

Committee on Finance & Business Operations

Maintenance Fee & Tuition Discussion

April 23, 2019

Discussion Topics

- Preliminary Schedule
- Goals
- Background Information
- Decision Framework
- Review of Indicated Student Revenue Increases
- Mandatory Fees
- Next Steps

Preliminary Schedule

- April 23rd:Telephonic Meeting
 - Review process and background information
 - Provide staff guidance on informational needs
- May 14th: Telephonic Meeting
 - Review initial indicated student revenue increase levels
 - Review of information developed, including institutional feedback
- June 4th: In Person Meeting on Day of Committee Chairs Meeting
 - Receive staff recommendations on maintenance fees & tuition
 - Consider making recommendations to the full Board
- June 20th: Committee Meeting during Quarterly Board Meeting
 - Consider minutes of May --th meeting
- June 21st: Board Meeting
 - Committee Recommendations Considered by Board

Goals

- Be aware of and address student affordability concerns by living within tuition guidance issued by THEC
- Identify and address fiscal needs of institutions, including ability to offer competitive compensation to employees
- To degree possible, preserve institutional outcome funding increases for use in supporting campus-based student success initiatives
- Continue to identify and address institutional economy and efficiency measures

Background Information

General Financial Environment

- Governor's budget includes funding of operating outcomes improvements additional \$56.0 million (\$17.6 million for TBR colleges and TCATs).
- Operating outcomes improvement funding includes partial funding for a 2.0% salary increase (\$6.2 million for TBR)
- Additionally, TCATs received \$426,000 in Correctional Education Investment funding.
- This represents a 6.0% increase for TBR in recurring state funding
 - -Community Colleges: 6.2%
 - -TCATs: 4.9%
 - -Not evenly distributed among institutions

|---|-------------|--------------------------------------|---------------------------------------------------------|--------------------|-------------------------------------|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Institution | Description | Current | Proposed | Increase | Student Exposure to Proposal | Prior Increase | Revenue | Justification |
| 1 | - | Increase Technology Access Fee | \$112.50/sem at CCs; \$67/tri- mester at TCATs | to \$128 00/sem at | to \$15.50/sem at CC; and \$2.00 to | TBD | FY 2003-04 increased \$100/yr from \$125 to \$225 at CCs and \$75/yr from \$125 to \$200 at TCATs; FY 2000-01 increased \$25 from \$100 to \$125 for both CCs and TCATs | \$1,973,900 at CC; and \$19,900 | CPI has increased 38.4% since last TAF increase. College presidents have also recognized that over this same period of time, in addition to cost increases, there has been a significant increase in the dependency and use of technology in the classrooms and labs as well as in providing various support services to students. |

Next Steps

- Committee members communicate to staff:
 - Any additional information needs; and
 - Feedback on indicated student revenue increase levels
- Staff will analyze feedback from institutions.
