TENNESSEE BOARD OF REGENTS
Quarterly Board Meeting
June 12 and 13, 2025

EXECUTIVE SUMMARY

Thursday, June 12, 2025

I. COMMITTEE ON ACADEMIC POLICIES AND PROGRAMS AND STUDENT LIFE

1. CONSENT AGENDA

A. PROPOSED REVISIONS TO TBR POLICY 2.03.00.04, TECHNICAL COLLEGE LEARNING SUPPORT

The policy revision includes renaming the Technology Foundations subjects to Data Literacy and Reading Comprehension and updating the definitions and scopes, and modifying the valid assessment scores definition to allow institutions to evaluate and assign prior learning credit. It also updates the student records section to include standard grades language, revises the exhibit to include degree and TCAT credential exemptions, and amends the exhibit to reflect the new subject name.

B. PROPOSED REVISIONS TO TBR POLICY 3.01.01.00, STUDENT ORGANIZATIONS

The proposed revisions to this policy are to comply with the Stop Campus Hazing Act (the Act), which amends the Clery Act. Hazing within the TBR System is very rare.

The proposed revisions to the policy will meet the Act's requirement that the college have an anti-hazing policy that includes (1) how to report incidents, (2) the process for investigating incidents, and (3) identification of prevention and awareness programs designed to prevent hazing.

The proposed revisions to this policy also align the definition of "hazing" in this policy with the definition of "hazing" in Policy 3.02.00.00, Student Conduct & Disciplinary Sanctions.

The Act does not require a change to disciplinary policies regarding hazing, but hazing incidents must be reported pursuant to the Act's definition of hazing. The Office of General Counsel believes the definition of "hazing" in the Student Conduct Policy is sufficiently close to the Act's definition of hazing that there is no need to revise it. There is a low risk of Campus Security Authorities failing to report because of differing definitions.

This policy has been reviewed (twice) by the Student Affairs Subcouncil, and the Presidents Council recommends it for approval.

Executive Summary – June 2025 Quarterly Meeting

2. TCAT PROGRAM APPROVALS (*Vice Chancellor Jothany Reed*)

Twenty-nine (29) program proposals are being presented for the Committee's review and approval. These proposals will allow the Technical Colleges to be more responsive to the needs of students, businesses, and industries.

Thirty (30) academic actions were submitted by a TCAT institution to the Vice Chancellor for approval based on section C of the TBR Policy: 2:01:02:00, requiring only notification to the Vice Chancellor. Appropriate documentation to support the need was provided.

3. ACCREDITATION SUMMARY REPORT AND OVERVIEW (*Vice Chancellor Jothany Reed*)

The Annual Accreditation Report and Overview summarizes all activity for the academic year 2023-2024 on regional and program accreditation. The report also provides information on all non-accreditable programs that go through either the Program Review or the Academic Audit process. A summary of all activity is provided along with a more detailed accounting of all accreditation and quality assurance activity.

4. TBR STRATEGIC PLAN UPDATE (*Executive Vice Chancellor Russ Deaton*)

For the last several months, TBR has been revising its 2015-25 Strategic Plan. Through a series of steering committee meetings, focus groups, and various other engagements, including the spring Board/Presidents retreat, several themes have emerged from these conversations and reflections. TBR staff will present these emerging themes and how they might complement the existing TBR Strategic Plan, whose structure and pillars we intend to maintain. After a discussion on the emerging themes and their connection to the existing Strategic Plan, we intend to continue to work to bring a revised Strategic Plan for consideration at the September Board meeting.

5. LEARNING SUPPORT AND THE TN COACHING PROJECT (*Assistant Vice Chancellor Amy Moreland*)

In this informational update, TBR staff will share new research on efforts to improve outcomes for students in learning support at community colleges.

At community colleges in the TBR system, two-thirds of first-time students are assessed as underprepared for college-level coursework. Students who are assessed as underprepared are placed into learning support courses. In 2015, the TBR system became the first system in the country to implement the corequisite learning support model systemwide. The corequisite support model allows underprepared students to enroll in college-level courses immediately upon starting college while also receiving learning support that is paired with college-level coursework. This innovative model significantly improved course success rates.

Over the past five years, the TBR system has taken additional steps to improve the learning support model. First, in 2022 and 2023, the Tennessee Board of Regents took action to modernize the approach to learning support through a series of policy changes. Second, in 2022, TBR launched the Tennessee Coaching Project, a three-year pilot project at Jackson and Northeast State Community Colleges that tests the impact of a new model of coaching for students who are placed into learning support and adult learners.

Executive Summary – June 2025 Quarterly Meeting

In the spring and summer of 2025, TBR’s Office of Policy and Strategy is publishing new research reports about the impact of these efforts. This research shows that the modernization of learning support has improved success in college-level courses, and learning support paired with coaching has significantly improved student persistence toward degree completion.

6. **DUAL ENROLLMENT** (*Executive Vice Chancellor Russ Deaton/Assistant Vice Chancellor Amy Moreland*)

This year, more than 38,000 high school students participated in dual enrollment at TBR community colleges and TCATs—the highest number of dual enrollment students in the history of the TBR system. This record enrollment represents a 86% increase in dual enrollment over the past five years and a 139% increase from a decade ago.

In this informational update, TBR staff will share new research on trends in dual enrollment and the system’s approach to managing dual enrollment and promoting postsecondary success among dual enrollment participants.

This presentation will highlight the strategic importance of dual enrollment and ongoing work with K-12 and postsecondary partners to improve dual enrollment. The presentation will also feature research findings from two new TBR research tools that explore the academic pathways, course outcomes, college-going rates, and postsecondary outcomes of dual enrollment participants. This presentation will also set up future discussions about the system’s approach to dual enrollment within the context of the TBR strategic plan.

II. COMMITTEE ON FINANCE AND BUSINESS OPERATIONS

1. **FY25 ESTIMATED BUDGETS AND FY26 PROPOSED BUDGETS** (*Vice Chancellor Alisha Fox*)

Under Board policy, the original budget for each fiscal year is known as the ***Proposed Budget*** and is prepared in the spring of each year. This budget is based on the level of state funds recommended in the Governor’s proposed budget as well as early estimates of factors such as enrollment growth, and availability of federal funds. The ***Proposed Budget*** is normally submitted to the Board for approval at the June Board meeting.

The final budget submitted for each fiscal year is the ***Estimated Budget***. It includes final adjustments to the current year budget and is the budget against which final year-end actual amounts are compared. It is prepared, submitted, and considered by the Board at the same time as the ***Proposed Budget*** for the upcoming fiscal year.

Regarding the LGI’s budgets, the FOCUS Act requires that to ensure the ability to satisfy both contractual obligations to the Tennessee State School Bond Authority and obligations to that authority’s bondholders, the Tennessee Board of Regents shall have authority over, and shall give final approval to, the operating budget of each LGI.

Executive Summary – June 2025 Quarterly Meeting

The purpose of this agenda item is to consider for approval both the recommended *Estimated Budgets* for FY 2024-25 and the recommended *Proposed Budgets* for FY 2025-26. As part of approval of the Proposed Budgets for FY 2025-26, staff recommends that the Board authorize the Chancellor to take actions necessary to implement the approved budgets.

2. CAPITAL BUDGET REQUESTS FOR THE 2026-27 FISCAL YEAR (*Executive Director Dick Tracy*)

The Committee will consider approval of the Capital Budget Request for fiscal year 2026-27.

III. COMMITTEE ON PERSONNEL AND COMPENSATION

1. APPROVAL OF THE MAY 28, 2025, SPECIAL CALLED MEETING OF THE PERSONNEL AND COMPENSATION COMMITTEE MINUTES

The Committee will consider approving the minutes of the May 28, 2025 special called Personnel and Compensation Committee Meeting that includes action taken on compensation strategies and president emeriti contracts.

2. PROMOTION AND TENURE RECOMMENDATIONS AT THE COMMUNITY COLLEGES (*Vice Chancellor Jothany Reed*)

The Committee will be asked to approve recommendations for the promotion and tenure of faculty serving at the community colleges. Seventy-four (74) faculty members are recommended for tenure. One hundred seventy-three (173) faculty members are recommended for promotion.

3. PROMOTION AND TENURE RECOMMENDATIONS AT THE TENNESSEE COLLEGES OF APPLIED TECHNOLOGY (*Vice Chancellor Jothany Reed*)

The Committee will be asked to act on recommendations for granting promotions to sixty-six (66) eligible TCAT faculty members. There are no tenure recommendations.

4. FACULTY PROMOTION INCREASES (*Vice Chancellor Alisha Fox*)

A total of one-hundred seventy-three (173) faculty members are recommended for promotion at the community colleges. One community college faculty member was eligible for promotion but not an increase. At the TCATs, sixty-six (66) faculty members are recommended for promotion. The increase recommendations are made within the requirements of TBR policies on tenure and promotion.

Executive Summary – June 2025 Quarterly Meeting

5. INSTITUTIONAL REQUESTS FOR NEW AND AMENDED COMPENSATION PLANS

(Vice Chancellor Alisha Fox)

In accordance with TBR Guideline P-043 Compensation, the following proposed compensation plans methodology are submitted for review:

Institution:

Pellissippi State Community College
Volunteer State Community College
TBR System Office Staff

Summary of Changes:

Pellissippi State Community College is proposing a new compensation plan. They last updated their existing plan in 2013-2014, although they have regularly indexed their salary ranges to help keep up with market data. Volunteer State Community College is proposing a revision to their compensation plan to address being able to make changes in rare circumstances to attract and retain top market. The TBR System Office is proposing a new compensation plan for staff which was last redone in 2012, although salary ranges have been indexed every year to be competitive with market data. TCATs, Presidents, and the Chancellor compensation plans were revised in 2022.

The new or revised compensation plans were reviewed within the System Office by a committee of five (5) individuals from the following offices: Finance, Academic Affairs, Policy & Strategy and two (2) individuals from Human Resources. The Committee reviewed the proposed plan for methodology, market data being used, equity, consistency, completeness, and clarity. After review of the proposed plans, the Committee respectively recommends Board approval of the proposed revisions of the compensation plans.

6. EXECUTIVE INCENTIVE PAY *(Vice Chancellor Alisha Fox)*

The Executive Performance Incentive Plan was approved at the Board's June 2013 Meeting. It was created at the request of Board Members to address the gap between the average market salaries for the presidents, directors and Chancellor and the current compensation level for these officials. The Plan provides an opportunity for the leaders to earn up to 10% of their respective position salary on an annual basis, based on institutional and individual performance. The incentive does not add to the base salary for the position and will be recalculated each year.

Participants in the plan include the presidents of the community colleges and Tennessee Colleges of Applied Technology (TCATs) and the Chancellor. Due to information not being available, we will address the executive payments for the presidents of community colleges now, and the payments for the TCATs and Chancellor in September.

The incentive amount is equal to ten percent (10%) of the market average salary for comparable positions and is divided into two components: the metric-based allowance equal to 85% of total incentive amount and a discretionary allowance equal to 15% of the total incentive amount. The primary incentive measurement for Community College Presidents is the change in weighted formula outcomes at each institution. The change in total weighted outcomes for the system is calculated in a similar manner and used to calculate the weighted outcome growth allowance amount for the Chancellor.

Executive Summary – June 2025 Quarterly Meeting

RECOMMENDATION

Pursuant to the Plan, recommendations for incentive pay for the eligible presidents of the community colleges are brought before the Committee for review and approval. Recommendations of the Committee, if any, are presented to the full Board for action.

The Plan requires an individual to be employed in one of the eligible positions at the time the payments are approved, paid, been in the position for at least a year, and have satisfactory performance to be eligible to receive incentive pay.

7. CHANCELLOR’S EVALUATION (*Regent Nisha Powers*)

Pursuant to Board policy, a performance review of the Chancellor is required every two years. The evaluation is to be conducted by a committee of at least four members appointed by the Vice-Chair. Vice Chair Reynolds requested the Personnel and Compensation Committee review the feedback and make a recommendation to the Board.

IV. COMMITTEE ON EXTERNAL AFFAIRS

1. LEGISLATIVE UPDATE (*Executive Vice Chancellor Kim McCormick/Associate Vice Chancellor John Williams*)

Executive Vice Chancellor for External Affairs Kim McCormick and Associate Vice Chancellor John Williams will share an overview of the Legislative Session that officially adjourned on Tuesday, April 22, 2025. This report will highlight significant pieces of legislation tracked by the Government Relations team impacting TBR and higher education.

V. COMMITTEE ON WORKFORCE DEVELOPMENT

1. 2024/2025 THEC REPORTING CYCLE (*Executive Vice Chancellor Kim McCormick/Executive Director Jeff Sisk*)

Executive Vice Chancellor Kim McCormick and TBR’s Center for Workforce Development Executive Director Jeff Sisk will share an overview of the 24/25 THEC Reporting Cycle for Workforce Training Hours, including information on the legal requirements of the report, steps in the reporting timeline, and a review of the workforce training hours reports submitted to THEC over the last 3 years.

2. TNWORKS (*Executive Director Jeff Sisk*)

Dr. Sisk will also provide an overview of TNWORKS, a new statewide collaboration strategy among select state agencies. This update will include details on the initiative’s vision, the focus on critical priorities, and the timeline for implementation.

Executive Summary – June 2025 Quarterly Meeting

Friday, June 13, 2025

I. MINUTES

The Board will consider approving minutes from the February 26, 2025 quarterly board meeting and the March 27, 2025 special called meeting.

II. REPORT OF INTERIM ACTION

This report serves as a record of business transacted by the Office of the Chancellor since the previous meeting of the Board. A copy of the report is enclosed in the materials.

III. REPORT OF THE COMMITTEES

- C. Report of the Workforce Development Committee Meeting on June 12, 2025
- D. Report of the Finance and Business Operations Committee Meeting on June 12, 2025
- E. Report of the Personnel and Compensation Committee Meeting on June 12, 2025, which includes the Report of the Special Called Meeting of the Personnel and Compensation Committee on May 28, 2025
- F. Report of the Audit Committee Meeting on May 28, 2025

IV. REPORT OF THE CHANCELLOR

- **TCAT Knoxville's Use of Local School Facilities** (*President Kelli Chaney*)
- **TBR Sunset Audit Planning** (*Chief Audit Executive Mike Batson*)

V. UNFINISHED BUSINESS

VI. NEW BUSINESS

A. CONSENT AGENDA

1. Revisions to TBR Policy 1.02.12.00, Requests to Address the Board

The General Assembly passed revisions to the Open Meetings Act. SB1316/HB1330 requires that the System Office make slight revisions to notice of Board meetings. The legislation also requires that any Board member participating remotely must be identifiable by name throughout the meeting.

The legislation further requires that when any member of the Board participates via electronic means, members of the public be able to address the Board via electronic means, which will require a revision to the Requests to Address the Board policy.

Executive Summary – June 2025 Quarterly Meeting

The proposed provisions track the language of the statute very closely and will bring the policy into compliance with the revisions the Open Meetings Act effective July 1, 2025.

One proposed revision is not required by the new legislation. Currently, a member of the public must make a request to address the Board at least seven (7) calendar days prior to the meeting, which leaves little or no time to make a request after publication of the agenda. The proposed revision would shorten this time period to three (3) calendar days prior to the Board meeting, which will give members of the public a chance to review the agenda before requesting to address the Board.

This proposed revision to policy has not been reviewed by any subcouncil or by the Presidents Council. A “tracked changes” and a “clean version” are included in the materials.

2. Revisions to TBR Policy 1.07.00.05, General Policy on Alcoholic Beverages

The proposed revisions are drafted to achieve three primary objectives.

The proposed revisions to Section II.A.2 are designed to permit serving alcoholic beverages in athletics facilities, but not in conjunction with an athletics event. Examples of when the serving of alcoholic beverages would be permitted, without making an exception to the policy, would be in conjunction with a fundraising event, a community event, or a Board meeting. The President would continue to retain control over decisions related to serving alcoholic beverages.

The proposed revisions in Sections I and II (other than those in Section II.A.2) are designed to improve clarity and to conform to the statewide rule that the Board previously approved.

Section V contains proposed revisions to reflect the existence of a distilling program at Motlow State Community College. The revisions track the changes in state law that permit a distilling program at Motlow State. State law does not permit students to participate in wine tastings, so there are no revisions to Section V.A.

This policy has been reviewed by the Business Affairs Subcouncil and the Joint Academic Affairs/Student Affairs Subcouncil. The Presidents Council recommends approval.

3. New TBR Policy 1.08.10.00, Use of Artificial Intelligence

The TBR Artificial Intelligence (AI) Policy establishes comprehensive guidelines for the ethical, secure, and effective use of AI technologies, including Generative AI, across its colleges and system offices. It encourages AI adoption to enhance education, research, and operations while ensuring adherence to standards for academic integrity, data governance, intellectual property, and privacy. The policy empowers faculty to define AI use in their courses, outlines restrictions on handling confidential and copyrighted material, and provides protocols for research and employee use.

It was voted on and passed by the Joint Subcouncil on April 24, 2025, the Faculty Subcouncil on April 25, 2025, and the Presidents Meeting on May 2, 2025. Overall, the policy promotes innovation and efficiency while safeguarding institutional and individual responsibilities.

Executive Summary – June 2025 Quarterly Meeting

B. NOTICE OF PROPOSED CHANGES TO THE BYLAWS *(General Counsel Brian Lapps)*

Because Public Chapter 452 expanded the size of the Board, a proposal to amend the Tennessee Board of Regents Bylaws to increase the size of a quorum from nine to ten voting members is being presented. Pursuant to Article VII.A. of the Bylaws, proposed amendments must receive two readings. This proposal is for discussion purposes only at the June 2025 Board Meeting. The proposed amendments may be the subject of a vote at the September 2025 Board Meeting.

In addition to revising the size of a quorum, the proposed revisions are designed to accomplish two objectives. First, proposed substantive revisions update what the Board actually does in practice and remove listed responsibilities that are not done in practice. Second, a number of stylistic revisions to increase consistency and clarity are proposed.

C. BUILDING NAMING REQUEST FROM ROANE STATE COMMUNITY COLLEGE *(Chancellor Flora Tydings)*

The Board is authorized to name buildings in honor of individuals who have made significant contributions to society and who otherwise meet the criteria established in TBR Policy 4.02.02.01, Naming Buildings and Facilities & Building Plaques.

For the reasons explained in the attached recommendation from Chris Whaley, Roane State Community College President, Tennessee State Senator Ken Yager and Fentress County Executive Jimmy Johnson meet the requirements in TBR policy and are deserving of the honor of having Roane State's new building for the permanent Fentress campus in Jamestown to be named the Ken Yager & Jimmy Johnson Building. Roane State convened an appropriate committee to consider and make the recommendation.

D. RESOLUTION OF APPRECIATION FOR PRESIDENT TONY MIKSA

The Board will consider approving a resolution of appreciation for President Tony Miksa.

E. RESOLUTION OF APPRECIATION FOR REGENT ROSS ROBERTS

The Board will consider approving a resolution of appreciation for Regent Ross Roberts.

F. RESOLUTION OF APPRECIATION FOR REGENT CAYDEN KELTGEN

The Board will consider approving a resolution of appreciation for Regent Cayden Keltgen.

G. ELECTION OF THE VICE CHAIR FOR 2025-2026

The Board will receive nominations and elect the Vice Chair for 2025-2026.

Tennessee Board of Regents
Committee on Academic Policies and Programs and Student Life
June 12, 2025

1. CONSENT AGENDA

A. PROPOSED REVISIONS TO TBR POLICY 2.03.00.04 TECHNICAL COLLEGE LEARNING SUPPORT

The policy revision includes renaming the Technology Foundations subjects to Data Literacy and Reading Comprehension and updating the definitions and scopes, and modifying the valid assessment scores definition to allow institutions to evaluate and assign prior learning credit. It also updates the student records section to include standard grades language, revises the exhibit to include degree and TCAT credential exemptions, and amends the exhibit to reflect the new subject name.

B. PROPOSED REVISIONS TO TBR POLICY 3.01.01.00 STUDENT ORGANIZATIONS

The proposed revisions to this policy are to comply with the Stop Campus Hazing Act (the Act), which amends the Clery Act. Hazing within the TBR System is very rare.

The proposed revisions to the policy will meet the Act's requirement that the college have an anti-hazing policy that includes (1) how to report incidents, (2) the process for investigating incidents, and (3) identification of prevention and awareness programs designed to prevent hazing.

The proposed revisions to this policy also align the definition of "hazing" in this policy with the definition of "hazing" in Policy 3.02.00.00, Student Conduct & Disciplinary Sanctions.

The Act does not require a change to disciplinary policies regarding hazing, but hazing incidents must be reported pursuant to the Act's definition of hazing. The Office of General Counsel believes the definition of "hazing" in the Student Conduct Policy is sufficiently close to the Act's definition of hazing that there is no need to revise it. There is a low risk of Campus Security Authorities failing to report because of differing definitions.

AGENDA

2. TCAT PROGRAM APPROVALS *(Vice Chancellor Jothany Reed)*

Twenty-nine (29) program proposals are being presented for the Committee's review and approval. These proposals will allow the Technical Colleges to be more responsive to the needs of students, businesses, and industries.

Thirty (30) academic actions were submitted by a TCAT institution to the Vice Chancellor for approval based on section C of the TBR Policy: 2:01:02:00, requiring only notification to the Vice Chancellor. Appropriate documentation to support the need was provided.

3. ACCREDITATION SUMMARY REPORT AND OVERVIEW 2023-2024 *(Vice Chancellor Jothany Reed)*

The Annual Accreditation Report and Overview summarizes all activity for the academic year 2023-2024 on regional and program accreditation. The report also provides information on all non-accreditable programs that go through either the Program Review or the Academic Audit process. A summary of all activity is provided along with a more detailed accounting of all accreditation and quality assurance activity.

4. TBR STRATEGIC PLAN UPDATE *(Executive Vice Chancellor Russ Deaton)*

For the last several months, TBR has been revising its 2015-25 Strategic Plan. Through a series of steering committee meetings, focus groups, and various other engagements, including the spring Board/Presidents retreat, several themes have emerged from these conversations and reflections. TBR staff will present these emerging themes and how they might complement the existing TBR Strategic Plan, whose structure and pillars we intend to maintain. After a discussion on the emerging themes and their connection to the existing Strategic Plan, we intend to continue to work to bring a revised Strategic Plan for consideration at the September Board meeting.

5. LEARNING SUPPORT AND THE TN COACHING PROJECT *(Assistant Vice Chancellor Amy Moreland)*

In this informational update, TBR staff will share new research on efforts to improve outcomes for students in learning support at community colleges.

At community colleges in the TBR system, two-thirds of first-time students are assessed as underprepared for college-level coursework. Students who are assessed as underprepared are placed into learning support courses. In 2015, the TBR system became the first system in the country to implement the corequisite learning support model systemwide. The corequisite support model allows underprepared students to enroll in college-level courses immediately upon starting college while also receiving learning support that is paired with college-level coursework. This innovative model significantly improved course success rates.

Over the past five years, the TBR system has taken additional steps to improve the learning support model. First, in 2022 and 2023, the Tennessee Board of Regents took action to modernize the approach to learning support through a series of policy changes. Second, in

2022, TBR launched the Tennessee Coaching Project, a three-year pilot project at Jackson and Northeast State Community Colleges that tests the impact of a new model of coaching for students who are placed into learning support and adult learners.

In the spring and summer of 2025, TBR's Office of Policy and Strategy is publishing new research reports about the impact of these efforts. This research shows that the modernization of learning support has improved success in college-level courses, and learning support paired with coaching has significantly improved student persistence toward degree completion.

6. DUAL ENROLLMENT

(Executive Vice Chancellor Russ Deaton/Assistant Vice Chancellor Amy Moreland)

This year, more than 38,000 high school students participated in dual enrollment at TBR community colleges and TCATs—the highest number of dual enrollment students in the history of the TBR system. This record enrollment represents a 86% increase in dual enrollment over the past five years and a 139% increase from a decade ago.

In this informational update, TBR staff will share new research on trends in dual enrollment and the system's approach to managing dual enrollment and promoting postsecondary success among dual enrollment participants.

This presentation will highlight the strategic importance of dual enrollment and ongoing work with K-12 and postsecondary partners to improve dual enrollment. The presentation will also feature research findings from two new TBR research tools that explore the academic pathways, course outcomes, college-going rates, and postsecondary outcomes of dual enrollment participants. This presentation will also set up future discussions about the system's approach to dual enrollment within the context of the TBR strategic plan.

MEETING: Committee on Academic Policies/Programs, Student Life

SUBJECT: TBR Policy 2.03.00.04 Technical College Learning Support

DATE: June 12, 2025

PRESENTER: Vice Chancellor Jothany Reed, Academic Affairs

PRESENTATION REQUIREMENTS: 5 Minutes

ACTION REQUIRED: Voice Vote

STAFF RECOMMENDATION: Recommend Approval

Summary:

The policy revision includes renaming the Technology Foundations subjects to Data Literacy and Reading Comprehension and updating the definitions and scopes, and modifying the valid assessment scores definition to allow institutions to evaluate and assign prior learning credit. It also updates the student records section to include standard grades language, revises the exhibit to include degree and TCAT credential exemptions, and amends the exhibit to reflect the new subject name.

Policy/Guideline

- I. Each technical college in the College System of Tennessee must provide the Technology Foundation course, known as Learning Support, using the framework provided in the Exhibit 1.
- II. The delivery of Technology Foundations Learning Support must be in accordance with the procedures specified below.
- III. Any exception to this policy or procedure must be approved in writing by the Vice Chancellor for Academic Affairs.

Procedures

I. Assessment and Placement

- A. Students who do not present valid ACT, SAILS, or other approved valid assessment scores, that demonstrate college readiness based upon established cut scores, or other documentation to the contrary (exhibit 1), will be placed into the appropriate learning support course for applied mathematics, graphic literacy, and reading for information as defined by the academic program requirements.
- B. Students with transferable college-level coursework may be exempt from the Technology Foundations Learning Support course or completing assessments.
- C. Institutions will provide, or may require, assessment(s) to allow students to challenge placement into Technology Foundation Learning Support if they have not met established criteria.
 1. The challenge assessment will be a T BR approved nationally normed, standardized assessment that will be identified in the

institution's Catalog and/or Student Handbook and listed as one of the approved options in (exhibit 1).

- D. A first-time or transfer student, entering without valid assessment score or college level coursework not meeting transferable requirements will be enrolled into the appropriate subject area Technology Foundation Learning Support course along with the paired technical college program coursework or may be given the option of challenge testing to place into the technical college program without learning support.

II. **Parameters**

A. Organizational Structure

1. The president of each institution will determine the organizational structure and coordination of Technology Foundations Learning Support services for the institution.
2. Each institution will establish criteria for the selection of Technology Foundations Learning Support faculty consistent with professional standards within the discipline.
3. Institutional policies will apply to faculty and staff whose primary role is Technology Foundation Learning Support.

B. Learning Support Framework

1. Institutions will develop a Technology Foundation competencies guide plan for applied mathematics, graphic literacy, and reading for information.
2. Full-time faculty who teach technical college programs must be involved in the development of appropriate Technology Foundations Learning Support curricula and delivery plans that support the linked technical college program.

3. The Technology Foundations Learning Support course must address the competencies determined to be appropriate for college readiness and must be aligned with the competencies required in the linked technical college program to facilitate successful completion of the college-level course.
4. Technology Foundations Learning Support competencies should be addressed as quickly as possible, beginning with the student's first trimester.
5. The Technology Foundation course should be kept to a maximum thirty (30) clock hours; however, while progress is individualized based on a progressive mastery of competencies, the instructors may also provide additional instruction through lectures, group discussions, and exercises.

C. Student Records

1. Students will demonstrate mastery of the defined Learning Support competencies at a level comparable to a passing grade.
2. Successful completion of a student's Learning Support requirements will be recorded on the student's academic record with ~~or without~~ the assignment of standard grades.
3. Institutions are encouraged to provide academic support in a variety of ways other than Learning Support courses. This is especially true for efforts to close achievement gaps or otherwise serve the needs of target populations.
4. Student progress and completion of Learning Support requirements will be recorded in Banner and posted to the academic record*

D. Measures of Success

1. Success will be measured by: 1) student completion of Learning Support; 2) enrollment and success in technical college programs for which students have received Learning Support; and, 3) graduation rates.
2. Additional data measures may be established and reported by the institution to document and evaluate efforts to increase student access and success.

BOARD TRANSMITTAL

MEETING:	Committee on Academic Policies/Programs, Student Life
SUBJECT:	Policy 3.01.01.00, Student Organizations (revision)
DATE:	June 12, 2025
PRESENTER:	Brian Lapps, General Counsel
PRESENTATION REQUIREMENTS:	5 Minutes
ACTION REQUIRED:	Voice Vote
STAFF RECOMMENDATION:	Recommend Approval

Summary:

The proposed revisions to this policy are to comply with the Stop Campus Hazing Act (the Act), which amends the Clery Act. Hazing within the TBR System is very rare.

The proposed revisions to the policy will meet the Act's requirement that the college have an anti-hazing policy that includes (1) how to report incidents, (2) the process for investigating incidents, and (3) identification of prevention and awareness programs designed to prevent hazing.

The proposed revisions to this policy also align the definition of "hazing" in this policy with the definition of "hazing" in Policy 3.02.00.00, Student Conduct & Disciplinary Sanctions.

The Act does not require a change to disciplinary policies regarding hazing, but hazing incidents must be reported pursuant to the Act's definition of hazing. The Office of General Counsel believes the definition of "hazing" in the Student Conduct Policy is sufficiently close to the Act's definition of hazing that there is no need to revise it. There is a low risk of Campus Security Authorities failing to report because of differing definitions.

This policy has been reviewed (twice) by the Student Affairs Subcouncil, and the Presidents Council recommends it for approval.

3.01.01.00 Student Organizations

Policy/Guideline Area

Student Policies

Applicable Divisions

TCATs, Community Colleges

Purpose

The following policy of the Tennessee Board of Regents, applicable to all institutions governed by the Board, provides minimum standards for the registration and conduct of student organizations at the institutions.

Policy/Guideline

I. Scope

- A. Each institution is authorized to establish additional policies and procedures affecting student organizations which are consistent with the provisions of this policy.

II. Types of Student Organizations

- A. Student organizations may be either organizations sponsored by the institution, such as student government associations, associated student body organizations, and professional and honor societies, or organizations officially registered by the institution.
- B. Organizations which may be registered to operate on campuses include the following:
 - 1. Honors and leadership organizations and recognition societies;
 - 2. Departmental organizations and professional fraternities and sororities; and
 - 3. Special interest groups (political, religious, athletic, etc.).

- C. Registration of a student organization by an institution shall neither constitute nor be construed as approval or endorsement by the institution of the purposes or objectives of the organization.

III. General Policies on Student Organizations

- A. No student organization may carry on any activity on the campus of an institution unless the organization has been officially registered by the institution.
- B. No institution shall be responsible for injuries or damages to persons or property resulting from the activities of student organizations, or for any debts or liabilities incurred by such organizations.
- C. No student organization shall deny membership to any person on the basis of age, race, sex, religion, handicap or national origin, provided that social fraternities and sororities may have sex restricted membership, subject to the following exceptions:
 - 1. No TBR institution that grants recognition to any student organization shall discriminate against or deny recognition to a student organization, or deny to a student organization access to programs, funding, or facilities otherwise available to another student organization, on the basis of:
 - a. The religious content of the organization's speech including, but not limited to, worship; or
 - b. The organization's exercise of its rights pursuant to subsection 2.
 - 2. A religious student organization may determine that the organization's religious mission requires that only persons professing the faith of the group and comporting themselves in conformity with it qualify to serve as members or leaders.

D. No student organization or individual shall engage in or condone any form of hazing.

1. Hazing means any intentional or reckless act, on or off the property, of any higher education institution by an individual acting alone, or with others, which is directed against any other person(s) that endangers the mental or physical health or safety of that person(s), or which induces or coerces a person(s) to endanger such person(s) mental or physical health or safety. Hazing does not include customary athletic events or similar contests or competitions, and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization.
2. Allegations, information, or concerns of hazing should be reported to: [insert contact information].
3. Reports of hazing will be investigated and resolved in accordance with 3.02.00.01, General Policy on Student Conduct & Disciplinary Sanctions.
- ~~3.4. Exhibit 1 includes a list of prevention and awareness programs.~~
- ~~4. Hazing shall include, but is not limited to:~~
 - ~~a. Any action taken, or situation created intentionally, to produce mental or physical discomfort, embarrassment or ridicule;~~
 - ~~b. Any form of verbal or physical harassment or abuse; and~~
 - ~~c. Engaging in public stunts, morally degrading or humiliating behavior or games, whether on or off campus.~~
 - ~~d. Excessive demands on a student's time so as to interfere with academic performance are prohibited.~~

~~e. Threatening in any manner or form for the purpose of cajoling individuals into secrecy in regard to breaches (planned, threatened, attempted, or perpetrated) of hazing violations also is prohibited.~~

~~f.a. Hazing activity which is in violation of any other institution regulation such as the misuse of alcohol, drugs, institution property, etc., is strictly forbidden.~~

~~D.E.~~ Student organizations shall be vicariously responsible and liable for the conduct and actions of each member of the organization while acting in the capacity of a member or while attending or participating in any activity of the organization.

~~E.F.~~ No person, group or organization may use the name of the institution in any manner, provided that registered student organizations may use the name of the institution following the name of the organization.

~~F.G.~~ No person, group or organization may use the seal or any symbol of the institution without the prior written approval of the president of the institution, or designee.

IV. Criteria for Registration of Organizations

- A. Any proposed student organization shall be open to all students of the institution who otherwise meet membership requirements.
- B. Membership in the organization shall be limited to currently enrolled students; provided that organizations may include faculty and staff of the institution, and/or spouses of students, faculty and staff, and provided further that professional organizations may include members of the professional and business communities as members.
- C. A proposed organization must represent the interests of the members, and the control of the organization must be within the local campus group.

- D. The organization must not have a knowing affiliation with an organization possessing illegal aims and goals, with a specific purpose to further those illegal aims and goals.
 - E. The proposed organization must agree to comply with all policies, regulations and procedures established by the Board and the institution, and with all federal and state laws and regulations.
 - F. The proposed organization must not:
 - 1. Have illegal aims and goals;
 - 2. Propose activities which would violate regulations of the Board or the institution, or federal or state laws and regulations, or materially and substantially disrupt the work and discipline of the institution; or
 - 3. Advocate incitement of imminent lawless action which is likely to produce such action.
 - G. The proposed organization must have the minimum number of charter members designated by the institution, and there must be a demonstration of continuous interest in the purposes of the organization sufficient to afford registration on a long-term basis.
 - 1. In the event there is not sufficient interest to warrant long-term registration, an institution may grant temporary registration to an organization for a limited period of time.
 - H. New organizations may be denied registration where the purposes are within the scope of a currently registered organization.
 - I. No organization may use the same name, or a name which is misleading and similar to the name, of a currently registered organization.
 - J. The organization must provide for the distribution of all funds and assets in the event of dissolution.
- V. [Procedure for Registration of Organizations](#)

- A. In order to become officially registered as a student organization, a group must meet the criteria set forth in section IV., and must provide to the institution a minimum of the following:
1. An application or request to form the organization on the form designated by the institution.
 2. The proposed constitution and bylaws of the organization, which must clearly contain the following:
 - a. The name, purpose, proposed activities, and rules of membership of the organization, the officers, their terms and methods of selection, the proposed nature and frequency of meetings and activities, and, the financial plans of the organization, including any proposed fees, dues and assessments.
 - b. The names and signatures of the charter members of the organization.
 - c. The names of the faculty adviser and/or the administrative officers of the institution who will sponsor the organization.
 - d. A statement of assurance of compliance by the organization that it will comply with all rules and regulations, policies and procedures of the Board and the institution and with all federal and state laws and regulations.
 3. The designated number of copies of the foregoing documents and information must be submitted to the office of the designated body or bodies of the institution authorized to review and make recommendations concerning proposed organizations.
 4. Recommendations regarding registration of a proposed organization must be forwarded by the designated body or bodies

of the institution to the president of the institution, or authorized designee; and registration by the president or designee is necessary before the organization can be officially registered.

5. Any official or body responsible for reviewing or registering proposed organizations may require the sponsors to clarify any materials or information provided in the registration process, to resubmit the application or request with non-conforming materials or provisions deleted, or to appear at a hearing for the purpose of obtaining additional information and testimony concerning the purposes, aims or proposed activities of the organization.

VI. [Nature and Conditions of Registration](#)

- A. Registration of a student organization for other than a temporary period will be on an annual basis only, effective until the beginning of the next fall term of the institution, and shall be subject to annual renewal by the institution for each ensuing year.
- B. Annual renewal of registration of an organization shall be dependent upon the organization's demonstration of compliance with the following:
 1. It must adhere to the purposes, aims and activities as stated in the approved constitution and bylaws;
 2. It must continue to meet all of the requirements for initial registration;
 3. It must have remained in compliance with all rules and regulations of the institution and all federal and state laws;
 4. It must submit all changes in the constitution and bylaws to the institution for approval;
 5. It must maintain a current list of officers, faculty advisers and sponsors on file with the institution; and

6. It must have submitted all required financial and other reports to the institution.

VII. Reports

- A. Each institution may require any or all organizations to submit an annual report concerning its programs and activities during the preceding year. If required, this report shall be reviewed by the designated bodies or officials of the institution, and shall be a requirement for renewal of registration.

VIII. Probation, Suspension, and Withdrawal of Registration

- A. An organization may be placed on probation, be suspended, or registration may be withdrawn by the designated authority of the institution for any of the following reasons:
 1. The organization fails to maintain compliance with the initial requirements for registration;
 2. The organization ceases to operate as an active organization;
 3. The organization request withdrawal of registration;
 4. The organization operates or engages in any activity in violation of rules and regulations of the institution, or federal or state laws; or
 5. The organization fails to submit any required reports.
- B. An organization which is placed on probation may continue to hold meetings but may not sponsor any activity or program.
- C. An organization which is placed under suspension may not engage in or sponsor any activity or program, and may not hold meetings.
- D. Where registration of an organization is withdrawn, it shall cease to exist as an organization.
- E. In the event an organization is placed on probation or suspended, or registration is withdrawn on the basis of section VIII.A.4., the organization

shall be afforded the opportunity for a hearing before the appropriate institutional representative or committee.

IX. **Officers of Student Organizations**

- A. No student who is under academic or social suspension from the institution shall be eligible to become, or maintain the status of, an officer of an organization.

X. **Fiscal Management**

- A. Institutional management of finances for student organizations is governed by Financial Management of Student Organizations, TBR Policy 4.01.08.00.

XI. **Programs and Activities**

- A. The use of any campus property or buildings by an organization shall be subject to the rules and regulations of the Board and the institution concerning use of property and facilities.
- B. All organizations registered pursuant to this policy shall be "affiliated organizations" for the purposes of any Board, or institutional policies concerning use of campus property and facilities. (Reference Policy No. 1.03.02.50)
- C. Except for routine meetings of the organization, no on-campus program or activity shall be engaged in unless approved by the designated bodies and/or officials of the institution, and each institution may require prior approval for off-campus programs and activities.
- D. Prior to approval, the institution may require a specified number of officials or security officers for any event, activity or program.
- E. Any fund-raising activity on campus shall be for the benefit of the organization as a whole or a charity, and no funds shall be distributed to the officers or members of an organization for personal profit or gain.

- F. No guest speakers shall be invited to the campus except pursuant to policies of the Board and the institution concerning guest or off-campus speakers. (Reference Policy No. 1.03.02.50)

Policy/Guideline Area

Student Policies

Applicable Divisions

TCATs, Community Colleges

Purpose

The following policy of the Tennessee Board of Regents, applicable to all institutions governed by the Board, provides minimum standards for the registration and conduct of student organizations at the institutions.

Policy/Guideline

I. [Scope](#)

- A. Each institution is authorized to establish additional policies and procedures affecting student organizations which are consistent with the provisions of this policy.

II. [Types of Student Organizations](#)

- A. Student organizations may be either organizations sponsored by the institution, such as student government associations, associated student body organizations, and professional and honor societies, or organizations officially registered by the institution.
- B. Organizations which may be registered to operate on campuses include the following:
 - 1. Honors and leadership organizations and recognition societies;
 - 2. Departmental organizations and professional fraternities and sororities; and
 - 3. Special interest groups (political, religious, athletic, etc.).

- C. Registration of a student organization by an institution shall neither constitute nor be construed as approval or endorsement by the institution of the purposes or objectives of the organization.

III. General Policies on Student Organizations

- A. No student organization may carry on any activity on the campus of an institution unless the organization has been officially registered by the institution.
- B. No institution shall be responsible for injuries or damages to persons or property resulting from the activities of student organizations, or for any debts or liabilities incurred by such organizations.
- C. No student organization shall deny membership to any person on the basis of age, race, sex, religion, handicap or national origin, provided that social fraternities and sororities may have sex restricted membership, subject to the following exceptions:
 - 1. No TBR institution that grants recognition to any student organization shall discriminate against or deny recognition to a student organization, or deny to a student organization access to programs, funding, or facilities otherwise available to another student organization, on the basis of:
 - a. The religious content of the organization's speech including, but not limited to, worship; or
 - b. The organization's exercise of its rights pursuant to subsection 2.
 - 2. A religious student organization may determine that the organization's religious mission requires that only persons professing the faith of the group and comporting themselves in conformity with it qualify to serve as members or leaders.

- D. No student organization or individual shall engage in or condone any form of hazing.
1. Hazing means any intentional or reckless act, on or off the property, of any higher education institution by an individual acting alone, or with others, which is directed against any other person(s) that endangers the mental or physical health or safety of that person(s), or which induces or coerces a person(s) to endanger such person(s) mental or physical health or safety. Hazing does not include customary athletic events or similar contests or competitions and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization.
 2. Allegations, information, or concerns of hazing should be reported to: [insert contact information].
 3. Reports of hazing will be investigated and resolved in accordance with [3.02.00.01, General Policy on Student Conduct & Disciplinary Sanctions](#).
 4. Exhibit 1 includes a list of prevention and awareness programs.
- E. Student organizations shall be vicariously responsible and liable for the conduct and actions of each member of the organization while acting in the capacity of a member or while attending or participating in any activity of the organization.
- F. No person, group or organization may use the name of the institution in any manner, provided that registered student organizations may use the name of the institution following the name of the organization.

- G. No person, group or organization may use the seal or any symbol of the institution without the prior written approval of the president of the institution, or designee.

IV. **Criteria for Registration of Organizations**

- A. Any proposed student organization shall be open to all students of the institution who otherwise meet membership requirements.
- B. Membership in the organization shall be limited to currently enrolled students; provided that organizations may include faculty and staff of the institution, and/or spouses of students, faculty and staff, and provided further that professional organizations may include members of the professional and business communities as members.
- C. A proposed organization must represent the interests of the members, and the control of the organization must be within the local campus group.
- D. The organization must not have a knowing affiliation with an organization possessing illegal aims and goals, with a specific purpose to further those illegal aims and goals.
- E. The proposed organization must agree to comply with all policies, regulations and procedures established by the Board and the institution, and with all federal and state laws and regulations.
- F. The proposed organization must not:
 - 1. Have illegal aims and goals;
 - 2. Propose activities which would violate regulations of the Board or the institution, or federal or state laws and regulations, or materially and substantially disrupt the work and discipline of the institution; or
 - 3. Advocate incitement of imminent lawless action which is likely to produce such action.

- G. The proposed organization must have the minimum number of charter members designated by the institution, and there must be a demonstration of continuous interest in the purposes of the organization sufficient to afford registration on a long-term basis.
 - 1. In the event there is not sufficient interest to warrant long-term registration, an institution may grant temporary registration to an organization for a limited period of time.
 - H. New organizations may be denied registration where the purposes are within the scope of a currently registered organization.
 - I. No organization may use the same name, or a name which is misleading and similar to the name, of a currently registered organization.
 - J. The organization must provide for the distribution of all funds and assets in the event of dissolution.
- V. [Procedure for Registration of Organizations](#)
- A. In order to become officially registered as a student organization, a group must meet the criteria set forth in section IV., and must provide to the institution a minimum of the following:
 - 1. An application or request to form the organization on the form designated by the institution.
 - 2. The proposed constitution and bylaws of the organization, which must clearly contain the following:
 - a. The name, purpose, proposed activities, and rules of membership of the organization, the officers, their terms and methods of selection, the proposed nature and frequency of meetings and activities, and, the financial plans of the organization, including any proposed fees, dues and assessments.

- b. The names and signatures of the charter members of the organization.
 - c. The names of the faculty adviser and/or the administrative officers of the institution who will sponsor the organization.
 - d. A statement of assurance of compliance by the organization that it will comply with all rules and regulations, policies and procedures of the Board and the institution and with all federal and state laws and regulations.
- 3. The designated number of copies of the foregoing documents and information must be submitted to the office of the designated body or bodies of the institution authorized to review and make recommendations concerning proposed organizations.
- 4. Recommendations regarding registration of a proposed organization must be forwarded by the designated body or bodies of the institution to the president of the institution, or authorized designee; and registration by the president or designee is necessary before the organization can be officially registered.
- 5. Any official or body responsible for reviewing or registering proposed organizations may require the sponsors to clarify any materials or information provided in the registration process, to resubmit the application or request with non-conforming materials or provisions deleted, or to appear at a hearing for the purpose of obtaining additional information and testimony concerning the purposes, aims or proposed activities of the organization.

VI. [Nature and Conditions of Registration](#)

- A. Registration of a student organization for other than a temporary period will be on an annual basis only, effective until the beginning of the next fall

term of the institution, and shall be subject to annual renewal by the institution for each ensuing year.

B. Annual renewal of registration of an organization shall be dependent upon the organization's demonstration of compliance with the following:

1. It must adhere to the purposes, aims and activities as stated in the approved constitution and bylaws;
2. It must continue to meet all of the requirements for initial registration;
3. It must have remained in compliance with all rules and regulations of the institution and all federal and state laws;
4. It must submit all changes in the constitution and bylaws to the institution for approval;
5. It must maintain a current list of officers, faculty advisers and sponsors on file with the institution; and
6. It must have submitted all required financial and other reports to the institution.

VII. Reports

A. Each institution may require any or all organizations to submit an annual report concerning its programs and activities during the preceding year. If required, this report shall be reviewed by the designated bodies or officials of the institution, and shall be a requirement for renewal of registration.

VIII. Probation, Suspension, and Withdrawal of Registration

A. An organization may be placed on probation, be suspended, or registration may be withdrawn by the designated authority of the institution for any of the following reasons:

1. The organization fails to maintain compliance with the initial requirements for registration;

2. The organization ceases to operate as an active organization;
 3. The organization request withdrawal of registration;
 4. The organization operates or engages in any activity in violation of rules and regulations of the institution, or federal or state laws; or
 5. The organization fails to submit any required reports.
- B. An organization which is placed on probation may continue to hold meetings but may not sponsor any activity or program.
- C. An organization which is placed under suspension may not engage in or sponsor any activity or program, and may not hold meetings.
- D. Where registration of an organization is withdrawn, it shall cease to exist as an organization.
- E. In the event an organization is placed on probation or suspended, or registration is withdrawn on the basis of section VIII.A.4., the organization shall be afforded the opportunity for a hearing before the appropriate institutional representative or committee.

IX. **Officers of Student Organizations**

- A. No student who is under academic or social suspension from the institution shall be eligible to become, or maintain the status of, an officer of an organization.

X. **Fiscal Management**

- A. Institutional management of finances for student organizations is governed by Financial Management of Student Organizations, TBR Policy 4.01.08.00.

XI. **Programs and Activities**

- A. The use of any campus property or buildings by an organization shall be subject to the rules and regulations of the Board and the institution concerning use of property and facilities.

- B. All organizations registered pursuant to this policy shall be "affiliated organizations" for the purposes of any Board, or institutional policies concerning use of campus property and facilities. (Reference Policy No. 1.03.02.50)
- C. Except for routine meetings of the organization, no on-campus program or activity shall be engaged in unless approved by the designated bodies and/or officials of the institution, and each institution may require prior approval for off-campus programs and activities.
- D. Prior to approval, the institution may require a specified number of officials or security officers for any event, activity or program.
- E. Any fund-raising activity on campus shall be for the benefit of the organization as a whole or a charity, and no funds shall be distributed to the officers or members of an organization for personal profit or gain.
- F. No guest speakers shall be invited to the campus except pursuant to policies of the Board and the institution concerning guest or off-campus speakers. (Reference Policy No. 1.03.02.50)

MEETING:	Committee on Academic Policies/Programs, Student Life
SUBJECT:	TCAT Program Approvals
DATE:	June 12, 2025
PRESENTER:	Vice Chancellor Jothany Reed
PRESENTATION REQUIREMENTS:	10 minutes with discussion
ACTION REQUIRED:	Voice Vote
STAFF RECOMMENDATION:	Recommend Approval

Program Proposals requiring Board approval from TCAT Committee:

Twenty-nine (29) program proposals are being presented for the Committee's review and approval. These proposals will allow the Technical Colleges to be more responsive to the needs of students, businesses, and industries. Please see corresponding implementation proposals for each program following the list below. The proposals are:

1. Implement the Computer Information Technology program at TCAT Athens main campus.
2. Implement the Heating, Ventilation, Air Conditioning and Refrigeration program at TCAT Athens main campus.

3. Implement the Culinary Essentials (DE Only) program at TCAT Crump at Hardin County High School (2G).
4. Implement the EMT Accelerated program at TCAT Crump main campus.
5. Implement the Automotive Service Technology program at TCAT Crump main campus.
6. Implement the Off-Road Diesel Technology program at TCAT Dickson main campus.
7. Implement the Computer Information Systems program at TCAT Elizabethton main campus.
8. Implement the Industrial Maintenance Integrated Automation Technology program at TCAT Elizabethton main campus.
9. Implement the Retail, Hospitality & Tourism Technology program at TCAT Elizabethton main campus.
10. Implement the Truck Driving program at TCAT Elizabethton- Boones Creek Campus (2Q).
11. Implement the Construction Electricity-CDL program at TCAT Harriman main campus.
12. Implement the Pre-Practical Nursing (DE Only) program at TCAT Hartsville- Macon County High School (2H).
13. Implement the EMT Accelerated program at the TCAT Hohenwald at Perry County EMS Instructional Service Center (2S) and Wayne County Technology Instructional Service Center (3H).
14. Implement the Heating, Ventilation, Air Conditioning and Refrigeration program at TCAT Hohenwald main campus.
15. Implement the Power Line Construction and Maintenance program at TCAT Jackson- Whiteville Extension campus (2S).

16. Replicate the existing Industrial Electricity program at the TCAT Knoxville- Ruth and Steve West Workforce Development Center (3B).
17. Replicate the existing Practical Nursing program at TCAT Knoxville- Union County Extension Campus (pending THEC site approval).
18. Replicate the existing Welding Technology program at TCAT Knoxville- Union County Extension Campus (pending THEC site approval).
19. Replicate the existing the Residential/Commercial/Industrial Electricity program at TCAT McMinnville- Coffee County Instructional Service Center (2J).
20. Implement the Industrial Maintenance Control program at TCAT Murfreesboro- Smyrna campus (2A).
21. Implement the Engineering Systems Technology day and evening program at TCAT Northwest main campus.
22. Implement the Pre-Practical Nursing (DE Only) program at TCAT Northwest- Dyersburg High School (2B).
23. Implement the Aesthetics Technology program at TCAT Pulaski main campus.
24. Implement the Automotive Technology program at TCAT Pulaski main campus.
25. Implement the Cosmetology program at TCAT Pulaski main campus.
26. Implement the Manicuring program at TCAT Pulaski main campus.
27. Relocate the existing Diesel-Powered Equipment Technology program from the main campus to the TCAT Upper Cumberland North Extension Campus (pending THEC site approval).
28. Relocate the Truck Driving program from the main campus to the TCAT Upper Cumberland North Extension Campus (pending THEC site approval).

29. Relocate the existing Heating, Ventilation, Air Conditioning, and Refrigeration program from the TCAT Upper Cumberland (Livingston) campus to the TCAT Livingston-Jackson Instructional Service Center (2D).

Academic Actions for June 2025 Requiring Only Notification to Vice Chancellor

Thirty (30) academic actions were submitted by a TCAT institution to the Vice Chancellor for approval based on section C of the TBR Policy: 2:01:02:00, requiring only notification to the Vice Chancellor. Appropriate documentation to support the need was provided. The proposals are as follows:

College	Summary of Proposal	New Costs/Funding Source	Approval/Implementation Date

PROGRAM IMPLEMENTATION PROPOSAL – 1

INSTITUTION:	Tennessee College of Applied Technology Athens		
PROPOSED PROGRAM TITLE:	Computer Information Technology		
PROPOSAL:	Tennessee College of Applied Technology Athens proposes implementing the Computer Information Technology program at the main campus. The program is 2160 clock hours and awards a diploma.		
PROGRAM ACCREDITOR:	N/A		
EFFECTIVE DATE:	Fall 2025		
OBJECTIVE:	The Computer Information Technology program has been developed to provide academic, hands-on, and valuable real-world training with the fundamental skill sets essential to those who strive to become a professional in the computer and network information systems industries.		
NEED:	Employment in computer and information technology occupations is projected to grow much faster than average, with about 356,700 openings projected each year due to employment growth and the need to replace workers.		
PROJECTED ENROLLMENT:	YEAR	ENROLLMENT	COMPLETERS

FISCAL RESOURCES:	Existing funds from the Computer Electronics program will be utilized.		

FACILITIES:

The existing facilities from the Computer Electronics program will be utilized.

ACTION REQUIRED:

Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 2

INSTITUTION:	Tennessee College of Applied Technology Athens
PROPOSED PROGRAM TITLE:	Heating, Ventilation, Air Conditioning and Refrigeration
PROPOSAL:	Tennessee College of Applied Technology Athens proposes implementing the Heating, Ventilation, Air Conditioning and Refrigeration- HVA program at the main campus. The program is 1728 clock hours and awards a diploma.
PROGRAM ACCREDITOR:	N/A
EFFECTIVE DATE:	Fall 2025
OBJECTIVE:	Upon completion of the program, graduates are prepared to troubleshoot, repair, and maintain residential and commercial refrigeration; air conditioning; heat pumps; humidifiers; and electrical and gas heating. Graduates also understand the fundamentals of electricity, electric motors, and controls. Graduates of the program will be able to install and braze refrigeration tubing, diagnose electrical problems; install duct systems; repair light commercial equipment; recover air conditioning and refrigeration refrigerants; locate and repair leaks.
NEED:	Several factors are driving the increased demand for HVAC systems: Climate Conditions: Our region experiences extreme temperatures, necessitating reliable heating and cooling solutions. Population Growth: Rapid urbanization has led to a surge in new construction projects, all requiring modern HVAC systems. Energy Efficiency: Consumers are increasingly seeking energy-efficient systems to reduce their utility bills and environmental footprint. Regulatory Requirements: New regulations mandate the use of environmentally friendly HVAC systems, further boosting demand. There are currently 580 job openings as of 4/28/25.

FACILITIES: This program will be in the new academic building being built.

ACTION REQUIRED: Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 3

INSTITUTION:	Tennessee College of Applied Technology Crump
PROPOSED PROGRAM TITLE:	Culinary Essentials (DE Only)
PROPOSAL:	Tennessee College of Applied Technology Crump proposes implementing the Culinary Essentials (DE Only) program at Hardin County High School (2G). The program is 600 clock hours and awards a certificate.
PROGRAM ACCREDITOR:	N/A
EFFECTIVE DATE:	Fall 2025
OBJECTIVE:	The Culinary Essentials Certificate (CEC) is a 600 hour certificate program that prepares students to enter the culinary workforce in settings such as restaurants, country clubs, resorts, hotels and many other foods service opportunities. Students learn culinary arts fundamental cooking methods, flavor development, fabrication techniques, world cuisines, baking and pastry, sanitation and safety, nutritional analysis and culinary math. Students work in a hands-on and immersive environment since two-thirds of the CEC Program is the practical application of knowledge and skills gained. The CEC Program requires a 240-hour internship to further bridge classroom learning with practical applications in the culinary field.
NEED:	The Tennessee Department of Labor statistics indicate that the Food Service industry is expected to grow by 17 percent over the next 10 years, well above the Bureau of Labor Statistics average job growth for all industries (4 percent) during that same time period. According to Jobs4TN the industry has nearly 8,000 job openings in Tennessee.

PROGRAM IMPLEMENTATION PROPOSAL – 4

INSTITUTION:	Tennessee College of Applied Technology Crump
PROPOSED PROGRAM TITLE:	EMT Accelerated
PROPOSAL:	Tennessee College of Applied Technology Crump proposes implementing the EMT Accelerated program at the main campus. This program is 600 clock hours and awards a certificate.
PROGRAM ACCREDITOR:	N/A
EFFECTIVE DATE:	Fall 2025
OBJECTIVE:	This program adds the Advanced Emergency Medical Technician (AEMT) Certificate to the existing EMT-Basic Certificate currently being taught by the college. This course is required to apply for certification as an Advanced Emergency Medical Technician (AEMT). The primary focus of the AEMT is to provide basic and limited advanced emergency medical care and transportation for critical and emergent patients who access the emergency medical system. Topics include extending the knowledge of the EMT to a more complex breadth and depth, intravenous access and fluid therapy, medication administration, blind insertion airway devices, as well as the advanced assessment and management of various medical illnesses and traumatic injuries. This course is based on the NHTSA National Emergency Medical Services Education Standards. Requires licensure or eligibility for licensure at the EMT level.
NEED:	The Jobs4TN Occupation Profile for Emergency Medical Technician shows the number of openings far exceeding the potential employees. The employment of EMTs and paramedics is projected to grow 11 percent from 2020 to 2030, faster than the average for all occupations. Growth in the middle-aged and older population will lead to an increase in age-related health emergencies, such as heart attacks and strokes. This increase, in turn,

will create greater demand for EMT and paramedic services. Local Emergency Medical Services providers have cited the need for more EMTs in the workforce to fill vacancies that exist. The labor market supports the need to create this new program of study to meet the growing demand in the healthcare industry.

Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 5

INSTITUTION: Tennessee College of Applied Technology
Crump

PROPOSED PROGRAM TITLE: Automotive Service Technology

PROPOSAL: Tennessee College of Applied Technology Crump proposes implementing the Automotive Service Technology program at the main campus. This program is 1296 clock hours and awards a diploma.

PROGRAM ACCREDITOR: N/A

EFFECTIVE DATE: Spring 2026

OBJECTIVE: The objective of this program is to train students for entry into the automotive repair field. The Automotive Service Technology program enables students to obtain a thorough understanding of design, construction, and theory of the operation within the automotive systems and their relationship to the complete automobile.

NEED: The THEC Academic Supply for Occupational Demand Report lists Automotive Service Technicians and Mechanics as an in-demand occupation in Tennessee. Jobs4TN projects annual openings of 2,108 for the time period 2022-2032. Area employers indicate a need for additional well-trained automotive technicians in the area.

PROGRAM IMPLEMENTATION PROPOSAL – 6

INSTITUTION:	Tennessee College of Applied Technology Dickson
PROPOSED PROGRAM TITLE:	Off-Road Diesel Technology
PROPOSAL:	Tennessee College of Applied Technology Dickson proposes implementing the Off-Road Diesel Technology program at main campus. This program is 1296 clock hours and awards a diploma.
PROGRAM ACCREDITOR:	N/A
EFFECTIVE DATE:	Fall 2025
OBJECTIVE:	The Off-Road Diesel Tech program provides practical experience in the repair and maintenance of engines, fuel systems, electrical systems, clutch and transmissions, hydraulics, hydrostatic transmissions, drivelines and axles, frame and suspension systems, steering systems, brake systems, heating, ventilation, and air conditioning systems. Students receive instruction in diagnosing trouble, system analysis, disassembly, replacing defective parts, reassembling, etc. The program mission is to provide technical instruction and skill development to enable students to enter employment in construction, agricultural equipment, and other related fields as technicians. By working on actual Off-Road diesel equipment, students are well prepared to enter the workforce after graduation.
NEED:	TCAT Dickson already has a DPE program serving this workforce need, but the ODT program aligns better with the local industry based on the occupational advisory board's recommendations. According to THEC, in the North Middle Tennessee region, there are 2,710 jobs with 411 annual openings, and 1648 hires in 2023. The employment openings are expected to rise by 15% between 2022 and 2023. The CPL data for DPE Dickson is 93% completion and 90% placement. The advisory

committee and instructor expect these numbers to rise with the ODT program.

PROGRAM IMPLEMENTATION PROPOSAL – 7

INSTITUTION: Tennessee College of Applied Technology
Elizabethton

PROPOSED PROGRAM TITLE: Computer Information Systems

PROPOSAL: Tennessee College of Applied Technology
Elizabethton proposes implementing the Computer
Information Systems program at the main campus.
This program is 1296 clock hours and awards a
diploma.

PROGRAM ACCREDITOR: N/A

EFFECTIVE DATE: Spring 2026

OBJECTIVE: The Computer Information Systems program is
designed to provide training in computer operations
that meet the occupational needs of local business
and industry in computer-related areas. The CIS
program provides students with first-hand
knowledge of the hardware, software, and
operations of personal computers used in business
and industry today. The program consists of a
combination of job simulated projects and actual
campus IT work which provides the student with
true “hands-on” learning experience.

NEED: According to Jobs-4-TN, there are currently (55)
open positions that require formal IT training within
a (25) mile radius of TCAT-Elizabethton. Further,
statewide there are over 1600 jobs that require
training in IT in order to fulfill the requirements.

	3	15	13

PROJECTED COSTS:	YEAR	COST
	1	\$5,000
	2	\$5,000
	3	\$5,000

NEW FACULTY NEEDED:

No new faculty needed.

FISCAL RESOURCES:

This program will accompany the CIT program and give students that want a more "hands-on" option with shorter training feasibility to select this program. No new funding is needed for an instructor as we will teach this program alongside the traditional CIT program. A small amount of operating expenses will need to be added annually to support the supply and material needs of the new program.

FACILITIES:

The campus will utilize classroom and lab space already allocated to Computer Information Technology (CIT).

ACTION REQUIRED:

Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 8

INSTITUTION:	Tennessee College of Applied Technology Elizabethton
PROPOSED PROGRAM TITLE:	Industrial Maintenance Integrated Automation
PROPOSAL:	Tennessee College of Applied Technology Elizabethton proposes implementing Industrial Maintenance Integrated Automation program at the main campus. This program is 1728 clock hours and awards a diploma.
PROGRAM ACCREDITOR:	N/A
EFFECTIVE DATE:	Fall 2025
OBJECTIVE:	The Industrial Maintenance Integrated Automation Technology program provides students with a thorough understanding of the theory and operation of industrial plant and advanced manufacturing systems. Students gain the skills necessary to become technicians and to advance in the field of machine and equipment troubleshooting and repair. Instruction consists of both classroom and practical application work involving machine shop, electricity, mechanical power transmission, hydraulics, pneumatics and programmable logic controllers. Industrial maintenance work is characterized by variety because each equipment repair job presents a different problem requiring the knowledge to diagnose and repair. Students gain the skills necessary to become successful in an advanced manufacturing position. These technicians are responsible for installing, repairing, and maintaining the electronic equipment in manufacturing environments such as PLC's, Robotics, and Human Machine Interface Trainers.
NEED:	Currently, in the state of Tennessee there are over 5700 jobs in manufacturing that require some formal training in maintenance or automation. There are over 320 jobs located within a 25-mile radius of TCAT-Elizabethton in industrial maintenance or advanced manufacturing that

require entry level training. In early March 2025, the Advanced Manufacturing Advisory Committee met and discussed proposed changes that more closely align with regional industry needs. A program inventory was conducted, and the committee unanimously chose the IMI program as the best available training to meet regional needs.

No new faculty needed.

FISCAL RESOURCES:

This program will take the place of the current Advanced Manufacturing Technology program. We will teach out all of the current students in Advanced Manufacturing Technology and only offer this as the entry option for new students upon program approval. No new faculty is needed as we will realign the current Advanced Manufacturing instructor with this program.

FACILITIES:

The current Advanced Manufacturing classroom and lab at TCAT-Elizabethton main campus will be used for this program. All existing equipment, supplies, and textbooks are applicable to this program. No additional resources will be needed to launch this program.

ACTION REQUIRED:

Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 9

INSTITUTION:	Tennessee College of Applied Technology Elizabethton
PROPOSED PROGRAM TITLE:	Retail, Hospitality & Tourism Technology
PROPOSAL:	Tennessee College of Applied Technology Elizabethton proposes implementing Retail Hospitality & Tourism Technology program at the main campus. This program is 1296 clock hours and awards a diploma.
PROGRAM ACCREDITOR:	N/A
EFFECTIVE DATE:	Spring 2026
OBJECTIVE:	The Retail, Hospitality & Tourism Technology program is designed to provide the student with a thorough understanding of the best practices and skills used in the management, marketing and operations of retail stores, food services, lodging, attractions, recreation events and travel-related services. Through class study, problem-based learning, work-based activities, guest lecturers, portfolio building and actual “hands-on” performance tasks the student will develop the professional and technical skills applicable to retail management, hospitality supervisory fundamentals, customer service essentials, and information & communication technologies.
NEED:	Currently, in the Northeast TN region there are (84) jobs open that require some level of training post high school in hospitality in management or administrative support. Additionally, in the retail field there are (90) jobs available in management and (45) in administrative support that require training within a (25) mile radius of TCAT- Elizabethton. Statewide there are over 2800 open positions in management or administrative support in the fields of retail and hospitality.

FISCAL RESOURCES:

There will be no new fiscal resources needed to begin this program. It will be offered as an accompanying program of study in our existing Administrative Office Technology classroom with the same qualified instructor that has a background in tourism management. This will allow for greater program diversity at TCAT-Elizabethton.

FACILITIES:

No additional space will be needed for this program. There is existing classroom space at the main campus where this program will be located.

PROGRAM IMPLEMENTATION PROPOSAL – 10

INSTITUTION: Tennessee College of Applied Technology
Elizabethton

PROPOSED PROGRAM TITLE: Truck Driving

PROPOSAL: Tennessee College of Applied Technology
Elizabethton proposes implementing Truck Driving
program at the Boones Creek campus (2Q). This
program is 222 clock hours and awards a
certificate.

PROGRAM ACCREDITOR: N/A

EFFECTIVE DATE: Fall 2025

OBJECTIVE: This program is designed to provide classroom
work/activities, yard driving, and road experiences
necessary to develop the skills necessary for initial
employment in the commercial trucking industry.
Students learn to drive defensively and to abide by
all local, state, and federal regulations. The
information presented prepares the student to pass
the written and skills portion of the commercial
driver's license (CDL) examination.

NEED: This program has been requested by local
transportation and logistics companies for several
years. Currently, in the state of Tennessee there are
over 1300 unfilled logistics and transportation jobs
available that require a CDL. In the 25-mile radius
of our Boones Creek Extension Campus, there are
currently over 90 logistics and transportation jobs
open that require a CDL.

OBJECTIVE: The Construction Electricity-CDL program's
mission is to prepare students for the various
Industrial Electricity and Residential or Commercial
Electrician careers.

NEED: TCAT-Harriman's Construction Electricity-CDL
advisory committee has been discussing the need
for their employees to have the CDL training for
over a year. In addition, local utility companies
have contracted with TCAT-Harriman to provide
training for their current employees. Therefore, this
change is in direct response to the needs of our local
business and industry

PROGRAM IMPLEMENTATION PROPOSAL – 12

INSTITUTION:	Tennessee College of Applied Technology Hartsville		
PROPOSED PROGRAM TITLE:	Pre-Practical Nursing (DE Only)		
PROPOSAL:	Tennessee College of Applied Technology Hartsville proposes implementing the Pre-Practical Nursing (DE-Only) program at Macon County High School (2H). This program is 432 clock hours and awards a certificate.		
PROGRAM ACCREDITOR:	N/A		
EFFECTIVE DATE:	Fall 2025		
OBJECTIVE:	The Pre-Practical Nursing (Pre-PN) Pathway is an articulated pathway from high school into the TCAT Hartsville Practical Nursing program through early post-secondary opportunities (EPSO) for the purpose of providing eligible high school students the opportunity to earn both college and high school graduation credits simultaneously upon successful completion of qualified courses/program. Pre-PN Pathway curriculum will include preparatory coursework for the Practical Nursing program taught and facilitated by TCAT Nursing faculty. The pathway is a combination of classroom and laboratory experiences.		
NEED:	According to the 2024 THEC Academic Supply and Occupational Demand Report, “statewide, there is a notable demand for mid-level technically skilled practitioners, specifically for licensed practical and licensed vocational nurses”. This initiative seeks to anticipate regional economic and demographic forecasts in Middle Tennessee, where the Tennessee Hospital Association projects that LPN supply adequacy may be at only approximately 40% by 2035.

If the RHC grant is not awarded, TCAT Hartsville and its K12 partners will fund the salaries and benefits for PPN instructors through local grant funds and dual enrollment grant tuition. One industry partner, Macon Community Hospital, has received Department of Labor grant funding for rural health care initiatives and has committed to support these dual enrollment endeavors to expand postsecondary credit in our rural areas. Equipment and supplies are on hand; however, additional capacity will be included with an RHC grant award.

FACILITIES:

TCAT Hartsville will use existing Health Sciences Education facilities at K12 partners for dual enrollment program delivery. Clinical and collaborative partners will provide clinical rotation sites throughout our service delivery area.

PROGRAM ACCREDITOR: N/A

EFFECTIVE DATE: Spring 2026

OBJECTIVE: The Heating, Ventilation, Air Conditioning and
Refrigeration program is an individual program that
prepares individuals to work in a variety of jobs in
the field of residential and light commercial air
conditioning and refrigeration.

NEED: There is industry demand for a Heating, Ventilation,
Air Conditioning and Refrigeration (HVA) program
in TCAT Hohenwald's primary service area, which
consists of approximately 216,979 residents. The
training provided by the Heating, Ventilation, Air

PROGRAM IMPLEMENTATION PROPOSAL – 15

INSTITUTION: Tennessee College of Applied Technology
Jackson

PROPOSED PROGRAM TITLE: Power Line Construction and Maintenance

PROPOSAL: Tennessee College of Applied Technology Jackson proposes implementing the Power Line Construction and Maintenance program at the Whiteville Extension (2S) campus. This program is 648 clock hours and awards a certificate.

PROGRAM ACCREDITOR: N/A

EFFECTIVE DATE: Spring 2026

OBJECTIVE: The Power Line Construction and Maintenance program is a six-month pre-apprenticeship program that Covers climbing techniques, single and three phase construction, transformer basics, Power Linne Maintenance & Repair, and Truck Driving.

NEED: The Power Line Construction and Maintenance program at TCAT Jackson is positioned to meet the growing demand for skilled electrical line workers in Tennessee. Tennessee is experiencing a significant need for electrical power-line installers and repairers, with a projected job growth rate of 15.3%, surpassing the national average of 13.9%. This translates to approximately 370 annual job openings in the state, aiming for a total of 4,300 positions by 2026.

PROGRAM IMPLEMENTATION PROPOSAL – 16

INSTITUTION: Tennessee College of Applied Technology
Knoxville

PROPOSED PROGRAM TITLE: Industrial Electricity

PROPOSAL: Tennessee College of Applied Technology
Knoxville proposes replicating the existing
Industrial Electricity program at the Ruth and Steve
West Workforce Development Center (3B). This
program is 2160 clock hours and awards a
diploma.

PROGRAM ACCREDITOR: N/A

EFFECTIVE DATE: Spring 2026

OBJECTIVE: This program prepares individuals with the
technical skills and knowledge needed to install,
operate, maintain, and repair electrical systems and
equipment in residential, commercial, and industrial
settings.

NEED: The rationale for the Industrial Electricity program
is strongly supported by supply and demand data
from the Tennessee Department of Labor, which
indicates there are 275 annual openings for
electricians in the Knox, Blount, and Anderson
counties served by the college. This significant
demand highlights a critical need for skilled
electricians in the region, as the workforce struggles
to fill these positions. By launching this program,
the college aims to address this gap, equipping
students with the necessary skills and training to
meet industry standards. This initiative not only
supports local economic growth but also provides
students with viable career opportunities in a high-
demand field.

	2nd Year:	0	\$63,000
	3rd Year:	0	\$63,000

FISCAL RESOURCES: Fiscal resources for the Industrial Electricity program will be obtained through a combination of tuition and fees, providing a steady revenue stream to support operational costs. Additionally, the college has been awarded a capacity grant specifically aimed at increasing enrollment in the program, amounting to \$325,000. This grant will enhance the program's financial sustainability, allowing for the allocation of necessary resources to cover program costs, faculty salaries, and essential equipment, ultimately contributing to the program's success and growth.

FACILITIES: The Industrial Electricity program will be replicated at the Ruth and Steve West Workforce Development Center, part of the Tennessee College of Applied Technology - Knoxville. This state-of-the-art facility features a vacant classroom and a spacious shop area, which will be effectively transformed to support hands-on training in industrial electricity. By utilizing this dedicated space, the program aims to enhance educational opportunities and prepare students for successful careers in the electrical industry.

PROPOSED PROGRAM TITLE: Practical Nursing

PROPOSAL: Tennessee College of Applied Technology
Knoxville proposes replicating the existing Practical
Nursing program at the Union County Extension
campus (pending THEC site code approval). This
program is 1296 clock hours and awards a
diploma.

PROGRAM ACCREDITOR: Tennessee Board of Nursing

EFFECTIVE DATE: Spring 2026

OBJECTIVE: The Practical Nursing Program is a 12-month
diploma program, which consists of a combination
of classroom, laboratory and clinical experiences.
These experiences expose the student to the wide
variety of tasks and responsibilities required of
today's practical nurse.

NEED: According to the Tennessee Department of Labor
and Workforce Development, there are projected to
be over 350 annual job openings for licensed
practical nurses (LPNs) by 2026. Currently, the
supply of qualified nurses is insufficient to meet this
growing need, with local healthcare facilities
struggling to fill critical positions.

PROPOSAL: Tennessee College of Applied Technology
Knoxville proposes replicating the existing Welding
Technology program at the Union County
Extension campus (pending THEC site code
approval). This program is 1296 clock hours and
awards a diploma.

PROGRAM ACCREDITOR: American Welding Society

EFFECTIVE DATE: Spring 2026

OBJECTIVE: Students will learn to perform entry level
proficiency in shielded metal arc, gas metal arc, flux
core arc and gas tungsten arc welding. Materials to
be joined include carbon steel, stainless steel and
aluminum. The students will be using sheet, plate
and pipe, incorporating both fillet and groove
weldments in the 1F-2F and 1G-4G positions for
sheet/plate, as well as both 2G & 6G position for
pipe. AWS, ASME and API
qualification/certification paths are available for
those that chose to pursue those options.

NEED: According to the Tennessee Department of Labor
and Workforce Development, there will be 145
annual job openings in welding by 2026. Currently,
the supply of trained welders is insufficient to fill
these positions. By establishing this program, we
can equip local residents with the necessary skills to
address this workforce gap, thereby supporting both
individual career opportunities and the economic
growth of the region.

EFFECTIVE DATE: Fall 2025

OBJECTIVE: This program is designed to prepare students to
enter the Industrial Maintenance field in an entry-
level position and to enhance the skills of students
already employed in the field. The program
provides instruction to develop the skills needed to
succeed in the repair and maintenance of machinery
and equipment in the industrial environment.

NEED: The current Industrial Electrical Maintenance
program in high demand with our local
manufacturing and supply industries. The revisions
to the program will allow for more industries to hire
our students in the following areas... mechanical,
electrical, fluid power, automations and
controls. The local industries have showed support

PROPOSAL:	Tennessee College of Applied Technology Northwest proposes implementing Engineering Systems Technology program at the main campus. This program is 1296 clock hours and awards a diploma.		
PROGRAM ACCREDITOR:	N/A		
EFFECTIVE DATE:	Fall 2025		
OBJECTIVE:	The Engineering Systems Technology (EST) program builds talent capacity for business and industry partners, thereby improving the potential for future industrial growth and innovation. TCAT Northwest's Engineering Systems Technology program stands as a strategic solution to this challenge, providing a direct pathway for individuals to secure rewarding careers while simultaneously improving the skill sets of the state and national labor force.		
NEED:	U.S. manufacturing is on a trajectory of growth, with projections indicating a need for up to 3.8 million new jobs within the next decade. This demand in turn affects the labor shed of the state of Tennessee. Nationwide, there are nearly 1.9 million manufacturing positions that need to be filled as the nation transitions toward a pro-growth, manufacturing business model.

PROGRAM IMPLEMENTATION PROPOSAL – 23

INSTITUTION:	Tennessee College of Applied Technology Pulaski		
PROPOSED PROGRAM TITLE:	Aesthetics Technology		
PROPOSAL:	Tennessee College of Applied Technology Pulaski proposes implementing Aesthetics Technology program at the main campus. This program is 750 clock hours and awards a certificate.		
PROGRAM ACCREDITOR:	Tennessee State Board of Cosmetology and Barber Examiners		
EFFECTIVE DATE:	Spring 2026		
OBJECTIVE:	This program specializes in the study of skin care and offers instructions in keeping skin healthy, attractive, and well maintained. Students will complete a basic Aesthetics curriculum while demonstrating competence in theory and practical skills. Students are required to complete supervised laboratory Aesthetic procedures on live clients. Graduates will obtain a diploma and a license by the Tennessee State Board of Cosmetology upon successful completion of a written and practical examination.		
NEED:	The Aesthetics Technology program at TCAT Pulaski addresses the increasing demand for licensed skincare professionals driven by the growth of spas, dermatology clinics, and wellness centers in Southern Middle Tennessee. Adding Aesthetics will expand local options, offer a shorter certificate pathway, and optimize the use of TCAT Pulaski's new Cosmetology lab, attracting more students while meeting regional workforce needs.

NEW FACULTY NEEDED:

No new faculty needed.

FISCAL RESOURCES:

The fiscal resources for the Aesthetics Technology program at TCAT Pulaski will be supported through the existing campus expansion funding, which will cover equipment, installation, and initial setup costs. The college's institutional budget will fund ongoing operational costs, including supplies. Instructional delivery will be managed by the existing licensed Cosmetology instructor, eliminating the need for additional salary expenditures and ensuring efficient use of personnel and resources.

FACILITIES:

The Aesthetics Technology program at TCAT Pulaski will be housed within the newly constructed Cosmetology lab, which is part of the institution's campus expansion. This state-of-the-art facility includes dedicated spaces designed to accommodate multiple cosmetology-related disciplines.

ACTION REQUIRED

Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 24

INSTITUTION:	Tennessee College of Applied Technology Pulaski		
PROPOSED PROGRAM TITLE:	Automotive Technology		
PROPOSAL:	Tennessee College of Applied Technology Pulaski proposes implementing the Automotive Technology program at the main campus. This program is 1728 clock hours and awards a diploma.		
PROGRAM ACCREDITOR:	N/A		
EFFECTIVE DATE:	Spring 2026		
OBJECTIVE:	Automotive Technology is a certified technician program by the ASE Education Alliance. All instruction coincides with the instructional areas as recognized by the National Institute for Automotive Service Excellence. Training in each area includes classroom instruction and practice on simulated vehicle systems before receiving hands-on experience diagnosing and repairing “live” vehicles.		
NEED:	According to the Tennessee Department of Labor and Workforce Development, automotive service technician jobs are expected to grow by 4% statewide from 2020 to 2030, with approximately 1,830 annual openings. In the immediate service area, there are over 100 job postings for automotive technicians, reflecting strong employer demand.

NEW FACULTY NEEDED:

YEAR	NUMBER	COST
1st Year:	1	\$71,500
2nd Year:	1	\$73,000
3rd Year:	1	\$74,500

FISCAL RESOURCES:

As part of TCAT Pulaski's campus expansion project, dedicated funding has been allocated to support the development of new instructional programs. This expansion funding will cover the full cost of outfitting the Automotive Technology lab with industry-standard equipment and trainers. The college will fund the instructor's salary through its recurring operational budget, ensuring the program's long-term sustainability.

FACILITIES:

The facility for the Automotive Technology program is being developed within the newly constructed instructional building at TCAT Pulaski, which is part of the campus's expansion project. The new space has been specifically designed to accommodate high-demand technical programs.

Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 25

INSTITUTION: Tennessee College of Applied Technology
Pulaski

PROPOSED PROGRAM TITLE: Cosmetology

PROPOSAL: Tennessee College of Applied Technology Pulaski proposes implementing Cosmetology at the main campus. This program is 1500 clock hours and awards a diploma.

PROGRAM ACCREDITOR: Tennessee State Board of Cosmetology and Barbering

EFFECTIVE DATE: Spring 2026

OBJECTIVE: The Cosmetology program is designed to help the student master all the skills necessary for passing the State Board Examination, selecting the phase or phases of Cosmetology in which to specialize, and entering employment. The program also provides for the upgrading and updating of employed workers. Classroom instruction and practical learning experiences are interwoven into a variety of beauty treatments, including the care and beautification of the hair, complexion, and hands.

NEED: According to the Tennessee Department of Labor & Workforce Development, the state projects over 1,200 annual job openings for licensed cosmetologists through 2030, with steady demand in Southern Middle Tennessee due to salon growth, retirements, and turnover.

PROJECTED ENROLLMENT:	YEAR	ENROLLMENT	COMPLETERS

	1st Year:	1	\$71,500
	2nd Year:	1	\$73,000
	3rd Year:	1	\$74,500

FISCAL RESOURCES: The fiscal resources for the Cosmetology program will be secured through a combination of funding sources. The campus expansion at TCAT Pulaski will fully cover the cost of constructing and outfitting the cosmetology lab with industry-standard equipment and furnishings. The college will fund the instructor's salary and ongoing operational costs through its recurring institutional budget, ensuring long-term program sustainability.

FACILITIES: The Cosmetology program at TCAT Pulaski will be housed in a newly constructed, purpose-built facility as part of the college's campus expansion. The space includes a full-service salon lab with styling stations, shampoo units, facial/manicure/pedicure areas, a dispensary, storage, and an adjacent classroom. Designed in consultation with industry standards and the Tennessee State Board of Cosmetology, the facility exceeds the 2,200 sq. ft. minimum requirement, providing a realistic, modern salon environment for hands-on instruction and licensure preparation.

ACTION REQUIRED Staff recommends approval.

PROGRAM IMPLEMENTATION PROPOSAL – 26

INSTITUTION:	Tennessee College of Applied Technology Pulaski
PROPOSED PROGRAM TITLE:	Manicuring
PROPOSAL:	Tennessee College of Applied Technology Pulaski proposes implementing the Manicuring program at the main campus. This program is 600 clock hours and awards a certificate.
PROGRAM ACCREDITOR:	Tennessee State Board of Cosmetology and Barbering
EFFECTIVE DATE:	Spring 2026
OBJECTIVE:	The Manicuring Program is designed to help the student master all the skills necessary for passing the State Board Examination, selecting the phase or phases of Manicuring or Pedicuring in which to specialize, and entering employment. Classroom instruction and practical learning experiences are interwoven into a variety of manicuring and pedicuring treatments. The course of study includes hands-on and classroom instruction in giving manicures and pedicures services, artificial nail enhancements, hand and arm massages, hygiene, sanitation, and salon management. Safety and customer relations are also emphasized throughout the program.
NEED:	The Manicuring program at TCAT Pulaski meets a growing demand for licensed nail technicians in Southern Middle Tennessee, where salons and spas report difficulty finding trained professionals. It also enhances enrollment efficiency by maximizing the use of the new Cosmetology lab, offering a short-term credential pathway for students seeking quick entry into the personal care workforce.

2nd Year:	1	\$73,000
3rd Year:	1	\$74,500

FISCAL RESOURCES:

The fiscal resources for the Manicuring program will be obtained through TCAT Pulaski's campus expansion funding, which will cover equipment, furnishings, and installation. As the program shares facilities with Cosmetology, no additional construction is needed. The college will fund the instructor's salary and annual supply costs through its recurring operational budget, ensuring sustainable program delivery.

FACILITIES:

The Manicuring program will be housed within the new Cosmetology lab at TCAT Pulaski, which is being constructed as part of the campus expansion. The lab includes dedicated manicure and pedicure stations, a dispensary, sanitation areas, and classroom space. The facility meets all Tennessee State Board requirements. It allows the Manicuring program to operate efficiently alongside Cosmetology, optimizing shared resources and enrollment while maintaining distinct instructional areas for nail care training.

PROGRAM IMPLEMENTATION PROPOSAL – 27

INSTITUTION:	Tennessee College of Applied Technology Upper Cumberland
PROPOSED PROGRAM TITLE:	Diesel-Powered Equipment Technology
PROPOSAL:	Tennessee College of Applied Technology Upper Cumberland proposes relocating the existing Diesel-Powered Equipment Technology program at North (pending THEC site code approval). This program is 2160 clock hours and awards a diploma.
PROGRAM ACCREDITOR:	N/A
EFFECTIVE DATE:	Fall 2025
OBJECTIVE:	The Diesel-Powered Equipment Technology program provides practical experience in the repair and maintenance of engines, fuel systems, electrical systems, clutch and transmissions, hydraulics, drivelines and axles, frame and suspension systems, steering systems, brake systems, and heating, ventilation, and air conditioning systems. Students receive instruction in diagnosing trouble, system analysis, disassembly, replacing defective parts, reassembling, etc. The program mission is to provide technical instruction and skill development to enable students to enter employment in truck, construction, agricultural equipment, and other related fields as technicians. By working on actual diesel-powered equipment, students are well prepared to enter the workforce after graduation.
NEED:	In the Upper Cumberland region of Tennessee, the demand for diesel technicians is high, driven by industries like shipping, construction, and agriculture. <u>The Bureau of Labor Statistics</u> projects a 3% growth in employment for diesel service technicians and mechanics from 2023 to 2033, with about 25,600 openings projected each year. This demand is particularly strong in Tennessee, where

7,000 diesel technician jobs are projected to open between 2020 and 2030.

INSTITUTION: Tennessee College of Applied Technology
Upper Cumberland

PROPOSED PROGRAM TITLE: Truck Driving

PROPOSAL: Tennessee College of Applied Technology Upper Cumberland proposes relocating the existing Truck Driving program to North campus (pending THEC site code approval). This program is 222 clock hours and awards a certificate.

PROGRAM ACCREDITOR: Tennessee Department of Safety & Homeland Security: CDL Division

EFFECTIVE DATE: Fall 2025

OBJECTIVE: The Truck Driving Program prepares individuals to build skills in safety practices, operation, vehicle maintenance, and non-vehicle activities associated with truck driving. Instruction includes the operation of vehicles on interstate, on two-lane highways, in the city, backing and maneuvering. Also included are recordkeeping, and performing pre-trip/post-trip inspections and defensive driving

NEED: Current Truck Driving program is being relocated to the new TCAT Upper Cumberland North location due to the rapid growth of high demand of the program. The new space will allow for more students to be trained and a onsite area that students can learn more skills.

BOARD TRANSMITTAL

MEETING:	Committee on Academic Policies/Programs, Student Life
SUBJECT:	Accreditation Summary Report and Overview 2023-2024
DATE:	June 12, 2025
PRESENTER:	Vice Chancellor Jothany Reed
PRESENTATION REQUIREMENTS:	5 minutes
ACTION REQUIRED:	Informational Purposes
STAFF RECOMMENDATION:	Accept Report

The Annual Accreditation Report and Overview summarizes all activity for the academic year 2023-2024 on regional and program accreditation. The report also provides information on all non-accreditable programs that go through either the Program Review or the Academic Audit process. A summary of all activity is provided along with a more detailed accounting of all accreditation and quality assurance activity.

Summary
TBR Annual Accreditation and Quality Assessment Report
July 1, 2023 to June 30, 2024

COMMUNITY COLLEGES

Institutional Accreditation

- All thirteen community colleges continually monitor and comply with standards required for accreditation by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).
- All thirteen institutions submitted other types of compliance documents such as fifth-year interim reports, decennial reports, substantive changes, and monitoring reports.

Program Accreditation

- In 2023 to 2024, TBR community colleges participated in a total of 212 accreditation-related activities including self-study reports, program reviews, site visits, and interim reports to accrediting agencies.
- 35 creditable programs in TBR community colleges received notice of accreditation, reaffirmation, or continuing accreditation in 2023-2024.
- Additional program accreditation activities include annual reports, midterm quality assurance reports, and substantive change submissions.

Academic Audit

- For the 2023-2024 academic year, 21 academic programs system-wide underwent the Academic Audit process. Twenty-one degrees and seven technical certificates were reviewed with an Academic Audit; an Academic Audit on a program may include different degree types, such as A.A., A.S., A.F.A., and A.S.T.
- In the spring of 2024, each of these programs completed an Academic Audit Self Study written report and hosted an Academic Auditor Team. The Academic Auditor Team provided an onsite review and subsequently issued a written report including commendations, affirmations, and recommendations for improvement.
- Academic Audits were conducted to meet the requirements of the THEC Quality Assurance Funding program.

Program Review

- The TBR community colleges had 6 programs undergo a Program Review process in 2023-24.
- For the Program Review, each prepared a written report and hosted external peer reviewers on campus or virtually. These peer reviewers each subsequently prepared an evaluation and a written report.
- All Program Reviews were conducted to meet the requirements of the THEC Quality Assurance Funding program.

Summary
TBR Annual Accreditation and Quality Assessment Report
July 1, 2023 to June 30, 2024

TENNESSEE COLLEGES OF APPLIED TECHNOLOGY (TCAT)

Institutional Accreditation

- All twenty-four TCATs continuously monitor and comply with standards required for accreditation by the Council on Occupational Education (COE).
- The merger of TCAT Henry/Carroll and McKenzie received final approval.
- TCAT Crossville was approved for name change to TCAT Upper Cumberland in anticipation of the merger.
- TCATs Crump, Dickson, Elizabethton, Harriman, Henry/Carroll, Knoxville, Pulaski, and Shelbyville received final reaffirmation.
- TCATs Athens and Harriman received COE approval for substantive changes to establish an Instructional Service Center.
- TCAT Dickson, Elizabethton, Harriman, Hohenwald, and McMinnville received COE approval for a substantive change to establish off-campus locations.
- All TCATs submitted their COE annual reports in March 2024.

Program Accreditation

- In 2023-2024, TCATs participated in a total of 18 program accreditation-related activities, including self-studies, program reviews, and site visits to accrediting agencies. All programs received notice of reaffirmation and continuing accreditation.

BOARD TRANSMITTAL

MEETING:	Committee on Academic Policies/Programs, Student Life
SUBJECT:	TBR Strategic Plan Update
DATE:	June 12, 2025
PRESENTER:	Executive Vice Chancellor Russ Deaton
PRESENTATION REQUIREMENTS:	15 minutes with discussion
ACTION REQUIRED:	Informational Purposes
STAFF RECOMMENDATION:	Not Applicable

For the last several months, TBR has been revising its 2015-25 Strategic Plan. Through a series of steering committee meetings, focus groups, and various other engagements, including the spring Board/Presidents retreat, several themes have emerged from these conversations and reflections. TBR staff will present these emerging themes and how they might complement the existing TBR Strategic Plan, whose structure and pillars we intend to maintain. After a discussion on the emerging themes and their connection to the existing Strategic Plan, we intend to continue to work to bring a revised Strategic Plan for consideration at the September Board meeting.

BOARD TRANSMITTAL

MEETING:	Committee on Academic Policies/Programs, Student Life
SUBJECT:	Learning Support and the TN Coaching Project
DATE:	June 12, 2025
PRESENTER:	Assistant Vice Chancellor Amy Moreland
PRESENTATION REQUIREMENTS:	15 minutes with discussion
ACTION REQUIRED:	Informational Purposes
STAFF RECOMMENDATION:	Not Applicable

In this informational update, TBR staff will share new research on efforts to improve outcomes for students in learning support at community colleges.

At community colleges in the TBR system, two-thirds of first-time students are assessed as underprepared for college-level coursework. Students who are assessed as underprepared are placed into learning support courses. In 2015, the TBR system became the first system in the country to implement the corequisite learning support model systemwide. The corequisite support model allows underprepared students to enroll in college-level courses immediately upon starting college while also receiving learning support that is paired with college-level coursework. This innovative model significantly improved course success rates.

Over the past five years, the TBR system has taken additional steps to improve the learning support model. First, in 2022 and 2023, the Tennessee Board of Regents took action to modernize the approach to learning support through a series of policy changes. Second, in 2022, TBR launched the Tennessee Coaching Project, a three-year pilot project at Jackson and Northeast State Community Colleges that tests the impact of a new model of coaching for students who are placed into learning support and adult learners.

In the spring and summer of 2025, TBR's Office of Policy and Strategy is publishing new research reports about the impact of these efforts. This research shows that the modernization of learning support has improved success in college-level courses, and learning support paired with coaching has significantly improved student persistence toward degree completion.

BOARD TRANSMITTAL

MEETING:	Committee on Academic Policies/Programs, Student Life
SUBJECT:	Dual Enrollment
DATE:	June 12, 2025
PRESENTER:	Executive Vice Chancellor Russ Deaton Assistant Vice Chancellor Amy Moreland
PRESENTATION REQUIREMENTS:	15 minutes with discussion
ACTION REQUIRED:	Informational Purposes
STAFF RECOMMENDATION:	Not Applicable

This year, more than 38,000 high school students participated in dual enrollment at TBR community colleges and TCATs—the highest number of dual enrollment students in the history of the TBR system. This record enrollment represents a 86% increase in dual enrollment over the past five years and a 139% increase from a decade ago.

In this informational update, TBR staff will share new research on trends in dual enrollment and the system’s approach to managing dual enrollment and promoting postsecondary success among dual enrollment participants.

This presentation will highlight the strategic importance of dual enrollment and ongoing work with K-12 and postsecondary partners to improve dual enrollment. The presentation will also feature research findings from two new TBR research tools that explore the academic pathways, course outcomes, college-going rates, and postsecondary outcomes of dual enrollment participants. This presentation will also set up future discussions about the system’s approach to dual enrollment within the context of the TBR strategic plan.

AGENDA

1. FY25 ESTIMATED BUDGETS AND FY26 PROPOSED BUDGETS

(Vice Chancellor Alisha Fox)

Under Board policy, the original budget for each fiscal year is known as the ***Proposed Budget*** and is prepared in the spring of each year. This budget is based on the level of state funds recommended in the Governor's proposed budget as well as early estimates of factors such as enrollment growth, and availability of federal funds. The ***Proposed Budget*** is normally submitted to the Board for approval at the June Board meeting.

The final budget submitted for each fiscal year is the ***Estimated Budget***. It includes final adjustments to the current year budget and is the budget against which final year-end actual amounts are compared. It is prepared, submitted, and considered by the Board at the same time as the ***Proposed Budget*** for the upcoming fiscal year.

Regarding the LGI's budgets, the FOCUS Act requires that to ensure the ability to satisfy both contractual obligations to the Tennessee State School Bond Authority and obligations to that authority's bondholders, the Tennessee Board of Regents shall have authority over, and shall give final approval to, the operating budget of each LGI.

The purpose of this agenda item is to consider for approval both the recommended ***Estimated Budgets*** for FY 2024-25 and the recommended ***Proposed Budgets*** for FY 2025-26. As part of approval of the Proposed Budgets for FY 2025-26, staff recommends that the Board authorize the Chancellor to take actions necessary to implement the approved budgets.

2. CAPITAL BUDGET REQUESTS FOR THE 2026-27 FISCAL YEAR

(Executive Director Dick Tracy)

The Committee will consider approval of the Capital Budget Request for fiscal year 2026-27.

Tennessee Board of Regents
Committee on Personnel and Compensation
June 12, 2025

AGENDA

1. Approval of the May 28, 2025, Special Called Meeting of the Personnel and Compensation Committee Minutes

The Committee will consider approving the minutes of the May 28, 2025 special called Personnel and Compensation Committee Meeting that includes action taken on compensation strategies and president emeriti contracts.

2. Promotion and Tenure Recommendations at Community Colleges (*Reed*)

The Committee will be asked to approve recommendations for the promotion and tenure of faculty serving at the community colleges. Seventy-four (74) faculty members are recommended for tenure. One hundred seventy-three (173) faculty members are recommended for promotion.

3. Promotion and Tenure Recommendations at Tennessee Colleges of Applied Technology (*Reed*)

The Committee will be asked to act on recommendations for granting promotions to sixty-six (66) eligible TCAT faculty members. There are no tenure recommendations.

4. Faculty Promotion Increases (*Fox*)

A total of one-hundred-seventy-three (173) faculty members are recommended for promotion at the community colleges. One community college faculty member was eligible for promotion but not an increase. At the TCATs, sixty-six (66) faculty members are recommended for promotion. The recommendations are made within the requirements of TBR policies on tenure and promotion.

5. Institutional Amendments or New Compensation Plans (*Fox*)

In accordance with legislative amendment and TBR Guideline P-043 Compensation, three community colleges submitted new or revised compensation plans.

The new or revised compensation plans were reviewed within the System Office by a committee of five (5) individuals from the following offices: Finance, Academic Affairs, Policy & Strategy and two (2) individuals from Human Resources. The Committee reviewed the proposed plans for methodology, market data being used, equity, consistency, completeness, and clarity.

6. Executive Incentive Payments (*Fox*)

The Executive Performance Incentive Plan was approved at the Board's June 2013 Meeting. It was created at the request of Board Members to address the gap between the average market salaries for the presidents and Chancellor and the current compensation level for these officials. The incentive does not add to the base salary for the position and is recalculated each year.

7. Evaluation of the Chancellor (*Powers*)

Pursuant to Board policy, a performance review of the Chancellor is required every two years. The evaluation is to be conducted by a committee of at least four members appointed by the Vice-Chair. Vice Chair Reynolds requested the Personnel and Compensation Committee review the feedback and make a recommendation to the Board.

MEETING:	Committee on Personnel and Compensation
SUBJECT:	Minutes of the Special Called Meeting of the Personnel and Compensation Committee Meeting on May 28, 2025
DATE:	June 12, 2025
PRESENTER:	Nisha Powers, Chair of the Personnel and Compensation Committee
PRESENTATION REQUIREMENTS:	5 minutes
ACTION REQUIRED:	Roll Call Vote
STAFF RECOMMENDATION:	Recommend Approval

The Personnel and Compensation Committee met in a special called meeting on May 28, 2025 to review and approve President Emeriti Contracts, Faculty Emeriti, and the System-Wide Compensation Strategies.

REPORT OF THE COMMITTEE ON PERSONNEL AND COMPENSATION

May 28, 2025

The Committee on Personnel and Compensation met electronically on May 28, 2025. Chair Nisha Powers called the meeting to order. During roll call, members were asked to respond if they could hear and speak with others in the meeting; and also, if they were alone. All members present responded yes to both questions, and a quorum was present.

Next, Regent Powers stated that the meeting was being held electronically as it is the most economically efficient way, and the matters to be considered required timely action and review by the Committee. The necessity to meet electronically was adopted by unanimous consent.

The first item on the agenda was the consideration of president emeritus contracts. There were six (6) community college requests for individuals to be appointed President Emeritus for the fiscal year 2025-2026. Regent Burdine made a motion to accept the president emeritus reports and contract proposals as presented. Regent White provided a

second. A roll call vote was taken and the motion passed. A copy of the president emeritus contracts and reports are attached to the minutes as Attachment A.

As the second item on the agenda, the Committee considered faculty emeritus requests from three (3) community colleges; three (3) each from Cleveland State and Jackson State Community Colleges, and one (1) from Volunteer State Community College. Regent White made a motion to accept the recommendations for faculty emeritus as presented. Regent Burdine provided a second. A roll call vote was taken and the motion passed. A copy of the faculty emeritus recommendations are attached to the minutes as Attachment B.

As the third item on the agenda the Committee considered the System-Wide Compensation Strategies. A 2.6% salary pool would be created of salaries of all unrestricted regular, full and part-time benefit eligible employees on the payroll as of June 30, 2025. From this salary pool, at least 1.6% would be issued as an across-the-board adjustment effective July 1 for employees that were employed on or before June 30,

2025, without further action required by the Board. Each eligible employee would receive a percentage increase based on their June 30, 2025 salary or their June 30 salary adjusted for any faculty promotions and/or compensation plan payments.

The remaining 1% may be requested to be distributed as either an additional across-the-board adjustment, a payment on institutional compensation plans, for faculty promotions, or some combination thereof. The Board will act on colleges proposed additional payments to be made from the remaining 1% at the regularly scheduled June 12 meeting, and approved increases from this 1% salary pool will be effective July 1, 2025.

Institutions would be authorized to provide salary adjustments using uncommitted local funds consistent with the items listed above. Institutions will submit a proposal with their October Budget Revision that includes the amount of recurring funds encumbered by the proposed increase, the percentage of the compensation funded by group, and which groups if any are excluded from the increase. It is proposed that these adjustments be acted on by the Board during its December meeting.

Increases using institutional funds may be effective at a date determined by the institution within the fiscal year.

Institutions would be authorized to use non-recurring funds to provide one-time payments to all regular full-time and part-time employees on payroll as of September 30, 2025, and still in an active payroll status at the time of payment. Institutions will submit a proposal in October that includes the amount of the one-time payment and the requirements used to determine eligibility. The Board authorizes the Chancellor to approve the one-time payment request if the request meets the requirements outlined in the System-Wide Compensation Strategies document and the institution can financially afford the payment. The payments will be reported to the Board at the December quarterly board meeting as an interim action item.

Regent Burdine made a motion to approve the strategies. Regent White provided a second. A roll call vote was taken and the motion passed.

There being no further business, the Committee on Personnel and Compensation was adjourned.

Respectfully submitted,
Committee on Personnel and Compensation

Nisha Powers, Chair

DATE:	June 12, 2025
PRESENTER:	Vice Chancellor Jothany Reed
PRESENTATION REQUIREMENTS:	15 minutes with discussion
ACTION REQUIRED:	Voice Vote
STAFF RECOMMENDATION:	Recommend Approval

The Committee will be asked to approve recommendations for the promotion and tenure of faculty serving at the community colleges. Seventy-four (74) faculty members are recommended for tenure. This is an increase from the previous year of sixty-six (66) recommendations for tenure.

One hundred seventy-three (173) faculty members are recommended for promotion. The following materials are respectfully submitted for consideration.

2025-2026 Community College

TENURE AND PROMOTION RECOMMENDATIONS

The Committee on Personnel and Compensation is asked to act on recommendations for granting tenure and promotion to eligible faculty members at the community colleges. The recommendations are made within the requirements of TBR policies on tenure and promotion.

The community college presidents have submitted these recommendations with supporting materials and have certified that approved campus policies and procedures were followed in each case. TBR staff review indicates that the institutions have been consistent in their application of Board and institutional personnel policies pertaining to these decisions. There are no unusual increases or decreases in percentages of promotion or tenure recommendations over the past five years. The TBR Academic Affairs staff recommends approval of the two recommendations for promotion by exception from both Cleveland and Pellissippi State Community College. There were no recommendations for tenure by exception. Summary tables, lists of faculty members

recommended for promotion and/or tenure, and justifications for promotions by exception immediately follow a brief staff observation of the recommendations.

TENURE

Table 1 summarizes the impact of tenure recommendations at each community college. Observations summarizing the information in the tables include the following:

- (1) Seventy-four (74) faculty members are recommended for tenure.

This is an increase from the previous year of sixty-six (66) recommendations for tenure. While this represents a 7.8% increase over the three-year average of 68.67, the change is not statistically significant and falls within the range of normal annual variation.

- (2) The percentage of tenured faculty in 2025-26 will range from 32% at Nashville State to 80% at Pellissippi State. The tenured faculty percentage increases at six community colleges, decreases at six, and remains the same for one, over a four-year moving average. No unusual deviations are noted by staff analysis.

PROMOTION

Table 2 provides the following summary data:

- (1) One hundred seventy-three (173) faculty members are recommended for promotion in 2025-26. The number of promotions increase by 3 from the 2024-25 total of 170. The three-year average is 166. This increase is within statistical control limits over ten years, and no deviations from normal are noted by staff analysis.
- (2) The percentage of total community college faculty recommended for promotion in 2025-26 ranges from 3% at Nashville State to 16% at Motlow State. The range is typical of this process.
- (3) Recommended promotions include two exceptions to policy, from Pellissippi and Cleveland State Community Colleges. Supporting material for this promotion exception is found at the end of this report.

Tenure by Exception

No request was made for tenure by exception.

Promotion by Exception

Two requests were made for promotion by exception. The TBR Central Office of Academic Affairs Staff reviewed materials supporting the exception and recommended the request for promotion by exception.

1. Jessica Belnap – President Wise recommends Jessica Belnap, Dean of Health Sciences. Dr. Belnap was hired for employment at Pellissippi State Community College in fall 2014, as Instructor of Nursing in the Health Sciences Department on a faculty tenure-track position. In 2022, she was promoted to Dean of Health Sciences. In May 2024, Dr. Belnap was notified of her eligibility to apply for promotion to Professor. While in an administrative role, Dr. Belnap has continued to teach every semester helping to advance Nursing students in one of the top performing Nursing programs in the state. Under her leadership, the department is seeing an increase in student enrollment, an expansion of programming, and continued student success with near 100% passing rate for the NCLEX-RN, the licensure exam for registered nurses. Dr. Belnap continues to be instrumental in advancing Nursing education throughout the state and it is without hesitation that I recommend Dr. Jessica Belnap for promotion to professor.
2. Barsha Pickell - President, Dr. Andrew White, recommends Dr. Barsha Pickell for promotion by exception. Dr. Pickell meets all requirements to be eligible to apply for promotion to Full Professor. She has seven (7) years of previous teaching experience at the Associate Professor rank and will have completed two (2) years of teaching at Cleveland State this year. Dr. Pickell started in the Associate Professor rank at Cleveland State in January 2023 after resigning from her previous Vice President for Academic Affairs role.

BOARD TRANSMITTAL

MEETING: Committee on Personnel and Compensation

SUBJECT: Promotion and Tenure at the Tennessee Colleges of Applied Technology

DATE: June 12, 2025

PRESENTER: Vice Chancellor Jothany Reed

PRESENTATION REQUIREMENTS: 10 minutes

ACTION REQUIRED: Voice Vote

STAFF RECOMMENDATION: Recommend Approval

The Committee will be asked to act on recommendations for granting promotion and tenure to eligible faculty members. A list of the faculty being recommended for promotion and tenure is shown as Attachment A-1 and B-1 respectively.

The recommendations and supporting documents were submitted by the TCAT Presidents and were certified by them as having been processed through the approved institutional procedures. They have been reviewed by the Board's staff and are endorsed for favorable consideration by the Personnel Committee.

PROMOTIONS:

The sixty-six promotions are divided into these categories: forty-four (44) to Instructor (second rank); fifteen (15) to Senior Instructor (third rank); seven (7) to Master Instructor (fourth rank); and zero (0) to Master Instructor II.

TENURE:

With approval of these instructional staff, the total tenured faculty for the TCAT is 4%.

BOARD TRANSMITTAL

MEETING: Committee on Personnel and Compensation

SUBJECT: Faculty Promotion Increases

DATE: June 12, 2025

PRESENTER: Alisha Fox, Vice Chancellor for Business & Finance

PRESENTATION
REQUIREMENTS: 5 minutes with Discussion

ACTION REQUIRED: Roll Call Vote

STAFF
RECOMMENDATION: Recommend Approval

A total of one-hundred-seventy-three (173) faculty members are recommended for promotion at the community colleges. One community college faculty member was eligible for promotion but not an increase. At the TCATs, sixty-six (66) faculty members are recommended for promotion. The recommendations are made within the requirements of TBR policies on tenure and promotion.

The recommendation and supporting documents were submitted to the Board by the community colleges and TCATs and were certified by them as having been processed through the approved institutional procedures. TBR staff has verified the proposed ranks of the individuals submitted for promotion by the institutions and ensured a corresponding increase for those that were eligible was submitted, or an exception noted.

TCAT Promotional Increase Policy: All promotions will receive a minimum of a 5% salary increase. Additional percentages will be awarded based on the average of three years. The following scale is used for promotion in addition to the 5%:

- 1% for completion rate of 70% average for the last three years
- 1% for placement of 80% average for the last three years
- 1% for maintaining 15 FTE for the previous three years
- 2% for a performance review average of 70 for the last three years

Increases are subject to availability of institutional funds.

TBR System Office Staff

Summary of Changes:

Pellissippi State Community College is proposing a new compensation plan. They last updated their existing plan in 2013-2014, although they have regularly indexed their salary ranges to help keep up with market data. Volunteer State Community College is proposing a revision to their compensation plan to address being able to make changes in rare circumstances to attract and retain top market. The TBR System Office is proposing a new compensation plan for staff which was last redone in 2012, although salary ranges have been indexed every year to be competitive with market data. TCATs, Presidents, and the Chancellor compensation plans were revised in 2022.

The new or revised compensation plans were reviewed within the System Office by a committee of five (5) individuals from the following offices: Finance, Academic Affairs, Policy & Strategy and two (2) individuals from Human Resources. The Committee reviewed the proposed plan for methodology, market data being used, equity, consistency, completeness, and clarity. After

review of the proposed plans, the Committee respectively recommends Board approval of the proposed revisions of the compensation plans.

REVIEW OF INSTITUTION COMPENSATION PLANS

Committee on Personnel and Compensation

June 2025

Pellissippi State Community College

Pellissippi State Community College (PSCC) is proposing a new compensation plan. The methodology of their current plan is based on a comprehensive study completed in 2013-2014, although they have indexed their salary ranges through the years to keep up with recent market salaries and stay competitive.

The College engaged consulting services of Performance Point to conduct their compensation study.

CUPA-HR, American Association of University Professors (AAUP), The College System of Tennessee sister institutions, Comp Analyst, and Economic Research (ERI) were all used as data sources to create the proposal for PSCC.

The current PSCC average faculty salaries are at 105% of the market for the same positions. The salary ranges will increase by 2.1% to stay current with inflation. PSCC's faculty pay structure recognizes market differences among disciplines. The consultant's market analysis confirmed these differences. Therefore, they will continue to maintain adjusted ranges for specific disciplines. The target salary for existing faculty was determined by the number of years they have been in their respective positions and their rank. Starting salary for new faculty will be determined by their rank, their number of years of experience and their discipline. Approved promotions will be awarded a 5% base salary increase or the minimum of the new rank.

The market data available for librarians is reported with non-faculty data and, therefore, is not available by rank. The overall average market salary was \$63,122. The average midpoint at PSCC was \$63,203, which is 103% of the midpoint. They intend to adjust the librarian ranges by 3% to stay competitive.

Clerical and support staff salaries are currently at 96% of the market. Pellissippi State is committed to maintaining a minimum pay rate that is equal to or exceeds the Federal poverty level for a family of four. This figure for 2025 is \$32,150 annually. Even if the minimum of one of PSCC pay grades falls below this level, they will only hire employees at or above the poverty level. Wages for new hires will be based on experience when starting the position and the ranges are proposed to increase by 4%. If an existing employee applies for an open position and is selected, the salary recommendation will be based upon the posted salary range for the position.

Administrative and professional staff salaries are 97% of the market. The salary ranges are at about 3% below the market and they are proposing they increase their salary ranges by 3%. The current administrative and professional staff target salaries were determined based on experience. New hires will have their starting salary determined based on their experience when starting the position.

The current PSCC average executive salaries are at 99% of the market for the same positions, but the salary midpoint ranges were at 94% of the market. PSCC proposes increasing the salary ranges by 3% to stay competitive. The current executive staff target salaries were determined based on experience. New hires will have their starting salary determined based on their experience when starting the position.

New hires into non-faculty positions are hired between the minimum and the midpoint. The hiring salary is calculated based on a candidate's years of experience, the minimum years of experience required and the years to target. Hiring salaries are capped at the midpoint.

The PSCC compensation plan includes a method to index the plan annually to keep up with the market changes, using CUPA-HR and WorldatWork, and/or increases by the state.

Volunteer State Community College

Volunteer State Community College (VSCC) is proposing a revision to their compensation plan, completed last year. (2024)

At this time, they would like to add the ability to make exceptions to offering starting wages based on exceptional qualifications, to attract top talent, at the discretion of the new president.

Tennessee Board of Regents (TBR) System Office

The TBR System Office is proposing a new compensation plan. The methodology of their current plan is based on a comprehensive study completed in 2012, although the salary ranges were updated every year to stay competitive.

When setting our pay structure, we target the median or 50th percentile of the market. Our salary market area varies depending on the type of job. Positions for which our labor pool is local are compared to Nashville-area salaries while positions for which we may recruit from within the southern region we compare to other jobs regionally. In addition to comparing salaries geographically, we also consider industry and organization size.

The College engaged consulting services of Performance Point to conduct their compensation study.

CUPA-HR, American Association of University Professors (AAUP), The College System of Tennessee sister institutions, Comp Analyst, and Economic Research (ERI) were used as data sources.

Presently certain leadership positions manage specific TBR departments or areas and have the additional responsibility of managing one or more shared services function. Given that managing shared services adds a particular complexity to these individuals' jobs, the consultant is proposing that a 10% differential be added to these leaders' base salaries. The differential would become part of the employees' base salaries until they no longer manage a shared service area.

Clerical and support staff salaries are currently 8% above the market. There are no increases recommended for this employee group. The current clerical and support staff target salaries were determined based on the employee's experience. Wages for new hires will be based on experience when starting the position. When promoted into a position in a higher paygrade, employees will be eligible for a 5% increase in salary or the minimum of the new pay grade, whichever is higher.

The salaries and grade midpoints of the Administrative and Professional employees are virtually at market, with average salaries just 1% above market. Therefore, the consultant recommended no range adjustments. However, the consultant has recommended small adjustments to the range spreads to create a structure more consistent with best practices for exempt pay ranges. The spreads of the ranges will increase by grade more gradually.

For assistant and associate vice chancellor positions, the current average midpoint is 6% below the market median. Based on the minor changes made to the midpoint differentials and range spreads, the proposed ranges encompass the market medians of the benchmark jobs.

For executive positions, given the fact that the existing midpoints were 17% above the market medians and given the fact that the ranges also include the presidents at the community colleges (last updated in 2022), the consultant did not recommend adjusting the executive ranges. However, the consultant recommended two executive positions be moved to different grades within the pay structure and responsibilities. In both instances the market medians for the jobs align more closely with the midpoint of the recommended new grade.

No one will be hired above the midpoint of the range unless there is an unusual need, exhaustive recruiting efforts have been made and the above midpoint starting salary has been appropriately approved by the chancellor.

The TBR compensation plan includes a method to index the plan annually to continue to keep up with the market changes, using CUPA-HR and WorldatWork, and/or increases by the state.

BOARD TRANSMITTAL

MEETING: Committee on Personnel and Compensation

SUBJECT: Executive Incentive Payments

DATE: June 12, 2025

PRESENTER: Alisha Fox, Vice Chancellor for Business & Finance

PRESENTATION
REQUIREMENTS: 10 minutes with Discussion

ACTION REQUIRED: Roll Call Vote

STAFF
RECOMMENDATION: Recommend Approval

The Executive Performance Incentive Plan was approved at the Board's June 2013 Meeting. It was created at the request of Board Members to address the gap between the average market salaries for the presidents, directors and Chancellor and the current compensation level for these officials. The Plan provides an opportunity for the leaders to earn up to 10% their respective position on an annual basis, based on institutional and individual performance. The incentive does not add to the base salary for the position and will be recalculated each year.

Participants in the plan include the presidents of the community colleges and Tennessee Colleges of Applied Technology (TCATs) and the Chancellor. Due to information not being available, we will address the executive payments for the presidents of community colleges now, and the payments for the TCATs and Chancellor in September.

The incentive amount is equal to ten percent (10%) of the market average salary for comparable positions and is divided into two components: the metric based allowance equal to 85% of total incentive amount and a discretionary allowance equal to 15% of the total incentive amount. The primary incentive measurement for Community College Presidents is the change in weighted formula outcomes at each institution. The change in total weighted outcomes for the system is calculated in a similar manner and used to calculate the weighted outcome growth allowance amount for the Chancellor.

RECOMMENDATION

Pursuant to the Plan, recommendations for incentive pay for the eligible presidents of the community colleges are brought before the Committee for review and approval.

Recommendations of the Committee, if any, are presented to the full Board for action. The Plan requires an individual to be employed in one of the eligible positions at the time the payments are approved, and paid, been in the position for at least a year, and have satisfactory performance to be eligible to receive incentive pay.

It is recommended the Committee take the following action:

- a) Consider for approval the Executive Performance Incentive Pay for the presidents as presented in the attachment.

MEETING: Committee on Personnel and Compensation

SUBJECT: Evaluation of the Chancellor

DATE: June 12, 2025

SUBJECT: Nisha Powers, Regent, Chair of Personnel and Compensation Committee

PRESENTATION
REQUIREMENTS: 10 minutes with Discussion

ACTION REQUIRED: Roll Call Vote

STAFF
RECOMMENDATION: Recommend Approval

Pursuant to Board policy, a performance review of the Chancellor is required every two years. The evaluation is to be conducted by a committee of at least four members appointed by the Vice-Chair. Vice Chair Reynolds requested the Personnel and Compensation Committee review the feedback and make a recommendation to the Board.

The purpose of this agenda item will be consideration by the Committee of the Chancellor's performance review.

MINUTES
TENNESSEE BOARD OF REGENTS
REGULAR SESSION

February 26, 2025

The Tennessee Board of Regents met in regular session on February 26, 2025 at the TBR System Office located at 1 Bridgestone Park, Nashville, Tennessee. Vice Chair Emily Reynolds, presiding, called the meeting to order.

Kate Walker was instructed to call the roll. There were two Regents who participated electronically, confirmed they could simultaneously hear and speak with others participating in the meeting, and that they were alone in the room. The following members were present:

Mr. Miles Burdine
Ms. Deanne DeWitt
Mr. Mark George (participated via Microsoft Teams)
Mr. Jeremy Harrell
Mr. Shane Hooper (joined the meeting later)
Mr. Todd Kaestner
Mr. Cayden Keltgen
Ms. Nisha Powers (participated via Microsoft Teams)
Ms. Emily Reynolds
Commissioner Lizzette Reynolds (joined the meeting later)
Ms. Angela Richardson
Mr. Ross Roberts
Mr. Kyle Spurgeon
Mr. Barry Stephenson
Ms. Danni Varlan

A quorum was present. Governor Bill Lee, Dr. Steven Gentile, Commissioner Charles Hatcher, and Mr. Tom White were not available to attend the meeting.

I. MINUTES

Minutes from the December 10, 2024 regularly scheduled Board meeting were provided to all members prior to the meeting. Given the routine and non-controversial nature of the meeting minutes, Vice Chair Reynolds proposed that these minutes be adopted by unanimous consent. Hearing no objection from members, the minutes of the December 10, 2024 meeting were approved.

II. REPORT OF INTERIM ACTION

Vice Chair Reynolds called upon Chancellor Flora Tydings, who presented the Report of Interim Action, reflecting business transacted by the Office of the Chancellor since the previous meeting of the Board. She requested approval of the report. Given the routine and non-controversial nature of the Interim Action Report, Vice Chair Reynolds proposed that the report be ratified and confirmed by unanimous consent. Hearing no objection from members, the Interim Action Report was adopted. A copy of the Report is attached to the official copy of the Minutes as Appendix A.

III. REPORT OF THE COMMITTEES

The Board considered approval of the February 18, 2025 minutes of the Audit Committee.

The minutes of the committee were as follows:

AUDIT COMMITTEE

The Committee on Audit met in regular session on February 18, 2025, via Microsoft Teams. The roll was called by Kate Walker. The roll call confirmed that a quorum was present; all Committee members in attendance and the Board's Vice Chair confirmed that they could simultaneously hear and speak to other participants; and that no other people were present in the room with each Regent. In attendance were system office and institutional staff; the Board's Vice Chair, Regent Emily Reynolds; and other Board members, including the following Audit Committee members:

Regent Miles Burdine, Audit Committee Chair
Regent Deanne DeWitt
Regent Todd Kaestner
Regent Tom White

The necessity of the electronic meeting was confirmed by unanimous consent due to it being the most economically efficient way to have matters considered that require timely action. Regent Burdine opened the meeting by thanking everyone and welcoming the audit committee. Mike Batson echoed the thanks and began the informational reporting section.

Item I, Informational Reporting, included three topics for discussion. Item I.a., Highlights of Audit Findings and Recommendations, consisted of Mike Batson discussing the following topics: Recommendation Logs, Miscellaneous External Reviews, Federal Audits, Comptroller's Office Audits, and Internal Audit Reports included in the materials. Mr. Batson covered reviews from the following: Tennessee Student Assistance Corporation- Financial Aid Programs reviews for TCAT Harriman and TCAT Upper Cumberland; Tennessee Department of Health- Epidemiology and Laboratory Capacity for Prevention and Control of Emerging Infectious Diseases Grant Monitoring reviews for Northeast State and TCAT Jacksboro; a Federal Audit OSHA Review by US Department of Labor for Volunteer State; Comptroller's Audits for the TBR System Office for fiscal years ended June 30, 2022 and June 30, 2023, Roane State Community College for fiscal years ended June 30, 2022 and June 30, 2023, and Roane State Foundation for fiscal years ended June 30, 2022 and June

30, 2023; internal audits for Chattanooga State investigations; Motlow State's HEERF Public Reporting review; Northeast State's Attendance Reporting; and a Clery Act Reporting review at Southwest. This item was for informational purposes and required no action.

Item I.b., Audit Reports and Reviews, consisted of informing the committee that a summary of the Miscellaneous External Reviews, Federal Audits, Comptroller's Audits, and the Internal Audit Reports for the second quarter of fiscal year 2025 are included in the meeting materials. Highlights of these materials were covered in section I.a. of the meeting. A listing of the Internal Audit Reports is included as Attachment A to these minutes. This item was for informational purposes and required no action.

Item I.c., System-wide Internal Audit Updates, consisted of discussing the following topics: current Director of Internal Audit vacancies and an update on the new IIA Global Internal Audit Standards process. Mr. Batson mentioned that TCAT Management's Risk Assessments will be discussed in the Non-Public Executive Session. This item was for informational purposes and required no action.

Item II.a., Review of Revisions to Fiscal Year 2025 Audit Plans was presented by Mike Batson. A motion was made by Regent White and seconded by Regent Kaestner to approve the revised audit plans. The Committee approved the audit plans as presented by roll call vote. The audit plans are included as Attachment B to these minutes.

Item II.b., Review of Internal Audit Charter, consisted of Mr. Batson explaining the reason for the revision of the new Internal Audit Charter Template. Mr. Batson detailed the key Principles from the Standards and their incorporation into the new Charter template. He noted that these Principles also apply to many of the revisions to the Audit Committee Charter to follow this section. A motion was made by Regent DeWitt and seconded by Regent Kaestner to approve the charter template. The Committee voted to approve the charter template in a roll call vote. The revised charter template is included as Attachment C to these minutes.

Item II.c., Consideration of Audit Committee Charter Revision, included a review of changes made to the Audit Committee Charter due to the new IIA Global Internal Audit Standards. Mr. Batson stated that the revisions to the Audit Committee Charter were to ensure alignment with the Standards. This includes the Principles mentioned in the discussion on the revised Internal Audit Charter template above, as well as other essential components of the Standards. The original Charter and the proposed Charter with edits were provided in the materials. A motion was made by Regent DeWitt and seconded by Regent White to approve the charter. The Committee voted to approve the charter in a roll call vote. The charter is included as Attachment D to these minutes.

There being no further business to come before the Committee on Audit, the meeting was adjourned.

Respectfully submitted,

Committee on Audit

Regent Burdine moved to adopt the minutes. Regent Varlan provided a second. The motion passed by roll call vote. A copy of the internal audit reports issued during the quarter as mentioned in the

above minutes, the revised Internal Audit Plans for Fiscal Year ending June 30, 2025, revised internal audit template, and the revised audit committee charter are attached to the official copy of the Minutes as Appendix B.

IV. REPORT OF THE CHANCELLOR

Chancellor Tydings congratulated Chattanooga State and Pellissippi State for top honors they earned at Achieving the Dream's annual conference last week and the recipients, including nine of our colleges and the system office, of first round grants under Governor Lee's Rural Healthcare Initiative. The Chancellor announced that Dr. Gwen Sutton has been elected chair of the Council on Occupational Education's (COE) governing Board of Commissioners and that the COE membership also elected Laura Travis to a three-year term. She also announced Dr. Shanna Jackson's appointment to the Federal Reserve Bank of Atlanta and Dr. Tracy Hall's conclusion of service to the Federal Reserve after serving a three-year term before continuing to the items on the agenda.

TCAT Murfreesboro Faculty Partnership with Nissan

Chancellor Tydings called on Dr. Patrick Wade to present on the TCAT Murfreesboro faculty partnership with Nissan. President Wade called on Mr. Dan Caldwell (Senior Regional Workforce Development Lead, Manufacturing Workforce Development, Nissan America), Mr. Jason Stanley (Senior Manager, Manufacturing Workforce Development, Nissan America), Mr. Rodney Douglas (Senior Trainer, Manufacturing Workforce Development, Nissan America), and Industrial Electrical Maintenance student Carlos Castillo to present information on the partnership and program.

TBR Strategic Plan

Chancellor Tydings called on Executive Vice Chancellor Russ Deaton to present a summary of the future direction of the next phase of TBR's Strategic Plan, including a reminder of the current TBR Strategic Plan, the broader state context including THEC's Drive to 55 goal, and an overview of the upcoming timeline and process of TBR's review. TBR's current plan is structured around three pillars of Open Access, Completion, and Community and Workforce Development, along with a mission statement of Student Success and Workforce Development. The goal is to revisit the plan throughout 2025, with updates at each subsequent Board meeting, before bringing a final plan before the Board at the September or December Board meeting.

V. REGENTS AWARD FOR EXCELLENCE IN PHILANTHROPY

Vice Chair Reynolds called on Regent Varlan for the report of the 2024 Regents Award for Excellence in Philanthropy presented to Arconic Foundation.

The Arconic Foundation accepted the 2024 Regents Award for Excellence in Philanthropy as nominated by Pellissippi State Community College and TCAT Knoxville. The award was presented by Regent Danni Varlan during a ceremony at Pellissippi State Community College's Blount County campus held on October 18, 2024.

VI. UNFINISHED BUSINESS

There was no unfinished business brought before the Board at this meeting.

VII. NEW BUSINESS

A. Review and Consider Revision to General Travel Policy 4.03.03.00

Vice Chair Reynolds called on Vice Chancellor Alisha Fix to present the revisions to the travel policy.

The most notable change from the existing policy to the revised policy is that the rate charts have been eliminated for all groups with some exceptions (Chancellor/Presidents/System Office Senior Staff/Board Members) and the Contiguous United States (CONUS)/Outside the Contiguous United States (OCONUS) or U.S. General Services Administration (GSA)/Department of State (DoS) rates will be used. The group proceeded in that direction with the goal of clarity and simplification. The policy was discussed with Business Affairs Sub-council (BASC) on January 23, 2025, BASC voted to formally move the recommendation forward on January 31, 2025, and it was approved by President's Council on February 14, 2025.

Regent Burdine moved approval of the revised travel policy. Regent Roberts provided a second. The motion carried by roll call vote. Attached to the Minutes are details on the revised policy as Appendix C.

B. INFORMATIONAL REPORTING

1. External Affairs Update

Executive Vice Chancellor Kim McCormick called on Associate Vice Chancellor John Williams to share the status updates on key pieces of legislation being tracked by the Government Relations Department this session. The update included bills that are pending in committee that have the potential to impact the TBR System or higher education in general.

2. AI Update

Vice Chair Reynolds called on Vice Chancellor Jothany Reed, General Counsel Brian Lapps, and CBE Coordinator/AI Learning Collaborative Jamie Nelson to present information highlighting the draft of Policy 1.08.10.00 – Use of Artificial

Intelligence, which reflects TBR's commitment to harnessing the transformative potential of AI, including General AI, to empower students, faculty, and staff in achieving their aspirations.

The policy establishes adaptable guidelines to support the responsible and meaningful integration of AI within TBR and its colleges while maintaining the highest standards of academic integrity, data security, privacy, and ethics.

3. Tuition and Fees Recommendations for the 2025-2026 Academic Year

Vice Chair Reynolds called on Vice Chancellor Alisha Fox to present the recommendations for maintenance fees, tuition, mandatory fees, and non-mandatory fees for the academic year 2025-2026 for information purposes. The fee recommendations will be brought to the Board for approval at a special-called Board meeting on March 27, 2025.

C. ACTION ITEMS

1. Faculty Emerita

Vice Chancellor Jothany Reed presented a request for the Board to consider and approve one (1) faculty emerita request for Barbara Roseborough, Professor of Languages and Literature at Southwest Tennessee Community College. Regent Roberts moved for approval and Regent Hooper provided a second. The motion carried by roll call vote. A copy of the faculty emerita recommendation is attached to the official copy of the Minutes as Appendix D.

2. TCAT Program Approvals

Vice Chancellor Jothany Reed shared highlights from twenty-two (22) program proposals and thirteen (13) academic actions for review and approval.

Given the routine and non-controversial nature of TCAT Program Approvals, Vice Chair Reynolds proposed these program proposals and academic actions be approved by unanimous consent. Hearing no objection from members, the program proposals and actions were adopted. The proposed TCAT Program Approvals are attached to the Minutes as Appendix E.

The next special-called meeting will be held on Thursday, March 27, 2025 via Microsoft Teams.

VII. ADJOURNMENT OF THE MEETING

There being no further business to come before the Board, the meeting was adjourned.

Respectfully submitted,

Kate E. Walker, Administrative Assistant III

MINUTES
TENNESSEE BOARD OF REGENTS
SPECIAL CALLED SESSION

March 27, 2025

The Board met virtually in a special called session on Thursday, March 27, 2025 at 9:00 a.m. central time. The purpose of the meeting was to review and consider the recommendation for the fiscal year 2026 tuition and fees, review and consider the new AAS, Speech Language Pathology Assistant program at Roane State, and review and consider the search criteria for the next president of Walters State Community College.

Vice Chair Emily Reynolds welcomed everyone and thanked them for participating in the special-called meeting. She then asked Kate Walker to call the roll. Since this was an electronic meeting, members answered two questions when replying to the roll call. First, could the Regent simultaneously hear and speak with others participating in the meeting? Second, is the Regent alone in the room? The following members were present, and all responded yes to both questions when the roll was called.

Mr. Miles Burdine
Ms. Deanne DeWitt
Dr. Steven Gentile
Mr. Mark George
Mr. Jeremy Harrell
Commissioner Charles Hatcher
Mr. Shane Hooper
Mr. Todd Kaestner
Mr. Cayden Keltgen
Ms. Nisha Powers
Ms. Emily Reynolds
Ms. Angela Richardson
Mr. Ross Roberts
Mr. Kyle Spurgeon
Mr. Barry Stephenson
Mr. Tom White

A quorum was present. Members not available to participate were Governor Bill Lee, Commissioner Lizzette Reynolds and Ms. Danni Varlan.

Vice Chair Reynolds stated that the Board was asked to meet electronically to review and consider the recommendation for the fiscal year 2026 tuition and fees, review and consider the new AAS, Speech Language Pathology Assistant program at Roane State, and review and consider the search criteria for the next president of Walters State Community College. Given the necessity to meet electronically is a presumed non-controversial and routine item, Vice Chair Reynolds proposed the necessity be adopted by unanimous consent. Hearing no objection from members, the necessity was adopted.

I. Action Items

Vice Chair Reynolds called on Vice Chancellor Alisha Fox to present the action item to review and consider the fiscal year 2026 tuition and fee recommendations included in the materials. A motion was made by Regent Tom White to approve the recommendations and seconded by Regent Miles Burdine. The motion carried by roll call vote. A copy of the tuition and fee recommendations is attached to the official minutes as Appendix A.

Vice Chair Reynolds then called on Vice Chancellor Jothany Reed to present the action item to review and consider program approval for the AAS, Speech Language Pathology Assistant program at Roane State Community College. Dr. Reed and Diane Ward, RSCC, presented on the program. A motion was made by Regent Deanne DeWitt to approve the recommendation and seconded by Regent Miles Burdine. The motion carried by roll call vote. A copy of the program recommendation is attached to the official minutes as Appendix B.

Vice Chair Reynolds next called on Chancellor Flora Tydings to present the action item to review and consider the search criteria for the next president of Walters State Community College. Chancellor Tydings shared that Tony Miksa submitted his intent to resign as President of Walters State Community College effective June 30, 2025, and the criteria was provided in the Board's materials. A motion was made by Regent Miles Burdine to approve the criteria and seconded by Regent Shane Hooper. The motion carried by roll call vote. A copy of the criteria is attached to the official minutes as Appendix C.

II. Informational Items

Vice Chair Reynolds announced the process for the upcoming Chancellor's performance evaluation. She stated that the evaluation process was assigned to the Personnel and Compensation Committee and would take place over the month of April and the report will be presented at the June Quarterly Board meeting.

Vice Chair Reynolds and Chancellor Tydings shared their thanks to the team for another amazing SOAR event last month.

There was no further business brought before the Board and the meeting was adjourned.

REPORT OF THE COMMITTEE ON AUDIT

May 28, 2025

The Committee on Audit met in regular session on May 28, 2025, via Microsoft Teams. The roll was called by Secretary Mariah Perry. The roll call confirmed that a quorum was present; all Committee members in attendance confirmed that they could simultaneously hear and speak to other participants; and that no other people were present in the room with each Regent. In attendance were system office and institutional staff; and other Board members, including the following Audit Committee members:

Regent Miles Burdine, Audit Committee Chair
Regent Deanne DeWitt
Regent Todd Kaestner
Regent Tom White

The necessity of the electronic meeting was confirmed by unanimous consent due to it being the most economically efficient way to have matters considered that require timely action.

Regent Burdine opened the meeting by thanking everyone and welcoming the audit committee. Mike Batson echoed the thanks and began the informational reporting section.

Item I, Informational Reporting, included four topics for discussion. Item I.a., Highlights of Audit Findings and Recommendations consisted of Mike Batson discussing the following topics: Recommendation Logs, Miscellaneous External Reviews, Federal Audits, and Internal Audit Reports included in the materials. Mr. Batson covered reviews from the following: Tennessee Student Assistance Corporation- Financial Aid Programs review for TCAT Athens; two federal audits by the U.S. Department of Veterans Affairs for Roane State and TCAT Morristown; internal audits for Columbia State Technology Access Fees; Pellissippi State's Faculty Credentials review; Southwest Tennessee's Follow-up to the Review of Medical Programs with Special Admission Processes; Walters State's NACHA Operating Rules review; and Internal Controls Audits at TCAT Hartsville, TCAT Morristown, and TCAT Northwest. This item was for informational purposes and required no action.

Item I.b., Audit Reports and Reviews, consisted of informing the committee that a summary of the Miscellaneous External Reviews, Federal Audits, and the Internal Audit Reports for the third quarter of fiscal year 2025 are included in the meeting materials. Highlights of these materials were covered in section I.a. of the meeting. A listing of the Internal Audit Reports is included as Attachment A to these minutes. This item was for informational purposes and required no action.

Item I.c., System-wide Internal Audit Updates, consisted of discussing the following topics: current Director of Internal Audit vacancies and fraudulent student applications. This item was for informational purposes and required no action.

Item I.d., University Updates, consisted of discussing the following reports: Comptroller's Office reports for Austin Peay State University, East Tennessee State University, Middle Tennessee State University, Tennessee State University, Tennessee State University Foundation, Tennessee Technological University, and the University of Memphis. This item was for informational purposes and required no action.

Item II.a., Review of Revisions to Fiscal Year 2025 Audit Plans was presented by Mike Batson.

A motion was made by Regent DeWitt and seconded by Regent White to approve the revised audit plans. The Committee approved the audit plans as presented by roll call vote. The audit plans are included as Attachment B to these minutes.

Item II.b., Review of Internal Audit Charter, consisted of Mr. Batson explaining the reason for the revision of the new Internal Audit Charters.

A motion was made by Regent DeWitt and seconded by Regent White to approve the charters. The Committee voted to approve the charters in a roll call vote. The revised charters are included as Attachment C to these minutes.

Item II.c., Review of System-wide Internal Audit Budget for Fiscal Year 2026, was presented by Mike Batson. A motion was made by Regent White and seconded by Regent Kaestner to approve the budget as presented. A roll call vote was conducted, and the committee voted to approve the budget as presented. The budget is included as Attachment D to these minutes.

There being no further business to come before the Committee on Audit, the meeting was adjourned.

Respectfully submitted,

Committee on Audit

Miles Burdine, Committee Chair

BOARD TRANSMITTAL

MEETING:	Quarterly Board Meeting
SUBJECT:	Policy 1.02.12.00, Requests to Address the Board (revision)
DATE:	June 13, 2025
PRESENTER:	Brian Lapps, General Counsel
PRESENTATION REQUIREMENTS:	N/A
ACTION REQUIRED:	Voice Vote
STAFF RECOMMENDATION:	Recommend Approval

The General Assembly passed revisions to the Open Meetings Act. SB1316/HB1330 requires that the System Office make slight revisions to notice of Board meetings. The legislation also requires that any Board member participating remotely must be identifiable by name throughout the meeting. The legislation further requires that when any member of the Board participates via electronic means, members of the public be able to address the Board via electronic means, which will require a revision to the Requests to Address the Board policy. The proposed provisions track the language of the statute very closely and will bring the policy into compliance with the revisions the Open Meetings Act effective July 1, 2025.

One proposed revision is not required by the new legislation. Currently, a member of the public must make a request to address the Board at least seven (7) calendar days prior to the meeting, which leaves little or no time to make a request after publication of the agenda. The proposed revision would shorten this time period to three (3) calendar days prior to the Board meeting, which will give members of the public a chance to review the agenda before requesting to address the Board.

This proposed revision to policy has not been reviewed by any subcouncil or by the Presidents Council. A “tracked changes” and a “clean version” are included in the materials.

1.02.12.00 Requests to Address the Board

Policy/Guideline Area

Governance, Organization, and General Policies

Applicable Divisions

TCATs, Community Colleges, System Office, Board Members

Purpose

The purpose of this policy is to set the conditions and procedures for appearances before the Board by students, employees, and members of the public.

Policy/Guideline

- I. **Policy.** As a public body charged with the governance of the state's community and technical colleges, the Board of Regents will provide an opportunity for students, employees and members of the public to address the Board or a committee of the Board concerning matters germane to the responsibilities of the Board.
 - A. **Permissible Subjects.** Individuals may request to speak about items on the meeting agenda or other issues germane to the responsibilities of the Board. The Board will not hear speakers on grievances or appeals specific to individual students or employees or on pending or threatened litigation involving the Board, any of its institutions or its officials. If a speaker departs from the subject for which he or she is registered to speak, the presiding officer will declare the speaker out of order.
 - B. **Pre-registration.** Persons wishing to speak may preregister by completing a Request to Address the Board form (Exhibit 1) and submitting it to the Board of Regents office no later than three (3) ~~seven (7)~~ calendar days before the first day of a regular Board meeting.

1. Mail or email request form to:
Tennessee Board of Regents
Attn: Board Secretary
1 Bridgestone Park, 3rd Floor
Nashville, Tennessee 37214
Email: Board.Secretary@tbr.edu
 2. Persons will be registered to speak based upon the order in which their registration forms are received, subject to approval of the subject matter by the Chair or Vice Chair, except that no more than three (3) speakers will be scheduled to speak on the same subject.
- C. **Time Allocation.** A maximum of fifteen (15) minutes may be allocated during a regular meeting for persons to address the Board. Each speaker may speak for a maximum of three (3) minutes. Speakers may not combine their three (3) minute allotment with another speaker and may not give any part of their time to another speaker. Scheduled speakers must be physically present to address the Board, unless one or more members of the Board is participating through an electronic means of communication, in which case a speaker may provide public comment by electronic means of communication, including providing written comment through the use of an internet-based platform. Scheduled speakers who are unable to attend the meeting may not send a substitute.
- D. **Other Requirements.**
1. Only one (1) speaker will be permitted to speak at a time.
 2. Speakers will not be allowed to use audio and/or visual presentation equipment during their remarks.
 3. Speakers appearing in person may bring copies of written information to be distributed to the Board but must bring at least twenty-five (25) copies for distribution. Speakers appearing through

an electronic means of communication may provide written comment or other information in electronic form as prescribed in Exhibit 1. Speakers are not allowed to personally distribute copies to the Board or approach the Board table for any reason. When called to speak, speakers must provide the copies to the Secretary for distribution.

4. Failure to comply with the requirements of this policy may result in the suspension of a person's opportunity to address the Board at future meetings.
- E. **Board Action.** The Board will not take any action during the public comment period provided by this policy.
- F. **Exceptions.** Notwithstanding the foregoing provisions, the Chair or Vice Chair of the Board may authorize appearances before the Board or a Committee of the Board on any matter they deem appropriate for Board consideration.

1.02.12.00 Requests to Address the Board

Policy/Guideline Area

Governance, Organization, and General Policies

Applicable Divisions

TCATs, Community Colleges, System Office, Board Members

Purpose

The purpose of this policy is to set the conditions and procedures for appearances before the Board by students, employees, and members of the public.

Policy/Guideline

- I. **Policy.** As a public body charged with the governance of the state's community and technical colleges, the Board of Regents will provide an opportunity for students, employees and members of the public to address the Board or a committee of the Board concerning matters germane to the responsibilities of the Board.
 - A. **Permissible Subjects.** Individuals may request to speak about items on the meeting agenda or other issues germane to the responsibilities of the Board. The Board will not hear speakers on grievances or appeals specific to individual students or employees or on pending or threatened litigation involving the Board, any of its institutions or its officials. If a speaker departs from the subject for which he or she is registered to speak, the presiding officer will declare the speaker out of order.
 - B. **Pre-registration.** Persons wishing to speak may preregister by completing a Request to Address the Board form (Exhibit 1) and submitting it to the Board of Regents office no later than three (3) calendar days before the first day of a regular Board meeting.

1. Mail or email request form to:
Tennessee Board of Regents
Attn: Board Secretary
1 Bridgestone Park, 3rd Floor
Nashville, Tennessee 37214
Email: Board.Secretary@tbr.edu
 2. Persons will be registered to speak based upon the order in which their registration forms are received, subject to approval of the subject matter by the Chair or Vice Chair, except that no more than three (3) speakers will be scheduled to speak on the same subject.
- C. **Time Allocation.** A maximum of fifteen (15) minutes may be allocated during a regular meeting for persons to address the Board. Each speaker may speak for a maximum of three (3) minutes. Speakers may not combine their three (3) minute allotment with another speaker and may not give any part of their time to another speaker. Scheduled speakers must be physically present to address the Board, unless one or more members of the Board is participating through an electronic means of communication, in which case a speaker may provide public comment by electronic means of communication, including providing written comment through the use of an internet-based platform. Scheduled speakers who are unable to attend the meeting may not send a substitute.
- D. **Other Requirements.**
1. Only one (1) speaker will be permitted to speak at a time.
 2. Speakers will not be allowed to use audio and/or visual presentation equipment during their remarks.
 3. Speakers appearing in person may bring copies of written information to be distributed to the Board but must bring at least twenty-five (25) copies for distribution. Speakers appearing through

an electronic means of communication may provide written comment or other information in electronic form as prescribed in Exhibit 1. Speakers are not allowed to personally distribute copies to the Board or approach the Board table for any reason. When called to speak, speakers must provide the copies to the Secretary for distribution.

4. Failure to comply with the requirements of this policy may result in the suspension of a person's opportunity to address the Board at future meetings.
- E. **Board Action.** The Board will not take any action during the public comment period provided by this policy.
- F. **Exceptions.** Notwithstanding the foregoing provisions, the Chair or Vice Chair of the Board may authorize appearances before the Board or a Committee of the Board on any matter they deem appropriate for Board consideration.

BOARD TRANSMITTAL

MEETING:	Quarterly Board Meeting
SUBJECT:	Policy 1.07.00.05, General Policy on Alcoholic Beverages (revision)
DATE:	June 13, 2025
PRESENTER:	Brian Lapps, General Counsel
PRESENTATION REQUIREMENTS:	N/A
ACTION REQUIRED:	Voice Vote
STAFF RECOMMENDATION:	Recommend Approval

The proposed revisions are drafted to achieve three primary objectives.

The proposed revisions to Section II.A.2 are designed to permit serving alcoholic beverages in athletics facilities, but not in conjunction with an athletics event. Examples of when the serving of alcoholic beverages would be permitted, without making an exception to the policy, would be in conjunction with a fundraising event, a community event, or a Board meeting. The President would continue to retain control over decisions related to serving alcoholic beverages.

The proposed revisions in Sections I and II (other than those in Section II.A.2) are designed to improve clarity and to conform to the statewide rule that the Board previously approved.

Section V contains proposed revisions to reflect the existence of a distilling program at Motlow State Community College. The revisions track the changes in state law that permit a distilling program at Motlow State. State law does not permit students to participate in wine tastings, so there are no revisions to Section V.A.

This policy has been reviewed by the Business Affairs Subcouncil and the Joint Academic Affairs/Student Affairs Subcouncil. The Presidents Council recommends approval.

1.07.00.05 General Policy on Alcoholic Beverages

Policy/Guideline Area

Governance, Organization, and General Policies

Applicable Divisions

TCATs, Community Colleges

Purpose

The purpose of this policy is to establish system-wide policies on the possession, consumption and sale of alcoholic beverages on property owned or controlled by the Tennessee Board of Regents. This policy applies to all students, faculty, staff and visitors at all Colleges.

Definitions

- **Alcoholic Beverage** means and includes intoxicating liquors, as well as wine and beer as defined by T.C.A. § 57-3-101 and T.C.A. § 57-5-101.

Policy/Guideline

I. General Prohibition

- A. The possession or consumption of alcoholic beverages on property owned or controlled by the college is prohibited except as provided in this policy.
- B. Faculty, staff, students or visitors who are at least twenty-one years of age may possess unopened containers of alcoholic beverages within their personal vehicles, provided that they may not open the containers or consume the contents while on property owned or controlled by the college. Alcoholic beverages must be stored out of plain sight, and the vehicle must be locked when not occupied.

II. Serving Alcoholic Beverages at Special Events

- A. The President of each college is authorized to approve the serving and consumption of alcoholic beverages at a function or event held on college property.

1. The event may not take place in classrooms, labs, faculty or administrative offices, student dining halls, student gathering areas, or outdoor public areas, unless access to the area is restricted during the event.
- 1.2. ~~The event may take place in an~~ athletics facilities, including stadiums, gymnasiums, playing fields, training rooms or locker rooms, only if the event is unrelated to an athletics contest. E.g., a foundation or community event.
- 2.3. The approval must be ~~given~~ in writing and must designate the sponsor of the event, the specific location of the event, the date and time of the event and the hours during which the alcoholic beverages will be served.
4. Students under the age of twenty-one may attend an event at which alcoholic beverages will be served but must not be served or consume alcoholic beverages ~~at the event~~.
- 3.5. Students who are invited guests may consume alcoholic beverages at an approved event if at least twenty-one years of age.
- 4.6. ~~It is the responsibility of the~~ sponsor of the event is responsible for ensuring that ~~to determine if~~ guests who are served alcoholic beverages are at least twenty-one years of age and for otherwise complying with state and local law.
- 5.7. If the sponsor is a third party, they must agree to indemnify the college from all liability arising from the service of alcohol at the event and provide proof of adequate general liability insurance.

III. Sale of Alcoholic Beverages at Special Events

- A. Subject to the provisions of section II, above, the President ~~of each college~~ may approve the sale of alcoholic beverages at a function or event

held on college property, consistent with state and local law. The sponsor of the event is responsible for ensuring compliance with the applicable laws and providing documentation of that compliance to the college prior to approval of the sale of alcoholic beverages at the event.

IV. Expenditure of State Funds for Alcoholic Beverages

- A. The expenditure of state funds for the purchase of alcoholic beverages is absolutely prohibited. "State funds" includes funds derived from state taxes, tuition, or student fees that are appropriated or re-appropriated by the general assembly. If alcoholic beverages are served at a college-sponsored event, the cost of alcoholic beverages, including tax, must always be separately identifiable on the receipts and supporting documentation and the source of the funds for the purchase must be identified.

V. Educational Culinary Arts Programs

- A. The use of alcoholic beverages as part of the curriculum in Hospitality Management/Culinary Arts and similar academic courses where the beverages are used solely in the cooking process or in the wine tasting process that is consistent with standard culinary practices is permitted, however, students who are not twenty-one shall not participate in wine tastings.

A.B. A student enrolled in a fermentation science, wine making, mead making, brewing, or distilling course may taste an alcoholic beverage for educational purposes as part of the course requirements. A student under twenty-one (21) years of age may draw an alcoholic beverage into the student's mouth, but is not permitted to swallow or otherwise consume the alcoholic beverage. The alcoholic beverage must remain in control of an instructor who is at least twenty-one years of age.

VI. Sale of Alcoholic Beverages by Lessees

- A. If property owned by the Tennessee Board of Regents is leased to a third party, the lease may allow for sale of alcoholic beverages on the property, subject to the applicable state and local laws. The lease must be for a period of at least twelve months; must require the lessee to obtain the lessor's prior approval of the sale of alcoholic beverages and provide for immediate termination of the lease if violations of the applicable state and local laws occur.

MEETING:	Quarterly Board Meeting
SUBJECT:	New Policy 1.08.10.00 Use of Artificial Intelligence
DATE:	June 13, 2025
PRESENTER:	Vice Chancellor Jothany Reed, Academic Affairs Brian Lapps, General Counsel
PRESENTATION REQUIREMENTS:	N/A

Summary:

The TBR Artificial Intelligence (AI) Policy establishes comprehensive guidelines for the ethical, secure, and effective use of AI technologies, including Generative AI, across its colleges and system offices. It encourages AI adoption to enhance education, research, and operations while ensuring adherence to standards for academic integrity, data governance, intellectual property, and privacy. The policy empowers faculty to define AI use in their courses, outlines restrictions on handling confidential and copyrighted material, and provides protocols for research and employee use.

It was voted on and passed by the Joint Subcouncil on April 24, 2025, the Faculty Subcouncil on April 25, 2025, and the Presidents Meeting on May 2, 2025. Overall, the policy promotes innovation and efficiency while safeguarding institutional and individual responsibilities

1.08.10.00 Use of Artificial Intelligence

Policy/Guideline Area

Governance, Organization, and General Policies

Applicable Divisions

TCATs, Community Colleges, System Office

Purpose

TBR supports the use of artificial intelligence (AI), including Generative AI (Gen AI), in the broadest sense, to assist students, faculty, and staff in achieving their goals more successfully. Artificial Intelligence has the potential to enhance learning experiences, streamline research processes, improve administrative efficiency, and foster innovation across all aspects of education. This policy establishes flexible guidelines to encourage responsible and effective use of AI within the TBR college system, while upholding academic integrity, information security, data governance, privacy, and ethical standards.

Definitions

The following definitions are applicable to this policy.

- “Artificial Intelligence” or “AI” refers to computer systems or software designed to perform tasks that typically require human intelligence. These tasks include learning from data, identifying patterns, solving problems, making decisions, processing natural language, and adapting to new information. AI covers a broad range of technologies, such as machine learning, natural language processing, and robotics, and is used to improve efficiency, accuracy, and innovation across various fields.
- “Generative AI” or “Gen AI” is a subset of artificial intelligence that creates new content by learning patterns and structures from existing data. Generative AI models can produce ~~original~~ outputs across various domains including text, images, audio, video, and code among others. Gen AI can be a standalone system or integrated into other software and services.
- “Private” or “Proprietary Generative AI System” refers to an artificial intelligence system or software owned and controlled by a specific individual, organization, or entity. These systems rely on proprietary algorithms, data, or models not available to the public, and their usage, distribution, and underlying technology are typically restricted by licenses, patents, or other intellectual property and data

privacy protections. These systems require that users adhere to strict data usage guidelines.

(See Exhibit ____ for a list of approved Private or Proprietary Generative AI Systems.)

- “Confidential Information” means any information that should be protected from dissemination pursuant to law, policy, guideline, or due to the potential risks or harm that could result from its unauthorized disclosure. Confidential Information includes Personally Identifiable Information (PII) as defined in TBR Policy [1.08.04.00, Personally Identifiable Information](#), confidential student information, financial information, individual health information, legally protected intellectual property (whether belonging to the TBR system, a college, a faculty member, or other individual or entity), sensitive research data, information that is not subject to disclosure under the Tennessee Public Records Act, information that is prohibited from disclosure in a license agreement or other contract, and any other information that should not be shared publicly.

Policy/Guideline

I. General Information

- A. TBR colleges are committed to the responsible, efficient, and ethical use of artificial intelligence and other emerging technologies. Benefits of these tools include:
 - 1. Improving educational outcomes and career prospects;
 - 2. Helping students to ethically and responsibly learn and understand information;
 - 3. Increasing efficiency in the teaching, assessment, and learning process;
 - 4. Supporting ethical teaching and research; and
 - 5. Improving administrative efficiency.
- B. Artificial Intelligence, including Generative AI, is a tool that can assist humans. AI tools are not a substitute for creative, scholarly, or critical thinking. Users should recognize that Generative AI, while a rapidly improving technology, has significant limitations, can make errors, and may provide biased results. Users are responsible for Generative AI-produced content they use for their academic activities and in the course of their employment.
- C. Artificial Intelligence, including Generative AI use, must be consistent with existing policies including, but not limited to:
 - 1. TBR Policy [1.08.05.00, IT Acceptable Uses](#);
 - 2. TBR Policy [2.08.00.00, Research Compliance and Security](#);
 - 3. TBR Guideline A-110, [Institutional Review for Research](#);
 - 4. TBR Policy [3.02.00.01, General Policy on Student Conduct & Disciplinary Sanctions](#);

5. TBR Policy [3.02.03.00, Confidentiality of Student Records](#);
 6. TBR Guideline [S-020, Confidentiality of Student Records](#);
 7. TBR Policy [5.01.06.00, Intellectual Property](#);
 8. TBR Policy [5.02.03.10, Academic Freedom, Responsibility, & Tenure at TCATs](#); TBR Policy [5.02.03.30, Academic Freedom and Responsibility](#); TBR Guideline [B-090, Safeguarding Nonpublic Financial Information](#); and
 9. All non-discrimination policies and guidelines.
- D. Any purchase or other procurement of an AI tool must be consistent with applicable procurement policies and approved by the applicable information technology department, which should be consulted early in the procurement process. See [TBR Policy 4.02.10.00, Purchasing Policy](#).
- E. The TBR IT Department may restrict or prohibit using AI tools, including Generative AI, on college-owned computer systems or with college-issued credentials. This action may be made if the IT Department determines that the tools do not comply with TBR data governance standards, pose an unacceptable risk to information security, or for other reasons deemed necessary.
- F. Exhibit __ contains [additional information from the System IT Department about Generative AI tools, information about selecting and using Generative AI tools, and data security considerations, including Private or Proprietary Generative AI Systems, that have been reviewed by information technology and security professionals within the TBR system and approved for full or partial use. It also contains a list of Generative AI tools that are restricted or partially restricted.](#)

II. [Protection of Confidential Information and Copyrighted Material](#)

- A. Generally, prompts and other information entered into a Generative AI system are stored and may be used to further train the system. Therefore, Confidential Information should not be input into a public Generative AI system.
- B. Digital information use in college libraries is subject to license agreements. Some publishers and vendors consider uploading licensed information into AI tools, including Generative AI, to be a violation of these agreements. Users are responsible for understanding the terms of license agreements before uploading information from college libraries into AI tools.
- C. TBR colleges and employees must respect copyrights. Under the Fair Use doctrine, limited portions of copyrighted material may be used without permission for purposes such as criticism, commentary, teaching, scholarship, or research. Whether a particular use qualifies as Fair Use is dependent on all the circumstances and can be complex. Uploading licensed materials into AI tools, including Generative AI, may exceed Fair Use limits, and it is the responsibility of users to consult guidelines or seek permission where required.

D. Consequences of providing Confidential Information or copyrighted material to a Generative AI tool may include:

1. Violation of privacy laws, including FERPA and the Gramm-Leach-Bliley Act, as well as related policies and guidelines;
2. Loss of intellectual property rights;
3. Violation of the intellectual property rights of others; and
4. Violation of licensing agreements with third parties, as well as federal and state laws regarding intellectual property, including copyright laws.

E. Patient and other medical information relating to individuals, whether or not it meets the definition of personally identifiable information under HIPAA, should not be uploaded into an AI tool without specific instructions from an appropriate person. E.g., an instructor for students, or a supervisor for employees.

III. Instructional and Classroom Use of AI Tools

- A. TBR encourages faculty to guide students in becoming proficient, responsible, and ethical users of AI tools, including Generative AI, when such use aligns with institutional policies, course objectives, and academic goals.
- B. Faculty, working within institutional policies and guidelines, have broad discretion to set the terms under which students may use both Generative AI and other forms of artificial intelligence for writing assignments, research, examinations, and other academic endeavors, including the complete prohibition of Generative AI and other forms of AI in some or all academic endeavors.
- C. Faculty are responsible for communicating the acceptable and unacceptable use of Generative AI and other forms of artificial intelligence in their classes.
1. Unauthorized or inappropriate use of Generative AI or other forms of artificial intelligence may violate TBR Policy [3.02.00.01, the General Policy on Student Conduct & Disciplinary Sanctions](#). Violations can lead to academic consequences, such as a failing grade on an assignment or in the course, or disciplinary sanctions under the policy. It is recommended that faculty establish clear AI-use guidelines in their course policies at the beginning of each semester and include them in their syllabi. These guidelines should outline acceptable and unacceptable uses of AI, specify when and how AI tools may be used, establish expectations for academic integrity and citation practices, and clarify the consequences of unauthorized use.
 2. Faculty have access to a selection of AI resources, including training recordings, tool recommendations, educational materials, and web links. Guidance on preparing course materials, syllabi, and assignment policies is also provided. Maintained by the TBR AI Collaborative, these materials are listed in the Resources and Policies section of the [Bridging Minds and Machines website](#) and are updated regularly.

3. Faculty and administrators should be aware that tools designed to detect AI-generated content may not be reliable or accurate. These detection tools can produce false positives (misidentifying human-written work as AI-generated) and false negatives (failing to detect AI-generated content). These tools should not be used as the sole method for evaluating student assignments or assessing academic integrity. Each college maintains authority to restrict the use of AI detection tools.

IV. Use of Generative Artificial Intelligence (Gen AI) in Research

- A. Generative AI can enhance various aspects of research if used conscientiously, ethically, and with acknowledgement of its limitations and the need for human oversight. Any use of Gen AI in research must adhere to the applicable data security, ethical, intellectual property, and publication requirements as well as relevant regulatory criteria.
- B. AI-generated content and processes should be attributed and cited in accordance with applicable standards. This includes appropriately citing any output created with the help of Generative AI tools as well as citing the specific tool, along with the scope of its contribution to the research. Refer to discipline-specific style guides for citation expectations.
- C. Researchers are responsible for ensuring the accuracy, reliability, and fairness of AI-generated data, analysis, and results. Any use of Generative AI in human subjects' research, as defined in the federal regulations (45 CFR Part 46), must receive and be consistent with Institutional Review Board approval, along with any necessary administrative and compliance approvals, prior to starting the research to ensure adherence to ethical standards and protection of participant rights. Researchers are responsible for obtaining participants' consent, respecting participant expectations, minimizing risks, and protecting identifiable private information collected, analyzed, or generated in AI-assisted research.
- D. The Principal Investigator and other researchers with approved access to confidential information are responsible for maintaining its integrity, ensuring its privacy, and implementing data security protocols. Researchers should ensure that any Generative AI tools employed are compliant with relevant data protection laws (e.g., FERPA), and TBR and institutional policies and guidelines on data security, data ownership, and privacy.

V. Use of Generative AI for Employees

- A. Employees are permitted and encouraged to use AI tools, including Generative AI to increase efficiency and productivity, subject to the requirements of this policy, other policies, and supervisory relevant criteria.

A.B. _____ Employee use of AI must comply with any applicable ethical or professional standards.

B.C. _____ Improper use of AI tools, including Generative AI may subject an employee to disciplinary action in accordance with relevant policies and guidelines.

C.D. _____ Resource materials for employees, including training recordings, tool suggestions, learning resources, and curated web links for improving efficiency and productivity, are maintained by the TBR AI Collaborative. These materials are available in the Resources and Policies section of the [Bridging Minds and Machines website](#) and are regularly updated.

 9. All non-discrimination policies and guidelines.
- D. Any purchase or other procurement of an AI tool must be consistent with applicable procurement policies and approved by the applicable information technology department, which should be consulted early in the procurement process. See [TBR Policy 4.02.10.00, Purchasing Policy](#).
- E. The TBR IT Department may restrict or prohibit using AI tools, including Generative AI, on college-owned computer systems or with college-issued credentials. This action may be made if the IT Department determines that the tools do not comply with TBR data governance standards, pose an unacceptable risk to information security, or for other reasons deemed necessary.
- F. Exhibit ___ contains additional information from the System IT Department about Generative AI tools, information about selecting and using Generative AI tools, and data security considerations..

II. [Protection of Confidential Information and Copyrighted Material](#)

- A. Generally, prompts and other information entered into a Generative AI system are stored and may be used to further train the system. Therefore, Confidential Information should not be input into a public Generative AI system.
- B. Digital information use in college libraries is subject to license agreements. Some publishers and vendors consider uploading licensed information into AI tools, including Generative AI, to be a violation of these agreements. Users are responsible for understanding the terms of license agreements before uploading information from college libraries into AI tools.
- C. TBR colleges and employees must respect copyrights. Under the Fair Use doctrine, limited portions of copyrighted material may be used without permission for purposes such as criticism, commentary, teaching, scholarship, or research. Whether a particular use qualifies as Fair Use is dependent on all the circumstances and can be complex. Uploading licensed materials into AI tools, including Generative AI, may exceed Fair Use limits, and it is the responsibility of users to consult guidelines or seek permission where required.
- D. Consequences of providing Confidential Information or copyrighted material to a Generative AI tool may include:

1. Violation of privacy laws, including FERPA and the Gramm-Leach-Bliley Act, as well as related policies and guidelines;
2. Loss of intellectual property rights;
3. Violation of the intellectual property rights of others; and
4. Violation of licensing agreements with third parties, as well as federal and state laws regarding intellectual property, including copyright laws.

E. Patient and other medical information relating to individuals, whether or not it meets the definition of personally identifiable information under HIPAA, should not be uploaded into an AI tool without specific instructions from an appropriate person. E.g., an instructor for students, or a supervisor for employees.

III. Instructional and Classroom Use of AI Tools

- A. TBR encourages faculty to guide students in becoming proficient, responsible, and ethical users of AI tools, including Generative AI, when such use aligns with institutional policies, course objectives, and academic goals.
- B. Faculty, working within institutional policies and guidelines, have broad discretion to set the terms under which students may use both Generative AI and other forms of artificial intelligence for writing assignments, research, examinations, and other academic endeavors, including the complete prohibition of Generative AI and other forms of AI in some or all academic endeavors.
- C. Faculty are responsible for communicating the acceptable and unacceptable use of Generative AI and other forms of artificial intelligence in their classes.
 1. Unauthorized or inappropriate use of Generative AI or other forms of artificial intelligence may violate TBR Policy [3.02.00.01, the General Policy on Student Conduct & Disciplinary Sanctions](#). Violations can lead to academic consequences, such as a failing grade on an assignment or in the course, or disciplinary sanctions under the policy. It is recommended that faculty establish clear AI-use guidelines in their course policies at the beginning of each semester and include them in their syllabi. These guidelines should outline acceptable and unacceptable uses of AI, specify when and how AI tools may be used, establish expectations for academic integrity and citation practices, and clarify the consequences of unauthorized use.
 2. Faculty have access to a selection of AI resources, including training recordings, tool recommendations, educational materials, and web links. Guidance on preparing course materials, syllabi, and assignment policies is also provided. Maintained by the TBR AI Collaborative, these materials are listed in the Resources and Policies section of the [Bridging Minds and Machines website](#) and are updated regularly.
 3. Faculty and administrators should be aware that tools designed to detect AI-generated content may not be reliable or accurate. These detection tools can

produce false positives (misidentifying human-written work as AI-generated) and false negatives (failing to detect AI-generated content). These tools should not be used as the sole method for evaluating student assignments or assessing academic integrity. Each college maintains authority to restrict the use of AI detection tools.

IV. Use of Generative Artificial Intelligence (Gen AI) in Research

- A. Generative AI can enhance various aspects of research if used conscientiously, ethically, and with acknowledgement of its limitations and the need for human oversight. Any use of Gen AI in research must adhere to the applicable data security, ethical, intellectual property, and publication requirements as well as relevant regulatory criteria.
- B. AI-generated content and processes should be attributed and cited in accordance with applicable standards. This includes appropriately citing any output created with the help of Generative AI tools as well as citing the specific tool, along with the scope of its contribution to the research. Refer to discipline-specific style guides for citation expectations.
- C. Researchers are responsible for ensuring the accuracy, reliability, and fairness of AI-generated data, analysis, and results. Any use of Generative AI in human subjects research, as defined in the federal regulations (45 CFR Part 46), must receive and be consistent with Institutional Review Board approval, along with any necessary administrative and compliance approvals, prior to starting the research to ensure adherence to ethical standards and protection of participant rights. Researchers are responsible for obtaining participants' consent, respecting participant expectations, minimizing risks, and protecting identifiable private information collected, analyzed, or generated in AI-assisted research.
- D. The Principal Investigator and other researchers with approved access to confidential information are responsible for maintaining its integrity, ensuring its privacy, and implementing data security protocols. Researchers should ensure that any Generative AI tools employed are compliant with relevant data protection laws (e.g., FERPA), and TBR and institutional policies and guidelines on data security, data ownership, and privacy.

V. Use of Generative AI for Employees

- A. Employees are permitted and encouraged to use AI tools, including Generative AI to increase efficiency and productivity, subject to the requirements of this policy, other policies, and supervisory relevant criteria.
- B. Employee use of AI must comply with any applicable ethical or professional standards.

- C. Improper use of AI tools, including Generative AI may subject an employee to disciplinary action in accordance with relevant policies and guidelines.
- D. Resource materials for employees, including training recordings, tool suggestions, learning resources, and curated web links for improving efficiency and productivity, are maintained by the TBR AI Collaborative. These materials are available in the Resources and Policies section of the [Bridging Minds and Machines website](#) and are regularly updated.

NEW Policy approved at Board Meeting June ____, 2025.

BOARD TRANSMITTAL

MEETING:	Quarterly Board Meeting
SUBJECT:	Proposed Amendment of Bylaws
DATE:	June 13, 2025
PRESENTER:	Brian Lapps, General Counsel
PRESENTATION REQUIREMENTS:	10 minutes
ACTION REQUIRED:	Discussion
STAFF RECOMMENDATION:	Not Applicable

Because Public Chapter 452 expanded the size of the Board, a proposal to amend the Tennessee Board of Regents Bylaws to increase the size of a quorum from nine to ten voting members is being presented. Pursuant to Article VII.A. of the Bylaws, proposed amendments must receive two readings. This proposal is for discussion purposes only at the June 2025 Board Meeting. The proposed amendments may be the subject of a vote at the September 2025 Board Meeting.

In addition to revising the size of a quorum, the proposed revisions are designed to accomplish two objectives. First, proposed substantive revisions update what the Board actually does in practice and remove listed responsibilities that are not done in practice. Second, a number of stylistic revisions to increase consistency and clarity are proposed.

The proposed substantive revisions are as follows.

1. Article II.7.E. (page 3) changes a quorum from nine to ten voting members to reflect that the Board's size will increase by two voting members in the near future. A conforming change is recommended in Article VII.A. to amend the number of members required to change the Bylaws from nine to ten.
2. Article III.L.1(c) (page 6) removes a reference to activity by the Committee on Finance and Business Operations that is no longer performed in practice and reflects that the actual practice and oversight is already included in subsection (b).
3. Article III.L.1(d) (page 6) removes a reference to insurance coverage of buildings and contents, as the Department of Risk Management, within the Department of Treasury at

the State of Tennessee, has responsibility for obtaining appropriate insurance, not the Committee on Business and Finance.

4. Article III.L.1.f. (page 6) is removed to reflect that the State of Tennessee, not the Committee on Finance and Business Operations, is responsible for the investment and reinvestment of trust funds and other investments.
5. Article III.L.2.a. (page 7) removes reference to “extension services,” which is a term relating to the agricultural functions of land grant institutions and is no longer necessary following the Focus Act.
6. Article III.L.2.a. (page 7) removes reference to “student housing,” as TBR colleges do not have residence halls.
7. Article III.L.4.b.(1) (page 8) removes references to certain activities of the Committee on Workforce Development. Although the Board, through the Committee on Academic Policies and Programs and Student Life, provides oversight and makes recommendations related to academic programs, neither the Board nor any committee has been making such recommendations with respect to workforce development programs.
8. Article III.L.4.b.(2) and (3) (page 8) proposes moving the reference to the Committee on Workforce Development’s ensuring alignment with economic development goals to an earlier subsection and makes the language of the Committee on Workforce Development’s responsibilities more general.
9. Article IV.G.6 (page 11) eliminates reference in the Chancellor’s duties to “branches” within the TBR System, as that term is not widely used.
10. Article IV.G.17 (page 12) removes language to reflect that the Chancellor no longer creates and submits an annual report to the Governor and General Assembly on behalf of the Board. Rather, the Chancellor provides information as required by law and as requested by the Governor, General Assembly, and Tennessee Higher Education Commission.

Policy/Guideline

Article I: Purpose

The purpose of the Tennessee Board of Regents is to govern, manage and control the state community colleges and state colleges of applied technology established by the General Assembly of the State of Tennessee in T. C. A. § 49-8-101(a), exercising the powers and fulfilling the duties vested in it by the General Assembly.

Article II: The Board

Section 1. Powers

A. The Board of Regents is vested by law with all the powers and authority to govern effectively and set policy for the state community colleges and colleges of applied technology in accordance with the laws of Tennessee and the policies of the Tennessee Higher Education Commission.

B. With respect to the locally governed universities in the System, the Board of Regents has the authority to review and give final approval to the operating budget of each university for the purpose of ensuring the ability to satisfy obligations to the Tennessee State School Bond Authority and its bondholders.

Section 2. Members

The composition of the membership of the Board, the terms of office, and the conditions of membership are as provided in T.C.A. § 49-8-201, including all future amendments thereto.

Section 3. Rights of Members

A. Except as provided otherwise by law, individual members of the Board enjoy these rights equally with all other members:

1. the right to vote,
2. the right to participate fully in all considerations before the Board,
3. the right to enter motions and to submit recommendations, and
4. all rights and privileges afforded the Board by law and regulation when sitting in deliberative session.

B. When not participating in meetings of the Board or any of its duly constituted committees, members, as individuals, enjoy the same rights and privileges of any citizen of the State of Tennessee as pertains to the governance, control, and management of institutions under the Board.

C. As individuals, members shall not speak for the Board unless specifically authorized to do so by the Board.

Section 4. Responsibilities of Members

A. When participating in meetings of the Board or its duly constituted committees, members are responsible for the entire System, without regard for any congressional district or area of the State or for any individual institution within the State.

B. Members are enjoined from espousing the cause of any one institution over the interests of others or the System.

Section 5. Expenses of Members

Board business-related and travel expenses, including lodging and meals encountered about meetings of the Board or duly constituted committees thereof shall be reimbursable at rates established by Board policy in accordance with Tennessee State Regulations for Travel.

Section 6. Minority Views

Upon announcement of any vote of a meeting of the Board or one of its duly constituted committees, a member holding a minority view may request his or her view be made a matter of record. Such minority view shall be submitted in writing to the Secretary.

Section 7. Meetings of the Board

A. Regular Meetings

The Board shall hold at least one (1) stated meeting annually on a day or days determined by the **bB**Board from year to year and at called meetings that may be necessary, to be called by the secretary, giving at least five (5) days' notice to the **bB**Board members, but the **bB**Board may adjourn the stated or called meetings to any date that it may set for adjournment.

B. Special Meetings

1. Special meetings of the Board of Regents may be called for any purpose by the Chair by request in writing to the Secretary, or by the Secretary upon written request from four other members of the Board.

2. The requests shall state the purpose of the proposed meeting.
3. Business transacted at all special meetings shall be confined to the subjects stated in the call.

C. Location

Each year, following the Fall quarterly meeting, the Secretary shall issue a calendar of the regular meetings for the upcoming calendar year including their locations. The ~~b~~Board shall strive to meet on the campus of a system institution at least twice a year, rotating those meetings throughout the system, as practicable.

D. Notice of Meetings

1. The Secretary shall give each member of the Board at least five days' written notice of a regular or of special meetings of the Board. Emergency meetings may be called by telephone or electronic notification with the understanding that similar notices are provided all members.
2. The Secretary, upon advice from the Chancellor and Board, shall prepare an annotated agenda to accompany each notice of a regular or special meeting of the Board.
3. Public notice of all meetings shall be issued in accordance with T.C.A. §§ 8-44-103 and 108.

E. Quorum

1. At all meetings of the Board of Regents, ~~ten~~nine voting members shall constitute a quorum for the transaction of business. In the absence of a quorum, the Board may convene for the purpose of receiving information. If the Board convenes in the absence of a quorum and a quorum is later established, the Board may then transact business.
2. The action of a simple majority of the voting members of the Board present at any meeting shall be the action of the Board, except as may be otherwise provided by these Bylaws.
3. Members shall be allowed to participate in a meeting by electronic or other means in accordance with T.C.A. § 8-44-108.

F. Order of Business

The order of business at each regular meeting of the Board shall be determined by the Vice ~~=~~Chair.

G. Procedures

1. Any ex-officio member of the Board may be represented at a meeting of the Board, but cannot under any conditions register a vote by proxy.
2. When a member identifies a conflict of interest about a vote on a matter before the Board, the member shall withhold his or her vote.
3. A record vote of the Board shall be required on all motions providing for approval of a budget; approval of an increase in fees or tuition; approval of capital expenditures or the extension of the credit of the system or any of its institutions; any revision of the Bylaws, the adoption of a new Bylaw or the repeal of an existing Bylaw; and the documentation of any transaction as may be required by law or deemed desirable in the judgment of the Chair; upon demand of any member present a record vote may be called for on any matter before announcement of a vote previously taken.
4. A motion to reconsider may only be made by a member who voted on the prevailing side and must be made at the same meeting.

H. Adjourned Meetings

1. The Board may adjourn any regular or special meeting to any date it may set.
2. If a quorum is not present, any regular or special meeting may be adjourned by the members attending until a quorum shall be present.

I. Joint Meetings

1. From time to time, the Board may find it appropriate to meet jointly with some other board or body.
2. In such meetings, the Board shall retain its constituted integrity as established under law and in accordance with these Bylaws.

J. Executive Sessions

1. In accordance with T.C.A. § 4-35-108, the **bB**Board may hold confidential executive sessions to discuss:
 - a. Items deemed not subject to public inspection under T.C.A. §§ 10-7-503 and 10-7-504, and all other matters designated as confidential or privileged under the Tennessee Code;
 - b. Litigation;
 - c. Audits or investigations;
 - d. Information protected by federal law; and

e. Matters involving information under T.C.A. § 4-35-107(a), where the informant has requested anonymity.

2. No business, other than that described under subsection 1 a-e, above, shall be considered during a confidential, non-public executive session.

3. Attendance at executive sessions shall be limited to **b**Board members. Other individuals may be invited to attend all or portions of an executive session as deemed necessary by the **b**Board **V**vice **-C**chair.

K. Minutes

1. Minutes shall be taken at each meeting of the Board and shall provide a permanent record of such meeting.

2. Minutes need not be a verbatim record of a meeting but should provide adequate basis upon which implementing actions may be taken or permanent policies be extracted therefrom.

3. Each meeting shall also be electronically recorded in its entirety. In the event of a dispute regarding the transactions at a meeting, the electronic recording shall be determinative of the Board's action.

4. Minutes of each regular meeting and of subsequent special meetings shall be circulated for consideration of the members prior to the next regular meeting at which time they shall be approved as attested to by the Vice Chair and the Secretary of the Board.

Article III. Committees of the Board

A. The Board of Regents as a whole shall be responsible for the operation of the State University and Community College System.

B. The Board may organize standing and special committees as necessary to carry out its governance, control, and management functions.

C. The Committees of the Board shall make studies of the fields assigned to them and advise the Board as to what, if any, changes of policy should be made.

D. Each of the standing committees shall keep informed with respect to the manner in which the policies of the Board are being administered in its field. Committees may be authorized to act on behalf of the Board.

E. All Board members may participate in committee deliberations; however, each standing committee shall consist of not less than three and not more than seven Board members.

F. A majority of the members of a committee shall constitute a quorum for the transaction of business. In the absence of a quorum, a committee may convene for the purpose of receiving information. If a committee convenes in the absence of a quorum and a quorum is later established, the committee may then transact business.

G. The Board of Regents may authorize special committees with whatever membership is desired by the Board.

H. Each standing or special committee shall report to the Board periodically or at the request of the Chair of the Board.

I. The Chair of the Board shall be an ex officio member of all committees with the authority to vote. In the absence of the Chair, the Vice-Chair shall be an ex officio member of all committees with the authority to vote.

J. The Chancellor and Secretary shall be ex officio members of all committees without the authority to vote.

K. The Executive Director of the Tennessee Higher Education Commission may serve as a member of any committee without the authority to vote.

L. Standing Committees

1. Committee on Finance and Business Operations

a. The Committee on Finance and Business Operations shall make recommendations to the Board regarding the fiscal policies to be followed in the conduct of the System.

b. The Committee shall receive and review the recommendations of the Chancellor concerning appropriation requests, allocations, budgets and budget revisions for each of the institutions in the State University and Community College System and for the office of the Board, and shall make its recommendations to the Board.

~~c. The report of the Committee to the Board shall include in written form the itemized deletions, additions, or other changes in the submitted budget requests of each institution.~~

d. The Committee shall also make recommendations to the Board as to needs for additional buildings and land for the campuses, repair and renovation of buildings, and maintenance of campuses, ~~and adequate insurance coverage of buildings and contents.~~

e. It shall coordinate the preparation of the capital outlay budget and capital outlay appropriations.

~~f. It shall study and submit recommendations affecting investments or reinvestments of trust funds and shall advise the Board regarding such funds.~~

g. The Committee shall submit recommendations on System-wide policies and procedures on procurement and purchasing.

h. This committee shall have such other duties as may be authorized by the Board.

i. The Treasurer shall serve as a member of this committee only without the authority to vote.

2. Committee on Academic Policies and Programs and Student Life

a. The Committee shall review and make recommendations to the Board concerning all proposals for new academic programs and degrees, revisions or discontinuations of existing programs, the adoption of our changes in admission and retention standards, and the establishment, reorganization or elimination of academic departments, divisions, branch operations ~~and extension services~~, and other academic units.

b. The Committee shall be responsible for reviewing the level of productivity of existing programs, and when appropriate to recommend the discontinuance of non-productive programs.

c. The Committee shall make appropriate recommendations concerning studies and policies relating to academic matters.

d. The Committee shall also make recommendations to the Board regarding campus life of the institutions.

e. It shall receive and review the Chancellor's reports of proposed policies and regulations concerning student affairs including, but not limited to, the conduct of students, discipline, ~~student housing~~, parking, safety and special activities of students of the institutions under control of the Board.

d. The Committee shall facilitate the development and implementation of K-12 partnership efforts, middle college, dual credit/dual enrollment programming, and opportunities for alignment of K-12 and college curricula.

3. Committee on Personnel and Compensation

a. The Committee on Personnel shall make recommendations to the Board regarding retirement, tenure, promotion, evaluation and other personnel matters regarding personnel involved in the various institutions governed by the Board.

b. The Committee shall make appropriate recommendations concerning policy and procedures relating to personnel matters and review the recommendations from the Chancellor relative to the annual review of personnel requests from the institutions.

c. The committee shall also review compensation matters of the institutions and System Office personnel that require Board approval and make recommendations to the Board regarding these matters.

d. The Committee shall have the power to act for the full Board in compensation matters when waiting for the next scheduled Board meeting is not desirable.

4. Committee on Workforce Development

a. The Committee on Workforce Development is responsible for the oversight of the workforce initiatives at the colleges, ensuring our institutions are meeting the workforce training needs of Tennessee.

b. The committee will:

~~(1) Provide oversight and make recommendations to the Tennessee Board of Regents relative to programmatic decisions including the approval of new programs of instruction, program credentials, modifications or terminations of academic workforce offerings.~~

(2) Ensure that workforce programs align with the needs of business and industry, as well as economic development goals.

(3) Ensure that workforce programs enrich, strengthen, and support Tennessee citizens, ~~the State of Tennessee's Drive to 55, including through goals established by the Governor and General Assembly and economic development goals.~~

(4) Review productivity and performance of workforce programs annually and provide a report to the Tennessee Board of Regents.

(5) Provide recommendations to the Tennessee Board of Regents for creation of or revisions to policies and guidelines related to workforce entities within the TBR system's institutions.

(6) Encourage and recognize excellence in workforce partnerships and student's successes.

5. Committee on External Affairs

a. The Committee on External Affairs is responsible for the oversight of the Board's relationship to organizations and constituent groups external to the system, ensuring that these relationships promote the mission and goals of the Tennessee Board of Regents system.

b. Toward the furtherance of this purpose, the Committee on External Affairs shall:

- (1) Provide oversight for government relations activities and initiatives and make recommendations to the Board on legislative priorities for the system.
- (2) Make recommendations regarding the Board's role in building relationships and collaborations with foundations, external funders, businesses, industry groups, organizations, and community leaders.
- (3) Make recommendations regarding the Board's role in advocating the priorities of the System to media and local, state, and national leaders.
- (4) Provide oversight for public relations efforts, promote effective communications with constituents and review the marketing, digital and branding strategies developed that promote the system, its initiatives and the individual colleges. Promote effective communication between the System and its institutions, public officials, and leaders at the local, state, and national levels.
- (5) Provide oversight of fundraising and system grant efforts, recognize excellence in philanthropy and review reports on philanthropic and collaborative grant activities within the system.

6. Audit Committee

- a. The Audit Committee shall provide appropriate oversight and accountability on fiscal and other matters within the Tennessee Board of Regents.
- b. In addition to the Regents appointed to the Committee, the Board may select one or more certified public accountants or other qualified citizens who are not members of the Board to serve on the Audit Committee.
- c. The Audit Committee shall employ a person qualified by training and experience to serve as an internal auditor and to report directly to the Audit Committee and the Board.
- d. The internal auditor shall be removable only for cause by a majority vote of the Board.
- e. The internal auditor shall perform the duties required by the Higher Education Accountability Act of 2004 (T.C.A. § 49-14-101 et seq.) including reports to the Committee and development of a process to report and investigate illegal, improper, fraudulent or wasteful activity.

Article IV. Officers and their Duties

A. Officers

1. The officers of the Board of Regents shall be the Chair, Vice Chair, Chancellor, Treasurer, and Secretary. The sitting Governor of the State of Tennessee shall serve as Chair of the Board.

2. The Board may from time to time establish such other offices and positions as may be necessary to carry out the functions of the Board.

B. Election and Term of Office

1. The term of office of each officer, except the Chancellor, shall be one year commencing on July 1st and continuing until a successor is chosen and installed.

2. Officers other than the Chair and Chancellor shall be elected each year by the Board at the last regular meeting of each fiscal year.

3. The Vice Chancellor for Business and Finance shall serve as Treasurer unless the Board chooses to fill the office by election from the staff of the Chancellor.

4. The Board shall elect the Secretary from the staff of the Chancellor.

5. No one person shall hold more than one of these offices.

C. Removal of Officers

Officers may be removed at any time by the Board by the affirmative vote of a majority of the Board, not merely of the quorum.

D. Vacancies

Vacancies shall be filled by the Board as soon as practicable.

E. Chair

1. The Chair shall be a member of the Board, shall preside at the meetings of the Board, if present, with the authority to vote, and may work with the Vice Chair to appoint the Chairs and members of all committees.

2. The Chair shall be an ex officio member of all committees with the authority to vote.

F. Vice Chair

The Vice Chair shall be a member of the Board and shall perform the duties and have the powers of the Chair during the absence or disability of the Chair.

G. Chancellor

1. The Board of Regents shall elect the Chancellor who shall hold office at the pleasure of the Board.
2. The Chancellor shall not be a member of the Board.
3. In case of any vacancy in the Chancellorship, the Board shall name an Acting Chancellor who shall serve until the office of the Chancellor shall be filled.
4. The Chancellor shall be the chief executive officer of the State University and Community College System.
5. The Chancellor shall perform all those duties that are prescribed by the Board.
6. The Chancellor shall be responsible to the Board of Regents for the prompt and effective execution of all resolutions, policies and rules and regulations adopted by the Board for the ordering and the operation of the ~~entire System and for the government of any and all of its branches.~~
7. The Chancellor's discretionary powers shall be broad enough to enable him or her to discharge these responsibilities.
8. The Chancellor shall attend and participate in, without the privilege of voting, all of the meetings of the Board of Regents and of its committees.
9. The Chancellor shall be an ex officio member of all committees, without the authority to vote.
10. The Chancellor shall review recommendations from the presidents regarding annual appointments, promotions, and salaries of employees of the several institutions of the System, and shall be responsible for compliance by the presidents with Board policies and procedures on personnel matters.
11. The Chancellor shall make recommendations regarding the establishment or discontinuance of staff positions in the Office of the Board of Regents.
12. The Chancellor shall recommend the appointment of administrative officers and other employees of the Office of the Board of Regents.
13. The Chancellor shall be empowered to act for the Board in the interims when the Board is not in session.
14. The Chancellor shall speak for the Board and shall represent it at meetings and before the public consistent with established policies of the Board.

15. The Chancellor shall be the channel of communication with the presidents of the institutions and shall present recommendations concerning System policy to the Board.

16. The Chancellor shall be authorized upon the authority of the Board and in its name to execute all notes, bonds, deeds, contracts, and other documents of an official nature.

17. ~~The Chancellor shall submit, on behalf of the Board and with its approval the annual report at the end of each fiscal year, which report shall go to the Governor and the legislature.~~ The Chancellor shall submit information and reports to the Governor, General Assembly, and the Tennessee Higher Education Commission as requested and as required by law.

H. Treasurer

1. The Treasurer shall be sworn and bonded to discharge faithfully the duties as Treasurer.

2. The Treasurer shall serve without vote as a member of the Committee on Finance and Business Operations.

3. The Treasurer shall perform such other duties as the Board may authorize or as may be assigned by the Chancellor.

I. Secretary

1. The Secretary shall be sworn to discharge faithfully the duties as Secretary.

2. The Secretary shall be present at all meetings of the Board and of the committees.

3. The Secretary shall keep an accurate record of proceedings of the meetings of the Board and of the committees.

4. In the absence of the Secretary from a meeting, a secretary shall be chosen for the meeting and shall record the proceedings.

5. The Secretary shall be the custodian of all minutes, official documents, and archives of the System.

6. The Secretary shall perform such other duties and have such other powers as the Board may authorize or as may be assigned by the Chancellor.

J. Delegation of Duties of Officers

In case of the absence of any officer of the Board of Regents, or for any other reason that the Board may deem sufficient, the Board of Regents may delegate the powers or duties of such officers, provided a majority of the full Board concurs therein.

Article V. Presidents

Section 1. Duties of the President

A. The president of each college in the System shall be the chief executive of the institution and of all its departments, and shall exercise such supervision and direction as will promote the efficient operation of the institution.

B. The president shall be responsible to the Board through the Chancellor for the operation and management of the institution and for the execution of all directives of the Board and of the Chancellor.

C. The president shall be the official medium of communication between the faculty and the Chancellor, and between the council, senate, assembly, or any such body, either of the faculty or of the students, and the Chancellor.

D. The president shall recommend annually to the Board of Regents, through the Chancellor, the creation or continuance of positions of faculty and other employees of the institution.

E. The president shall have the authority to recommend or make appointments of personnel and, within budgetary limitations, to fix their salaries, and to recommend or approve promotions, transfers, leaves of absence, and removal of personnel, pursuant to the requirements of policies and procedures established by the Board, and subject to such prior approval or confirmation of the Board or the Chancellor as may be required by the Board.

Section 2. Term of Appointment

The presidents of the colleges shall serve at the pleasure of the Board.

Section 3. Resignation and Removal of Presidents

A. The president of an institution may resign at any time upon written notification to the Board through the Chancellor.

B. The Board may terminate the employment of the president of an institution at any time.

BOARD TRANSMITTAL

MEETING: Quarterly Board Meeting

SUBJECT: Review and Consider Building Naming Request from
Roane State Community College

DATE: June 13, 2025

PRESENTER: Chancellor Flora W. Tydings

PRESENTATION
REQUIREMENTS: 3 minutes

ACTION REQUIRED: Voice Vote

STAFF
RECOMMENDATION: Recommend Approval

The Board is authorized to name buildings in honor of individuals who have made significant contributions to society and who otherwise meet the criteria established in TBR Policy 4.02.02.01, Naming Buildings and Facilities & Building Plaques.

For the reasons explained in the attached recommendation from Chris Whaley, Roane State Community College President, Tennessee State Senator Ken Yager and Fentress County Executive Jimmy Johnson meet the requirements in TBR policy and are deserving of the honor of having Roane State's new building for the permanent Fentress campus in Jamestown to be named the Ken Yager & Jimmy Johnson Building. Roane State convened an appropriate committee to consider and make the recommendation, and its report establishes that:

- (1) In general, individuals and groups for whom buildings are named must have made a significant contribution to the field of education, government, science, or human betterment.
- (2) To preserve the integrity of all buildings named in the System, this honor must be reserved for individuals of recognized accomplishment and character; no building may bear the name of an individual convicted of a felony.
- (3) With respect to the naming of buildings on a particular campus, special consideration shall be given to:
 - a) The historical significance of the contribution of the individual or group to the institution;
 - b) The association of the individual or group with the building to be named.

As explained in more detail in the supplemental materials, Senator Yager and County Executive Johnson meet all of the relevant criteria. Senator Yager was elected and served as Roane County Attorney and Roane County Executive for six terms before being elected to the Tennessee State Senate in 2007 serving District 12, where he is currently serving his sixth term. Jimmy Johnson was elected to the Office of Commissioner in 2014 and, in 2018, was elected Fentress County Executive -- he is currently serving his second term. As longtime residents in Roane County and longtime advocates for education in Fentress County, it is thus both deserving and fitting to name Roane State's Fentress building after them.

Chancellor Flora Tydings
Tennessee Board of Regents
1 Bridgestone Park, Third Floor
Nashville, TN 37214

Dear Chancellor Tydings and Members of the Tennessee Board of Regents:

In accordance with TBR Policy 4:02:05:01, the Roane State Community College Building Naming Committee was charged with considering the request to name the new building for the permanent Fentress campus in Jamestown, Tennessee in honor of Tennessee State Senator Ken Yager and Fentress County Executive Jimmy Johnson. The Naming Committee met April 7, 2025.

The members of the Naming Committee were composed of Chair Tamsin Miller, Special Assistant to the President; Dr. Diane Ward, Vice President for Student Learning; Sandra Stiles, Associate Professor and Program Director, Early Childhood Education; Matthew Ward, President RSCC Support Staff Council; April Dills, Administrative Assistant; and Cheyenne Wente, RSCC student.

Diane Ward made a motion, with a second from April Dills to recommend the building currently under construction and located at 823 Old Highway 27 South, Jamestown, TN 38556 be named the "Ken Yager & Jimmy Johnson Building" in recognition of their work and diligence to bring a permanent campus to Fentress County. The motion passed unanimously.

The College offers the following justification specific to selected criteria from TBR Policy 4.02.05.01, as follows:

1. In general, individuals and groups for whom buildings are named must have made a significant contribution to the field of education, government, science, or human betterment.
2. To preserve the integrity of all buildings named in the System, this honor must be reserved for individuals of recognized accomplishment and character; no building may bear the name of an individual convicted of a felony.
3. With respect to the naming of buildings on a particular campus, special consideration shall be given to:
 - a. The historical significance of the contribution of the individual or group to the institution;

- b. The association of the individual or group with the building to be named.

(1) In general, individuals and groups for whom buildings are named must have made a significant contribution to the field of education, government, science, or human betterment.

Tennessee State Senator Ken Yager represents the 12th district in the great state of Tennessee. Senator Yager is a longtime resident of Roane County, where he worked as a teacher in the Harriman City School System before spending several years practicing law. Senator Yager was also an assistant professor of law at Roane State Community College while serving as Roane County Executive.

He was elected and served as Roane County Attorney and Roane County Executive for 6 terms before being elected to the Tennessee State Senate in 2007 serving District 12: Campbell, Clay, Fentress, Macon, Morgan, Overton, Pickett, Roane and Scott Counties. He is currently in his fifth term as Senator and serves on the Commerce and Labor Committee, Finance, Ways and Means Committee and as a member of Fiscal Review. He is also the chair of the Tennessee Advisory Commission on Intergovernmental Relations.

Senator Yager has always been an advocate for education in Fentress County and has worked for years trying to get a permanent, higher education center for his northernmost constituents in Fentress and Scott Counties. Through his efforts, a permanent campus in Jamestown was approved by the Tennessee General Assembly in 1922 and funding approved by the State Building Commission in December 2023.

Fentress County Executive Jimmy Johnson is one of the most dedicated, hard-working, caring public servants you will ever meet. Because of his persistence for a permanent campus for the people of Fentress County, a brand new, permanent campus will open its doors in fall of 2026.

Jimmy credits his work ethic to his parents who worked hard to raise a family of fifteen. When his father passed away at the age of 57, his mother raised three children by herself by taking on part-time jobs and working a garden each year to help make ends meet. Regardless of her circumstances, she always helped a neighbor when she could. By watching his parents, Jimmy says he learned **“to help someone when you could, if you could and while you could”** a philosophy he still follows to this day.

Jimmy has spent most of his adult life volunteering in organizations that serve his community. He helped in youth sports for twenty years, served as a volunteer fireman for almost thirty years and was a member of the fair association for eleven years.

He was elected to the Office of Commissioner in 2014 and in 2018 was elected Fentress County Executive and is currently serving his second term. Although his accomplishments are many during his tenure in county government, two of them come to the forefront. First, his work to secure a permanent college campus with TCAT Oneida which included a 31-acre donation of property for the campus. Second, to bring emergency medical services back to Fentress County when the county’s only hospital closed its doors in 2019. Through his and the efforts of many others, UT Medical Center opened its first freestanding emergency room in 2023 in Jamestown, providing critical services to the county. These two efforts alone have brought substantial services back to one of Tennessee’s most rural counties.

(2) To preserve the integrity of all buildings named in the System, this honor must be reserved for individuals of recognized accomplishment and character; no building may bear the name of an individual convicted of a felony.

Neither Senator Yager nor County Executive Jimmy Johnson have been convicted of a felony.

3) With respect to the naming of buildings on a particular campus, special consideration shall be given to a. The historical significance of the contribution of the individual or group to the institution; and b. the association of the individual or group with the building to be named.

Because of Senator Yager and County Executive Jimmie Johnson's incredible support for our students and their pledged 31-acre donation of prime property for a permanent campus, I am pleased to submit the committee's recommendation to you for consideration at the June 2025 Tennessee Board of Regents meeting.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Whaley".
