Dr. Karen Bowyer announced her plans to retire as president of Dyersburg State Community College effective December 31, 2021. The Board approved criteria for the next president at its meeting on June 18, 2021. The 17-member search committee was comprised of Regents, faculty, staff, students, and community members.

The committee met for the first time on August 18, 2021 to review the search process. Then on September 2, 2021, the committee reviewed 62 applications from all across the country. The committee once again narrowed the pool of candidates to 10 to be interviewed on September 16 – 17, 2021. From that meeting, five (5) candidates were invited to participate in campus interviews on October 27 - November 2, 2021.

After the interviews and campus visits were conducted and consultation with committee members, Chancellor Tydings expects to make a recommendation to the Board at its special meeting on November 16, 2021.
