and other tools should be used consistently to document that audit work meets acceptable standards.

#### 5. Ensure proficiency requirements are met for audit positions.

Standard 1210 – Proficiency – Generally Conforms

Internal auditors must possess the knowledge, skills, and other competencies needed to perform their individual responsibilities. The internal audit activity collectively must possess or obtain the knowledge, skills, and other competencies needed to perform its responsibilities.

The Interim Director of Internal Audit at Roane State Community College has not yet completed the examination to obtain one of the professional certifications required for the permanent position. The director met the other requirements for the position and was hired in the interim position with the condition of obtaining a professional certification as a CPA or CIA to move into the position on a permanent basis.

Corrective Action: The Interim Director of Internal Audit is pursuing the Certified Internal Auditor certification and should complete the requirements as soon as possible.

# **AUSTIN PEAY STATE UNIVERSITY**

**OFFICE OF INTERNAL AUDIT** 

Report on Quality Self-Assessment Review June 24, 2016

#### Internal Audit

June 24, 2016
Dr. Alisa White
President
Austin Peay State University
601 College Street
Clarksville, Tennessee 37044

#### Dear President White:

In accordance with the International Standards for the Professional Practice of Internal Auditing (Standards), issued by the Institute of Internal Auditors (IIA), we implemented a Quality Assurance and Improvement Program for the Office of Internal Audit. As required by the Standards, this program must include periodic external reviews and internal self-assessments, as well as ongoing internal monitoring covering all aspects of the internal audit activity.

The Standards require an external quality assurance review performed every five years. Our previous external review occurred in the summer of 2013 and the next will be performed in fiscal year 2018. Our Quality Assurance and Improvement Program requires an internal review be performed between external reviews. Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of our office.

Periodic self-assessments are designed to assess the audit activity's conformance with the internal audit charter, the IIAs Definition of Internal Auditing, *Standards* and the Code of Ethics and to assess the efficiency and effectiveness of internal audit in meeting the needs of its various stakeholders. The assessment will also include a follow up on the corrective actions to address the issue noted in the previous external review.

This letter is to inform you our periodic internal self-assessment was performed in May and June of 2016. The results of our assessment will indicate we overall generally conform to the internal audit charter, IIA's Definition of Internal Auditing, *Standards*, and Code of Ethics and if any opportunities for improvement were noted. A summary of the self-assessment checklist is attached.

Please contact me at (931) 221-7466, should you have any questions regarding this review.

Sincerely,

Blayne M. Clements CIA, CFE, CRMA

CC: Mrs. Tammy Birchett, System-wide Chief Audit Executive

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Austin Peay State University. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Austin Peay State University, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Austin Peay State University, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during May and June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that the Austin Peay State University's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. Recommendations noted should not undermine the overall conclusion. Among the opportunities noted in this assessment, the following opportunities stood out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

- 1. Continue to use and enhance checklists to document the planning of the audit engagement.
- 2. Continue the implementation and improvement of data analysis and computeraided audit techniques.
- 3. Continue to obtain professional education related to emerging and relevant IT risks.

#### REQUIREMENT FOR QUALITY ASSESSMENTS

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Austin Peay State University's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

#### **OBSERVATIONS**

Standard 1220 – Due Professional Care – Partially Conforms

This standard requires internal audit to consider the probability of significant errors, fraud or non-compliance. Although significant errors, fraud or non-compliance are considered and documented in the creation of the annual audit plan, this consideration is not always documented at the individual audit level.

This standard also requires internal audit to have sufficient knowledge of key information technology (IT) risks and controls and available technology-based audit techniques to perform their assigned work. Currently internal audit is reliant on TBR System-wide Internal Audit to deploy an IT auditor to conduct IT-related engagements.

Corrective Action: The planning checklist, which is completed with each audit, has been revised to document the consideration of significant errors, fraud and non-compliance.

239

2 | P a g e

Improvements in the internal audit activity's effectiveness and efficiency can be gained through continued implementation and improvement of data analysis and computer-aided audit techniques, and through professional education to ensure the auditor remains aware of emerging and relevant IT risks.

**3 |** P a g e

240

#### **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities.

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

|                  | Attribute Standards                             | GC  | PC | DNC | NA |

Office of Internal Audit Report on Quality Self-Assessment Review June 24, 2016

June 24, 2016

Dr. Brian Noland, President East Tennessee State University Johnson City, Tennessee 37614

Dear Dr. Noland:

This report covers a quality self-assessment review of the internal audit activity for the Fiscal Year 2016. Both internal and external quality assessments are required periodically in accordance with the Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing*.

The current status of the recommendations made in the previous self-assessment review is located on page two through three of this report. In addition, the current observation is located on page three.

Sincerely,

Rebecca Lewis, CPA

Director, Internal Audit

Rebecca Lews

| OBSERVATIONS   | 3 |
| Standard 1220 – Due Professional Care – Generally Conforms | 3 |
| ATTACHMENT A - CONFORMITY WITH THE STANDARDS               | 4 |

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and East Tennessee State University. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by East Tennessee State University, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

East Tennessee State University's (ETSU) Office of Internal Audit conducted a quality self-assessment of the internal audit activity during Fiscal Year 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that ETSU's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics.* The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OBSERVATION**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains one recommendation that should not undermine the overall conclusion. The following stands out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

Standard 1220 – Due Professional Care – Generally Conforms

This Standard requires that the auditors exercise due professional care during an audit engagement. Part of due professional care includes the auditors' consideration of technology based audits and other data analysis. An increased knowledge and application of data analysis tools would improve the effectiveness of the internal audit activity.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing the external assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that East Tennessee State University's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident. The previous self-study was completed March 1, 2013 and contained several recommendations which have now been implemented. These recommendations were made to improve internal audit documentation related to the *Standards*. The current statuses of these recommendations are as follows:

- Annual independence statements are now completed annually by internal audit staff.
- Notification of Audit memorandums were revised to address management's responsibilities.
- A General Auditing and Completion Procedures audit program was developed and utilized for each audit.
- A planning memo was developed to ensure proper documentation exists regarding such things as auditor's objectivity and independence, information pertaining to the auditee, review of management's risk assessment, overall assessment of potential fraud, waste, and abuse risks, and special needs of the audit.

246

2 | Page

- Materiality Worksheets were developed and utilized when necessary.
- Fraud, Waste, and Abuse Questionnaires were developed and completed by management for audit engagements.
- A Fraud Risk Assessment Checklist was developed to document the auditor's initial assessment of fraud, waste, and abuse risks.
- Audit Checklist/Route Sheets are now utilized for each audit.
- Audit Evaluations are completed by the Internal Audit Director at the end of each engagement.
- A Client Satisfaction Survey is now sent to each auditee at the conclusion of the audit.

#### **OBSERVATION**

Standard 1220 – Due Professional Care – Generally Conforms

This Standard requires that the auditors exercise due professional care during an audit engagement. Part of due professional care includes the auditors' consideration of technology based audits and other data analysis. An increased knowledge and application of data analysis tools would improve the effectiveness of the internal audit activity.

August 12, 2016

Dr. Sidney A. McPhee, President Middle Tennessee State University 1301 East Main Street Murfreesboro, TN 37132

and

Tammy Birchett, Chief Audit Executive Tennessee Board of Regents 1415 Murfreesboro Road Nashville, Tennessee 37217

Dear President McPhee and Ms. Birchett:

In accordance with the *International Standards for the Professional Practice of Internal Auditing (Standards)* issued by The Institute of Internal Auditors (IIA), as well as The IIA *Definition of Internal Auditing* and *Code of Ethics*, we initiated a Quality Assurance and Improvement Program for the Office of Audit and Consulting Services. As required by the *Standards*, this program must include periodic internal and external reviews and ongoing internal monitoring covering all aspects of the internal audit activity.

This report is to inform you of the results of a recent internal review, a self-assessment of our internal audit activities performed as part of the quality assurance program. The review was performed during August 2016 to determine if the internal audit activity is in conformance with The IIA requirements. The results of our review indicate we are generally in conformance with the *Standards*, *Definition of Internal Auditing* and *Code of Ethics*.

Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of our office. Because the *Standards* require an external quality assurance review every five years, the next external quality assurance review should be performed in 2018.

Please contact me at (615) 898-2914 should you have any questions regarding this review.

Sincerely,

Brenda H. Burkhart, Director Audit and Consulting Services

Brenda H. Burkhart

### Middle Tennessee State University Audit and Consulting Services Report on Quality Self-Assessment Review August 12, 2016

#### **Executive Summary Report**

#### **INTRODUCTION**

The Middle Tennessee State University (MTSU) Office of Audit and Consulting Services conducted a quality self-assessment of the internal audit activity in August 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing* (*Standards*), the *Definition of Internal Auditing* and the *Code of Ethics*.

#### REQUIREMENT FOR QUALITY ASSESSMENTS

The Office of Audit and Consulting Services at MTSU is required by The *IIA Standards* to have a quality assurance and improvement program which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### PROCEDURES PERFORMED

As part of the quality assessment, the Office of Audit and Consulting Services prepared a self-study of conformance to The IIA requirements. The Office of Audit and Consulting Services also reviewed the audit planning processes and staff management processes.

#### OPINION AS TO CONFORMITY TO THE STANDARDS

The overall opinion is that MTSU's internal audit activity generally conforms to The *IIA's Standards*, *Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of The *IIA Standards* are evident; therefore, the report has no observations or corrective actions. For the detailed list of conformance to individual standards, please see Attachment A – "Conformity with the *Standards*".

# Middle Tennessee State University Audit and Consulting Services Report on Quality Self-Assessment Review August 12, 2016

#### **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that Internal Audit (IA) has a charter, policies and procedures that are judged to meet the spirit and intent of The *IIA Standards* with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of The *IIA Standards*, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

**NA** = **Not applicable** Standard does not apply.

| Attribute Standards  | GC       | PC | DNC | NA  |

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Tennessee State University. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by the Tennessee State University Department of Internal Audit and handled in accordance with university policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Tennessee State University Department of Internal Audit, conducted a quality self-assessment of the internal audit activity during fiscal year 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that the university's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Department of Internal Audit prepared a selfstudy of conformance to the IIA requirements.

The quality self-assessment review found that the Tennessee State University internal audit activity generally conforms, in all material respects, to a majority of the individual standards or elements of the *Code of Ethics*.

Definitions: According to The IIA *Quality Assessment Manual*, "Generally Conforms" means the evaluator has concluded that the relevant structures, policies, and procedures of the activity, as well as the processes by which they are applied, comply with the requirements of the individual Standard or element of the Code of Ethics in all material respects. Further, general conformance means that there is general conformity to a majority of the individual *Standards* or elements of the Code of Ethics and at least partial conformity to the others. "Partially Conforms" means the evaluator has concluded that the activity is making good-faith efforts to comply with the requirements of the individual Standard or element of the Code of Ethics, but falls short of achieving some major objectives. "Does Not Conform" means deficiencies in practice are judged to be so significant as to seriously impair or preclude the internal audit activity from performing adequately in all or in significant areas of its responsibilities.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Department of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Department of Internal Audit prepared a selfstudy of conformance to the IIA requirements.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the university's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

#### **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

### **TENNESSEE TECH UNIVERSITY**

Office of Internal Audit Report on Quality Self-Assessment Review June 13, 2016

#### Office of Internal Audit

Box 5154 • Cookeville, TN 38505-0001 • (931) 372-3045

June 13, 2016

Dr. Phillip B. Oldham President Tennessee Tech University Box 5007 Cookeville, TN 38505

Dear Dr. Oldham:

In accordance with the International Standards for the Professional Practice of Internal Auditing (Standards), issued by the Institute of Internal Auditors (IIA), as well as the IIA Definition of Internal Auditing and Code of Ethics, we implemented a Quality Assurance and Improvement Program for the Office of Internal Audit. As required by the Standards, this program must include periodic external reviews and internal self-assessments, as well as ongoing internal monitoring covering all aspects of the internal audit activity.

The Standards require an external quality assurance review be performed every five years. Our previous external review occurred in the summer of 2013, and the next will be performed in fiscal year 2018. Our Quality Assurance and Improvement Program requires an internal review be performed between external reviews. Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of our office.

Periodic self-assessments are designed to assess the audit activity's conformance with the internal audit charter, the IIA's *Definition of Internal Auditing*, *Standards* and *Code of Ethics* and to assess the efficiency and effectiveness of internal audit in meeting the needs of its various stakeholders.

This letter is to inform you our periodic internal self-assessment was performed in May and June of 2016. The results of our assessment indicate we overall generally conform to the internal audit charter, IIA's *Definition of Internal Auditing*, *Standards*, and *Code of Ethics*. Any opportunities for improvement were noted. A summary of the self-assessment checklist is attached.

Please contact me at (931) 372-3045, should you have any questions regarding this review.

Singerely,

Deanna Metts

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Tennessee Tech University. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Tennessee Tech University Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Tennessee Tech University Office of Internal Audit conducted a quality self-assessment of the internal audit activity during May and June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing* (Standards), the Definition of Internal Auditing, and the Code of Ethics.

The overall opinion is that Tennessee Tech University's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing*, and *Code of Ethics*. The internal audit activity is well-structured and progressive, and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OBSERVATIONS**

The concept of general conformance to the IIA *Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a recommendation that should not be considered to undermine the overall conclusion. The following opportunity is noted as having potential to improve the program in relation to the IIA *Standards*.

Standard 1220.A2 - Due Professional Care - Generally Conforms

"In exercising due professional care, internal auditors must consider the use of technology-based audit and other data analysis techniques."

While Tennessee Tech University Internal Audit uses technology-based audit tools for data extraction and various other aspects of auditing and reviews, increased use of data analysis would provide Internal Audit with broader knowledge and coverage of university operations and better indications of areas vulnerable to fraud.

#### REPORT

#### REQUIREMENT FOR QUALITY ASSESSMENTS

The Office of Internal Audit is required by the IIA *Standards* to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within the IIA *Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### PROCEDURES PERFORMED

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that Tennessee Tech University's internal audit activity generally conforms to the IIA's *Standards*, *Definition of Internal Auditing*, and *Code of Ethics*. Efforts to conform to the spirit and intent of the IIA *Standards* are evident.

#### **OBSERVATIONS**

The concept of general conformance to the IIA *Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and quality assurance reviews provide a natural process for identifying these opportunities. The following opportunity is noted as having potential to improve the program in relation to the IIA *Standards*.

#### Standard 1220.A2 - Due Professional Care - Generally Conforms

"In exercising due professional care, internal auditors must consider the use of technology-based audit and other data analysis techniques."

While Tennessee Tech University Office of Internal Audit uses technology-based audit tools for data extraction and various other aspects of auditing and reviews, increased use of data analysis would provide Internal Audit with broader knowledge and coverage of university operations and better indications of areas vulnerable to fraud.

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Tennessee Tech University. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Tennessee Tech University Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that Internal Audit has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA *Standards*, but these deficiencies did not preclude Internal Audit from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude Internal Audit from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable and means Standard does not apply to Tennessee Tech University Internal Audit or compliance with these Standards is handled by the Tennessee Board of Regents System-wide Internal Audit Office.

Office of Internal Audit and Consulting Report on Quality Self-Assessment Review

June 21, 2016

#### **MEMO**

TO: Dr. M. David Rudd, President

Tammy Gourley Birchett, Chief Audit Executive

System-wide Internal Audit, Tennessee Board of Regents

Byron Morgan, Chief Audit Executive

June 21, 2016

FROM:

DATE:

RE: Quality Self-Assessment Review

In accordance with the *International Standards for the Professional Practice of Internal Auditing (Standards)*, issued by the Institute of Internal Auditors (IIA), as well as the IIA *Definition of Internal Auditing* and *Code of Ethics*, we have a Quality Assurance and Improvement Program for the University of Memphis (UOM) Office of Internal Audit and Consulting. As required by the *Standards*, this program must include periodic internal and external reviews and ongoing internal monitoring covering all aspects of the internal audit activity.

This report is to inform you of the results of a recent internal review for UOM, a self-assessment of our internal audit activities performed as part of the quality assurance program. This was a review required by the Tennessee Board of Regents (TBR) System-Wide Internal Audit Office to be completed in FY2016. The review was performed during FY 2016 to determine if the UOM internal audit activity is in conformance with the IIA requirements. The results of our review indicate we are generally in conformance with the *Standards*, *Definition of Internal Auditing* and *Code of Ethics*.

Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of the UOM Office of Internal Audit and Consulting. The *Standards* require an external quality assurance review every five years. The last review was in 2013. This was a TBR system-wide review and included an external review team on-site at UOM. The next external quality assurance review for UOM will be performed in 2018 and will be coordinated by the UOM Office of Internal Audit and Consulting and the UOM Board Audit Committee. Internal Audit Offices within Tennessee State Government entities are required to follow the *Standards* pursuant to TCA 4-3-304.

Please contact me directly for any questions regarding this review or the requirements for UOM to comply with the *Standards* after the FOCUS Act becomes effective on July 1, 2016.

CC: Steve Lackey, Controller
Melanie Murry, University Counsel
Jeannie Smith, Assistant Vice-President Finance
David Zettergren, Vice-President Business and Finance

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and the University of Memphis. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by the University of Memphis, Office of Internal Audit and Consulting and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **UNIVERSITY OF MEMPHIS**

#### **EXECUTIVE SUMMARY**

The University of Memphis, Office of Internal Audit and Consulting, conducted a quality self-assessment of the internal audit activity during FY 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that the University of Memphis's internal audit activity generally conforms, to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report. As part of the quality assessment, the Office of Internal Audit and Consulting prepared a self-study of conformance to the IIA requirements.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit and Consulting is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit and Consulting prepared a self-study of conformance to the IIA requirements.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the University of Memphis's internal audit activity generally conforms, to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

Office of Internal Audit Report on Quality Self-Assessment Review June 2016

### Internal Audit Department

4501 Amnicola Highway • Chattanooga, TN 37406 423.697.4400 • www.chattanoogastate.edu

June 24, 2016

Dear Dr. Tydings:

In accordance with the *International Standards for the Professional Practice of Internal Auditing (Standards)*, issued by the Institute of Internal Auditors (IIA), as well as the IIA Definition of Internal Auditing and Code Ethics, we implemented a Quality Assurance and Improvement Program for the Office of Internal Audit. As required by the Standards, this program must include periodic external reviews and internal self-assessments, as well as ongoing internal monitoring covering all aspects of the internal audit activity.

The *Standards* require an external quality assurance review performed every five years. Our previous external review occurred in the summer of 2013 and the next will be performed in fiscal year 2018. Our Quality Assurance and Improvement Program requires an internal review be performed between external reviews. Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of our office.

Periodic self-assessments are designed to assess the audit activity's conformance with the internal audit charter, the IIAs Definition of Internal Auditing, *Standards* and the Code of Ethics and to assess the efficiency and effectiveness of internal audit in meeting the needs of its various stakeholders. The assessment will also include a follow up on the corrective actions to address the issue noted in the previous external review.

This letter is to inform you our periodic internal self-assessment was performed in May and June of 2016. The results of our assessment will indicate we overall generally conform to the internal audit charter, IIA's Definition of Internal Auditing, *Standards*, and Code of Ethics and if any opportunities for improvement were noted. A summary of the self-assessment checklist is attached.

Please contact me should you have any questions regarding this review.

Sincerely,

Kimberly Clingan

Director, Internal Audit

Kimberly Clingan

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Chattanooga State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Chattanooga State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Chattanooga State Community College Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during May and June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Chattanooga State Community College's internal audit activity generally conforms to The IIA's Standards, Definition of Internal Auditing and Code of Ethics. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and prior self-assessment recommendations.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

#### Opportunity for Improvement:

1. Standard 1200 – Proficiency and Due Professional Care – Continue to implement and improve data analysis and computer-aided audit techniques

#### Achievements:

- 1. Standard 1200 Proficiency and Due Professional Care An Information Technology Governance and a Disaster Recovery Plan Audit was completed in August 2013 and July 2014, respectively.
- 2. Standard 1200 Proficiency and Due Professional Care Each year an information technology audit topic continuing education event is attended.

#### REQUIREMENT FOR QUALITY ASSESSMENTS

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### PROCEDURES PERFORMED

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes, and prior self-assessment recommendations.

#### OPINION AS TO CONFORMITY TO THE STANDARDS

The overall opinion is that the Chattanooga State Community College's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices.

Efforts to conform to the spirit and intent of the *IIA Standards* are evident by the completion of the February 2013 self-assessment recommendations. The previously reported observations concerned the lack of the capability to perform certain information technology audits and completion of an assessment of information technology governance. The Office of Internal Audit completed an Information Technology Governance Audit in August 2013, a Disaster Recovery Plan Audit in July 2014, and obtained information technology audit continuing education each year. Additionally, an Information Systems Auditor was employed by the Tennessee Board of Regents Office of System-wide Internal Audit in July 2013, which provides the college with additional information technology audit resources.

For a detailed list of conformance to individual standards, please see Attachment A to the report.

#### **OBSERVATIONS**

Standard 1200 – Proficiency and Due Professional Care – Generally Conforms

This Standard requires that the internal audit activity perform engagements with proficiency and due professional care by possessing the knowledge, skills, and other competencies to perform its responsibilities by applying the care and skill expected by a reasonably prudent and competent auditor. The Office of Internal Audit consists of knowledgeable staff which collectively possess the required skills and competencies to complete their responsibilities. However, with the developing reliance on technology throughout the campus an increase in the use of data analysis and computer-aided audit techniques would improve the effectiveness of the internal audit activity.

The office of Internal Audit will continue to implement and improve data analysis and computeraided audit techniques by obtaining continuing education on these techniques and cost effective data analysis software.

#### ATTACHMENT A - CONFORMITY WITH THE STANDARDS

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

### **CLEVELAND STATE COMMUNITY COLLEGE**

Office of Internal Audit Report on Quality Self-Assessment Review June 2016

June 24, 2016

William Seymour, President Cleveland State Community College Cleveland, TN 37320

#### Dear President Seymour:

This report covers a Quality Assurance Review of the Department of Internal Audit as of June 2016 as required by the IIA standards of the Institute of Internal Auditors. The audit included such tests of the appropriate records and other auditing procedures as considered necessary in the circumstances.

There was one recommendation resulting from this review.

The Standards require the review be validated by an external quality assurance review every five years.

Respectfully submitted,

Alvin E. Bishop

Director of Internal Audit

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Cleveland State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Cleveland State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Cleveland State Community College, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Cleveland State Community College's internal audit activity generally conforms, to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement management processes.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

1. Standard 1200 – Proficiency and Due Professional Care – Generally Conforms This Standard requires that the Internal Audit in exercising due professional care internal auditors must consider the use of technology-based audit and other data analysis techniques. Internal Audit will consider ways to use data analysis techniques thru the use of Excel and other data analysis software.

#### REQUIREMENT FOR QUALITY ASSESSMENTS

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### PROCEDURES PERFORMED

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement management processes.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Cleveland State Community College's internal audit activity generally conforms, to The IIA's Standards, Definition of Internal Auditing and Code of Ethics. Efforts to conform to the spirit and intent of the IIA Standards are evident. Since the last in Quality Self-Assessment the Internal Audit Department has obtained IT audit Training as possible each year.

#### **OBSERVATIONS**

Standard 1200 – Proficiency and Due Professional Care – Generally Conforms

This Standard requires that the Internal Audit in exercising due professional care by must considering the use of technology-based audit and other data analysis techniques. Internal Audit will consider ways to use data analysis techniques thru the use of Excel and other data analysis software.

#### ATTACHMENT A - CONFORMITY WITH THE STANDARDS

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

### **COLUMBIA STATE COMMUNITY COLLEGE**

### Office of Internal Audit Report on Quality Self-Assessment Review June 2016

Internal Audit Department

1665 Hampshire Pike • Columbia, TN 38401

931.540.2722 • www.ColumbiaState.edu

#### June 8, 2016

Dr. Smith,

Internal Audit has completed an internal quality assessment (QAIR) of the Internal Audit department as required periodically by the Institute of Internal Auditors' *International Standard for the Professional Practice of Internal Auditing* (the IIA *Standards*). The objectives of the QAIR were:

- 1. To assess conformance to the IIA Standards
- 2. To assess the effectiveness and efficiency of the Internal Audit activity in providing services to the institution; and
- 3. To identify opportunities for improvement the Internal Audit program at Columbia State.

The overall opinion is that the Internal Audit office generally conforms to the IIA *Standards*. Opportunities for improvement that will enhance conformance to the Standards and improve the efficiency and effectiveness of Columbia State's internal audit program are noted and described further in the report.

Sincerely,

Erica V. Smith, CPA

Internal Audit Director

Ener Y Snoth

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Columbia State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Columbia State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

Columbia State's, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (The IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that Columbia State's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing*, and *Code of Ethics*. The internal audit activity is well-structured and progressive, and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see *Attachment A - Conformity With The Standards*.

As part of the quality assessment, the Office of Internal Audit conducted an internal audit awareness survey with campus stakeholders, and prepared a self-study of conformance to the IIA requirements.

#### **OBSERVATIONS**

The concept of general conformance to the IIA *Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the IIA Standards and/or have the highest potential to improve the program.

- 1. Continue the implementation and improvement of data analysis and computeraided audit techniques.
- 2. Consistently use checklists during the audit engagement.
- 3. Obtain a better understanding of the institution's governance process, and the institution's ethics objectives, programs, and activities.
- 4. Improve the timeliness of engagement communication.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The IIA *Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments, and ongoing internal monitoring for conformance with the *Standards*.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The IIA *Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit conducted an internal audit awareness survey with campus stakeholders, and prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, and engagement process.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that Columbia State's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing,* and *Code of Ethics*. The internal audit activity is well-structured and progressive, and audit management is endeavoring to provide useful audit tools and implement appropriate practices.

#### **OBSERVATIONS**

Standard 1100 – Independence and Objectivity – Generally Conforms

This Standard requires that the internal audit activity be independent and the internal auditor be objective in performing their work. The Internal Auditor reports directly to the President of Columbia State and holds a dual reporting responsibility to the Tennessee Board of Regents (TBR) Audit Committee through the TBR System-wide Chief Audit Executive. These reporting relationships are outlined in the Internal Audit Charter, in the TBR System-wide Internal Audit Manual, and on the Columbia State

Internal Audit website. In order to gain exposure to the TBR Audit Committee, the internal auditor periodically attends TBR Board and TBR Audit Committee meetings.

Standard 1200 – Proficiency and Due Professional Care – Generally Conforms

An element of this Standard states "Internal Auditors must have sufficient knowledge of key information technology (IT) risks and controls and available technology-based audit techniques to perform their assigned work." Columbia State's internal audit activity consists of one auditor, and is reliant on TBR System-wide Internal Audit to deploy an IT auditor to conduct IT-related engagements. The institution's auditor incorporates IT related continuing professional education, and communicates with the TBR IT auditor when IT related risks are identified during engagement planning. Improvements in the internal audit activity's effectiveness and efficiency can be gained through continued implementation and improvement of data analysis and computer-aided audit techniques, and through continued professional education to ensure the auditor remains aware of emerging and relevant IT risks.

Standard 1300 – Quality Assurance Improvement Program and Standard 2300 – Performing the Engagement – Supervision – Generally Conforms

Both internal and external assessments are required under Standard 1300, and internal assessments must include ongoing monitoring as well as periodic reviews performed through self-assessment. Ongoing monitoring is achieved through "the day-to-day supervision, review and measurement of the internal audit activity." As a one-person department, conformance with this standard is difficult considering audit work is not reviewed by a second person. Checklists and software engagement review options are used to compensate for the lack of a second reviewer, however the checklists were not used consistently and successful reviews are dependent upon the auditor's knowledge of work paper and review techniques. The internal audit activity could be strengthened through training on proper work paper and review techniques, and through the consistent use of checklists.

Standard 2000 – Managing the Internal Audit Activity – Generally Conforms

This Standard encompasses planning, communication of audit plans, and resource management. The internal audit office involves management in the annual audit planning process and provides the President with bi-monthly updates on the progress of the annual plan. An increased understanding of governance during the planning

phase, and a more thorough assessment of the institution's ethics' objectives, programs, and activities would improve the effectiveness of the internal audit activity.

Standard 2400 – Communicating Results – Generally Conforms

The audit reports have a consistency established through TBR System-wide Internal Audit templates. Engagement feedback reflects that management's opinion of the accuracy and objectiveness of audit reports is high. However, feedback reflected that improvements in timeliness of communication would be beneficial to stakeholders.

Standard 2500 – Monitoring Progress – Generally Conforms

This Standard requires internal audit to "establish and maintain a system to monitor the disposition of results communicated to management". The internal auditor communicates engagement results as either findings, recommendations, or observations. Findings and recommendations require management to develop an action plan and implementation timeline. The auditor monitors management conformance with finding and recommendation action plans by monitoring engagement outcomes and through follow-up engagements. The status of engagement outcomes are communicated to Columbia State's Executive Leadership biannually, and the outcomes from follow-up engagements are reported to management and the TBR Audit Committee.

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA *Standards*, but these deficiencies did not preclude IA from performing its responsibilities.

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

Office of Internal Audit Report on Quality Self-Assessment Review June 24, 2016

Department of Internal Audit 1510 Lake Road, Dyersburg, TN 38024

Telephone (731) 286-3237

Fax (731) 288-7782

June 24, 2016

Dr. Karen A. Bowyer, President Dyersburg State Community College 1510 Lake Road Dyersburg, TN 38024

Dear Dr. Bowyer:

In accordance with the International Standards for the Professional Practice of Internal Auditing (Standards), issued by the Institute of Internal Auditors (IIA), as well as the IIA Definition of Internal Auditing and Code Ethics, we implemented a Quality Assurance and Improvement Program for the Office of Internal Audit. As required by the Standards, this program must include periodic external reviews and internal self-assessments, as well as ongoing internal monitoring covering all aspects of the internal audit activity.

The *Standards* require an external quality assurance review performed every five years. Our previous external review occurred in the summer of 2013 and the next will be performed in fiscal year 2018. Our Quality Assurance and Improvement Program requires an internal review be performed between external reviews. Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of our office.

Periodic self-assessments are designed to assess the audit activity's conformance with the internal audit charter, the IIAs Definition of Internal Auditing, *Standards* and the Code of Ethics and to assess the efficiency and effectiveness of internal audit in meeting the needs of its various stakeholders. The assessment will also include a follow up on the corrective actions to address the issues noted in the previous external review.

This letter is to inform you our periodic internal self-assessment was performed in May and June of 2016. The results of the assessment will indicate we overall generally conform to the internal audit charter, IIA's Definition of Internal Auditing, *Standards*, and Code of Ethics and if any opportunities for improvement were noted. A summary of the self-assessment checklist is attached.

Please contact me at extension 3237 if you have any questions or comments regarding this audit.

Sincerely,

Sandra Pruett, CPA, CIA Director of Internal Audit

cc: Ms. Tammy Gourley

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Columbia State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Columbia State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Dyersburg State Community College, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during May and June of 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing* (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Dyersburg State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

- 1. IIA Standard 1220.A2 Due Professional Care In exercising due professional care, internal auditors must consider the use of technology-based audit and other data analysis techniques.
- 2. IIA Standard 2210 Engagement Objectives Objectives must be established for each engagement.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Dyersburg State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident. Dyersburg State Community College's Director of Internal Audit was hired in 2014 and was not part of the last external assessment performed in 2013.

#### **OBSERVATIONS**

1. Standard 1220.A2 – Due Professional Care - In exercising due professional care, internal auditors must consider the use of technology-based audit and other data analysis techniques.

**Recommendation:** Internal auditors should strive to make use of any available computer aided audit tools to provide for a more effective basis for audit conclusions. Data analysis can be used to test a wider range of a given population and can be more effective than the limited sample size testing normally used in audit engagements. More use of these tools is strongly advised in all audit engagements.

298

**2** | P a g e

2. IIA Standard 2210 – Engagement Objectives - Objectives must be established for each engagement.

Internal auditors must conduct a preliminary assessment of the risks relevant to the activity under review. Engagement objectives must reflect the results of this assessment.

**Recommendation:** Internal audit should perform a preliminary assessment of risks and develop objectives for every engagement, ensuring the preliminary risk assessment results are reflected in the objectives and are documented in the working papers. This assessment should include an evaluation of the adequacy of management's criteria for determining if objectives and goals are being accomplished.

Office of Internal Audit Report on Quality Self-Assessment Review June 24, 2016

June 24, 2016

Dr. Bruce Blanding, President Jackson State Community College 2046 North Parkway Jackson, TN 38301

and

Ms. Tammy Birchett, Director of System-wide Internal Audit Tennessee Board of Regents 1415 Murfreesboro Road Nashville, Tennessee 37217

Dear President Blanding and Ms. Birchett:

In accordance with the International Standards for the Professional Practice of Internal Auditing (Standards), issued by the Institute of Internal Auditors (IIA), as well as the IIA Definition of Internal Auditing and Code of Ethics, we initiated a Quality Assurance and Improvement Program for the Office of Internal Audit. As required by the Standards, this program must include periodic internal and external reviews and ongoing internal monitoring covering all aspects of the internal audit activity.

This report is to inform you of the results of a recent internal review, a self-assessment of our internal audit activities performed as part of the quality assurance program. The review was performed during June 2016 to determine if the internal audit activity is in conformance with the IIA requirements. The results of our review indicate we are generally in conformance with the Standards, Definition of Internal Auditing and Code of Ethics; however, opportunities for improvement were noted and these are discussed in the report. Progress was also noted with the addition of the part-time audit position in the 2016-17 fiscal year to provide additional risk based audit coverage.

Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of our office. Because the Standards require an external quality assurance review every five years, the Tennessee Board of Regents, Office of System-wide Internal Audit, will coordinate the next external quality assurance review in 2018.

Please contact me at (731) 424-3520, ext. 50347, should you have any questions regarding this review.

Sincerely,

Angie Brown

Director of Internal Audit

lugi Brouer

Office of Internal Audit 731.424.3520 Ext.50347 • Fax 731.425.2647

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Jackson State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Jackson State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public

#### **EXECUTIVE SUMMARY**

The Jackson State Community College, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that the Jackson State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, internal audit policies, and a sample of working papers and reports.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

- 1. Standard 1200 Proficiency and Due Professional Care Internal audit will continue to pursue training in information technology resources.
- 2. Standard 2200 & 2210 Engagement Planning & Engagement Objectives Internal audit will seek to improve documentation in engagement planning.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, internal audit policies, and a sample of working papers and reports.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Jackson State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

### Progress from previous assessments

#### March 2013

The self-assessment included an observation that improvements could be made by expanding the internal auditor's knowledge of information technology resources. In response, training seminars have been selected for continuing education that includes information technology topics when available. Some of the seminars include cyber security, audit software training, and data privacy.

#### May 2012

An improvement to the internal audit activity for the 2016-17 fiscal year will be the addition of a part-time audit position. An observation noted in the May 2012 self-

assessment included the impact of resource limitations being communicated to management according to the IIA Standard 2020 on Communication and Approval.

A recommendation was made in May 2012 to consider a part-time or full-time position to provide for additional risk based audit coverage. The recommendation was discussed with management and funds were not available at the time. However, management was supportive of the need for additional resources.

During the 2015-16 fiscal year, the possibility of a part-time audit position was discussed with management and supported. The funding was approved to be included in the 2016-17 fiscal year.

#### **OBSERVATIONS**

Standard 1210 – Proficiency – Generally Conforms

Section A3 of the standard addresses the internal auditor's knowledge of key information technology risks and controls and available technology-based audit techniques to perform their assigned work.

The previous self-assessment included an observation that improvements could be made by expanding the auditor's knowledge of information technology resources. Although an effort has been made to seek training in information technology resources, the auditor will continue to pursue training to enhance knowledge in information technology.

2. Standard 2200 – Engagement Planning – Generally Conforms Standard 2210 – Engagement Objectives – Generally Conforms

These standards require auditors to document their preliminary assessment of the risks relevant to the activity to be reviewed, establish engagement objectives based on this assessment, establish a scope of work sufficient to meet the objectives, and develop and document work programs to achieve the engagement objectives.

Although improvements have been made in documentation by implementing electronic software and documenting risks in the audit program, the audit function will seek to make further improvements in documentation for engagement planning.

Office of Internal Audit

Report on Quality Self-Assessment Review July 29, 2016

P.O. Box 8500 Lynchburg, TN 37352 www.mscc.edu

July 29, 2016

Dr. Anthony Kinkel, President Motlow State Community College P.O. Box 8500 Lynchburg, TN 37352

Dear Dr. Kinkel:

The enclosed report is an internal quality assessment review (QAR) of the Motlow State Community College, Office of Internal Audit, as required periodically by the Institute of Internal Auditors' International Standards for the Professional Practice of Internal Auditing (the IIA Standards). The objects of the QAR were:

- 1. To assess conformance to the IIA Standards
- 2. To assess the effectiveness and efficiency of the Internal Audit activity in providing services to the institution; and
- 3. To identify opportunities for improvement of the Internal Audit program.

The overall opinion is that the Office of Internal Audit generally conforms to the IIA Standards. Opportunities for improvement that will enhance conformance to the Standards and improve the efficiency and effectiveness of the college's internal audit program are described in the report.

Respectfully submitted,

Tammy Wiseman

Internal Auditor

Distribution: Tennessee Board of Regents Audit Committee

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Motlow State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Motlow State Community College, Office of Internal Audit, and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Motlow State Community College, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing*, and the *Code of Ethics*.

The overall opinion is that Motlow State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

- 1. Observation It is recommended that the internal audit activity expand ongoing monitoring by obtaining feedback from audit customers and other stakeholders through surveys to assess effectiveness and opportunities for improvement.
- 2. Observation It is recommended that performance metrics be developed to assess and ensure the timeliness of reporting throughout the fiscal year.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Motlow State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

#### **OBSERVATIONS**

Standard 1300 – Quality Assurance and Improvement Program - Generally Conforms

The Internal Auditor must develop and maintain a quality assurance and improvement program that covers all aspects of the internal audit activity. Ongoing monitoring is an integral part of day-to-day supervision, review, and, measurement of the internal audit activity. The current ongoing monitoring can be enhanced by obtaining feedback from audit customers and other stakeholders through surveys.

Standard 2400 – Communicating Results – Generally Conforms

Communications must be accurate, objective, clear, concise, constructive, complete, and timely. Timely communications are opportune and expedient, depending on the significance of the issue, allowing management to take appropriate corrective action. Performance metrics should be developed to assess and ensure timeliness of reporting throughout the fiscal year. Reports were not completed as timely due to the volume of unplanned reviews and investigations.

#### **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

# **NORTHEAST STATE COMMUNITY COLLEGE**

Office of Internal Audit Report on Quality Self-Assessment Review June 2016

June 24, 2016

Dr. Janice Gilliam, President Northeast State Community College 2425 Highway 75, P.O. Box 246 Blountville, Tennessee 37617

Dear Dr. Gilliam:

This report covers the Quality Self-Assessment Review performed by the Northeast State Community College Internal Audit department during June of 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' International Standards for the Professional Practice of Internal Auditing, the Definition of Internal Auditing, and the Code of Ethics.

The conclusion resulting from this review is on page 2 of this report.

Sincerely,

Christopher L. Hyder, ČIA Director, Internal Audit

Northeast State Community College

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Northeast State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Northeast State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Northeast State Community College Office of Internal Audit conducted a quality self-assessment of the internal audit activity during June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Northeast State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

- 1. Standard 1220.A2 Due Professional Care Generally Complies
- 2. Standard 2060 Reporting to Senior Management and the Board Generally Complies
- 3. Standard 2070 External Service Provider and Organizational Responsibility for Internal Auditing– Not Applicable

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Northeast State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident

#### **OBSERVATIONS**

Standard 1220.A2 – Due Professional Care – Generally Complies

This standard requires the auditor to consider the use of technology based audits and other data analysis in exercising due professional care. The internal auditor does consider the use of technology based audit techniques when planning an engagement. However, the availability and proficiency of such techniques have been limited. Increased access to and experience with technology based audit tools would enhance the value and efficiency of the internal audit function.

Standard 2060 – Reporting to Senior Management and the Board – Generally Complies

This standard requires the campus/system-wide Chief Audit Executive report periodically to senior management on the internal audit activity's purpose, authority, responsibility, and performance relative to its plan, including significant risk exposure and control issues. Including fraud risks, governance issues and other matters needed or requested by senior management. The Director of Internal Audit regularly meets with the college president, serves on the President's Council and is a member of the Expanded Executive Council. Impromptu meetings with members of senior management are frequent and welcomed.

Standard 2070 – External Service Provider and Organizational Responsibility for Internal Auditing—Not Applicable

This standard requires that the institution maintains responsibility for an effective internal audit activity when using an external provider as the internal audit activity. Northeast State Community College does not use external providers for internal audit activity. If outside expertise is required the department has access to the resources of the TBR System-Wide Internal Audit department.

#### **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Pellissippi State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Pellissippi State Community College, Office of Internal Audit and handled in accordance with institutional policies.

L. Anthony Wise, President Pellissippi State Community College P.O. Box 22990 Knoxyille, TN 37933-0990

and

Tammy Birchett, Director of System-wide Internal Audit Tennessee Board of Regents 1415 Murfreesboro Road Nashville, Tennessee 37217

Dear Dr. Wise and Ms. Birchett:

In accordance with the *International Standards for the Professional Practice of Internal Auditing (Standards)*, issued by the Institute of Internal Auditors (IIA), as well as the IIA *Definition of Internal Auditing* and *Code of Ethics*, we initiated a Quality Assurance and Improvement Program for the Office of Internal Audit. As required by the *Standards*, this program must include periodic internal and external reviews and ongoing internal monitoring covering all aspects of the internal audit activity.

This report is to inform you of the results of a recent internal review, a self-assessment of our internal audit activities performed as part of the quality assurance program. The review was performed during June 2016 to determine if the internal audit activity is in conformance with the IIA requirements. The results of our review indicate we are generally in conformance with the *Standards*, *Definition of Internal Auditing* and *Code of Ethics*; however, opportunities for improvement were noted and these are discussed in the report.

Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of our office. Because the *Standards* require an external quality assurance review every five years, the Tennessee Board of Regents, Office of System-wide Internal Audit, will coordinate the next external quality assurance review in 2018.

Please contact me at (865) 694-6648, should you have any questions regarding this review.

Sincerely,

Suzanne L. Walker

Director of Internal Audit

865.694.6608

Sugarne I Walker

## Pellissippi State Community College Report on Quality Self-Assessment Review June 16, 2016

#### **EXECUTIVE SUMMARY**

The Pellissippi State, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during [time period]. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Pellissippi State's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OPPORTUNITY FOR CONTINUOUS IMPROVEMENT**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement, and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains an opportunity and recommendation that should not be taken collectively to undermine the overall conclusion that the PSCC internal audit office generally conforms to the *Standards*. The opportunity noted in this report relates to Quality Assessment Reporting and has the highest potential to improve the internal audit program at Pellissippi State. The recommendation is that the internal audit office should at least annually report the results for both ongoing and period internal assessment efforts to senior management of the college and the Chief Audit Executive at the Tennessee Board of Regents. In turn, the Chief Audit Executive should report the results to the audit committee.

## **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards* to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Pellissippi State's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

#### **OPPORTUNITY FOR CONTINUOUS IMPROVEMENT**

Conformance to Standards – Operating Improvements {PSCC internal auditing conforms to IIA Standards noted below; the item presented is a suggested enhancement to internal auditing operations.}

## 1. Quality Assurance and Improvement Program

The Office of Internal Audit has implemented an ongoing review and monitoring program as required by the *Standards*, which includes regular internal reviews and external assessments. The ongoing internal review process includes the following:

- Monitoring of productivity and audit plan completion.
- Frequent dialogue and feedback with management including the college president.
- Review of the office's internal procedures to confirm continued conformance with the *Standards*.

However, the results of the annual internal review of procedures have not been formally communicated with senior management and the board unless significant concerns were noted. The formal reporting of this information would strengthen compliance with the *Standards*.

Standard 1320 states: "The chief audit executive must communicate the results of the quality assurance and improvement program to senior management and the board." Practice Advisory 1320-1 states that at least annually, the chief audit officer should establish a means for communicating internal assessment results for both ongoing and periodic internal assessment efforts to senior management and the board.

**Recommendation:** Consistent with IIA Practice Advisory 1320-1, at least annually, the Internal Audit Director should establish a means for communicating internal assessment results for both ongoing and periodic internal assessment efforts to the college's senior management and the Chief Audit Executive (CAE) at the Tennessee Board of Regents. The CAE should then communicate those results to the audit committee.

<u>Plan of Action:</u> The Internal Audit Director has added this item to the office's year-end checklist to ensure that a formal report of ongoing and periodic internal assessment activities are reported to the college president as well as the CAE at the Board.

## **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

Office of Internal Audit

June 27, 2016

Dr. Chris Whaley, President Roane State Community College 276 Patton Lane Harriman, TN 37748

Dear Dr. Whaley,

In accordance with the International Standards for the Professional Practice of Internal Auditing (Standards), issued by the Institute of Internal Auditors (IIA), as well as the IIA Definition of Internal Auditing and Code Ethics, a Quality Assurance and Improvement Program was implemented for the Office of Internal Audit. As required by the Standards, this program must include periodic external reviews and internal self-assessments, as well as ongoing internal monitoring covering all aspects of the internal audit activity.

The Standards require an external quality assurance review be performed every five years. The previous external review occurred in the summer of 2013 and the next will be performed in fiscal year 2018. The Quality Assurance and Improvement Program requires an internal review be performed between external reviews. Ongoing monitoring procedures of internal audit activities are performed as part of the policies and practices of this office.

Periodic self-assessments are designed to assess the audit activity's conformance with the internal audit charter, the IIAs Definition of Internal Auditing, Standards and the Code of Ethics and to assess the efficiency and effectiveness of internal audit in meeting the needs of its various stakeholders.

This letter is to inform you the periodic internal self-assessment was performed in June of 2016. The results of this assessment indicates overall generally conformance to the internal audit charter, IIA's Definition of Internal Auditing, Standards, and Code of Ethics. The opportunities for improvement were noted. A summary of the self-assessment checklist is attached.

Please contact me at (865) 882-4529, should you have any questions regarding this review.

Sincerely,

Cynthia L. Cortesio

Interim Director of Internal Audit

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Roane State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Roane State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Roane State Community College, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during June, 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that the Roane State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and a sample of working papers and reports.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

Standard 1210 - Proficiency - Partially Conforms

The Roane State Community College's Interim Director of Internal Auditing needs to complete the CIA (Certified Internal Auditor) exams per TBR criteria for Internal Auditors. Currently the 3 parts to the exam have not been completed. Roane State's Internal Auditor should continue pursuing opportunities to enhance auditing knowledge.

Standard 2201 - Planning Considerations - Partially Conforms

Since the Internal Auditor at Roane State Community College is new to the position and new to the role of auditor she should continue to develop methodologies to be utilized in planning audits. This will aid in execution of audits, documentation of audits and timely reports being delivered.

333

## **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and a sample of working papers and reports.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Roane State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

#### **OBSERVATIONS**

## 1. Standard 1210 – Proficiency – Partially Conforms

The Roane State Community College's Interim Director of Internal Auditing needs to complete the CIA (Certified Internal Auditor) exams per TBR criteria for Internal Auditors. Currently the 3 parts to the exam have not been completed. Roane State's Internal Auditor should continue pursuing opportunities to enhance auditing knowledge.

## **Internal Audit Response**

The Internal Auditor is actively pursuing completion of the CIA exam. Additionally she is seeking opportunities through continuing education to increase her knowledge of audit functions.

## 2. Standard 2201 – Planning Considerations – Partially Conforms

Since the Internal Auditor at Roane State Community College is new to the position and new to the role of auditor she should continue to develop methodologies to be utilized in planning audits. This will aid in execution of audits, documentation of audits, and timely reports being delivered.

## **Internal Audit Response**

The Internal Auditor recognizes the need to continually work to improve the planning of an audit engagement. This will help to assure completeness of the topic reviewed, documentation of materials evaluated, and expediting release of the report to the clients.

Any of the remaining standards marked N/A have been done so because no opportunity for observation has been present since Roane State Community College's Internal Auditor was hired October 1, 2015. Should any of these standards present themselves, the Internal Auditor is aware of how to handle those events.

## **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

Office of Internal Audit Report on Quality Self-Assessment Review July 01, 2015 – June 30, 2016

P.O. Box 780 • Memphis, TN 38101-0780 • (901) 333-STCC • www.southwest.tn.edu

August 22, 2016

Dr. Tracy Hall, President Southwest Tennessee Community College 5983 Macon Cove Memphis, Tennessee 38134

Dear Dr. Hall:

The enclosed report is an internal quality assessment review (QAR) of the Southwest Tennessee Community college, Office of Internal Audit as required periodically by the Institute of Internal Auditors' *International Standards for the Professional Practice of Internal Auditing* (the IIA Standards). The objectives of the QAR were:

- 1. To assess conformance to the IIA Standards
- 2. To assess the effectiveness and efficiency of the Internal Audit activity in providing services to the institution; and
- 3. To identify opportunities for improvement of the Internal Audit program.

The overall opinion is that the Office of Internal Audit generally conforms to the IIA Standards. Opportunities for improvement that will enhance conformance to the Standards and improve the efficiency and effectiveness of the college's internal audit program are described in the report.

Sincerely.

Charlotte Johnson Internal Audit Director

cc: Tennessee Board of Regents Audit Committee

## Southwest Tennessee Community College Report on Quality Self-Assessment Review July 01, 2015 – June 30, 2016 EXECUTIVE SUMMARY

The Southwest Tennessee Community College, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during July 1, 2015 – June 30, 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Southwest Tennessee Community College's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as the most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

#### **Observation 1**

Standard 2130 – The Standard encompasses evaluating the adequacy and effectiveness of controls in responding to risk within the organization's governance, operations and information system regarding the safeguarding of assets. Audit resources allocated to the safeguarding of assets will be increased.

## Southwest Tennessee Community College Report on Quality Self-Assessment Review July 01, 2015 - June 30, 2016

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The *IIA* states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The Office of Internal Audit also reviewed the risk analysis and audit planning processes, audit tools and methodologies, engagement and staff management processes and a sample of working papers and reports.

#### **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Southwest Tennessee Community College's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

#### **OBSERVATIONS**

Standard 2130 - Nature of Work - Partially Conforms

The Standard encompasses evaluating the adequacy and effectiveness of controls in responding to risk within the organization's governance, operations and information system regarding the safeguarding of assets. Audit resources allocated to the safeguarding of assets will be increased.

Jerry L. Faulkner, PhD.
President
Volunteer State Community College
1480 Nashville Pike
Gallatin, Tennessee 37066

Dr. Faulkner:

Transmitted herewith is the self-assessment quality review of the Office of Internal Audit to determine conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

Sincerely,

Nancy Batson Internal Audit

Nancy Batson

#### **EXECUTIVE SUMMARY**

The Volunteer State Community College Office of Internal Audit conducted a quality self-assessment of the internal audit activity during June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing (Standards)*, the *Definition of Internal Auditing* and the *Code of Ethics*.

The overall opinion is that Volunteer State Community College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive, and audit management is endeavoring to provide useful audit tools and implement appropriate practices.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. For a detailed list of conformance to individual standards, please see Attachment A to the report.

## <u>Definitions according to the IIA Quality Assessment Manual:</u>

"Generally Conforms" means the evaluator has concluded that the relevant structures, policies, and procedures of the activity, as well as the processes by which they are applied, comply with the requirements of the individual *Standards* or element of the *Code of Ethics* in all material respects. Further, general conformance means that there is general conformity to a majority of the individual *Standards* or elements of the *Code of Ethics* and at least partial conformity to the others.

"Partially Conforms" means the evaluator has concluded that the activity is making good-faith efforts to comply with the requirements of the individual *Standards* or element of the *Code of Ethics*, but falls short of achieving some major objectives.

"Does Not Conform" means deficiencies in practice are judged to be so significant as to seriously impair or preclude the internal audit activity from performing adequately in all or in significant areas of its responsibilities.

## **TABLE OF CONTENTS**

| Requirement for Quality Assessments                | 1            |
|--|--------------|
| Procedures Performed                               | 1            |
| Opinion as to Conformity to the Standards          | 1            |
| Summary Evaluation of Conformance to the Standards | Attachment A |

## **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of Internal Audit is required by The Institute of internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (Standards) to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance to the Standards, the Definition of Internal Auditing, and the Code of Ethics. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

## **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements. The concept of general conformance to the IIA Standards recognizes that there may still be room for improvement, and quality assurance reviews provide a natural process for identifying these opportunities. For a detailed list of conformance to individual standards, please see Attachment A to the report.

## **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the College's internal audit activity generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive, and audit management is endeavoring to provide useful audit tools and implement appropriate practices. Efforts to conform to the spirit and intent of the *IIA Standards* are evident.

#### ATTACHMENT A – SUMMARY EVALUATION OF CONFORMITY TO THE STANDARDS

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable and means the Standard does not apply.

| Attribute Standards  | GC | PC | DNC | NA |

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents and Columbia State Community College. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by Columbia State Community College, Office of Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **EXECUTIVE SUMMARY**

The Walters State Community College, Office of Internal Audit, conducted a quality self-assessment of the internal audit activity during June 2016. The principal objective of the quality self-assessment was to determine the internal audit activity's conformity to The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (Standards), the Definition of Internal Auditing and the Code of Ethics.

The overall opinion is that the Walters State Community College's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive, and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements.

## **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. Auditors strive for continuous improvement and Quality Assurance Reviews provide a natural process for identifying these opportunities. This report contains a number of recommendations that should not be taken collectively to undermine the overall conclusion. Among the opportunities noted in this report, the following stand out as most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

- 1. Standard 1210 Proficiency and Due Professional Care Proficiency Gain proficiency in implementing and utilizing computer-aided audit techniques to analyze data
- 2. Standard 2201 Engagement Planning Planning Considerations Create written documentation of verbal understandings of audit engagements for parties outside the organization and of consulting engagements for internal clients
- 3. Standard 2330 Performing the Engagement Documenting Information Consistently use appropriate checklists during the audit engagement to help ensure completeness

## REQUIREMENT FOR QUALITY ASSESSMENTS

The Office of Internal Audit is required by The *IIA Standards*, to have a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance with the *Standards*. To better prepare for an external quality assessment, the internal audit activity should complete an internal self-assessment prior to undergoing an external quality assessment.

Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

## **PROCEDURES PERFORMED**

As part of the quality assessment, the Office of Internal Audit prepared a self-study of conformance to the IIA requirements

## **OPINION AS TO CONFORMITY TO THE STANDARDS**

The overall opinion is that the Walters State Community College's internal audit activity generally conforms to The IIA's *Standards*, *Definition of Internal Auditing* and *Code of Ethics*. Efforts to conform to the spirit and intent of the *IIA Standards* are evident. For example, in response to the last external assessment's recommendation to provide consistency and improved practices, the web-based MKinsight electronic working paper application software was purchased and place in service across all TBR institutions.

#### Observations

Standard 1210 – Proficiency and Due Professional Care – Proficiency
Internal auditors must have sufficient knowledge of key information technology risks and controls and available technology-based audit techniques to perform their assigned work. Although technology is routinely used, proficiency in analyzing data can be gained by implementing and utilizing computer-aided audit techniques such as the Argos report writer for Banner software.

Standard 2200 – Engagement Planning – Planning Considerations
Internal auditors must develop and document a plan for each engagement, including the engagement's objectives, scope, timing, and resource allocations. Verbal understandings of audit engagements for parties outside the organization and of consulting engagements for internal clients should be documented.

Standard 2330 – Performing the Engagement – Documenting Information
Internal auditors must document relevant information to support the conclusions and engagement results. Appropriate checklists should consistently be used during the audit engagement to help ensure completeness.

## **ATTACHMENT A - CONFORMITY WITH THE STANDARDS**

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.

## **TENNESSEE BOARD OF REGENTS**

Office of System-wide Internal Audit Internal Quality Assurance Review

Self-Assessment Conducted by Office of System-wide Internal Audit

#### TENNESSEE BOARD OF REGENTS

## Office of System-wide Internal Audit

1415 Murfreesboro Road, Suite 308 | Nashville, TN 37217-2833 | Phone 615.366.4496 | Fax 615.366.1517 | www.tbr.edu

August 17, 2016

Mr. David Gregory, Chancellor Tennessee Board of Regents 1415 Murfreesboro Road, Suite 340 Nashville, Tennessee 37217

Dear Chancellor Gregory:

The enclosed report is an internal quality assurance review (QAR) of the Tennessee Board of Regents, Office of System-wide Internal Audit. The review was performed as required periodically by the Institute of Internal Auditors' International Standards for the Professional Practice of Internal Auditing (the IIA Standards). The objectives of the QAR were:

- 1. To assess conformance to the IIA Standards;
- 2. To assess the effectiveness and efficiency of the Internal Audit activity in providing services to the Board and the system; and
- 3. To identify opportunities for improvement of the Internal Audit program.

The overall opinion is that the Office of System-wide Internal Audit generally conforms to the IIA Standards. Opportunities for improvement that will enhance conformance to the Standards and improve the efficiency and effectiveness of the internal audit program are described in the report.

Sincerely,

January S. Bir chett Tammy G. Birchett Chief Audit Executive

cc: Tennessee Board of Regents Audit Committee

**Restrictions on Report Use:** This report is intended solely for the internal use of the Tennessee Board of Regents. It is not intended to be and should not be used for any other purpose. The distribution of the report to external parties must be approved by the Tennessee Board of Regents, Office of System-wide Internal Audit and handled in accordance with institutional policies; however, this report is a matter of public record.

#### **TENNESSEE BOARD OF REGENTS**

## OFFICE OF SYSTEM-WIDE INTERNAL AUDIT

#### **REPORT ON INTERNAL QUALITY ASSURANCE REVIEW**

#### INTRODUCTION

The Tennessee Board of Regents, Office of System-wide Internal Audit, conducted an internal quality assurance review of the internal audit activity in June and July 2016. The principal objective of the self-assessment was to determine the internal audit activity's conformance to The Institute of Internal Auditors' (IIA) *International Standards for the Professional Practice of Internal Auditing* (*Standards*), the *Definition of Internal Auditing* and the *Code of Ethics*.

#### **REQUIREMENT FOR QUALITY ASSESSMENTS**

The Office of System-wide Internal Audit is required by The *IIA Standards*, to maintain a quality assurance and improvement program, which includes periodic internal and external quality assessments and ongoing internal monitoring for conformance to the *Standards*. Adherence to the *Standards* is essential for the professional practice of internal auditing. Within The *IIA Standards* are Attribute and Performance Standards. The IIA states that "Standards are the criteria by which the operations of an internal audit department are evaluated and measured. They are intended to represent the practice of internal auditing as it should be."

#### **OPINION**

The overall opinion of the internal assessment is that the Tennessee Board of Regents, Office of System-wide Internal Audit generally conforms to The IIA's *Standards, Definition of Internal Auditing* and *Code of Ethics*. The internal audit activity is well-structured and progressive and audit management is endeavoring to provide useful audit tools and implement appropriate practices. For a detailed list of conformance to individual standards, please see Attachment A to the report.

#### **OBSERVATIONS**

The concept of general conformance to the *IIA Standards* recognizes that there may still be room for improvement. The staff performing internal audit activities strive for continuous improvement and quality assurance reviews provide a natural process for identifying these opportunities. This report contains the following three observations that should not be taken collectively to undermine the overall conclusion. The observations are the most significant in relation to the *IIA Standards* and have the highest potential to improve the program.

1. Standard 1200 – Proficiency and Due Professional Care – Generally Conforms

An element of this Standard requires that internal auditors must have sufficient knowledge of key information technology (IT) risks and controls and available technology-based audit techniques to perform their work. The Office of System-wide Internal Audit has added an Information Systems auditor and implemented audit management software across the audit offices in the Tennessee Board of Regents system. However, because of the reliance on various information systems within the system, System-wide Internal Audit will continue

to seek opportunities to add IT audit analysis tools and other resources to increase audit effectiveness.

- 2. Standard 1300 Quality Assurance and Improvement Program Generally Conforms

  This standard requires that the quality assurance and improvement program cover all aspects of the internal audit activity and that results be communicated annually to senior management and the audit committee [IIA Practice Advisory 1320-1, May 2015, requires communication to management and the audit committee annually. Results of periodic internal self-assessments and external assessments have been reported to the audit committee, but System-wide Internal Audit will develop an annual process for reporting other quality assurance activities to the committee.
- 3. Standard 2420 Quality of Communications Generally Conforms

  This standard requires timely communications, described as opportune and expedient depending on the significance of the issue, which allow management to take appropriate corrective action. System-wide Internal Audit will develop performance metrics for its audit reporting activities to facilitate timely reports to management and to improve conformance.

#### REPORT ON INTERNAL QUALITY ASSURANCE REVIEW

## ATTACHMENT A - CONFORMANCE WITH THE IIA STANDARDS

GC = Generally Conforms and means that IA has a charter, policies and procedures that are judged to meet the spirit and intent of the IIA Standards with some potential opportunities for improvement.

PC = Partially Conforms and means there are deficiencies in practice that are judged to deviate from the spirit and intent of the IIA Standards, but these deficiencies did not preclude IA from performing its responsibilities

DNC = Does Not Conform and means deficiencies in practice are judged to be so significant as to seriously impair or preclude IA from performing adequately in all or in significant areas of its responsibilities.

NA = Not applicable Standard does not apply.
